OPENING

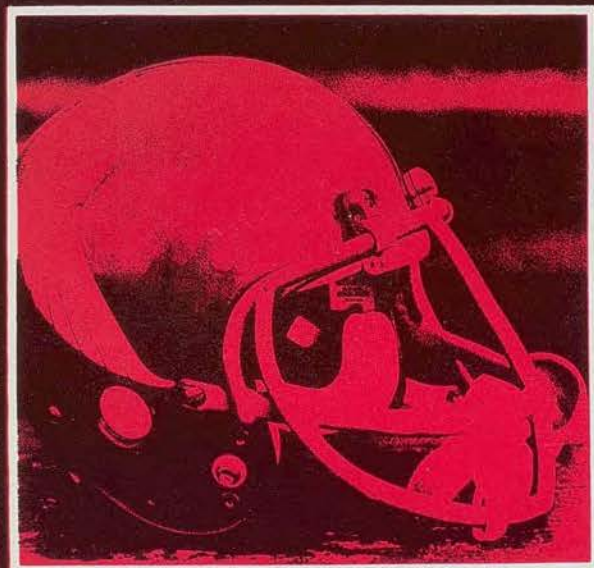

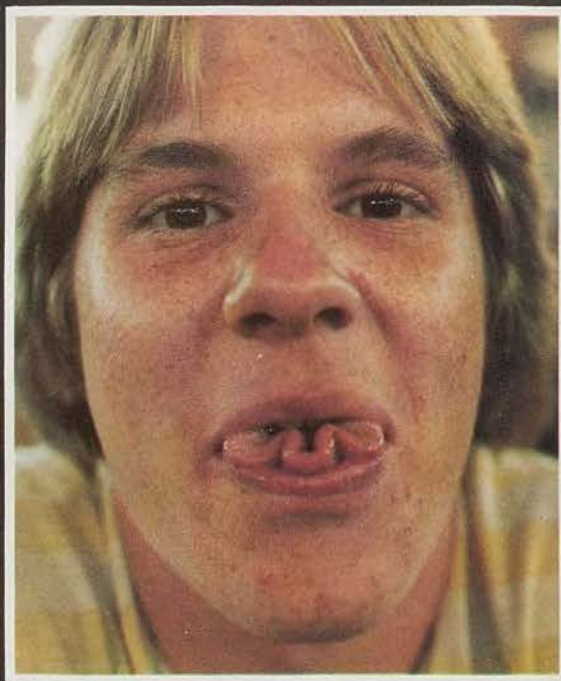

Van Horn: my school, your school, our school. Falc-on! 1977-1978, a year of changes: a year bringing students from various parts of the city together to work, study, and compete as members of one student body, the Falcons.

