Mellie

Mandy, You've been the  
LOVE of my life for almost  
a year now. I'm orgasmic

one this year. Loving you  
has brought many joys  
and no sorrows I know  
our LOVE will keep us  
together, forever. You know  
my love for you will never  
wither. I have but 1 quest-  
ion... will you marry me?  
Love ♥ Neil J.S.

In The past, we have  
endured many Hardships  
in which we have displayed  
our perseverance. We the

Again be faced with  
the unknown. On June, 3, 1982  
we will have to become  
Independent, to rely upon  
ourselves, to be the New  
leaders of America. We  
Shall live. ISNT that

# Senior Class Officers

Left to Right: Bruce Heinrich — Sgt.-at-Arms, Lisa Allen — Vice President, Myra Evertte — Reporter, Terry Jackson — President.  
Not Pictured: Shawn Link — Treasurer, Brenda Wharton — Secretary.

Senior class is lead this year by Terry Jackson. This year they sold class T-shirts to help raise money, but their main responsibilities were to order Senior announcements and the Senior gift.

They are trying to raise money for a Senior trip, which has been a problem for the last couple of years.

So to the class of 1982 we wish you all the luck in your futures.

CONGRATULATIONS!

Concert Choir has been very busy this past school year, becoming involved in events such as Vantasia, Christmas programs, plus area wide events and school assemblies.

Concert Choir works very hard to raise money to support events. They sold Gold "C" coupon books, and jewelry. The night of Vantasia they organized a spaghetti dinner to help support school funds.

Mr. Cofer, the choir director, worked very hard to make Van Horn's Concert Choir the best choir in our district. He is very proud of our many successes.

Now at their second year at Van Horn, the Youth for Christ Club, has been very busy throughout the entire year. They meet weekly in a home, sing songs, play games, and the meeting is topped off by a special speaker who presents a message that refreshes each teenager how to live a life with Christ. Afterwards, refreshments are served. Not only do they have weekly meetings but they also sponsored hayrides, lock-ins, skating parties, and many other activities. The club also has a Bible quiz team who compete against a number of area high schools in a monthly quiz match. Each club member is excited about their club and wants to keep it growing in the years ahead.

A big hand should be given to the Van Horn Booster Club. They were busy all this year promoting and supporting all activities by encouraging attendance and giving financial aid. Because of this, the Booster Club is worthy of its name.

# National Leadership Conference

This year's National Leadership Conference participants were Laura Bradham, Gayle Brice and Cedric McCay. They joined with top students from all over the country to spend 10 days on the shore of Lake Michigan exploring the dimensions of leadership. The theme of this year's camp was "Leadership for a Just Society." The activities ranged from the high adventure ropes course and sailing to learning about our natural resources with a computer.

Sigma Tau, the boy's literary society, has had a long record of victories at Lit-Night. From the first in 1956 to the present year Sigma has won ten Lit-Nights, the last five consecutive, an unparalleled record at Van Horn. This year Sigma has had the chance to extend its winning streak to six, undreamed of by the other literary societies here.

Sigma is not all just work and no play, as the group picture above indicates. Sigmas throw wild-n-crazy parties, go "T.P.-ing," and are active in other "classified" projects. Their reputation is the most active outside school grounds. Sigma Tau is truly the champion of Lit-Night.

This year's Varsity Track teams have done nothing but show a tremendous improvement in their athletic abilities. They have been on their feet since the first day of practice began and have put in a lot of hard work and concentration. The teams were really running toward a great year at Van Horn and won first place in accomplishing it. We, the Falcon Staff, want to say "Thank You" for a great year. Our wish for both teams is to have another successful season again next year.

As years go by, our Cross Country team has been successful in competing at meets, but the 1981-82 year has changed. Our Cross Country team competed against a number of other schools and came out on top. They won a first place trophy for being the most athletic squad in the city. This spectacular team was coached by none other than Coach Kaifes. The team says that he's a fine coach and appreciates everything that he's done for them. On behalf of all the students at VH, congratulations to you champs and keep up the Good Work.

This year's Varsity Cheerleaders were made up of five seniors and one junior. The girls were very spirited this year. They attended camp at Kansas University this summer and received many ribbons and one spirit stick, along with a spirit frisbee which they were unable to keep. They also competed in the camp championships where they took third place. Their sponsors Mrs. Allen and Mrs. Perkins were very proud of the girls this year and so were we!

## V.H. Yell Leaders: Masters of Spirit

This year's yell leaders did a fantastic job lifting the cheerleaders, building outrageous pyramids, and doing double stunts at half-time and during the game. These very spirited young men are as follows: Captain Mike "The Dictator" Sherman, Co-Captain Kevin "The Nut" Kelly, Ron "Red Barron" Dykal, Brad "Wild and Crazy Guy" Carroll, "Mellow" Marti Topi, and Jeff "The Stud" Brownsburger. We would like to congratulate these fine fellows on a job well done!

# Pep Club Raises Spirit More Than Ever

This year's Pep Club raises more spirit more than ever before. It has increased about 10', and it keeps getting bigger and better every year. The President of Pep Club, Paula Cole, says that the Pep Club's main duty is to be present at all games and show spirit along with the cheerleaders and yell leaders and to get the crowd on its feet. By learning new cheers and chants each game, and by wearing their uniforms on the day of the game, the cheerleaders and yell leaders would like to say thanks for supporting us throughout the year.

