*As the young falcon rises to adulthood,
we as Van Horn Falcons strive to achieve
our goal as responsible citizens.*

Faculty

*In education we are striving not to teach youth to make a living,
but to teach youth to make a life.*

William Allen White

School administration demands work in scheduling, faculty guidance, and student discipline. Van Horn has the personnel to accomplish these tasks.

Mr. Evans is a graduate of Central Missouri State University and the University of Kansas City. He feels Van Horn students have the potential to become leaders, and he finds it a pleasure to work with them.

Mr. Polk earned four degrees from Central Missouri State University. After five years at Van Horn, Mr. Polk says he has enjoyed every minute of it.

Mr. Stringer attended college at Murry State, Kentucky. He feels it a privilege to work with young people.

Much honor and respect are due these men for their fine work in such difficult jobs.

Directors

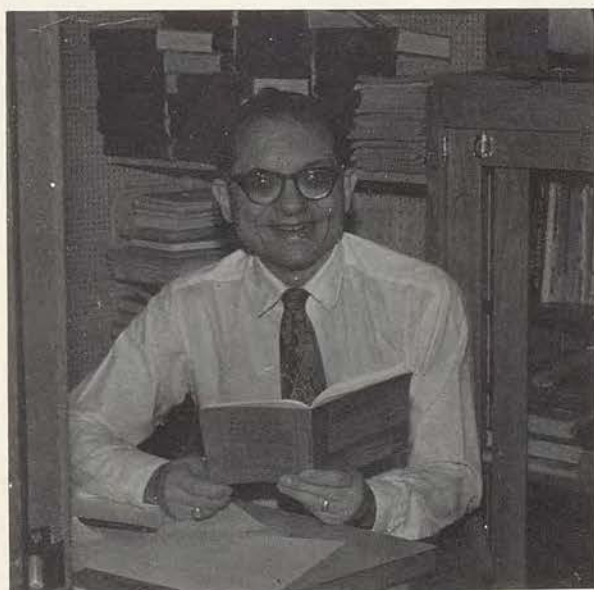

Mrs. Dauer, Accompanist

Mr. Cofer, Music Director

Mr. Klamm, Speech and Drama Director

Mr. Fike, Band and Orchestra Director

The directors are some of the most important people at Van Horn. They are in charge of Vantasia, the Musical, Thespian Assembly, Spring Play, Band, Orchestra, Stage Band, Concert Choir, Girls' Choir, "B" Choir, Thespians, Stage Crew, and most assemblies.

Mr. Cofer, music director, is a very familiar face. His bright, happy face makes everyone wonder what he's been up to. He's hard working and he shows a real concern for his choirs.

Mrs. Dauer is new to Van Horn this year. Her speedy fingers rip off anything that's set before her. She's happy-go-lucky and greets everyone with a cheery "Hello!" She's an excellent pianist and plays the organ for the Christ Methodist Church.

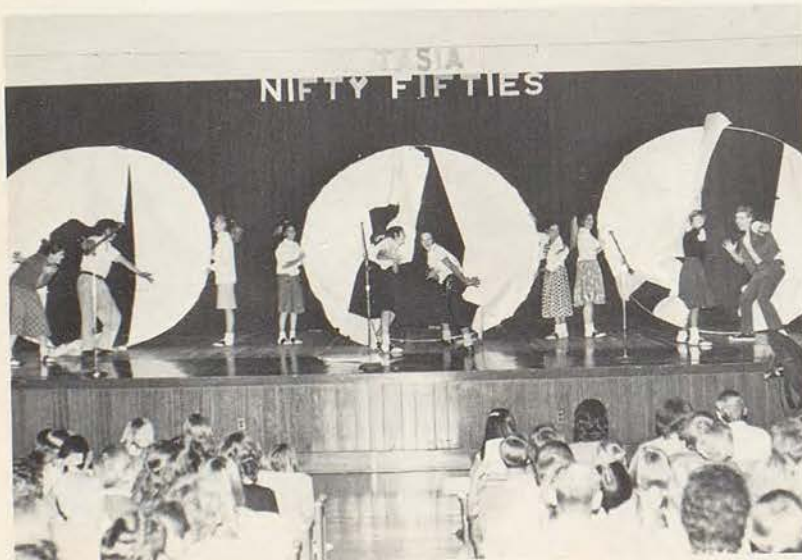

Mr. Klamm, speech and drama director, is another familiar face at Van Horn. He's very dedicated to his work and his determination has made Van Horn's drama department one of the best.