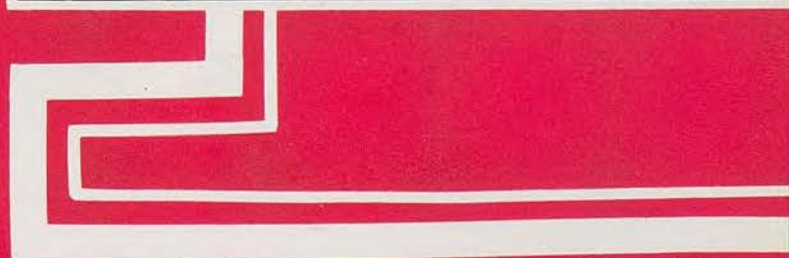

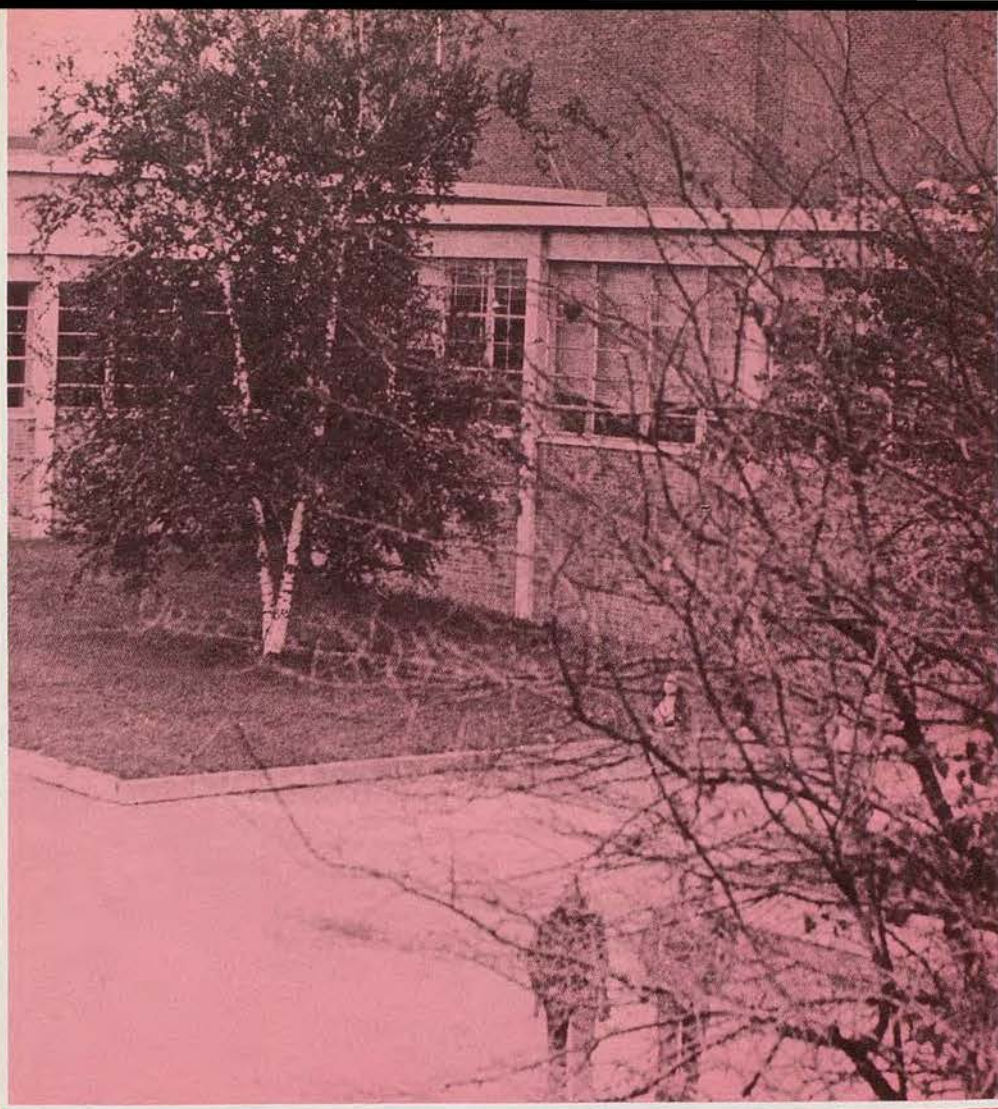

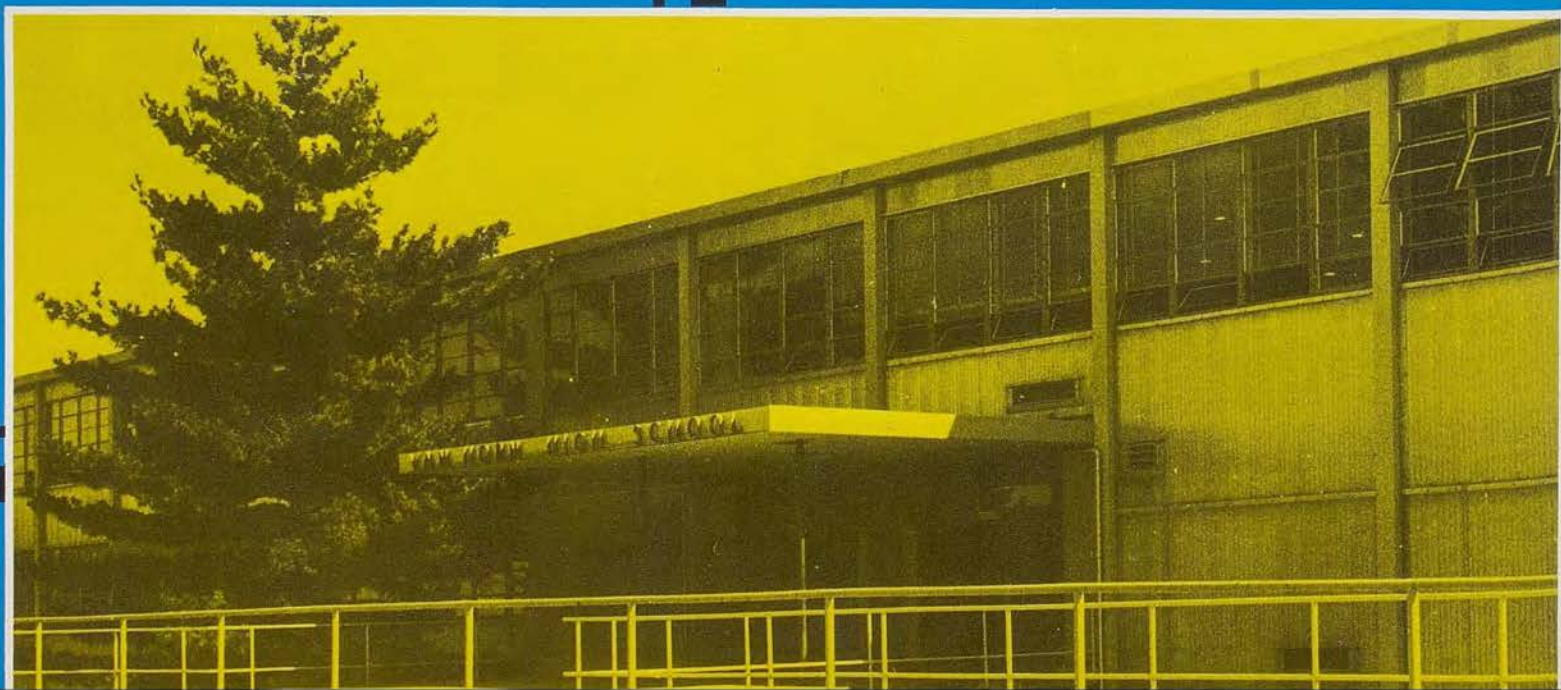

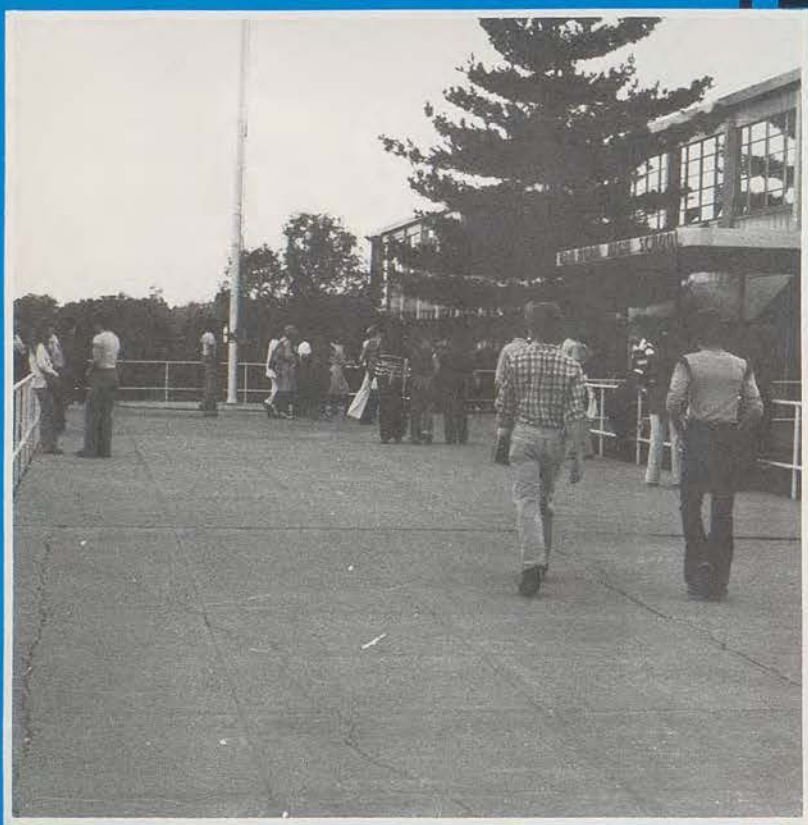

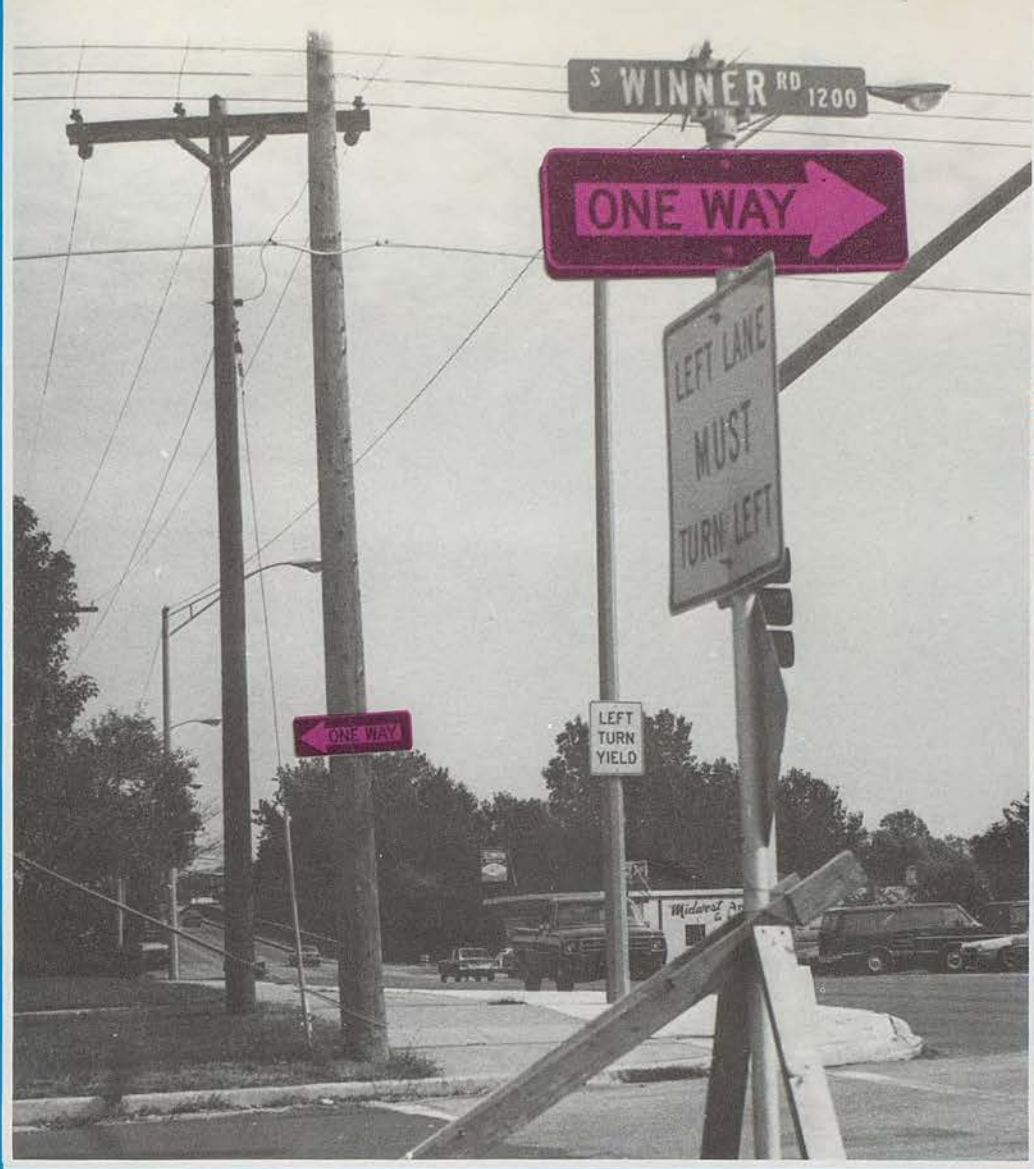

Van Horn experienced many differences this year with the increase of six hundred students. Security was more rigorously enforced by the security guard and the administrators. Binoculars and walkie-talkies were used to help find and report those who decided to skip out. Suspension lists were long with names of students who were either late to class or were caught without hall passes. Blue cars were frequent visitors, and on occasion drove away with a few passengers, helping to alleviate the large crowds in the halls.

School began an hour earlier than in previous years and ended at 2:25. Our bronze Falcon sat on its perch in the front hall, greeting each student who entered. Senior rails provided room for tired bodies to lean against, whether they belonged to seniors or not. Various initiations provided the early morning crowd with entertainment that helped to establish a good mood for the day.

We are the Falcons and we're proud of
it.
From the halls of Van Horn High.
We come to celebrate our victory.
There'll be a crowd there,
Home field or away.
Our team is here, so let's give a cheer,
'Cause Falcs are gonna win today.

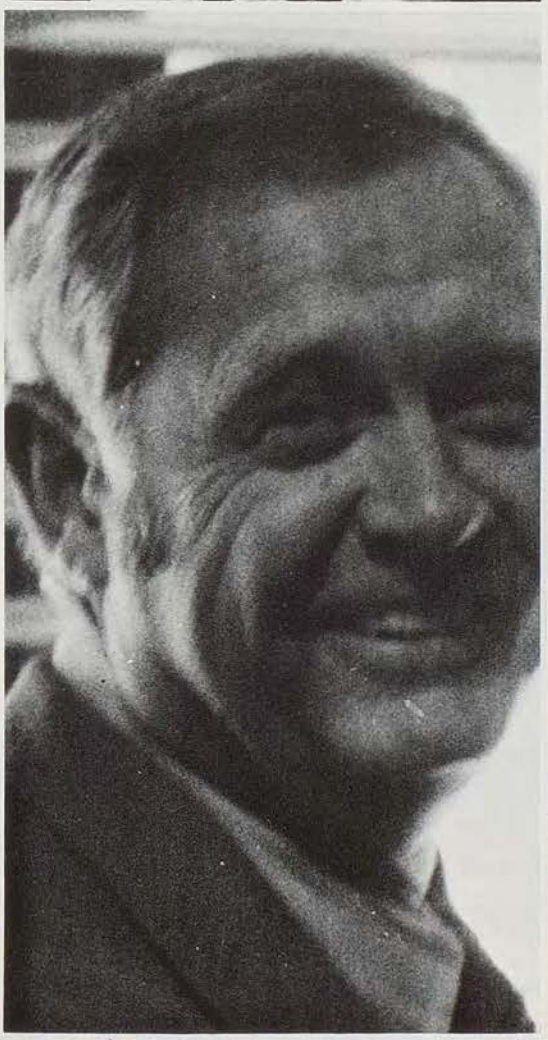

Spirit, that low ebb tide of loyalty, swelled into a tremendous wave, drowning everyone at the annual Chrisman football game. For the fourth time in fifteen years, our mighty Falcon team swooped down onto the field to burn our rivals, the Bears, with a 12-7 victory.