This summer the Van Horn majorettes attended a camp at UMKC. The camp lasted exactly one week. While there, they met a number of other girls and talked with them and also got to see some of their routines before the competition began. The girls were under a tremendous amount of stress but not too much for our girls. After the competition was over, the girls congratulated everyone, not even knowing the results yet. After the results were in, our own girls brought home a first-place trophy for being the best twirlers there.

### DID YOU EVER?

Did you ever love a girl and know she  
didn't love you?  
Did you ever feel like crying but what  
good would it do?  
Did you ever look into her eyes and say  
a little prayer?  
Did you ever look into her heart and  
wish that you were there?  
Did you ever whisper God I love her so,  
but how could I ever let her know, and  
did you ever wonder where she is and who  
she is with and why?  
Please don't fall in love my friend, you'll  
find it doesn't pay.  
Although it causes broken hearts, it  
happens every day.  
And so I say, don't fall in love, you'll find  
you'll be hurt before it's through, and see  
my friend I ought to know I fell in love with  
you.

Michael Sherman is known for his school spirit here at Van Horn and has shown this as a yell-leader his past two years. Michael will remember his first game as a yell-leader because it was his goal to be one. He believes that our school spirit will hopefully continue to grow.

He encourages all the future seniors to study and do your best in all you set out to accomplish.

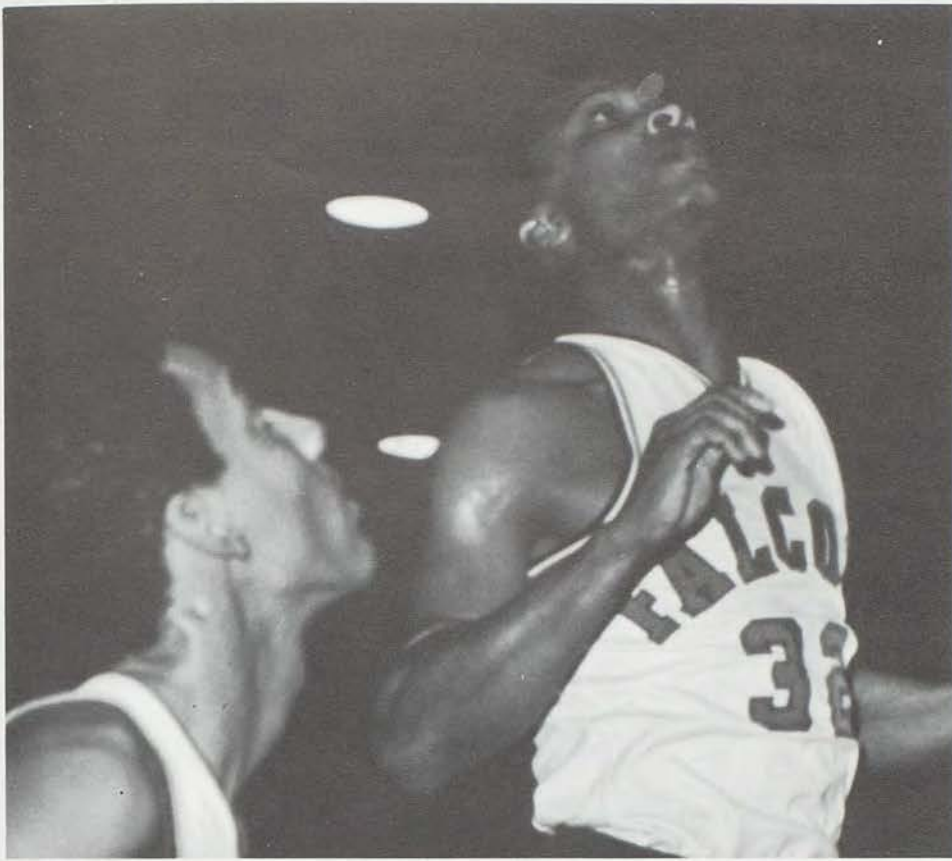

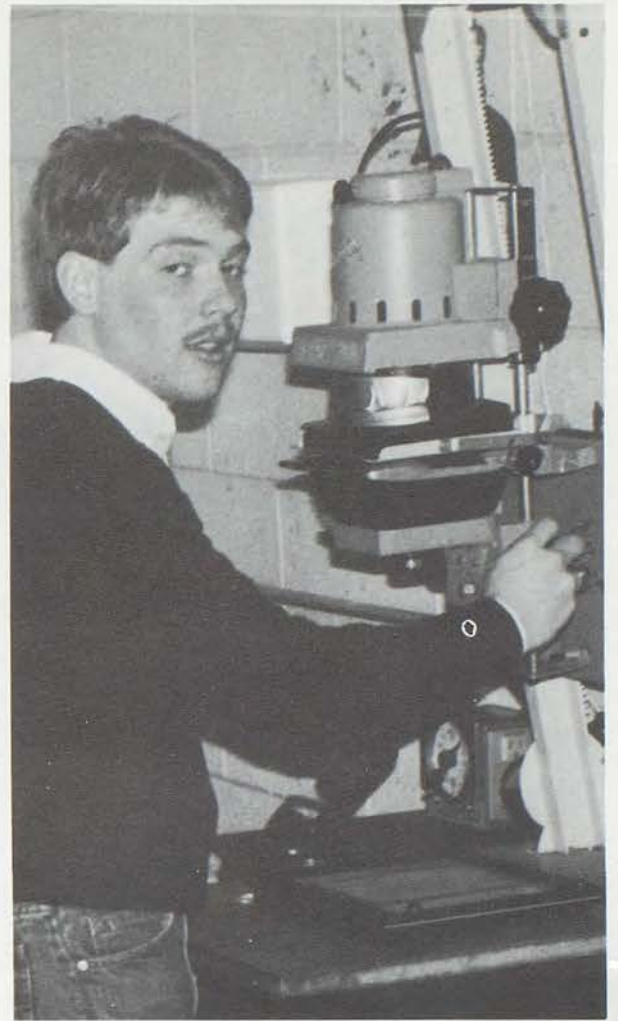

Chins up for roundball! M. Nevels, D. Collins, B. Heinrick.

