LETTER from the EDITOR...

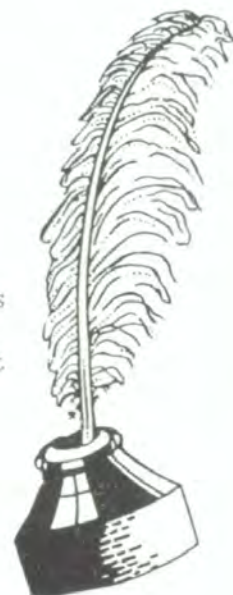

To Students, Faculty and Staff;

The past four years here at **SOUTHWEST** have been very trying times. Especially, for the class of **1992**. We as Freshmen were forced to spend our first year of high school down at Ashland(Annex). So, being the outstanding class that we were and are we were able to get through that year of punishment and **rose** to our triumph of being Sophomores.

Some of the various adjustments we had to overcome such as unfamiliarity with the new building, along with having a class under us looking up at us every step of the way seemed **OVERWHELMING!!**

During our Junior year we came out of our "shells of shyness" and were ready to see "**all eyes on us**". Needless to say those eyes remained on us both during and throughout our **SENIOR** year.

We are the first class to graduate from the **SOUTHWEST SCIENCE/MATH MAGNET PROGRAM**. So now I give this to you on behalf of all of our efforts even though we ended up with less money this year; still we are coming out **WINNERS** for having survived four years of the **MAGNET PROGRAM**. We have shown that it can be done!!!

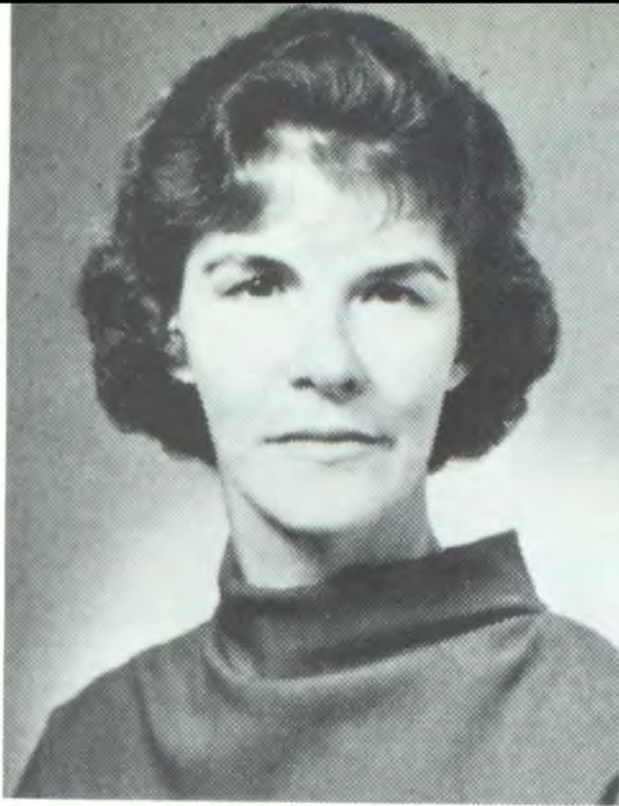

**GOOD LUCK and GOODBYE INDIANS!!!**

# DEDICATION

Martha B. Arnall

Mrs. Martha Arnall,

A devoted teacher who worked very hard to keep going even through her trying times. Mrs. Arnall is a kind and understanding science teacher. She gave all and she was there for all. She was also the sponsor of the National Honor Society.

Suddenly, when a death occurred in her family she decided it would be best to retire. Mrs. Arnall also has a good sense of humor. She and a Southwest art teacher Mrs. Costello had their yearly tradition of "counting down the days" in the school year. To them it was a game. Another funny incident that occurred was when Mrs. Arnall brought her little dog to school. It was so cute; everyone wanted to hold it. She also told us how she treats her dog like a child.

We ~~would~~ just like to tell her thanks for all of her kindness and courage. Even though she isn't here at Southwest any longer, her spirit will always remain. And when it comes to the saying "It's so hard to say goodbye to yesterday", it's true. We miss you Mrs. Arnall.

## IT'S SO HARD TO SAY GOODBYE TO YESTERDAY

We chose our theme in relation to the definition: The recent past. To us, four years can be the recent past. Just as one year can also be the recent past.

We have many yesterdays in our lives. As we look back, we see all the good times. When you first entered school or when you received your first "A".

The bad - when you fell down and scraped your knee, or when you had your first date.

Now, the time has come to say goodbye, but how do we say goodbye? For all the things we have shared and accomplished together, for all the things we are going to leave behind.

We have to look forward to tomorrow, to what we are going to accomplish and all the things that we are going to share.

Now the time has come to say goodbye. So we'll take with us these memories that bring tears to our eyes and smiles to our faces. It really is hard to say goodbye.

Farewell to the senior class of 1992

As we see the BLACK and ORANGE move down the court.

There's JAIME moving down the court to pass to CHRIS, he goes up for a LAY-UP. YES! He makes it.

The 1991 boys and girls cross-country team had a very successful year. Though short in numbers, all of the runners had big hearts. Johnnie Roberts became the first runner from Southwest to win the 3A title. His time was the fastest in the state, he also won the I.L. conference for the third year in a row! Shariff Griffin showed improvement throughout the year. He finished 7th in the East Invitational. We are expecting some good runs from Shariff next year.

For the girls, Teresa Washington finished 3rd in the conference and made the girls I.L. conference team. LaKasiha Johnson, though hampered by injuries finished 1st in the Metro Tech Open. Fonda Browning also showed a promising future in cross-country. All of these girls will be returning to Southwest, all in all we expect good things of them next season.

## THE SOUTHWEST VOLLEYBALL TEAM

By Johnnie Roberts

The Southwest volleyball team had a good season this year. The team finished 2nd in the Interscholastic league and 3rd at the Northeast tournament. All but two of this year's squad are graduating this year. Next year Ms Cook will be looking for alot of new talent so those who are interested should try out.

Ms. Cook said that the most improved player she has had this season is Sonya Thomas. Sonya has improved quite a bit in her hitting and blocking. Also, Sonya was selected for I.L. Honorable Mention.

Most of the members of this year's team have a 3.0 grade point average or above which shows that they get the job done on and off the court. The Southwest volleyball team has had a very productive season.

1. Ladies who wear ties
2. Anything with NBA/NFL (for those who don't know that is starter jackets and such).