ADMINISTRATION

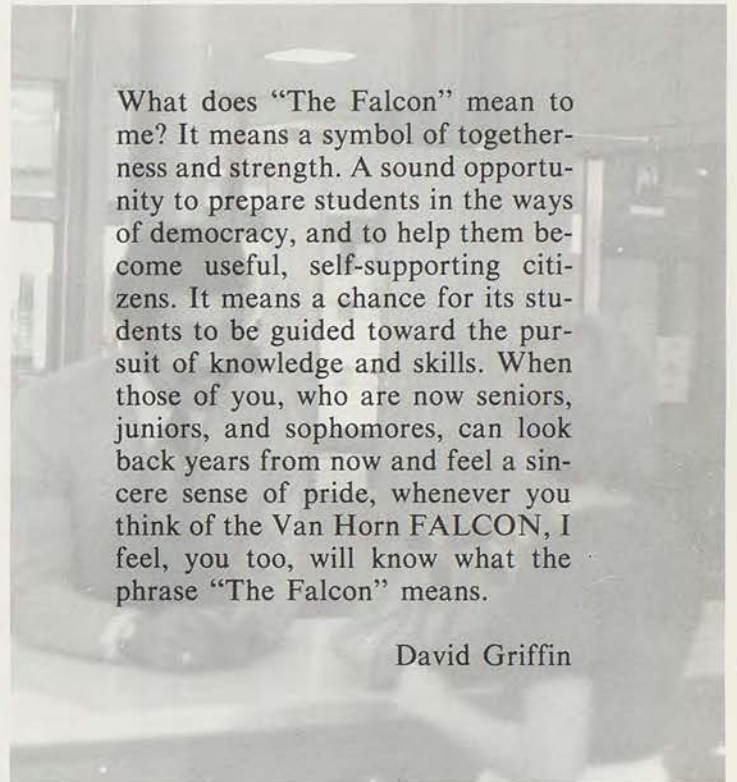

"The Falcon", to me, is a symbol of something good, strong, honest, and pleasant to be associated with. Van Horn, over the years has had the above traits, and been a school full of beautiful traditions, outstanding students, and parents who share all of this with us. My yearbook, and I know yours, will serve to remind us of a school we love dearly, friends we never want to forget, and the good and bad times we spent together. To you seniors, always be proud you graduated from Van Horn; and to all of you I wish the very best.

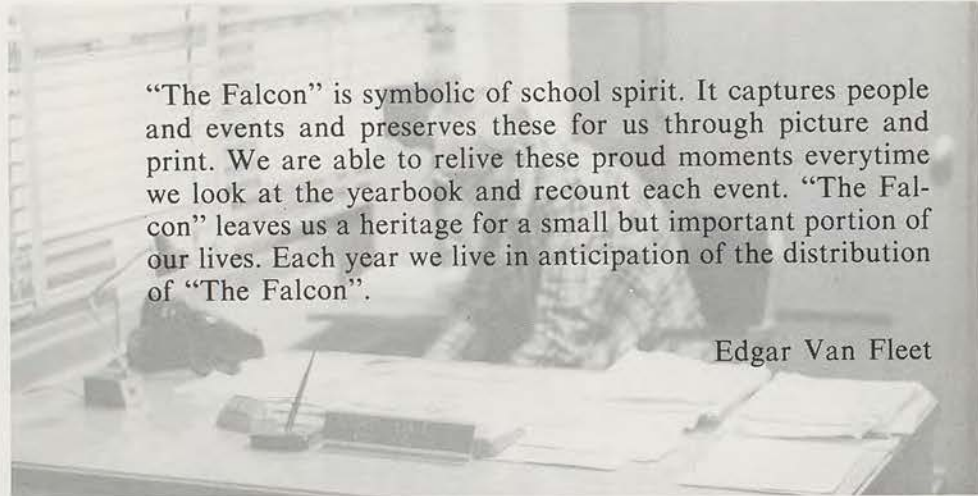

William Evans

What does "The Falcon" mean to me? It means a symbol of togetherness and strength. A sound opportunity to prepare students in the ways of democracy, and to help them become useful, self-supporting citizens. It means a chance for its students to be guided toward the pursuit of knowledge and skills. When those of you, who are now seniors, juniors, and sophomores, can look back years from now and feel a sincere sense of pride, whenever you think of the Van Horn FALCON, I feel, you too, will know what the phrase "The Falcon" means.

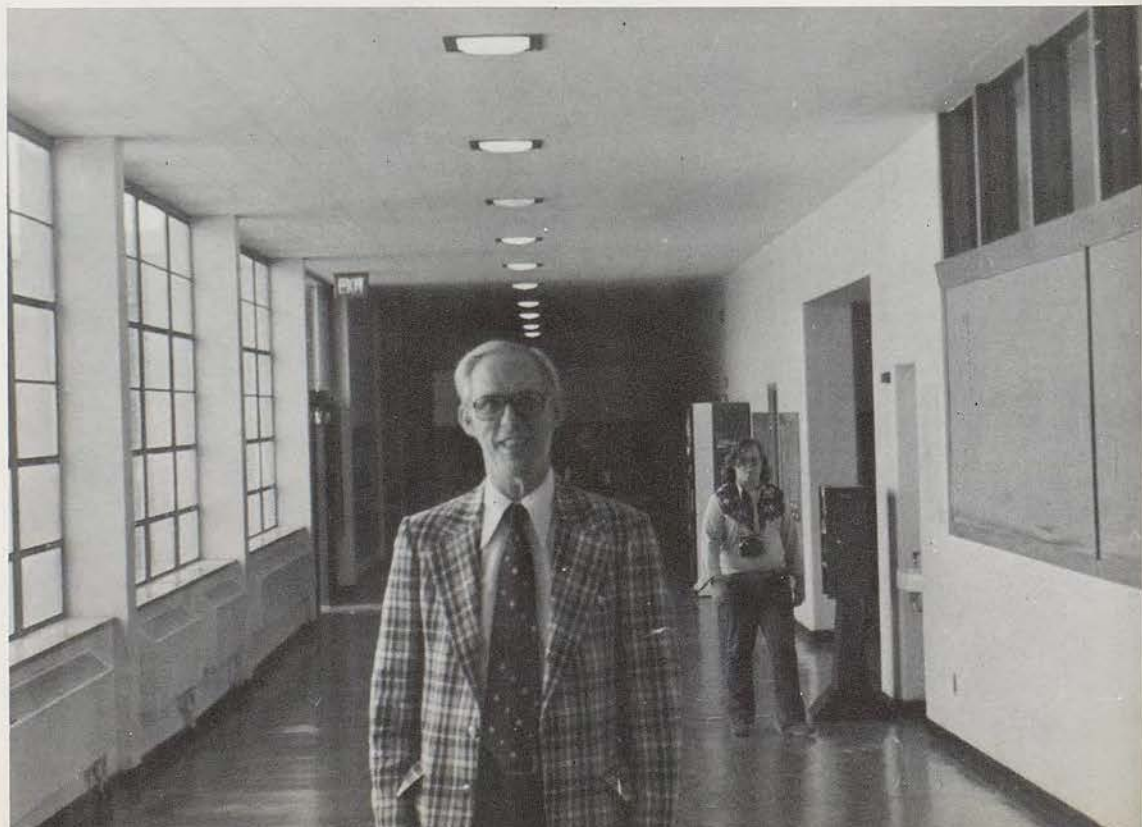

David Griffin

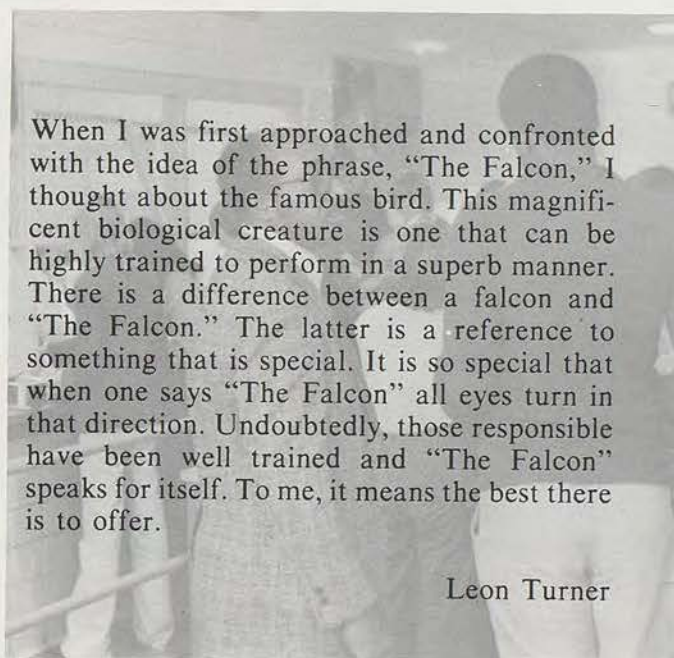

"The Falcon" is symbolic of school spirit. It captures people and events and preserves these for us through picture and print. We are able to relive these proud moments everytime we look at the yearbook and recount each event. "The Falcon" leaves us a heritage for a small but important portion of our lives. Each year we live in anticipation of the distribution of "The Falcon".

Edgar Van Fleet

When I was first approached and confronted with the idea of the phrase, "The Falcon," I thought about the famous bird. This magnificent biological creature is one that can be highly trained to perform in a superb manner. There is a difference between a falcon and "The Falcon." The latter is a reference to something that is special. It is so special that when one says "The Falcon" all eyes turn in that direction. Undoubtedly, those responsible have been well trained and "The Falcon" speaks for itself. To me, it means the best there is to offer.

Leon Turner

OFFICE STAFF

Our friends, the office workers — where would we be without them? Well, we wouldn't have our school books without the help of the book clerk, Debbi Riddle. The absence of Nanette Van Bibber would result in no distribution of report cards. Without Eleanor Taylor, the IBM clerk, we would not have any classes, as she handles the student programs. Minus Zella Wright and David Euell, the attendance clerks, we could all ditch without being caught. Well, maybe they aren't such good friends after all; but they sure are busy people.

From Top to Bottom (Left to Right): E. Taylor, D. Euell, D. Riddle, N. Van Bibber, Z. Wright.