Take this enlarger and SHOVE IT!

This year Van Horn has a couple of multi-talented young juniors that have shown us what they can do. These two have been working on this project for quite some time now. This project was performed on the night of Vantasia. They spent numerous hours practicing, writing, taping, and remembering lines. The moment they walked on the stage till the time they left, the crowd went wild. The girls were very proud of themselves. The name of their "Rap" was "Evening Delight." The characters were Dr. J, Lady C, Sparkle and Candie. This was written by Lady C and Sparkle. This is to both of you, Chanelle and Michelle. Thanks for that terrific job you did. Not pictured: Dr. J, Lady C, Candie.

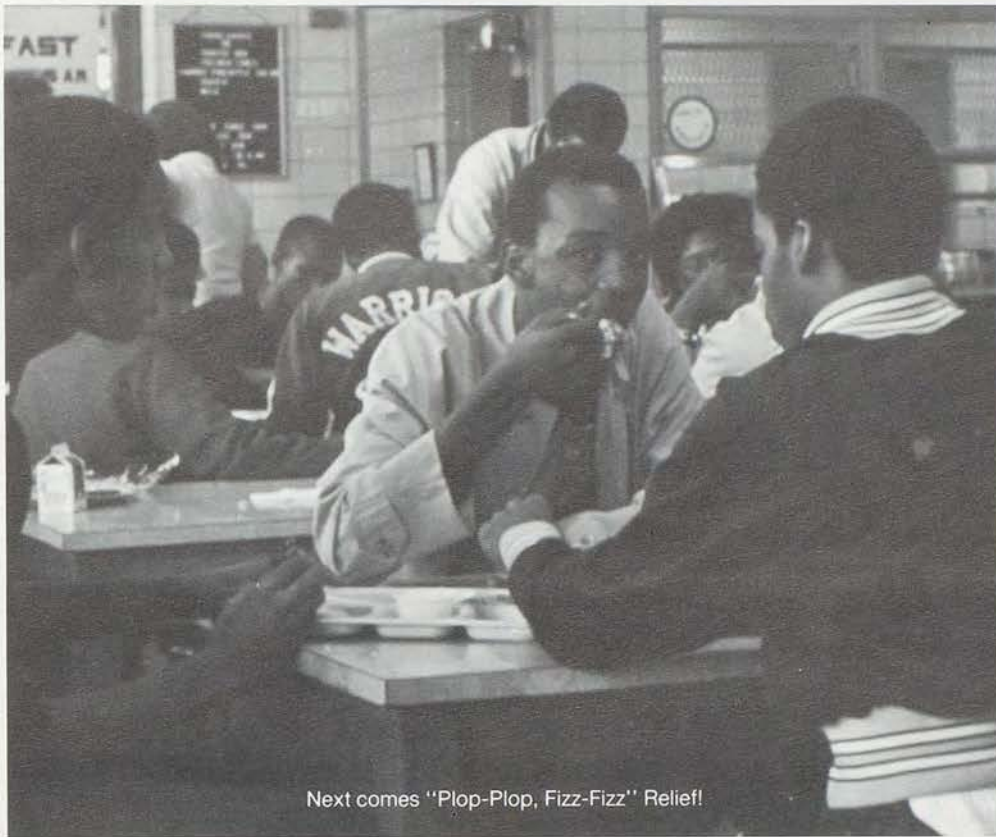

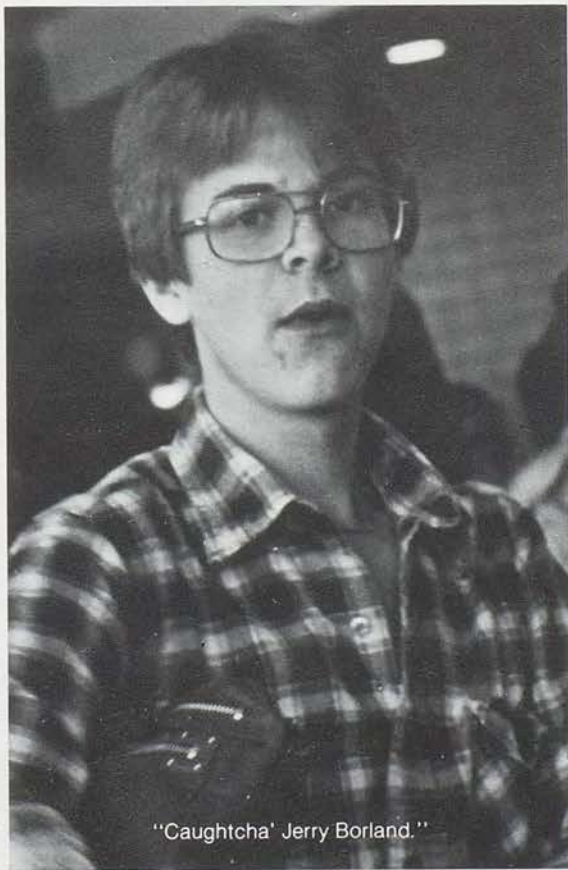

### The Unseen Rainbow

Why bother believing in anything if that doesn't suit your needs?  
You think you'll just run around being the one who won't bleed.  
And yet you get hurt so often. Why tune in? Just stay out!  
You're never more than a shout from tomorrow anyway.  
But you just couldn't fool around forever. The pain was too deep,  
and the price was too high. So why do they say it's easier,  
easier just to lie. We walk around this earth and we never realize  
