Ah yes, it was finally here . . . a year of some serious mixed emotions. On one hand, it was the last year and we were finally through with high school, but yet it was the end of a lot of friendships which we vowed to keep alive while we knew we really wouldn't. It was also a year of many questions. Were we going to make it?, were we choosing the right major and college?, and so many, many more uncertainties. We had made so many friends not only with students, but also with the faculty and teachers. We felt as though Van Horn was our second home and we would always be welcome. As much as we hated to leave, we had to spread our wings and fly from this nest into the big world around us. We would leave the school to the class of 1985 and we hope that they will work toward the improvement of the school as we did.

An Office aide's job is to help the faculties' job go a little bit smoother and make their jobs less complicated while we are receiving a grade for the performance that we show day after day.

Rodney Hampton enjoys being an office aide and helping Mrs. Byfield as much as possible. According to **Sherry Burch**, her favorite part of the job is "leaving people waiting at the desk," and "getting first hand news because we are there where it happens."

Members waiting to be inaugurated into JMG

Jobs for Missouri Graduates is a group of High School Seniors who learn the skills of the working world while in school. "I think it is a really good idea and should be carried on around to more high schools," said **Karen O'Kennon**. The sponsors of the program are two energetic people, **Mr. Jenkins** and **Ms. Wright**. The JMG is an outstanding organization from what I understand. It is the only link it seems, between the Schools and business world. The JMG allows the student to take a peek before they can really see. The sponsors are outstanding and they have an outstanding program. "Three Cheers for the JMG," said by **SGT. Milow**, Military Science department.

Van Horn's AFS club is a group of spirited students who enjoy many fun activities together, such as spending an afternoon at the Renaissance Festival, going to Chicago for the weekend, ice skating, eating pizza, and seeing the "Rocky Horror" show. Despite our own foreign exchange student's departure in October, the AFS club continued, raising money to send some of our own Van Horn students abroad. Van Horn's AFS club is proud to say that we are one of the most active clubs in the Kansas City area, and we would like to thank our sponsor, Mr. Neal Matticks, for the fine support and encouragement he has given us throughout the year.

Boob Tube Review 1983 — Vantasia

Luan Webb, Eddie Hall, Angie Heegan, Shannon Harris

Tina Thomas, Jeff Richardson, Danny Torres, student director

“Boob Tube Review” was the 1983 theme of Vantasia. Student directors Danny Torres and Lisa Calovich, as well as the MC’s, worked several weeks to make the show presentable to the student body on Thursday, November 17th. “It had its good points as well as bad. The show was good overall.” commended Matt Shearhart. There were more than twenty performers in the show. Without the many good acts in the show, Vantasia would have been another (bloop!). The MC’s were as follows:

This year the Van Horn Singers were blessed with a new accompanist. Her name is **Susan Lounquist**. "We're enjoying her ability to the MAX," says **Danny Torres** (SR). Along with Susan the Van Horn Singers showed their many talents in several performances such as City Hall, Salvation Army, and Crown Center. "I believe we are strong competition against any other school" said by **Sherry Burch** (SR).

"Good luck to Susan and the Van Horn singers and let's keep striving to make 84 the best."

This past year a new discipline program of "Assertive Discipline" was introduced to Van Horn. This program emphasized discipline and learning. While the administration worked on the discipline aspects, the National Honor Society worked on reinforcing aspects and consequences through the use of their annual honors reception and other similar ideas. In doing so, they hoped to encourage present and future students to work on their study habits and assume responsibilities for improvement of education and learning.

Stagecrew on Cue

Front Row: Sherri Russell, Laurie Whitson, Pam Rudy, Beth Jensen, Sherri Speake, Donna Weaver, Rhonda Hennigh — mgr., Phillip Mendenhall, Heather Hayes, John Parker. Second Row: Leslie Ryan, Marc Hayes, Sarah Spearman, Larry Hackleman, Shannon Harris, Tim Riepe, Raymond Nixon, Chris Driscoll, Norma Bandy, Melissa Korsi, Lowell Lacy, Dionne Nylund, Jeff Richardson, Susan Pugh.

Whenever something went wrong at an assembly, who got blamed? It was a hard working, behind the scenes group called Stagecrew. Stagecrew was in charge of lights, sounds, props, etc. Although they worked hard, something always seemed to go wrong. It was usually the sound that gave them the most problem. Even though it had been replaced several times in the past years as a senior gift, the equipment was mistreated and often needed repairing. Despite the boos, and rough treatment, stagecrew always strived to do their best with what they had.