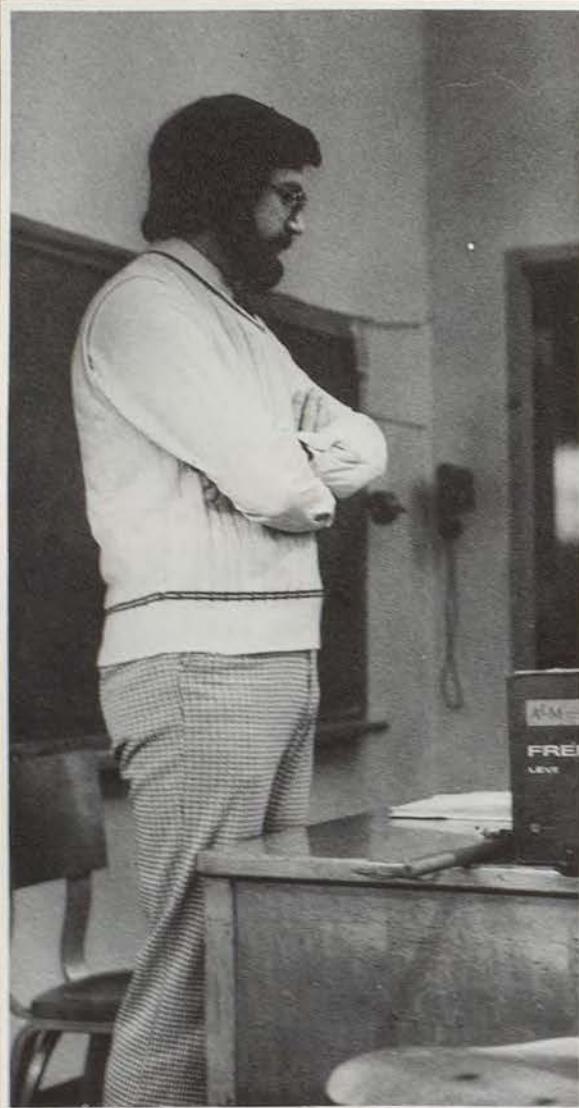

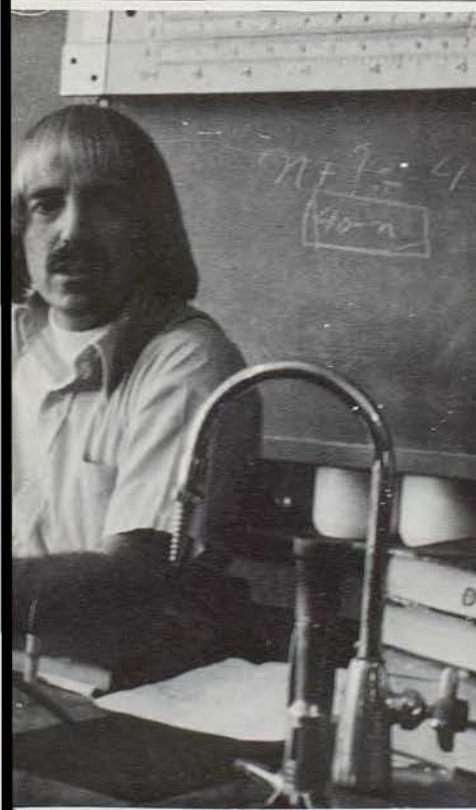

COUNSELORS

The guiding stars of Van Horn are Gertrude Bardwell, Lorraine Edwards, Virgil Leibold, and Virginia Norfleet. These four administrators do their best to show the students — especially the seniors — the right way. This guidance for the future helps each student, whether he realizes it at the time or not. The guidance counselors' secretary this year was Joel Wendel.

From Top to Bottom (Left to Right); V. Leibold, Joel Wendel, G. Bardwell, V. Norfleet, L. Edwards.

LIBRARY

The library is Van Horn's own chapter of one big novel. Information dealing with any source of material can be found in this section of our school. Mary Carolyn Cofer is the protagonist, with supporting characters Norma Corkern, Eileen Marshall, and Rex Swartz.

From Left to Right: M. Cofer, R. Swartz, N. Corkern.

NURSE

Do you ever feel tired, run down, overworked, all out of whack? If you do, then try seeing Mrs. Bernice McConnell, the school nurse. She'll give you a dose of that "get better medicine" — you know, the kind that's in a long tube with an even longer needle on the end — and send you back to class. She's a very talented lady: when she gets out that booster, it's like a miracle — you feel better right away!

BUILDING MAINTENANCE

Brian Sapp, Michael Register, David Gray, Patrick Stark, Curtis Childress, Elton Lowderman, Building Manager.

Dances, movies, open house, and indoor sports events: everyone knows who puts them up. But does anyone think about who takes them down and cleans up afterwards? Mr. Lowderman and his custodial staff, with only a month and a half, spent their summer waxing floors and preparing the school for the upcoming year. This process never ends, but continues from year to year. A custodian's floors are never done.

CAFETERIA

Where can you go to eat leftovers just like Mom makes? The Van Horn cafeteria is the place. For two and a half hours each day, students continuously packed the cafeteria to eat lunch, to catch up on the latest hot news, or to do both. Occasionally, a trip to McDonald's was necessary to calm Big Mac attacks. After all, most students preferred Big Macs to Gainesburgers. However, the cafeteria staff did their best with what they had and provided a well-balanced meal for all.

After the last torn jersey and battered helmet were turned in, and the team room was once again swept clean of all traces of sweating bodies and mud packed cleats, another eventful and successful football season was completed. After a win, the football team would yell "We're #1!" with all of the gusto, determination, pride, and spirit that they displayed on the football field. Knowing that the image of Van Horn's scholastic record must be maintained, our Falcs never let us down. Even when losing, they fought hard and gave all the Falcon fans something to be proud of. Congratulations, Falcon team. Your ability and talent put you among the ranks of the pro's in Van Horn's eyes.

OFFENSE

Despite broken bones and twisted ankles, Van Horn's swift offense passed and ran their way through all the opposing team's defense. Their spirit, drive, and ability helped lead our Falcon team through many a tight spot and on to a record that all of Van Horn can be proud of.

Row One: Mike Lewis, Billy Stover, Seth Smith, Joe Ginavan, Steve Smith, Tony Beal, Don Heriford. Row Two: Jeff Wait, Larry Watts, John Hix, Mike Clark.

DEFENSE

The mighty Falcon defense pushed, blocked, and frustrated attempts to score against our team this season. The gruelling practices through heat and cold toughened our Falcs until nothing — not even the once victorious Chrisman Bears — could stop them.

Row One: Tony Beal, Steve Burnaugh, Billy Stover, Joe Ginavan, Bob Cantrell. Row Two: Robin Griffin, Mike Clark, Seth Smith, Mike Lewis, Jim Palmer, Jeff Wait.

J.V.

Van Horn's J.V. squad worked hard this year competing against many older and larger teams. The valuable experience they gained will profit these young Falcons in the future years of Van Horn football and prepare them for the Varsity squad. The tradition of excellence in Van Horn's football department will be carried on by the J.V. squad of 1977-1978.

Row One: Bobby Judie, Byron Johnson, Scott Sumner, Jeff Noland, Gene McCaulley, Jeff Lip-tak, Richard Wieligman, Ervin Harris, Ricky King, Brian Sly.

Row Three: Coach Shurn, Brian Heath, Jim Curtain, Dennis Parker, Mike Terry, Everett Lee, Gary Webb, Coach Hawkins.

COACHES

MANAGERS

Working closely together on the sidelines during all practices and games were the coaches and managers. The coaches were drillmasters, working the team until they were ready to drop from exhaustion. There to take care of minor injuries and provide basic comforts such as ice and encouragement were the managers. Both staffs working side-by-side helped produce a first rate football team, one giving orders, the other executing those orders to his best ability.

Managers: Melanie Mays, Mike Poin-dexter, Tim Carney, Jim Johnson, Lori Kleihauer.

VOLLEYBALL

Talent and an all around good winning attitude is the key to the success of this year's Volleyball team. Each member developed a high level of skill leaving little room for error. Their proven skills place them among Van Horn's finest athletes.

CROSS COUNTRY

Did you ever wonder what the cross country boys motivation was? Is it Coach Lucito's harsh practices or threats? No, it's the knowledge that after practice they would be strong and fast to run from their old girl friend. You know the one that has braces, orange hair and freckles. So join the C.C. team and run for your freedom.

Row One: Danny Ebert, Gene McCaulley, Steve Dennis, Mark James, Ken Horn. Row Two: David Hopkins, Matt Morgan, Brad Ruddell, Lyle Cowens, David Dilks, Duane Smith.

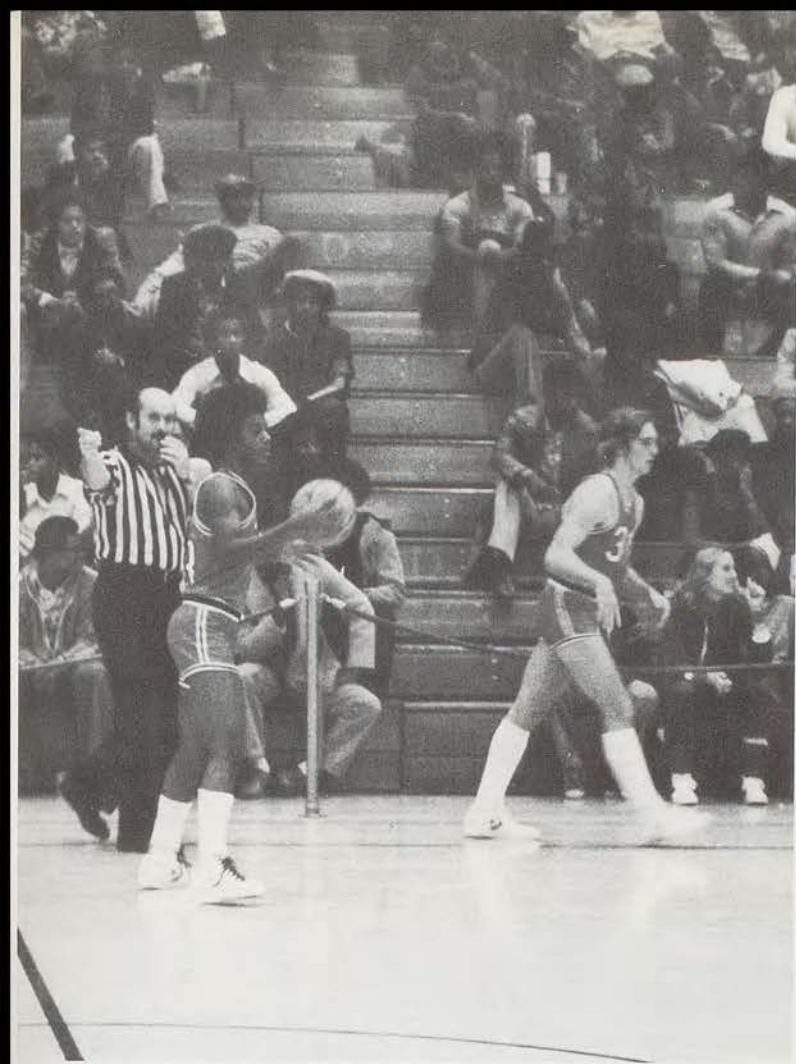

VARSITY BASKETBALL

"Hey, hey, hey, big V, you look so good to me," was the fans' cheer, concerning the Van Horn Varsity basketball. The Jocks on the team were tall, good-looking with an excellent build. Besides being acknowledged by Playboy, our boys were liked by everyone. While the boys were running down the court in order to fulfill their goal of winning for V.H., the crowd looked on them with gratitude for the fact that student apathy was not any part of their lives or attitudes; the Varsity players were willing to show their school spirit. Hey, hey, hey, big V . . .

