Working two hours after school on one of the annual productions, or rehearsing for the bands and choirs; this is the world of giving and receiving advice, selling tickets, making and carrying out plans. There never seemed to be enough time this year for all the . . .

ACTIVITIES

FALCON STAFF

The 1970 FALCON Staff has produced a yearbook that we feel is the best in Van Horn's history. 1970, the dawning of a new decade, is an important year for all high school students. It is our hope that this annual shall bring memories to those who once walked the corridors of Van Horn.

PIONEER STAFF

VANTASIA

The annual all-school production "Vantasia" was presented the weekend of Friday the 13th and Saturday the 14th of February. The favorite variety show of all Falcons was just that—a variety show. The show ran along the theme of "Aquarius." Directed by Mr. Cofer, "Vantasia" was a cross-section of Falcon talent, ability, and showmanship. Between the familiar dance lines, piano solos, and other variety acts were the descriptions of each zodiac personality. Providing entertainment between acts were the Master of Ceremonies Nancy Marriott, Julie Weaver, Deidre Jones, Kevin Smith, and Dennis Mayeaux.

Woody Allen's *DON'T DRINK THE WATER* is a comedy about three American tourists visiting behind the Iron Curtain. After they are accused of being American spys, our unlucky tourists are chased to the door steps of the American Embassy, only to find they have jumped from the frying pan into the fire. MaGee's lack of ambassador's tact shines through and the two tourists and their daughter find themselves faced with the prospect of spending the rest of their lives at the Embassy or dying.

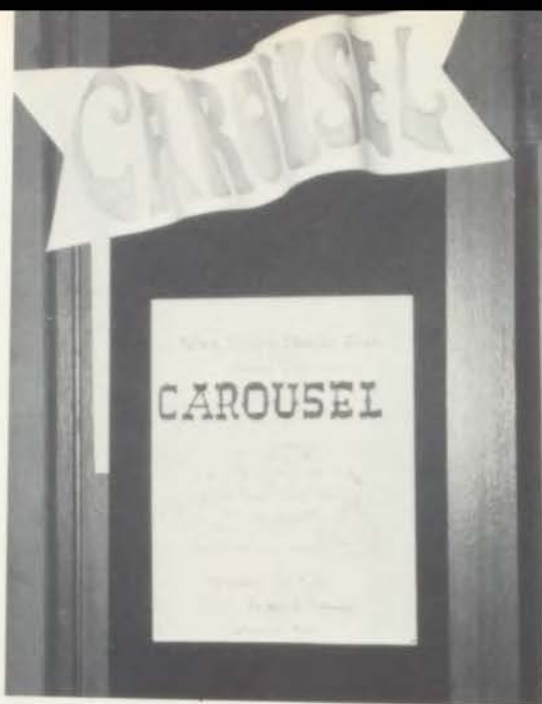

Under Mr. Klamm's direction the performers did a fantastic job of reproducing Woody Allen's play.

Dear Falcons,

After staying here in the United States one school year I feel like everything has really been great. I cannot believe the time has passed so quickly that I must go back home now and leave this school that I like so much.

During this school year I have gained so much knowledge in many ways. I have become familiar with your school system, which is so different from ours in Finland, and I have also become familiar with your active school life that I have enjoyed so much. I remember all those football and basketball games, full of excitement, big school dances like homecoming, society activities with Thala Phia (initiation especially), and other club activities, different kind of assemblies and so on. These all have been great experiences for me.

I have also learned much about your country by studying your history, politics and language and I feel very lucky to have had such wonderful teachers in every class. Today I also know more about your way of life, your customs and people, and now when I go home I can pass this gained understanding of the United States on to my family and friends in Finland.

After this great year of experience I want to thank everybody for the wonderful time I have had here. I will remember all those people who helped me when I had some difficulties, especially during the first school weeks, and ... also remember all the fun I had with you.

If anyone of you Falcons ever come to Finland (it is not too far from here!) I would be very happy to have you in my house. You are always VERY WELCOME!

Love,

Kaija

AFS OFFICERS

1970 brings the American Field Service into its eighth consecutive year here at Van Horn. A leading organization, AFS works to promote peace between nations by bringing foreign students to the United States and taking American students aboard. The motto of AFS is: "Walk together, talk together all ye people of the earth; then and only then shall ye have peace." The club, sponsored by Mr. Weatherman, is one of Van Horn's largest organizations, and is responsible for money-making activities throughout the year which help to bring the next AFS student. Through the efforts of the club, both the foreign visitor and the students enjoy an enlightening and lasting experience.

