# Stage Crew

Brian Johnson, Assistant Stage Manager;  
Debbie Folscroft, Stage Manager; David  
Lungstrum, Assistant Stage Manager.

Stage Crew is a very important part of Van Horn productions. In fact there would not be any productions if it were not for stage crew. Training to be a member of stage crew begins in the fall with each individual learning about the complicated equipment of our theater. Throughout the rest of the year the people on stage crew run the backstage area for musicals, Thespian Assemblies, Spring Plays, and all kinds of assemblies. Van Horn's stage crew is very efficient, which is the most important ingredient of a successful show.

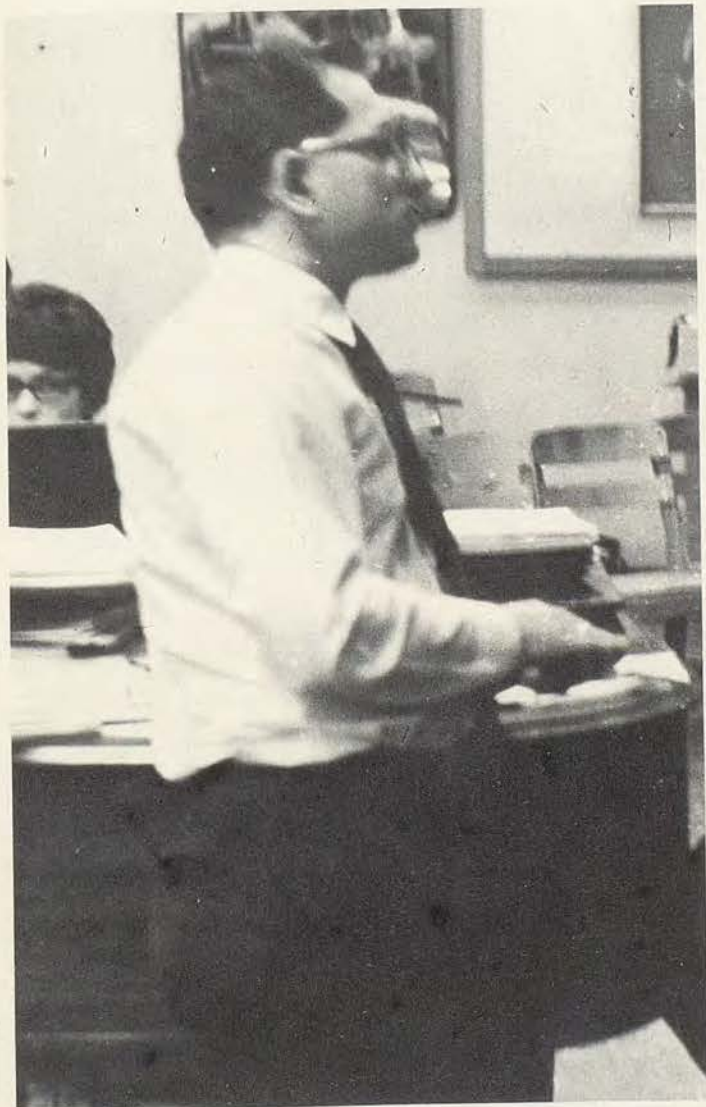

Row one: David Lungstrum, Debbie Folscroft, Brian Johnson.  
Row two: Brent Tobin, Jerri Ruff, Dianne Cunningham, Andyla Widders, Ted Greble.  
Row three: Russell Mazurack, Sherry Bush, Debbie Kraxner, Marc Dickey.  
Row four: Debbie Stiles, Brenda Bates.

Mr. William Cofer

Under the direction of the Jovial man (left), the Concert Choir and Girls' Choir sing their hearts' out in all types of musicals and concerts. Mr. Cofer also directs B Choir and vocal music classes. A graduate of Baker University, Mr. Cofer adds that little extra something that inspires his choirs to receive Honor I ratings at Music Contest. Many of his students go on to major in music in college. Van Horn can be very proud of their vocal music department, and Mr. Cofer is the man responsible.