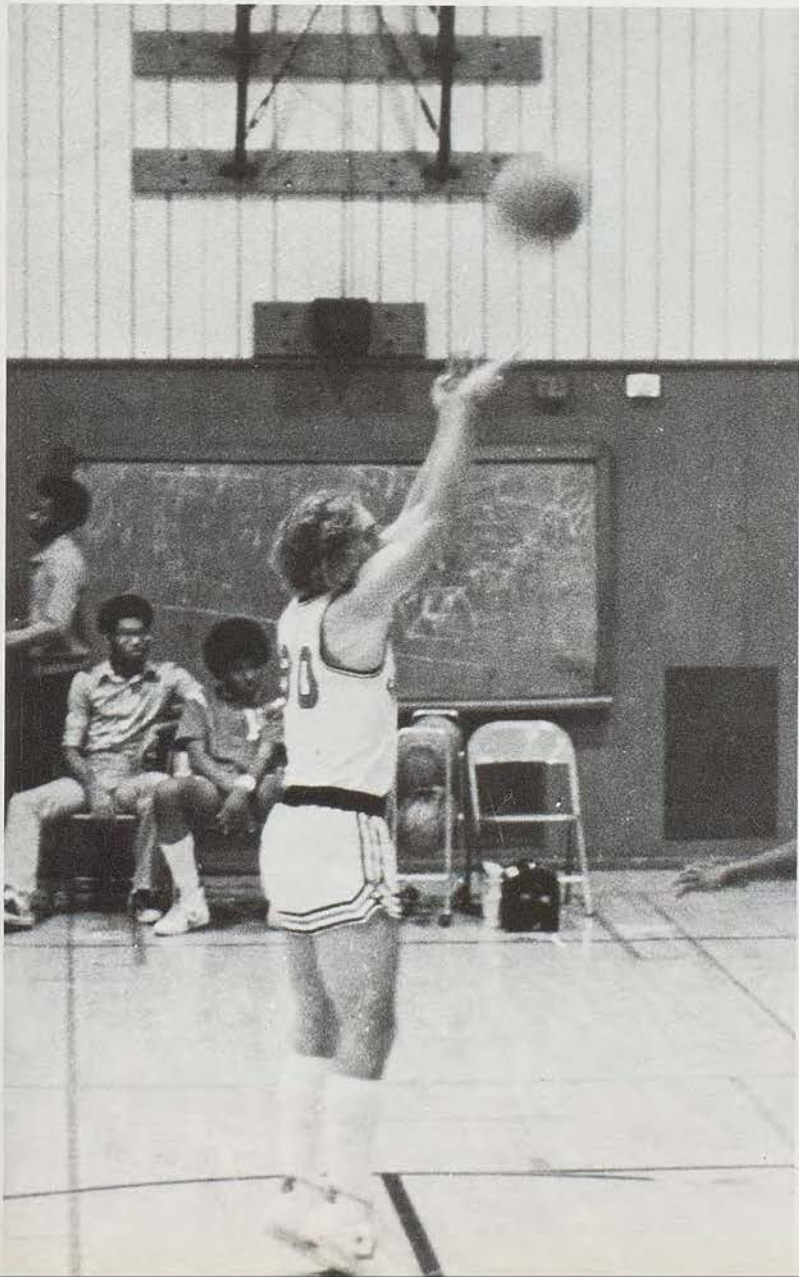

Row One: Ken Roberson, Charles Morris, Phil Hickman, Waymond King, Raymond Smith, Jeff Wait, Gary Wheeler. Row Two: Demetrius Davis, Lynnell Webster, David Hopkins, David Wood, David Theisen, James Ward, Julius Moore, Raymond McKelvey.

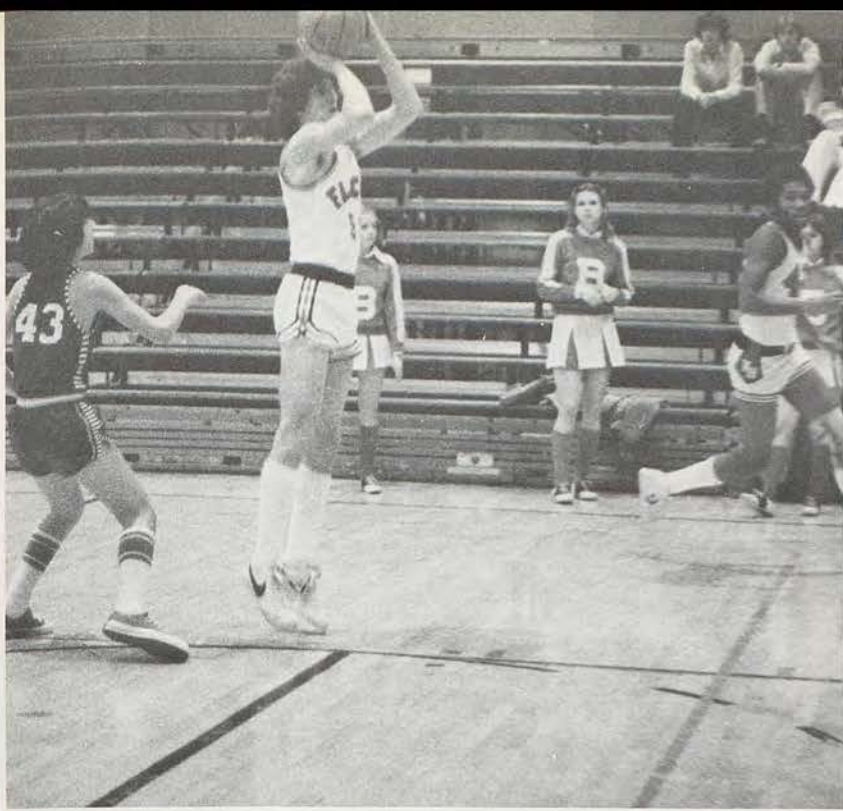

Hey . . . Mr. J.V. Basketball man, what did your team yell to you from the sidelines to encourage you? "GO!" What did your team yell to you from the sidelines at a crucial time — three seconds before the end of the game, score 22 to 24? — "FIGHT!" What did your team yell to you to make you proud? "WIN!" And what was your J.V. Basketball team's motto? "GO, FIGHT, WIN!"

Row One: Ken Roberson, Tom Miller, Don Heriford, Leland Thompson, Robert Baker. Row Two: Kevin Baggett, Mike George, Raymond McKelvey, David Hopkins, Lynnell Webster, Gary Ragan.

GIRLS' BASKETBALL

No score and three years ago, Van Horn brought to this school a new sport. We held this club, Girls' Basketball, to be self-supporting. Conceived in winning, dedicated to their school, our team was not created equal. We are the best.

Row One: Robin Roberts, Tammy Fields, Teresa Pirog, Cindy Norton, Karen Byers. Row Two: Tonya Norris, Robbie Sartain, Vickie Foster, Sandy Heriford, Deidra Woods, Kim Williams. Row Three: Coach Wally Crawford, Carolyn Robinson, Mary Lile, Sherri Waterman, Latanya Harris, Debbie Scribner, Gladys Goulden.

