

Dedication

In his six years as Van Horn's principal, Mr. Madison Griffith proved his interest and concern for the welfare of both school and community. His consideration for faculty and students was remarkable as he so capably performed his administrative duties. Because, in the words of Mrs. Griffith, "Van Horn was to him an ideal school in an ideal community, and he worked with great pride to foster its highest traditions and the personal development of each student," we, the Seniors of 1963, dedicate this Falcon to his memory.

Mr. E. E. Curtis

Administration

Mr. E. E. Curtis, principal, has repeatedly demonstrated his capability by carrying out his duties extremely well during his first year as administrator of Van Horn. He was not completely unfamiliar with our school for he served as its Vice-principal from 1955 until 1959. The students and teachers as well have progressed and profited by his efficient supervision and earnest efforts.

Mr. Curtis conducting a Faculty meeting.

Mr. Fred Heine, vice-principal, has now completed five years of scheduling classes, enrolling students, and managing disciplinary problems at Van Horn. He has proved his ability to handle these responsibilities.

Miss Helen Johnson, counselor, has guided Van Horn students through their scholastic and personal problems since 1955. Her advice has benefited hundreds of students in the past eight years. This year Miss Johnson was also co-sponsor of the Senior Class.

Mr. Harry L. Cloverdyke, counselor, became Van Horn's third student adviser in February, 1962 after teaching biology and coaching athletic teams for six years. This year he supervised the student testing program and the Junior Class.

Mr. Ben King, counselor, received his title three years after teaching common learnings at Van Horn. He must continually cope with the student problems of financial aid, employment, and college, which challenge his abilities every day.

Student Council

This year's Student Council initiated a new system of selecting its members. This system was devised last year in order to make this organization and its purposes more effective. From each class a certain percentage of students with S or better averages were chosen by school election. These Representatives reported regularly to homerooms. Stuco sponsored such activities as the dance in honor of Selma, the Yule Dance, a chili supper, and Christmas baskets for the needy. It also promoted arrangements for next year's foreign exchange student and for a Van Horn student to go abroad during the summer.

This has been the second year Mr. Vardyan has been sponsor of Student Council. He has given many hours and much effort to Stuco.

Every Tuesday morning at 7:30 the sixty members of Stuco come droopy eyed to the meetings to plan the upcoming events of the Council.

CATHIE ARNOLD Parliamentarian

My dear American friends,

Let's turn back to the 9th of August. It was three o'clock in the morning. Our bus had stopped at the Greyhound Bus Station. We, about ten A.F.S. students, were the most excited about our families, who were waiting for us inside of the station. As soon as we got our suitcases, we went to meet them. I was looking for my family with confusion; and suddenly, I saw three pairs of lively eyes with broad warm smiles which were looking toward me and meaning "welcome." So I found my real family.

My American parents are the best parents in the world, and my sister Kathy is the loveliest sister for anybody. I had my first experiences about Americans and America with them. We went to the Ozarks and Silver Dollar City, and I saw many beautiful antiques and memories of first Americans—Indians. It was the most beautiful trip for me. Also later, I went to Kansas for Thanksqiving.

After school started, I began to love my teachers and you-my friends. From the very first days, I had many unforgettable memories. One of the most wonderful of these events was the dance which was given for me. I will always remember it and be grateful to you. I met most of you that night and so, our friendship began; and it will be forever. I will always remember each of you as the symbols of ideal friends. I will take your kindness and friendliness with me to Turkey, and I will leave my heart here, in America.

I have to say that Independence is the most wonderful city in which to live, and Van Horn is the ideal school to attend. I like your school system which has many outside activities such as societies. I say that American students are hard workers, and teachers are very helpful to them by working with them.

Dear friends, my ideal and dream will always be to come back to beautiful country, America, Be proud of your country and yourselves. At last, one of the deepest hopes of mine will be to see you in Turkey.

After I express my happiness in this one year, I like to finish my letter with following sentence which I and we, all A.F.S.'ers strongly believe in: "Walk together, talk together; you, all the people of the earth, then and only then will we have peace."

Selna

Our First A.F.S. Student

Judee Overman, Student Council President, presents flowers at the dance in honor of Selma.

Selma and her sister Kathy have many happy times together.

This is the first year that Van Horn has participated in the American Field Service program which arranges for foreign students to attend American schools. Our A.F.S. student is a charming Turkish girl, Selma Oztemir. During the school year she stayed in the home of Kathy McLaughlin, her American sister. Selma, who will return to Turkey in June, has initiated a new tradition at Van Horn, and in return for that service, the student body wishes to send with her our sincerest affection and appreciation.

Selma prepares for Vantasia.

Selma has her first Homecoming.

Athenian Literary Society

The Athenian Literary Society's forty members again emphasized the importance of perfecting their lit work. At Christmas the girls in green and white sang carols at the Independence Sanitarium and attended a slumber party at which they exchanged gifts. The Inter-Society Dance and Lit Night also kept them busy. As the climax of another year's efforts approached, the Athenians thought more often of that date on their calendar which said May 10 "Shine, Athenians, Shine" and they vowed to do so.

The black and yellow Sigma Tau Literary Society jackets were not so numerous this year, but the boys who wore them were just as enthusiastic and determined as in previous years. They have been trying to fulfill their ideals of Service and Training this year. During the first semester, under the sponsorship of Mr. Gene Dexter, the Sigmas served refreshments at the girls' inter-society Rush party and also helped to make the Inter-Society Dance a success. They continued their efforts with Mr. Ham as their sponsor for the second semester.

This year a new literary society made its appearance at our school. Their favorite colors are blue and white and they chose to call themselves Madisons in honor of Mr. Madison Griffith, former principal of Van Horn. With Mr. Carl Simonie as their sponsor, they learned and accepted their responsibilities as a society.