Directing the Stage Band, Concert Band, and Orchestra, Mr. Wallace Fike puts many hours into the instrumental music department of Van Horn High School. Mr. Fike also teaches photography, and sometimes he assists by taking publicity pictures for some of the school productions. The orchestra provides music for concerts, assemblies, and for the musicals, while the Band and Stage Band perform at similar functions.

Mr. Robert Klamm

Mr. Robert Klamm, a graduate of Northwestern University, has worked not only in teaching speech and drama, but he has a previous background in radio and advertising. He is Director of Theater for Spring Play which is produced entirely by the drama class; these productions have been acclaimed by some of our faculty and members of the faculty and the student body of other schools as well—not excluding terrific audience reactions. As the sponsor of Thespian Troupe 1313, he directs the annual production of Thespian Assembly. He also is a sponsor, along with Mr. Cofer, of stage crew. This is only a small part of the whole that represents the busy schedule of Mr. Klamm, Mr. Fike, and Mr. Cofer. Most of the student body is uninterested in Van Horn's drama department and music department; but some of the following pages show the tremendous effort given by these three men and their students to produce terrific shows for the enjoyment of the public and Van Horn's student body.

Trouble came to Van Horn's "River City" November 19 & 20, 1971. Con-man, Prof. Harold Hill turns a stubborn, apathetic Iowa town into an excited and happy community, all by the formation of a boys' band. The vivid costumes, colorful characters, and terrific music all made Meredith Wilson's "Music Man" a delightful experience.

Singing a variety of secular and sacred music, Concert Choir performs at school assemblies, community club meetings, elementary schools, and the State Music Contest, at which last year they received Honor I ratings. Concert Choir, along with Girls' Choir, B Choir, and Vocal Music classes, devotes much time to present a musical each year that is open to the public.

"The sweet, beautiful tones of angels." This is how the sound of Girls' Choir has been described. This angelic sound has been heard by many people at public concerts, school assemblies and productions, and community events. One such concert was given at the Muehlebach Hotel for a United Fund Campaign Luncheon. Also Girls' Choir members along with people from Concert Choir, B Choir, and Vocal Music classes, were part of the chorus in this year's musical—"The Music Man."

Dressed this year in purple and white, Girls' Choir looks as good as it sounds, and that is terrific!

B Choir is a training choir. Its members, mostly sophomores, are talented, and they often form ensembles to sing and be judged at District and State Music Contests. This choir has performed at different events such as the 1971 Christmas Vespers Service and most of the members had chorus and lead parts in this year's musical. The eagerness of this group to work, proves that B Choir is a valuable asset to Van Horn's Music Department.

The Band and Stage Band are very common to Van Horn Life. Everyone can see the grey and red uniforms at football and basketball games or marching through downtown Kansas City as part of the American Royal Parade. At Pep Assemblies the Band provides a large share of the pep, as it plays, "We are the Falcons and we're proud of it..." Stage Band members are already members of either the Band or the Orchestra. This group, which meets fifth hour, has a terrific sound. Playing older jazz tunes all the way to Chicago, Stage Band provides great entertainment for Van Horn students and faculty.

# Vantasia '72

## Boob Tube Revue

Taking the format of an ordinary day of television, the cast of Vantasia '72 performed acts such as: As the Tummy Tosses, Stomper Room, and The Jack LaLain Exercise Show. Masters of Ceremony: Joni Wudtke, Val Matula, Brad Richerson, Duane Pack, and Doug Driskell, took the audience through a "Boob Tube Revue." Starting with Farm Report and Sermonette, and including a skit entitled "Trigger Mortis, Frontier Mortician," they delighted both cast and audience. The audience enjoyed the commercial introductions and the acts that were satires of favorite TV shows. This year's production headed by Mr. Cofer, with Sharon Hiles and Cindy Cain as Student Directors, proved to be one of the freshest and most enjoyable Vantasia's in Van Horn history.