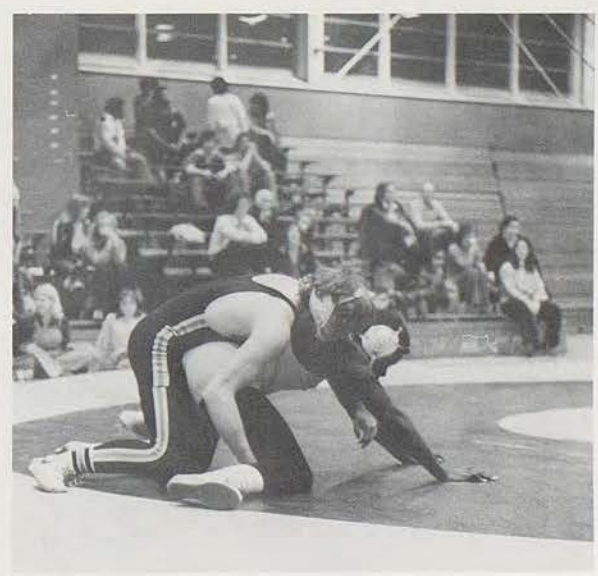

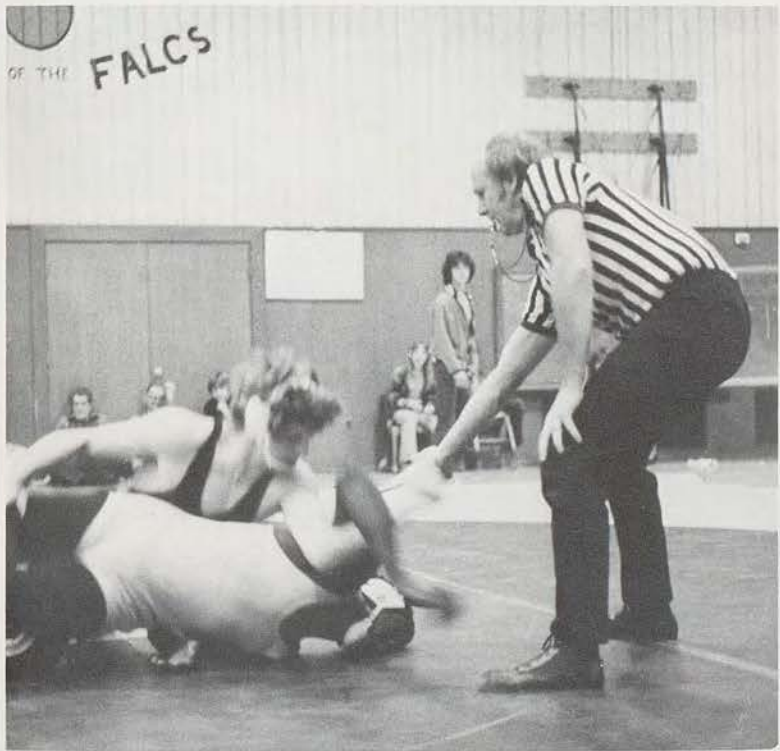

WRESTLING

Row One: Jerry Smith, Mark Landry, Brian Staith, Kevin Kleiforth, Vince Millan. Row Two: Bobby Alexander, Gary Winslow, Jerry Franks, Joe Roach, Joe Ginavan.

What's full of take-downs, pins, reversals and always overflowing with action? If you went to any of their meets, you know easily that it was the Van Horn Wrestling Team. This group of boys, under the direction of new coach, Steve Lucito, worked hard to bring honors to our school. Despite a lack of interest at first, the team proved faithful till the end.

SWIM TEAM

This year's swim team was liberated. Yes, the swim team members were all girls. The team consisted of Junior Varsity, Varsity and Mrs. Guest. Even though Mrs. Guest was a former Olympic diver, she did not swim with the girls, even in practices. She figured practice made perfect-not watching someone else. And perfect is what the V.H. girls strive to be.

TENNIS

“And it rained for forty days and forty nights”. This was not quite the same situation in Kansas City last fall. However, on September 12, this area experienced flash flooding that took everyone by surprise, including Van Horn’s very own tennis team. Due to excessive rain and damage by the Hill Park Creek, the tennis courts in Hill Park became a mass of mud, leaves, and barbed wire. Tears of disappointment from all local tennis fans also mingled in the mire. Unfortunately, these being the only courts available for Van Horn’s team to practice on, the tennis season came to an abrupt halt. Until the courts are repovated, Van Horn will be without a tennis team.

On most any spring day, you can find these devoted tennis advocates on the nearest court. So, until next year, the score will have to remain Love-Love.

VARSITY CHEERLEADERS

From "We're so proud of you!" to "That's ok, that's all right — stay right in there, fight, fight, fight!", this year's Varsity cheerleaders screamed and cheered our mighty Falcons to victory. The squad received many honors at cheerleading camp last summer at Oklahoma University, including a blue ribbon every night, a spirit stick, and the Super Star Award. So, Varsity cheerleaders, from the Student Body, "We're so proud of you!"

Bottom to top: Karen Ostland, Toni Miller, JoAnn Gile, Diana Wenzel, Patti Timko, Stephanie Olinger.

Van Horn has six very enthusiastic girls on her side. You ask who? Well, they are Darlene Bolinger, Odette Jenkins, Laura Metz, Cindy Norton, Lisa Rotz, Kathi Swofford, and Melody Woods Yes, the J.V. cheerleaders. These girls are led by captain and co-captain, Darlene and Lisa, respectively. The J.V. cheerleaders are the understudies of the Varsity cheerleaders. When the big V team doesn't want to cheer or if they have other demands on their time, then it's up to these six, moopathy Junior Varsity cheerleaders to keep the spirit alive.

In the beginning we created a group. This group consisted of six girls. They were Lisa Fain, Laura George, LaTania Miles, Tracey Pickens, Barbara Smith and Lori Watts. Captain Barbara and Co-captain Laura, led their cheers. We called this organized group the Sophomore Cheerleaders. They were proud of their school ... we are proud of them.

With four short blasts of the captain's whistle, pom-poms in hand, big smiles, and a perfect formation, drill team marched onto the field prepared to do their long-practiced routine. Led by captain, Patty Smitka, and co-captain, Anna Heegn, the girls took part in several money-making projects. Among them was a car wash, easy-way-out date-o-grams for Homecoming, and a contest to find the most outstanding legs amongst several football players. The girls also marched in the Halloween and American Royal Parade with the aid of the band.

Come on! Get with it! Come on and get some spirit, Hey! This is one of the many cheers you can hear being chanted at each game. Spirit Club, a new organization which was formed this year, has taken over pep club. The membership consisted of any student — girl or boy — who wanted to promote school spirit at games. Instead of electing officers, the members selected a committee according to the participation of the person. The sponsor was Bonnie Pullen, a community resident.

HOMECOMING CANDIDATES 1977-78

Van Horn began its 1977-78 Homecoming with the traditional nomination of queen candidates. This year's theme was "The Deep", adhering to the oceanic aspect of it. The six candidates and their escorts were introduced in a second hour assembly Friday, the day of the game. A little bit of each girl's personality was revealed by her choices of school activities, where she liked to eat out, and her favorite rock group. Later in the assembly, the candidates were presented a second time to the student body in a movie of a football game — candidates vs. their escorts — where the girls soundly defeated their escorts with a final score of 6-0. (It's amazing — the new plays learned from that game!) Excitement mounted and led to the game that night. With the score 6-0 at the end of the second quarter, the half-time activities began. The Falconettes started things off with a flag routine to "Nadia's Theme". Then came the judging of the floats. Music Department's "Come Sail Away" took first place, German Club's "Starfish Wars" took second place and Spirit Club's "Charlie Tuna" took third place in the final judging. Jody Varner, last year's queen, led the procession of corvettes, each carrying a queen candidate. Again the girls were presented to the audience and accompanied onto the field by their paternal escorts. Half-time ended and the Falcons once again stomped the Vikings with a 12-0 win. A victorious feeling still present added to the excitement of the dance. The music of the band "Heritage" danced the couples to the final crowning of Cindy Ross as the new Homecoming Queen.

IN DEDICATION

William D. Evans

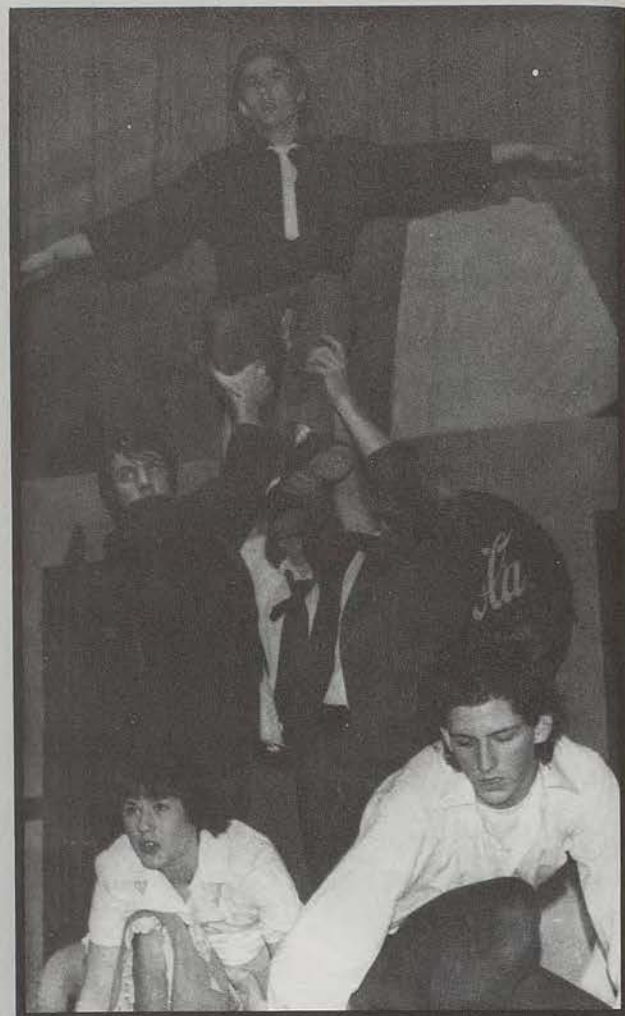

As Van Horn approaches the end of another year, we must sadly bid farewell to one of our most beloved and loyal Falcons. Mr. William D. Evans, principal of Van Horn for eight years, announced his retirement. Always with a smile, a warm heart, a guiding hand, and a knack for understanding the least to the most important problems, Mr. Evans, day in and day out, proved his leadership abilities and love for the students of Van Horn. He was often heard to refer to Van Horn's students as "my kids" and was in turn affectionately called "Uncle Bill". Present at all sports events, chaperone at all dances, a backer of Van Horn ideals and customs, Mr. Evans supported "his kids" with his confidence, love, and trust. All activities were enthusiastically accepted by him, and his cooperation was always guaranteed so that obstacles were once again made small and obscure by his protective outlook for all concerned. His standards were high, and he believed that Van Horn would carry on its tradition of excellence. Mr. Evans' belief in the good of people enhanced his personality and charmed those who strove to be his friends. The 1977-1978 Falcon Yearbook Staff would like to dedicate this year's annual to Mr. Evans. And, from the deepest part of our hearts, we, the students of Van Horn sincerely wish you the best of life and luck with much gratitude, respect, and — above all — our love. Thank you, Mr. Evans, for making Van Horn your family and for sharing your love with us.