that in trying to find our true self our only real hope lies.  
Like a stranger or a soldier lost on a deserted island,  
our nature to love lies crying out for recognition!  
But we never give it a chance. We just work our lives away  
at jobs we don't even like.  
In the name of better pay we've sold our birth rights! As children  
of the Light we can regain such a big price we've paid.  
Come out of the life where money's been making us slaves.  
For the real pot of gold lies at the end of the Unseen Rainbow!

Next comes "Plop-Plop, Fizz-Fizz" Relief!

"Caughtcha" Jerry Borland."

Bruce Heinrich had these remarks to say when he was interviewed:

He said that he plans to attend college at Arizona, Kansas, or Missouri State preferably. He enjoys all sports, but basketball and water skiing are his favorites.

His remarks were: "This is the first year I have seen any school spirit and teamwork, everybody pulling together and working for the same goals that will make this school successful." He also remarked, "I'm proud to be in the Class of 1982."

Any other tricks you want my dog to do?

Boy I can't wait until my hair dries.

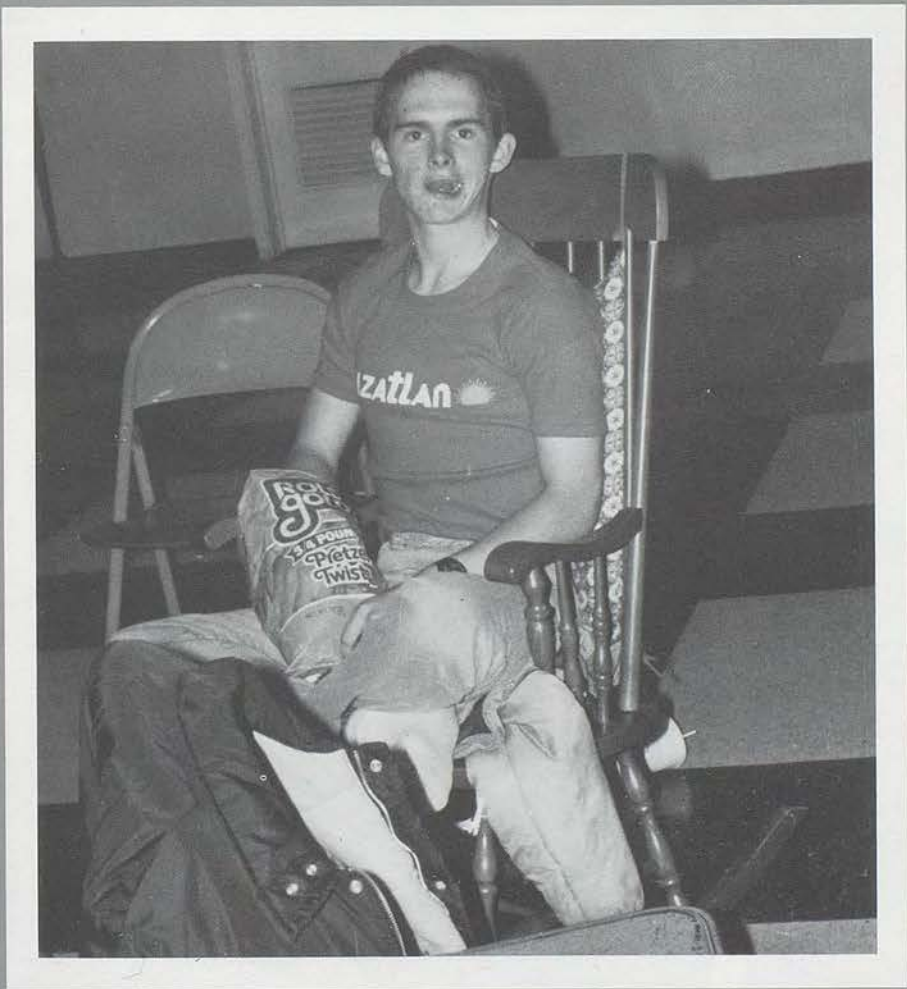

My wife takes Geritol every day.