This year a new idea was tried in Vantasia, and it proved successful. A group of students called "Our Gang" performed comedy skits such as Stomper Room, This Is Your Life, and You Are There. Also helping with introductions, this group added alot to the show by performing short comedy routines that appeared several times throughout the show. The members of the group are: Janet Bly, Joy Domsch, Janice Fisher, Susan Gaunt, Ted Greble, Susan Hazen, Tally Hobbs, Mike Magers, Steve Penyock, Fred Quatrocky, Linda Soetart. "Our Gang" was a bright new factor that helped this year's Vantasia to be a great success.

Thespians is an international honor society for students who wish to further the advancement of all forms of Dramatic Arts in the secondary schools. Members are admitted by earning points in participation in speech activities. The Van Horn Chapter of the International Thespian Society is sponsored by Mrs. Farrell and Mr. Klamm. The troupe's activities include Thespian Assembly which is produced entirely by Troupe 1313. This year Van Horn's Thespian Troupe presented James Thurber's *A Thurber Carnival*. The one-act cutting from the original three-act play showed the humorous, but frustrating situation when a man tries to get results and cooperation from this computerized, industrialized world. Richard Kaler as Interpretive Director, with Debbie Folscroft as Technical Director, along with Janice Rader and David Kraus, who provided music, and the rest of Troupe 1313, Thespians performed a very enjoyable assembly.

## OUR TOWN

### by Thornton Wilder

"Our Town" has been presented at least once every day since its publication in 1938, and the 16th and 18th of March the Van Horn Drama Department kept this tradition. After two years of comedy productions, this very different drama was a welcomed change. In the first act the author genially outlines the history of the town, which is Grover's Corners, New Hampshire, and something of the character of its citizens. Then he carries you into the houses of the Gibbs and Webb families. You arrive at breakfast time and are carried through one entire day in the lives of these good people. The second act concerns the love affair between young George and little Emily Webb, and thus culminates in a moving wedding scene, which contains all those elements of poignant sorrow and abundant happiness that make for solemnity and impressiveness. In the third act we are led to the cemetery on the hill, where many of the towns-people we have come to know so well are patiently awaiting not judgement, but better understanding. Into their midst is led the bride, a little timid at first, a little wishful to go back to life, to live again with her memories. But she is shown how impossible, how futile it is to return. The part cannot be relived. Living people humans, occupied with their petty occupations and small thoughts, know little of true joy and happiness. Truth is to be found only in the future.

Broadcasting from 7:30 to 8:20 a.m., the D.J.'s of KVH Radio bring all kinds of music to Van Horn students. For a student who got up on the wrong side of the bed, the music can help him get back on the right side of school. KVH D.J.'s broadcast to students in the classrooms from the office, while those in the auditorium hear music from the D.J.'s backstage. This new activity at Van Horn is a terrific service to students, and it is an activity that Van Horn students can all be proud of.

Raul  
Corredor

Dear Falcons,

I still remember that first day of school at Van Horn which was a little confusing. At first, I didn't even know what the U.S. schools were like. In the intermission between one hour and another, I saw so many people going around several different ways, up and down, in and out; I couldn't figure out what was going on in the school. But presently I managed to learn my way around. I felt, too, that I would never get adjusted to the community, to the school, but especially to the people, who were very much different from those in Argentina. I also want you to know that I really enjoyed all the football, basketball, and wrestling games I watched. There is something that I will never forget about football, which I first believed was a ruled fight between two teams over a ball! But I changed my mind soon, although I still don't understand it too well. Having fun, getting excited, meeting friends, receiving help, and being busy all the time were some of the marvelous things I did since coming to the U.S. I didn't have time to get bored! What I consider most important is socialization. You will not be able to imagine how many friends I made here. Since the year is passing so fast, it'll be hard to believe that it will soon be over. I hope to see all of you again, either in Argentina or the United States. I'll always remember each one of you. Thank you for making this year possible!

Your friend,  
Raul

Falconettes, sponsored by Miss White, is designed to promote more school spirit at Van Horn. Organized at the end of last year, the drill team has participated in pep assemblies and basketball and football half-time activities, and marched in the American Royal Parade last fall. The stalwart members arose early this year to practice under the leadership of captains Cindy McCrary and Jan Smith. Red and gray poms-poms flashing, the Falconettes have provided Van Horn with an excellent example of true spirit.