ACTIVITIES

WEST SIDE STORY

"Project! Project! Cross step, lift and spin-2-3-4, place and down. Lights, spot the action. Curtains, too late, too late! Why did you miss your cue? Let's do it again! Don't you know the songs? Good, you finally pulled that scene together!" The music department of Van Horn worked for six months preparing for this year's musical, "West Side Story". Dancers rehearsed three times a week for two hours during the summer and during third and fourth hours while school was in session. Behind all dance practices were Paul Chambers and Cliff Kerwin, choreographers. Mr. Cofer directed and worked with all of the leads, criticizing and encouraging until the finished product became smooth and polished. All performers gave much time, energy, and talent to help make "West Side Story" one of the most spectacular performances seen on the Van Horn stage.

As an annual treat to the Student Body, Thespian Assembly was successfully performed by Van Horn's chapter of Thespians on January 13. This year's play was "Thurber's Carnival". Each actor and actress portrayed his character with skill, helped by the directing of Mr. Klamm. The dry humor of this play proved a challenge for the performers. However, all of their hard work and practice led to an assembly the Thespians could be proud of and one Van Horn thoroughly enjoyed.

"The Slate", otherwise known as Ken Hogan, John Topi, Melanie Mays, Jim Baughman, and Sandy Milford, formed this year's Student Council. Together they worked hard to accomplish many goals. Their main goal was student involvement with school. They sponsored a variety of events such as movies, concerts and discos. Of course, there was also Homecoming with the theme of "The Deep". Stuco had all grade levels competing to see who was the best class by having each class decorate a different hall. This proved to be quite successful, as everyone ended up having fun, although grievous for the underclassmen, as the Seniors won. This year's Stuco proved itself quite worthy by providing much enthusiasm throughout the school.

R.O.T.C.

ROTC trains people for college and future military duties. Their main activities are the rifle team, color guard and drill team. During the year they work on these activities for Field Day and especially the Federal Inspection. Last year they won high honors in both of these events. We hope they can do it again this year.

STAGE CREW

The lights dimmed, the curtains were pulled apart and two spotlights beamed down to reveal another production on Van Horn's stage. Backstage and in the booth, working all of these mechanical devices, was the stage crew. Each member had a chance to learn the correct procedures for parabolics, lights, curtains, and sound board. They helped during plays by moving props and creating sound effects when needed. Their cooperative attitudes and knowledge of theatrical skills contributed to many smooth-running programs at Van Horn.

NATIONAL FORENSICS LEAGUE

With much spunk and determination, the National Forensics League debated and orated their way through a year of hardships in their department. Lacking in the support of a sponsor and any financial aid from the school district, these theatrical troubadours let nothing stand in their way. They did extremely well at debate tournaments. Working hard to raise money they held carwashes, raffled off a one hundred dollar bill, sold Valograms, and sponsored pay assemblies. Their typical Falcon spirit pulled them through the year successfully.

An interest in foreign lands, customs, and peoples is what the American Field Service is all about. This year's AFS'ers held a raffle as one of their money raising projects to help sponsor future AFS students. Elina Heredia, Van Horn's AFS student from Argentina, was one of the foreign Falcons who benefited from the AFS program. The AFS organization helped to acquaint her with Kansas City and introduce her to American customs and ideals. In hopes that some day they, too, would be traveling to distant and exotic lands, the AFS club also greeted guests from all around the world and showed them the Mid-Western style of hospitality.

Debbie McGinnis, Secretary; Connie Lawton, Liaison Officer; John Topi, President; Ken Hogan, Vice-President; Pierre Heidrich, Treasurer.

Do you want to know how I like Van Horn? O.K., I will tell you the honest truth. I like the school very much. Throughout this year, I learned to love our school. I felt respect and compassion for the people near me. I want to say a special thanks to all my classmates and personal friends who helped me any time I needed help and gave me their hands in friendship. I am pleased with all the teachers who understood me when my English was so limited in the beginning. I want to thank all the office, cafeteria, and school personnel. I appreciate the fact that I had the opportunity to come here. It is one of the best things that could happen to me. I learned a lot of things about American History and politics. My English is much better now. I don't have to keep asking "What?" everytime someone speaks to me. I learned to read music, which was incredible. How I enjoyed dancing! Sports at Van Horn were very important to me. I had a wonderful experience in Drama. I had fun after school and in the evenings talking with my friends and taking part in the various clubs. But the most important is that I learned to love all of you. I hope to come back and see you again. If you go to Argentina, I would like for you to call me at Rosario. My telephone number is 89261. This is how I would like to express my appreciation for all the nice things you have done for me while I visited my new home in Independence. Thank you again for all the love and friendship you have shown to me. I shall never forget you!

Buena Suerte!
Elina

Americans Abroad is an excellent experience in the sense that the student is not a tourist — but a member of a foreign family. It provides the opportunity to learn the culture, customs, and language of a different country. I was the A.F.S. student to Sweden the summer of "77". I lived with a Swedish family on the Swedish west coast. My experiences ranged from a Swedish "Wild West Party" to mushroom hunting in the Swedish forests. While living in Sweden, I began to see life from new viewpoints. I was exposed to new ideas and concepts, and I was often forced to re-evaluate my own. By the time I left, I had a second family and memories that I will never forget.

KEY CLUB

Key Club is a service club of Van Horn and surrounding areas. It is sponsored by the Inter-City Kiwanis. To raise money, they held monthly paper drives. Their main goal was to construct an activity board for the outside of the school.

MASK & WIG

Before the curtain went up for Van Horn's musical, plays, and Vantasia, each actor and actress couldn't have assumed his complete character without the help of Mask and Wig. These young ladies worked hard on each performer's make-up, transforming youthful faces into aging visages or wrinkles and grey hair. Their skills in the cosmetic department contributed to the vast success of every show.

EL CLUB DE LENGUAS MODERNAS

The United Nations is composed of delegates from many nations as Van Horn's Modern Language Club was a combination of French, Spanish, German, and English students. They held meetings to exchange ideas of the different traditions and cultures of their represented countries. One of their activities was an international dinner where every person brought a favorite foreign dish of food related to his country. A major activity was a summer trip to Mexico City. Dancing at the discotheques, and shopping at the markets were some of the things that kept them busy. The oneness of the group is shown by each member's eagerness to plan next summer's trip to Acapulco.

DEUTSCHER VEREIN

If Hitler's soldiers had been as hard-working as Van Horn's German Club, who knows how World War II might have turned out? To keep these very active Germans as busy as always, was a beauty contest and a soccer game — both against their Spanish student rivals. They were also represented at the Stuco picnic and marched on to second place in the Homecoming Parade with their float of "Starfish Wars." Gut gemacht, German Club!

Five short rings penetrated the silent halls of Van Horn. The cry of "Tornado!" sprang from the throats of the students. A mass stampede of bodies hurling themselves out of classrooms began. But, to take complete control of what seemed a desperate situation, was the Tornado Squad, sponsored by Mr. Kaifes. These stalwart Seniors stood in each hall, communicating with their walkie-talkies, brandishing toy machine guns and swords, and wearing construction helmets. They guided all of Van Horn's students to safety in record time. Their fearless attitudes helped them lead the students through one of the most difficult Van Horn tornado drills yet.

Looking back on the years at Van Horn which have instilled pride and devotion in us, we are the Falcons, spirited, loyal, and fun-loving.

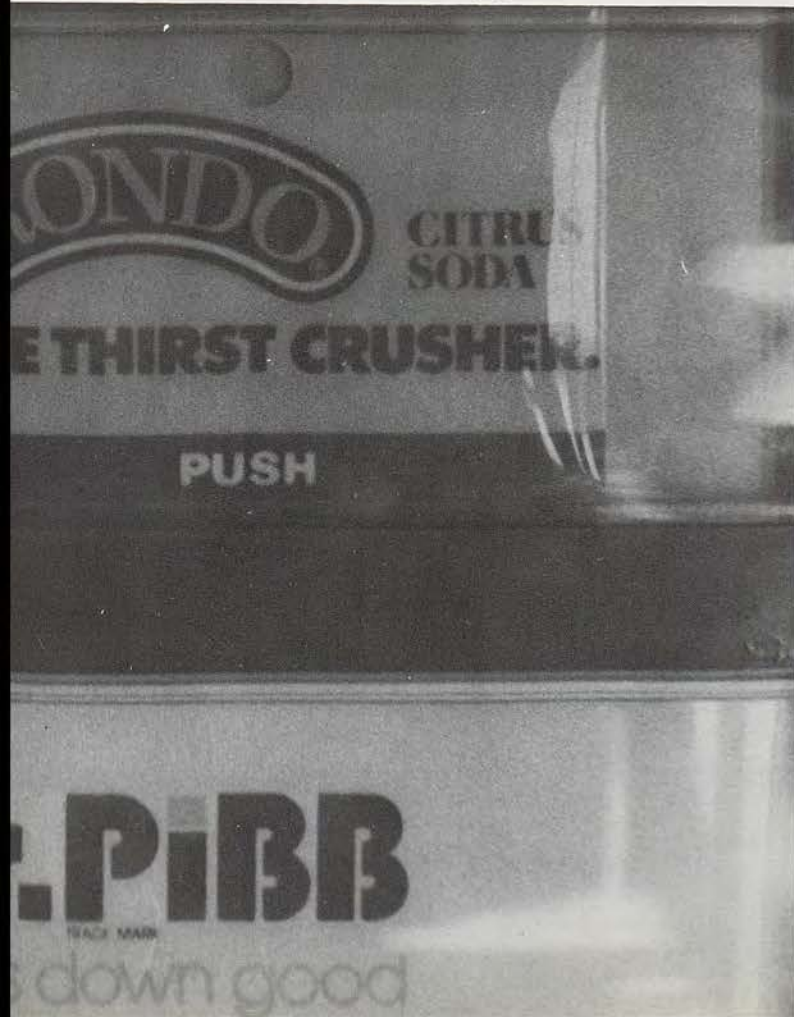

Van Horn, the Factory located in Falcon territory, home of Freddie and the Falcon's nest. Recollections of morning announcements, school activities, and clubs. Memories of football games in freezing weather. Sipping hot chocolate, huddling under blankets until the next touchdown brought the Van Horn fans to their feet in celebration. Noises of a dribbling basketball resounding throughout the gym, while spectators waited in anticipation for two points. Remembering the good times.