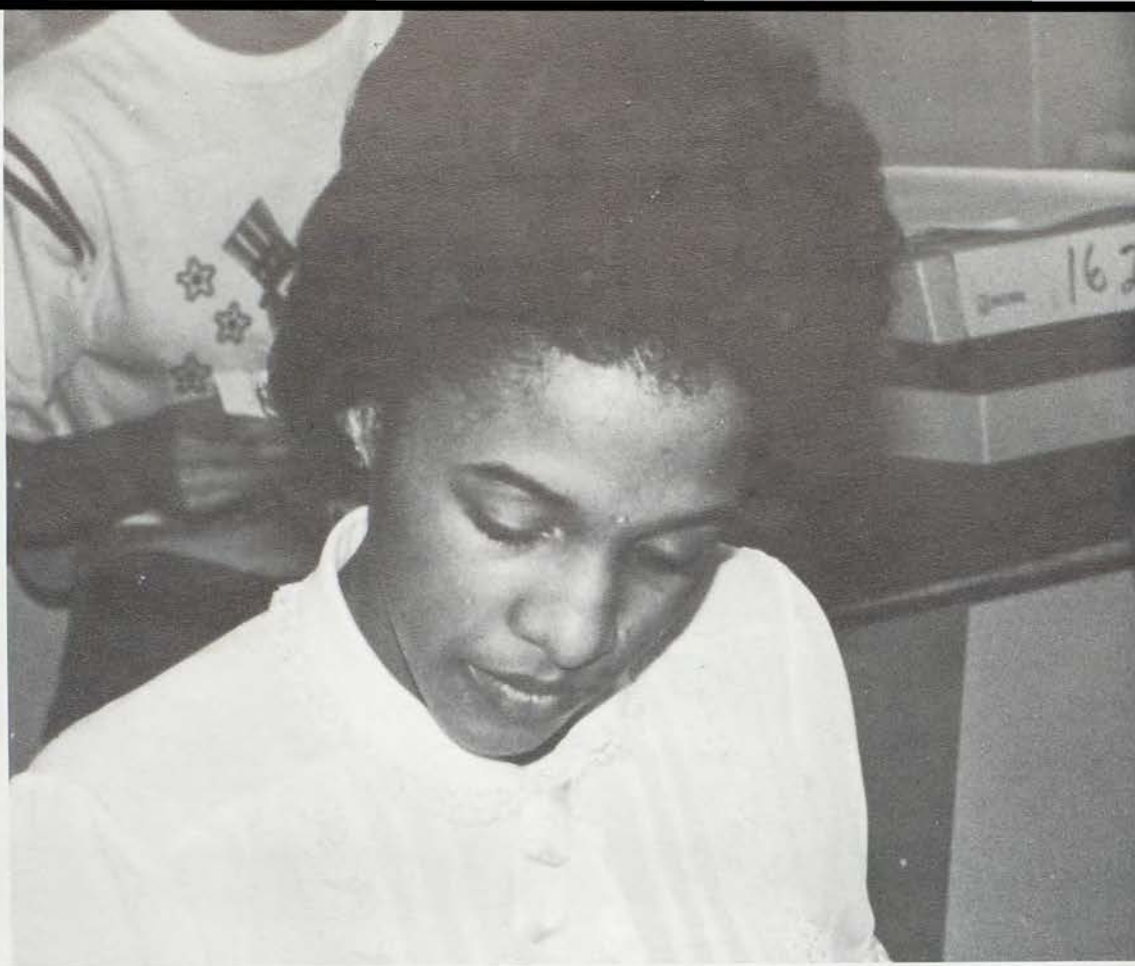

And Goldlocks said . . .

What do you mean I look like Anthony Perkins?

Marcy James, a smiling face in the halls of Van Horn, plans to take life as it comes; she has no immediate plans.

Her favorite groups are Journey and Foreigner. Her favorite song is "Leather and Lace." Her hobbies include diving and horseback riding.