Plagued by a lack of coaching and a lack of teamwork, the Falcon football team struggled to its worst season since its winless campaign in 1960. This year's 2-7-1 varsity squad finished 1-5-1 in Interscholastic league play which put them in tenth place in front of only West which was in its first year of varsity football. However, Van Horn did have a tough schedule. Two of its games were with two of the top teams in Kansas City and the state of Missouri, and one was with the league champions. Appropriately Rockhurst (first in city and state), Southeast (third in city and sixth in state), and Southwest (Interscholastic League champs) handed the Falcons 21-0, 44-0, and 29-0 whitewashings, respectively. The season's bright spots came against Park Hill, 16-14, and Lincoln, 19-0, as well as a 6-6 tie with Northeast. The other games were not even close though

as William Chrisman, Central, O'Hara and East handled them easily.

Personnel wise there was one big development, that of junior linebacker Kurt Ludwig. Kurt, Van Horn's only representative on the all-area all star team, led the team with tackles with 94 after recovery from eye surgery correcting an injury he suffered in pre-season practice. Together with senior middle linebacker Mike Barnes, who was second on defense with tackles, he made the linebacking corps the strong point of the Falcon team. Other Falcon mainstays were senior center Jeff Gall, and seniors Bill Campbell and Mike Masters, and junior Bob Yancey, all running backs. Another regular in the backfield was senior Randy Lyday, who was leading the squad in scoring when forced out in the middle of the season with a concussion.

Headcoach Tom Fay

Van Horn's junior varsity football squad behind Coach Tom Fay battled to a 4-3-1 season which placed them in a tie for a fourth place with Southwest in the Interscholastic League junior loop.

The team started out slowly by dropping a game to Northeast 18-14, tying Paseo 15-15 and losing to Southeast 6-2. But under the leadership of a sophomore quarterback Rick Sutcliff they fought back to win four of their last five contests. During that string Van Horn beat East 32-8, put down Southwest 17-6, squeezed by Central 21-18 and romped over Manual 43-0 while dropping only one tilt, a 6-0 setback to Westport.

Row one: Curtis Wright. Row two: Bob Tignor, Ron Hendrix, Mark Whitworth, Mark Shackelford. Row three: Pat Murphy. Row four: Dave Heinrich, Rick Tignor. Row five: John Kuddes, Bob Allen, Dave Vorbeck, Mark Flanegin.

Preparation for the 1971-72 roundball campaign started in June of '71 at places in and around town. At Rick Tignor's house, Dave Vorbeck's back yard or any place with a goal, Van Horn boys were shooting baskets hour after hour getting ready for the most exciting season Van Horn would ever see.

The season was just that as Van Horn impressed everyone for they enjoyed their best over-all season in history.

The highlights of the season was the Falcon's fourth place finish in the city tournament, their first place trophy from the William Chrisman Holiday Tournament and the nine game winning streak that broke the previous school record and made them the hottest team going into the Raytown South regionals.

In the opening game of the regionals Mark Flanegin and Mark Shackelford led a 62-59 assault on the East Bears. In the second game Van Horn valiantly fought off surging Raytown and the outrageous officiating but finally succumbed, 56-51, in the last thirty seconds to end their season with a heartbreaking loss.

The individuals on the team were unbelievable and a few should be recognized for their contributions. First Coach Wally Crawford, who did a terrific job in his last season as head coach. He closed out his career in grand style as he led the most balanced team in the school's 17 year history. The year's climax came when he was named the area's coach of the year. As for the players, one comes to mind before any other. Mark Flanegin was definitely the team standout who averaged 14.5 points per game. Marks career high 30 against O'Hara served as 48% of the team total points and pulled Van Horn to a 63-57 victory. Flanegin was as good on defense as he was on offense for he constantly came through with steals and rebounds.

Mark Shackelford was the team's defensive star. His 12 point average was second on the team and ninth in the area.