FIRST HOUR REPRESENTATIVES

"Dare to be Wise", the school motto, was thought in the mind of every member of Student Council this year as the school experimented with a new system of student government never before attempted in the school district. The council was divided into two separate groups. One group contained representatives from clubs, organizations, and selected members of the student body. This body of students met each day of the week during school; making decisions and carrying out plans for school activities. The other group consisted of a representative from every first hour class. These representatives met with the first group twice each month and then reported to their classes the ideas and suggestions of the Student Council. The Council was given more responsibilities this year than ever been given any previous council. Stuco became a business and had to manage its own affairs as well as those of other organizations. Candy was sold to help finance minor sports and other activities. Student Directories were sold again and for the first time, all dates for school events and activities were set in a fixed calendar by the Council. When Stuco started out this year, an awesome task lay ahead of it; Student Council made it through the test with flying colors.

ALPHA OMEGA LITERARY SOCIETY

In their second year, the girls of Alpha Omega are quickly showing everyone that they are worthy in many areas of endeavor. The enthusiasm and talent of these girls is indeed an inspiration to behold. The girls of AOLS will surely make their mark on Lit Night and if nothing else they will leave a deep and lasting impression in the hearts of all.

ATHENIAN LITERARY SOCIETY

The green clad nymphs of the Athenian Literary Society will again make their presence known at Lit Night this year as they show the strong will and competitive strength that are the virtues of the Greek Goddess Athene. The girls have been working long and hard this year with the goal in mind that they will be number one this spring.

SIGMA TAU LITERARY SOCIETY

Taking time out from landscaping neighbors yards and filming a major motion picture, the men of Sigma Tau apply their vigorous and athletic personalities to the many and varied tasks assigned to them. The men of Sigma are determined this year to make their showing at Lit Night an unforgettable and inspiring experience.

KAPPONIAN LITERARY SOCIETY

E're like a rose is the Kappa girl as she displays her fragrant beauty for the world to behold. Beauty so fragile and yet everlasting. As the time draws near for Lit Night the girls keep in mind their motto "To win is our goal, To lose gracefully, our ideal."

THALA PHIA LITERARY SOCIETY

There is magic lurking in the bewitching smile and entrancing eyes of the girls of Thala Phia. There is a mystical aura that surrounds the girl in lavender that truly enslaves all that come in contact with her. But besides using her elvish powers, she keeps in mind her motto, "What a Thala girl is, is God's gift to her. What she becomes is her gift to God."

GRIDSTERS '69

Van Horn was honored with an outstanding football team this year. The superb maneuvering and tactics of the team led us to a 6-4 record. The Van Horn team came three points and five minutes away from winning the Interscholastic League Championship. This happened during the Southeast game which we lost 8-6 with Southeast scoring with five minutes left in the game. Van Horn started out with a win over Chrisman; and then took three crushing defeats from Raytown, Rockhurst, and Lincoln. However, Van Horn did not give up. A few changes and Van Horn was on its way to four straight wins, the defeat to Southeast, and a win over East to end the season. A special event this year came when Van Horn beat Central for the first time in Van Horn's history. The team represented Van Horn excellently and deserves a great deal of recognition.

'69-'70 ROUNDBALLERS

The varsity roundballers displayed a blend of inexperience with experience and a lot of desire in posting a 6-14 record. Mark Flanegin and Rick Tignor showed exceptional talent for sophomores. Ken Neimann, Terry Maglich, Kirk Whitworth, Mike Flanegin, Steve Wopata, and Ralph Rice provided the experience. Throw in juniors Rowland Fowler, Jim Timko, Mike Asher, Dave Brown, and Glen Tomlinson to round out the team, and you can see that the varsity not only improved this year's record, but also set their hopes high for next year.

J. V. ROUNDBALLERS

This year Van Horn watched the Junior Varsity roar to a winning season. Led by Coach Joseph Kaifes, they classically stepped to a 10-9 record. With this talent moving up and the talent already on varsity, the '70-'71 season looks bright for Van Horn basketball.