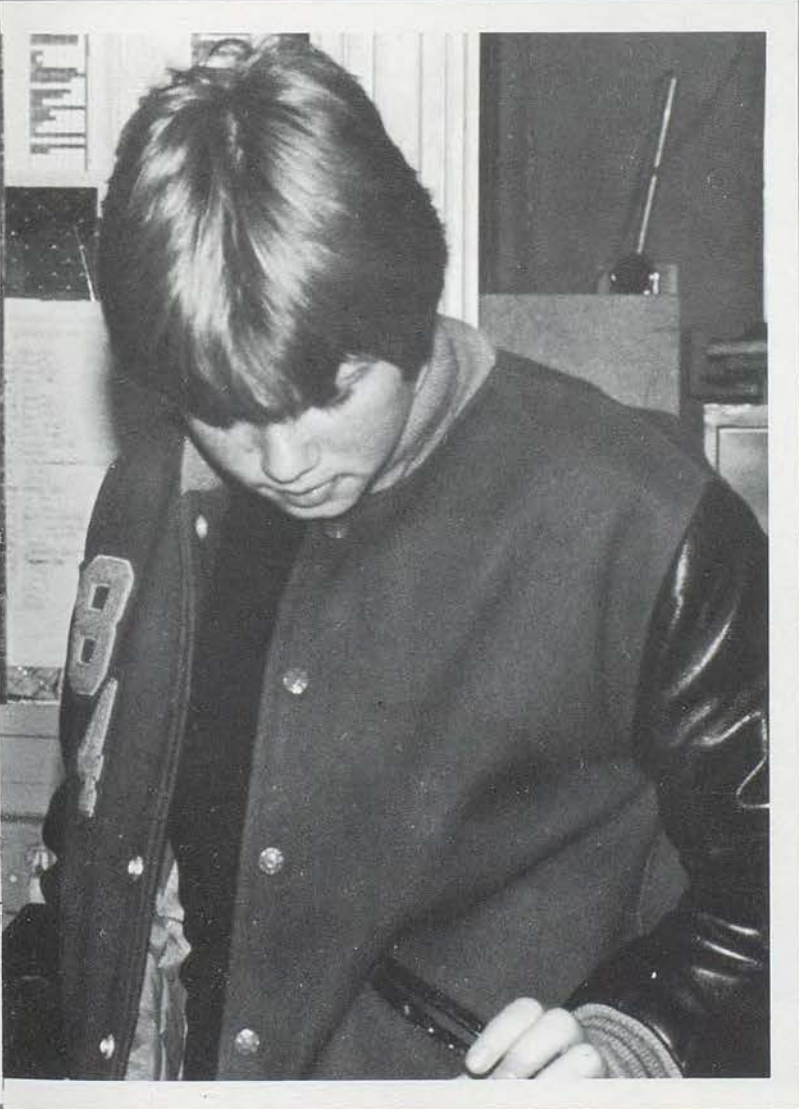

Marcy was a member of the newspaper staff, which she did a super job on the 1981-82 Pioneer. She also was in AFS and was a member of Kappa Lit Society for 2 years.

For those who know Marcy, they know that she loves to laugh!

Marcy James

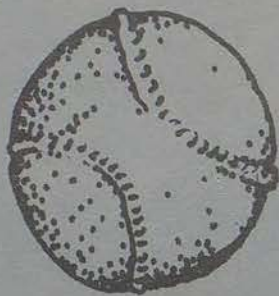

Terry Jackson had these remarks to say when he was interviewed:

"I think Van Horn is a really good school, and I enjoyed working with my fellow classmates. I am also glad that I can take with me from this school a capacity to deal with new ideas and a willingness to work hard. I know that Van Horn will always serve as a critical element in my total education and future success."

Terry Jackson,  
Sr. Class Pres.

Dirk Young had these remarks to say when he was interviewed by one of our staff members:

Dirk is hoping to receive a baseball scholarship, but he said he didn't know for sure. He said, "Van Horn is an all right school," when he was asked what his overall opinion of V.H. was. We asked him what he thought of the girls here at V.H., and his reply was, "A-Hummm."

His favorite Rock group is REO Speedwagon and he listens to KY 102. His favorite song is "Start Me Up" by the Rolling Stones. His hobbies include riding motorcycles, playing baseball, listening to music, partying, fishing and hunting, and his most favorite, chasing girls. He regards, "Take it easy and I'll take it any way I can." He also wishes luck to the baseball team.

#### ADOPTION

Is a union of love  
not of birth  
but from higher above.

To be united in this way  
is not a have to  
it's I love you and you can stay.

When you're chosen it's great  
not like any other thing  
so when given the chance don't hesitate.

Home is the place for your heart  
when you've planted that love  
remember no one can tear it apart.

It's wonderful to know where you belong  
all the fear and insecurity gone  
and deep in your soul is a happy song.

When for so long, you lived a dream  
then finally shown reality  
your face shines with a glowing beam.

My parents have given that love to me  
so strong and free  
and repayment can never be.