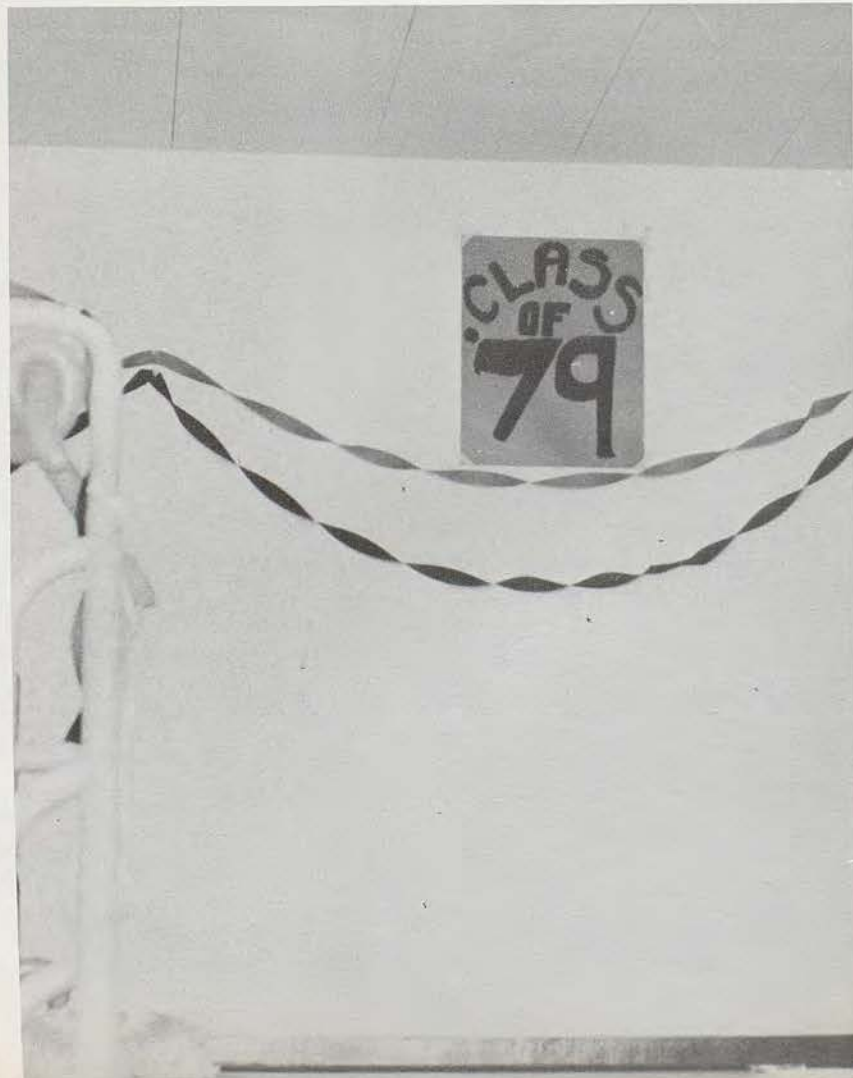

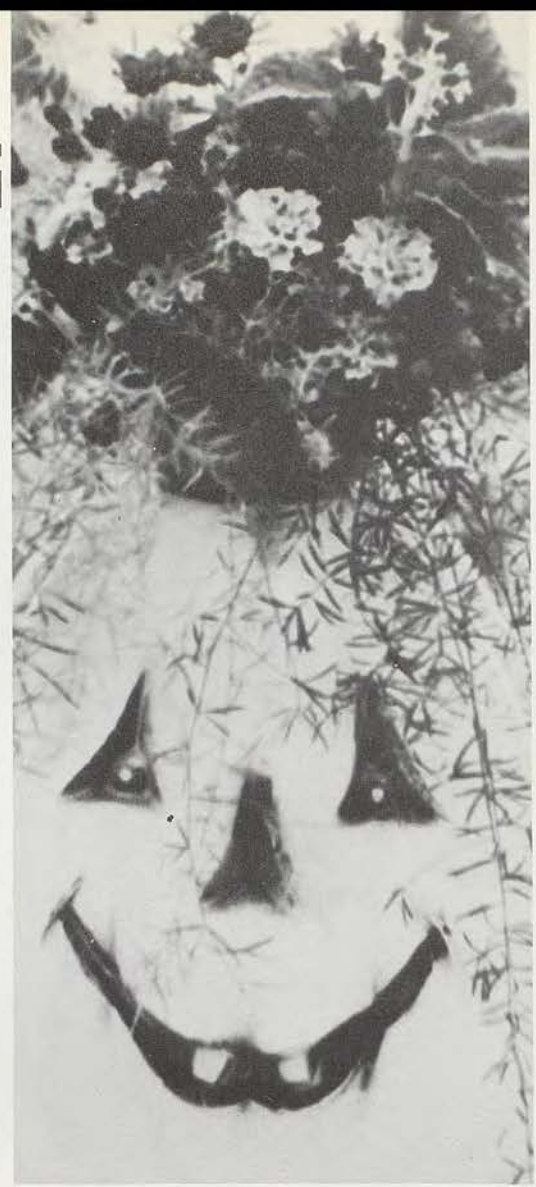

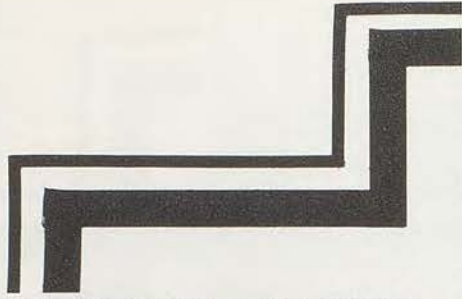

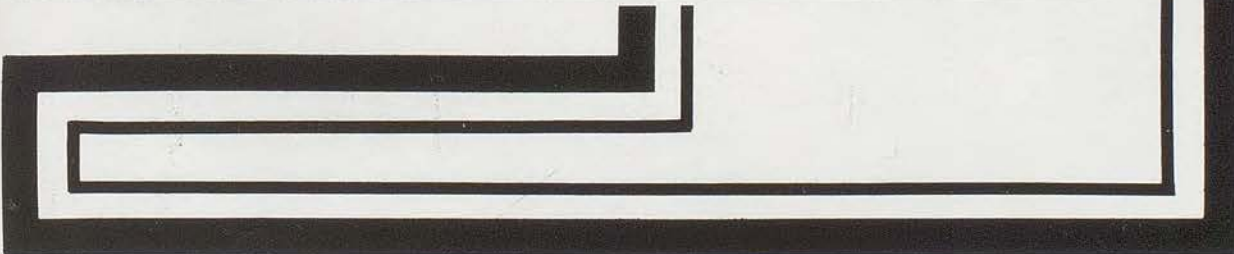

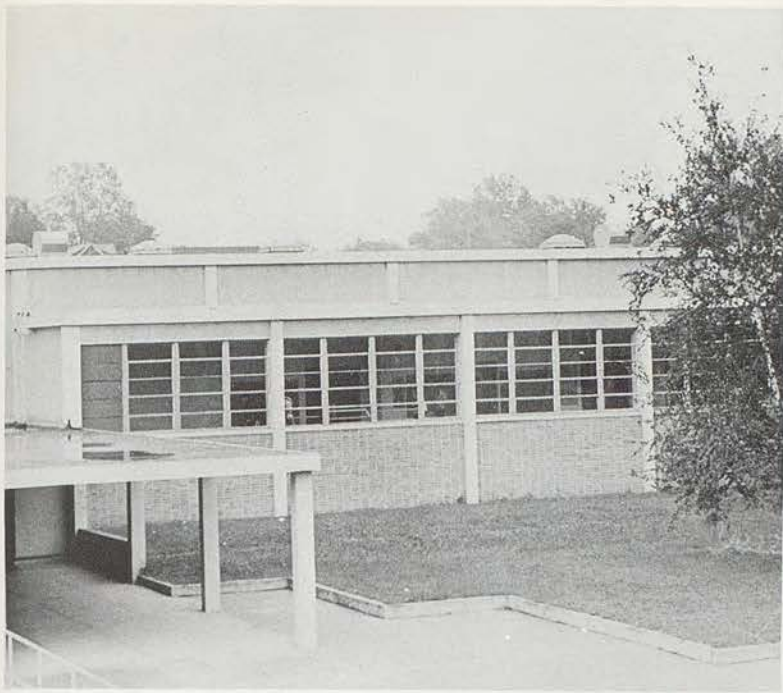

Scattered throughout Van Horn are the trophies and senior gifts presented for the purpose of showing we're Number One — tokens left behind to express thanks for being our school. A parade of cars, red and black streamers, "78" soaped across windshields, circle the drive honking as the drivers bid farewell to Van Horn. A sea of faces peer out from red mortarboards and red gowns as the seniors turn their tassels, signifying their goal has been reached and it is now time for their underclassmen to follow their lead.

Deserted halls echo an occasional paper rustle made by teachers cleaning out their desks in the empty classrooms. Fans cool the hot summer breeze. Footsteps sound in the front hall as the last student leaves the building for summer vacation. Van Horn: my school, your school, our school Falc-on!

Due to the variety of changes at Van Horn this year, it was impossible for us to insure that each name was correct for the picture. Also, because of several late photo re-takes, we were forced to leave out many pictures. We would like to apologize for this and any other accidental mistakes throughout this edition of the FALCON. However, we do hope you will enjoy our finished yearbook as much as we have enjoyed putting it together. In ending this, we would like to express our thanks to Rolland's studio, Parish studio, Mr. William Evans, Mr. Edgar Van Fleet, Mr. Gary Spawn, and Mr. Bernie Richstetter for their generous help. We would also like to express a very special thanks and our sincere appreciation to our sponsor, Nancy Ferguson. Ms. Ferguson has ended her fifth year as FALCON adviser. We would like to thank her for pressuring us around deadline times, for without this extra push, deadlines would never have been met. The time and effort she put forth for this yearbook and for previous yearbooks are greatly appreciated.

Thanks for the memories.