SPIRIT

BEGINS

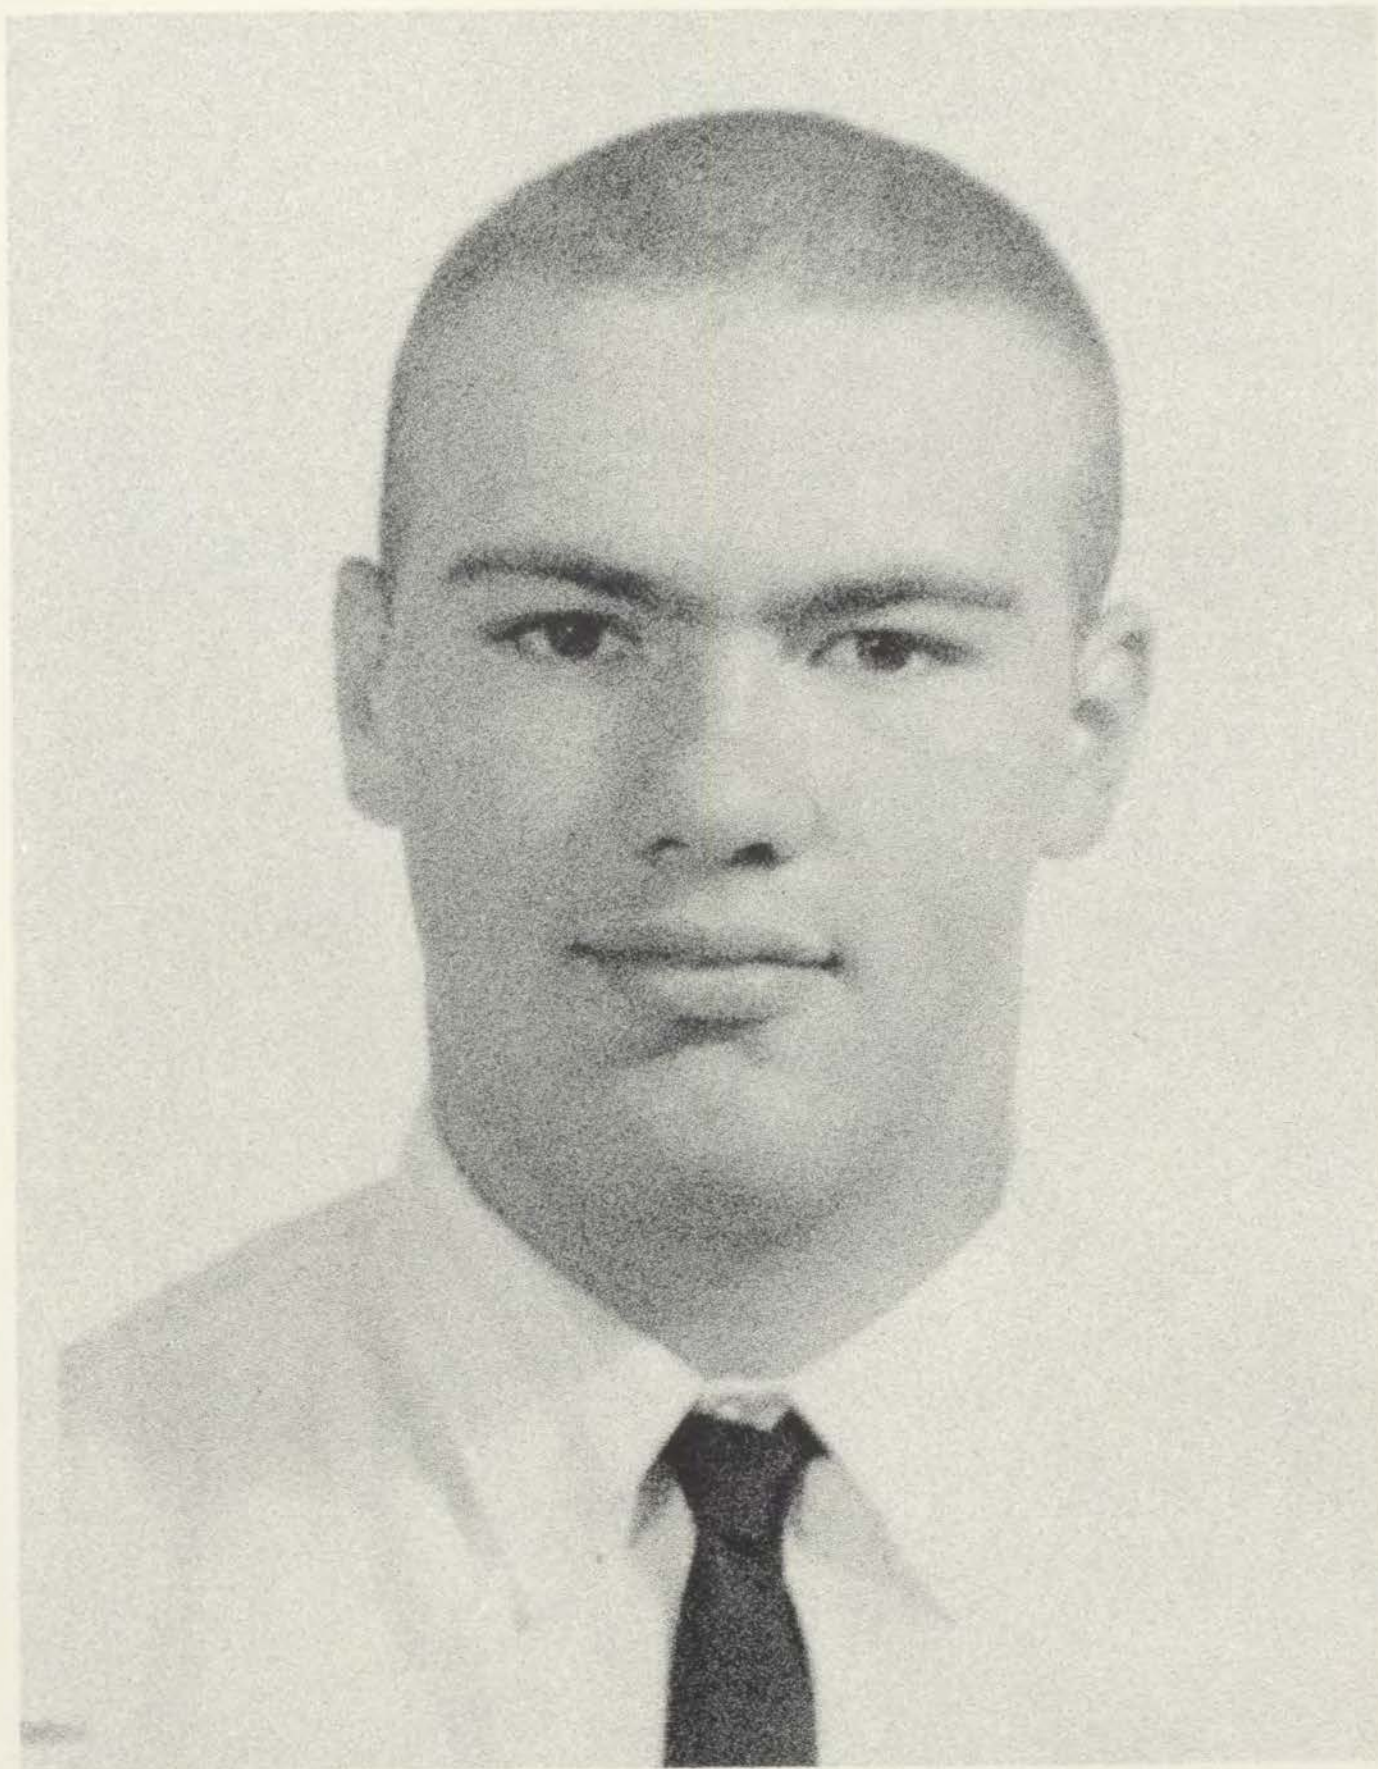

HERE

IN
MEMORY
OF
MIKE

Mike Engleman, a Van Horn Falcon, was a dedicated sportsman. His main interest was football in which he played the positions of guard and tackle. Mike's secondary interest was track, where he specialized in the shot-put, in which his best throw was 49 feet 8 inches. Mike was also interested in improving school spirit. He will be missed by all his fellow students and faculty; therefore, the sports editors of the Falcon dedicate the sports section in memory of Mike Engleman.

MICHEAL SHAWN ENGLEMAN

The excitement of nomination, the realization of the honor bestowed, and the tension which mounts as the candidates are escorted down the aisle lined with people, are all experiences shared by Van Horns.