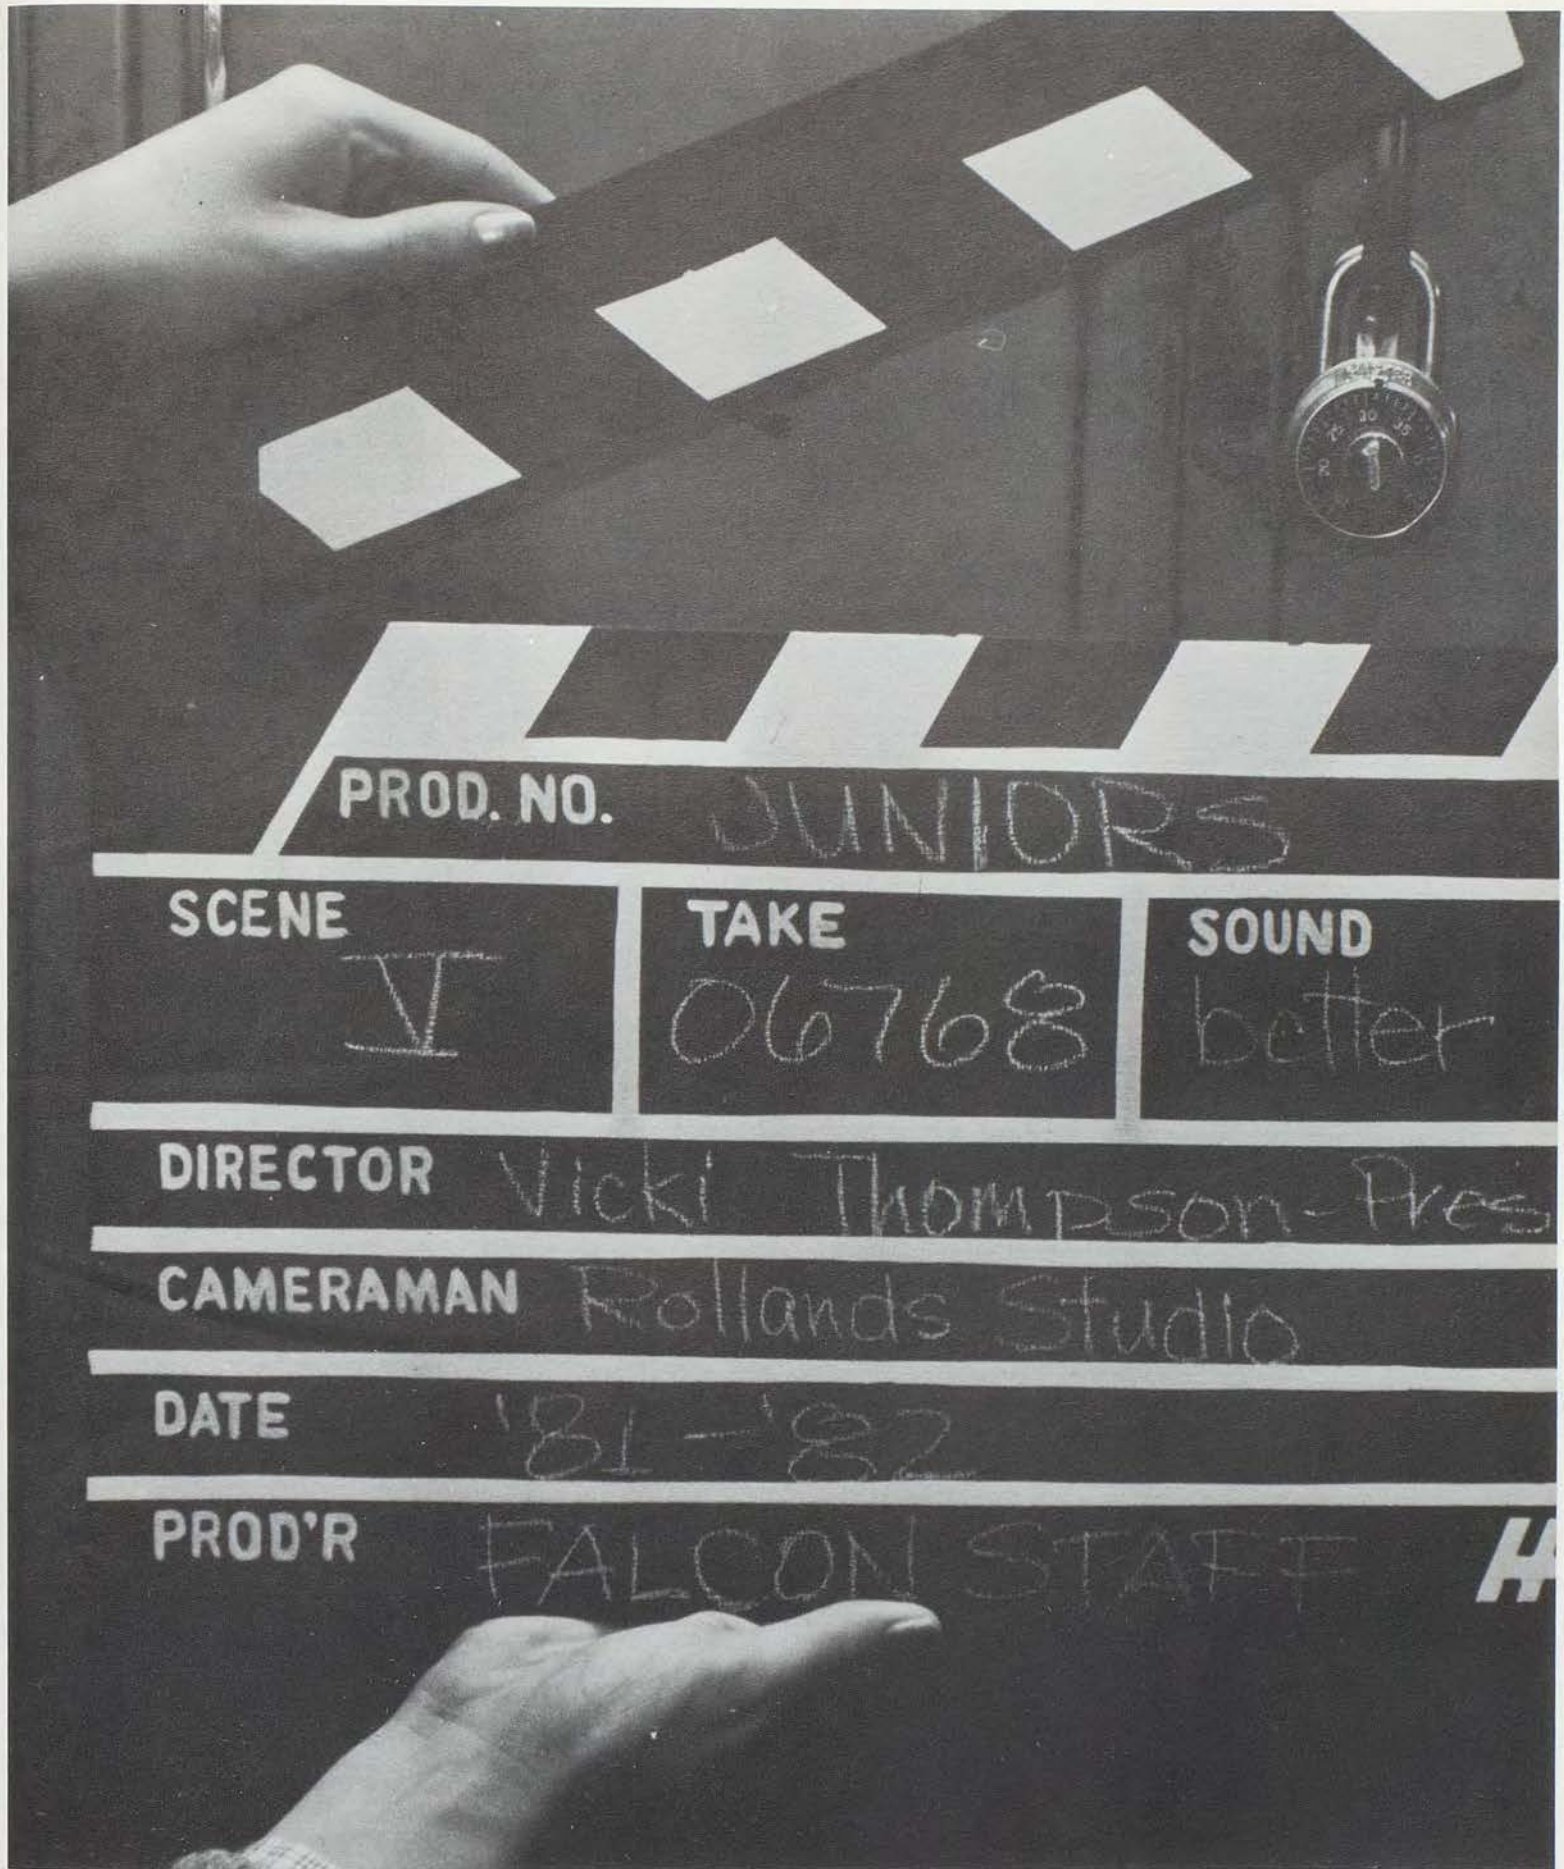

Now that I've found my "longed for" love  
with a bond that links lives  
to live eternally in heavens above.

Mr. Van Fleet

Once again as I turn to thoughts of the yearbook I realize that approximately one-third of our students will graduate. I wish them good luck. For those who remain I wish them a better year with greater opportunity for activities and achievement.

Mr. Turner

When I think of education and what I hope it can mean to the students at Van Horn, I remember a simple free verse poem by Hugh Prather.

It's this simple:

If I never try anything,  
I never learn anything,  
If I never take a risk,  
I stay where I am.

F. E. Houser

Well-mixed ingredients that are diverse in nature always give rise to EXCELLENCE.

In Falcon Country the *Students* are a mixture of many multiples; they are diverse.

The *Academics* are well-mixed; they are diverse.

The *Staff* is well-mixed professionally; diversity abounds.

The *Athletic Teams* are mixed well with talent; very diverse.

*Falcon Country* is well-mixed; it is super with diversity.

Can you claim any of the above? If so, you are EXCELLENT.

Leon Turner, Jr.  
Assistant Principal

## Principal Griffin

To You — The Impressive Graduating Class of 1982, I express my congratulations for your accomplishment. The accomplishments you have reached as a class will set new challenges and goals for the classes who will proceed you. For this you can be proud.

The individual accomplishments many of you have achieved will be ones you can always look back on, smile, tell your families about and perhaps say "those were the good ole days."

As I look back at the seven graduating classes before you since my coming to Van Horn, it has always been a delightful pleasure to extend parting words to members of the graduating class. I take no less joy in saluting you, the young women and young men of this fine 1982 class, who have reached this milestone in your high school career. This goal has been reached not without sacrifice, struggle and a sense of achievement.

I have personally watched you as members of this class grapple with problems and emerge mentally, socially and morally stronger because of the encounter. I hope each of you will face the problems and successes of life in this same manner.