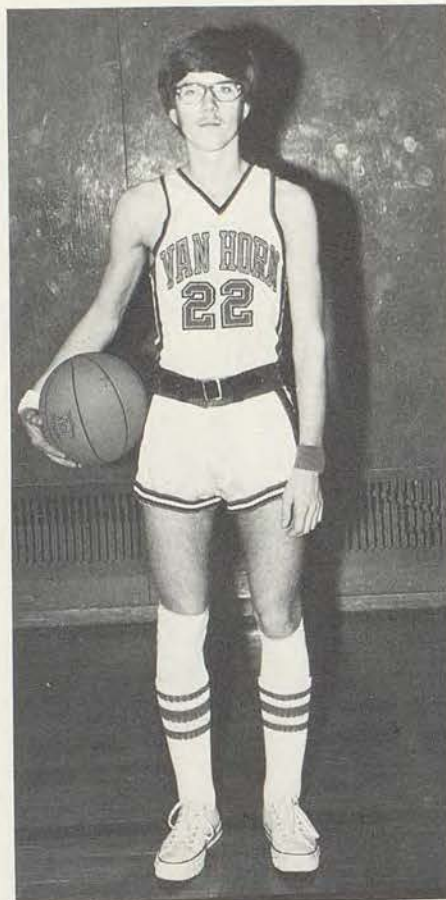

Pat Murphy's two 20 point games as well as his and Rick Tignor's rebounds and blocked shots, the surprising play of Curtis Wright, and the always constant play of Captain Dave Heinrich were all important factors in such a successful season. Also deserving mention is senior Dave Vorbeck, who had a personal disappointing year because his playing time was very limited due to the close games that required the starters to see most of the action. However, Dave's spirit stayed high and he served as the morale leader of the team.

1972 was a premiere season which Van Horn students should be proud of.

In Coach Otto Kaifes' last season as Junior Varsity coach he built a firm foundation for future Varsity teams as he put individual experience ahead of winning and his own personal glory.

His philosophy was one reason for his slight 4-12 season's record.

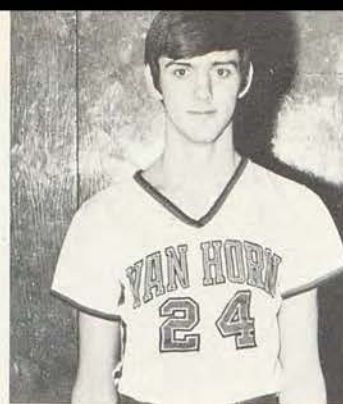

Coach Kaifes' coaching talents will certainly be missed in the basketball program by the players, parents, and fans.

Van Horn's varsity wrestlers successfully defended their Interscholastic League title as they captured the city tournament for the second time in as many years. The falcons collected 97½ points as Tim Gill, Terry Mattoon, Mike Casey, Doug Kellis, Chuck Singleton took firsts; Mike Green, Colin Comer, Bill Campbell and Gary Brewington finished second while thirds were taken by John Mallinson, and Jim Warren.

The next step was the District Tournament where the Falcons took 3rd and sent 5 wrestlers, Doug Kellis, Chuck Singleton, Bill Campbell, Gary Brewington, and Jim Warren on to the Regionals.

Only one wrestler, Doug Kellis, qualified for the state meet as he finished 2nd. However, Bill Campbell who took third replaced injured Tom Hulsy of Southwest and went on to state where he was eliminated in the first round. Kellis, though, finished 4th in the tournament.

Van Horn's baseball program went into its second season this spring under the direction of head coach Joseph Otto Kaifes. Also helping on the coaching staff were biology teacher Dan Sherman and Van Horn graduate Duane Mason, who is now a pitcher in the Pittsburgh Pirates organization.

Returning from the inaugural squad this year were Danny Call, Bill Merriott, Randy Lyday, David Asher, Jim Goins, Dave Skeen, and Brian Metz. All but Skeen and Metz lettered and Dave Asher was selected to the Border league All-Star team.

Also entering into the plans were Robin Fain, Jerry Lockhart, Steve Hain and a host of other people. With all these ingredients Van Horn continued its reputation for winning in a sportsman like way.