Mr. Fike, band and orchestra director, waves his baton enthusiastically. Under his direction the orchestra participates annually in the Christmas Vespers held at the R.L.D.S. auditorium. He's a hard worker and enjoys leading the band and orchestra.

Without these people and the cooperation of the administration Van Horn's music and drama department would be nothing. The student body owes these people a special salute for their excellent work throughout the year.

"Nifty"

Vantasia '72 took a giant step backwards into the "Nifty Fifties. Masters of Ceremony: Ted Greble, Sheila Carpenter, Duane Pack, Val Matula, Tally Hobbs and Denise Jones transformed into "bobby soxers" and took the audience on a delightful trip through the good ole days. Starting with a sock hop to "Rock Around the Clock" and a day at "Ding Dong School" the 50's came alive on Van Horn's stage. Such celebrities as the McGuire Sisters, The Bickersons and Ed Sullivan delighted both the cast and the audience. Under the direction of Mr. Cofer and student director Sharon Wilson, this year's Vantasia was truly "nifty".

"Um hum, um hum!"

"I don't understand!"

Thespian Assembly

This year's Thespian Assembly, presented by Troupe No. 1313, was "The Children's Story". The play takes place in an elementary schoolroom "the day after we lost the war." The ideas of Communism are introduced to the children when the "new teacher" replaces the old. The new state takes over and the love of freedom is turned into hate. In one scene the children cut up the American flag so that each of them can have a piece of its good luck. The drama is climaxed with an audience participation of the Pledge of Allegiance. With the conclusion, the audience is in awe of the impact of such a simple play. This year's Thespian Assembly is truly one of the best to be presented by the Van Horn Thespians.

Van Horn's second annual carnival provided four fun-packed days for the surrounding community. Rides, spectaculars, and a mini Olympics combined to create a most successful project for the Student Council. Heading these efforts were sponsors Jan Stewart and Dan Sherman, and students Mike Abel, Ooch Cantrell, Jamie Rathbun, Gary Tripp, and Jim Waits. The PTSA also aided in the distribution of prizes. Sonny Myers provided and ran the rides. Van Horn's clubs and organizations ran the spectaculars and received a percentage of the profits they made from their respective booths.

Dear Falcons,

It is still too hard for me to believe my precious, happy year at Van Horn has passed away. I remember my excitement when I first saw Van Horn. The building was not fancy, but I found it a beautiful school when I began to feel the people's warm hearts. Walking along the hall, I could often hear your friendly voices saying, "Hi, Chico!" That made me very happy. I wish I had the words to tell you how much I love Van Horn and its people.

Now it's time for me to come back to my country and tell the people there what I learned here and how many friends I have here. Thank you very, very much for helping me and being my friends. I'll never be able to forget the people who worked so hard to make my year possible.

My favorite song starts with, "We are the Falcons and we're proud of it." I'm a Falcon too. And I am proud of it as much as you are.

Thank you all again and I hope I can come back to see you or you will come to see me in Japan.

*Love,
Chico*

Dear Falcons,

My year in the United States was just great. I will admit that in many ways it was quite different than my country but very interesting and exciting. The school system was completely different and I have enjoyed Van Horn very much. The kids were very friendly and I have made many friends. I will never forget the fun I had both in and out of school. Also I will never forget the football and basketball games and what being a member of Pep Club was like. The Homecoming Dance, Thala Phia and other club activities were all very new to me. But I loved them.

After this wonderful year, and the great experience I have had I wish to thank you all very much for making me so welcome. (I hope some of you get to come to Barbados). I would love to see some of you again after I leave.

*Love,
Suzanne*

Coach W. Crawford led the Falcon football team to an amazing 6 win and 2 loss record. This was his first year as head football coach. The team placed second in Interscholastic league play, behind only Southwest which went to state competition.

One of the team's most outstanding players, Kurt Ludwig, who playing linebacker again led the

team with unassisted tackles. His fine ability carried him to a position on the All-State team. This is only the second Van Horn football player to ever receive this honor. Other assets included Jim Warren, Mike Pete, Bob Yancey, John Kuddes and Rick Surcliffe.

Van Horn's basketball fans saw a big change in the team's coaching staff this year. With two returning lettermen, the new coach, Jim Davis, showed he was indeed capable of producing an A-1 team with his lettermen and his new up-and-coming talent. Ending the season with 7 wins and 9 losses, the team should be remembered for their

outstanding team work and their ability to display excellent sportsmanship on and off the court. This gave certain proof to Van Horn fans that they had a basketball team worth of praise. Spearheading the offense of this year's team were forwards: Bob Tignor and Dennis Stewart; guards: John Kuddes, Bob Allen and Jon Hall, and center Rick Sutcliffe.