The experiences you have had in the now vanished years as Van Horn will, I trust, establish within each of you a sense of clear directions in prioritizing what will now become new dimensions in your life — life after high school.

As you follow your different pursuits, I hope you will have fond memories of days, months, and years spent in the land of the "Red and Gray." I am confident you will reflect credit upon your alma mater as you face the times ahead. I close by emphasizing to each of you, this class of 1982 will be in my memories, that I will forever remember and cherish as one of the greatest classes I have had the pleasure of working with. I salute you.

This was a tough year for the Falcon. We had to move to the old Graphic Arts room and scrounge furniture to set up shop. I, then had to get all my classes re-arranged so I could have time for yearbook. We had a \$2000 debt to pay off. There were numerous snow days that made deadlines hard to meet. But we did it (if we didn't you wouldn't be reading this). There are numerous people that the Falcon couldn't have been possible without:

*Kim Miller* — Thanks for being a super Editor. All the extra time and effort you put into the book shows.

*Falcon Staff* — Thanks for working so hard to meet deadlines.

*Faculty* — Thanks for your support and not getting too upset when I steal people for pictures.

*Ken Scribner* — Our unofficial photographer. Thanks for the after school hours and being flexible.

*Greg Gaw* — PDQ artist. Thanks for the doodles. Also, a belated thanks for the '81 cover.

To the class of '83: Good luck to all my friends in your future. May your life be filled with love and happiness but for now just party 'til your senior year is over.

To my friends: Have a party of a summer and be back next year to make 1983 the best that it can be. Thanks to Tim, Shelly, and Kim. It's been a good year.

To the Staff: Thanks so much for all your effort and for your toleration of my bad times, I love you all. You did a great job. We did it!! To all my friends: Thanks for the fun we've shared. And thanks for putting up with me. I wish you all the best of luck. Sandy: You're the best-est friend anyone could ever have. I couldn't have made it through the year if it hadn't been for you. Thanks for being there when I needed you most.