THE PIONEER

This year the Pioneer Staff has turned over a new leaf. They used a new and improved format. The newspaper is now smaller and easy to carry. The Pioneer Staff also worked on many fundraisers. Freddy the Falcon was one of them. They also sold "grams" to put in the newspaper. "The format for The Pioneer covered more events about Van Horn so that outside readers could know more about our school as a whole," said **Rodney Hampton**. "I like to see more detail in the articles," commented **Steve Hibbs**, and added, "The Pioneer is a paper to be proud of."

Kappa is one of three literary societies at Van Horn. While they get together to laugh, have fun, and do a few "paper jobs", they also have a goal. This goal is to win Lit Night, a contest in which the societies compete in both oral and written categories. Last year, they defeated Sigma Tau, who had won Lit Night six years in a row. The girls in pink and white are working hard again all year to be victorious once again on Lit Night.

The Van Horn JROTC Rifle team competed in various rifle matches and competitions throughout the year. As stated by **Jason Shipely** and **Lowell Lacy**, "The big guns always shoot straight." But on a more serious note, Cpt. Blood had these words to say, "The Rifle team has displayed outstanding shooting ability this year and they have done exceptionally well throughout the whole year!" Thanks Rifle team for a job well "shot"!

Leś Dansueres

Not Pictured: Derike Pitchford and Edward Cooper.

Leś Dansueres participated in many assemblies with a variety of acts consisting mostly of precision dancing, which is not as easy as it appears. It takes good timing and team work. Some such assemblies included Vantasia, Homecoming, and pep assemblies. They have also participated in a talent show at the Linwood Multi-Purpose Center, over the summer, and the City Wide Talent Show.

In order to be a member you must maintain a 2.0 grade point average and make it through tryouts. You must also be able to learn routines quickly.

The only officers Leś Dansueres have are **Antonia Mabins**, attendance secretary, and **Mark Mitchell**, art work and scenery manager. All decisions are voted upon by majority rule.

Youth for Christ

Kim Gray, Richard Rigsby, Robert Thorpe, Steve Hibbs, Mark Hoskins, David Morely, Penny Stiverson.

Youth For Christ is a group of students who get together to share their faith and fellowship together. They meet on Monday nights where they have speakers, play games and have refreshments. **Penny Stiverson** enjoys the banana split parties they have. For Thanksgiving YFC held a treasure hunt and collected food for the needy. **Kim Gray** enjoys YFC because "it's exciting and fun to be with friends." **Christy Watts** says the group has "helped her out" and that she has met many friends she wouldn't have otherwise met.

Art Nouveau has worked hard this year decorating for dances, activities, assemblies and things in the way of art. The group's artistic talents were used in a number of ways ranging from the decorating of bulletin boards to the elaborate decorations for such dances as Homecoming and Superfalc. Art Nouveau's aspiring artists found this year an exciting one to participate in and I especially want to thank each and every one of them personally. Congratulations on a job well done.

This year the Varsity Football team had great potential but not the desire that was needed to produce exceptional results. They started off the season without a qualified quarterback. Throughout the season there were five different quarterbacks off and on. This was a year of many injuries and penalties which set us back a great deal. Halfway through the season the Varsity Football team practically started all over again, while rearranging the offensive line and backfield. The team made great improvements, however this was difficult midseason. Good Luck next year.

If you had **Mr. Kaifes** for a class I'm sure you heard that all cross country students get E's. If not, you probably did not even know that there was a cross country team at Van Horn, but there was. It was a great sport to be involved in. You were not dependent on anyone's actions except your own. You just ran and ran and ran. Up a hill you went, and then back down then up again, and down again, up . . . down . . . up . . . down . . . up . . .

What kind of weird sport was that? What could be the possible point of running two miles and ending up right back where you started? . . . Oh yeah, I remember now. It was the thrill of finishing, cutting down your time, or even the wonderful thrill of winning. It was that great feeling of school participation. And best yet, that Varsity letter.

Thanks cross country for the great times and hard work.
Special thanks to Coach Kaifes for his total support.

Laurie Whitson

The team developed a tremendous amount of character, poise and courage this season, on its way to their third best record in 10 years of 18-4. They played with an intense desire and proved themselves worthy opponents repeatedly, especially in the league where they went undefeated in capturing the league championship for the 9th year.

JV Girls Basketball Optimistic About Next Year

Back Row: Terry Lile, Regina Carr, Kim Byers, Lela Pitchford, Christy Mazurkewycz. Front Row: Ronee McClain, Crystal Walker, Renee Hendricks, Andrea George.

While not having the strongest season ever; **Lela Pitchford** said, "I enjoyed playing as a team and everybody trying their hardest." **Christine Mazurkewycz** commented, "I enjoyed the game against Bishop Hogan the most because I scored 15 points." "Coach Kaifes jokes a lot and has humor," said **Crystal Walker**. **Regina Carr**, the highest scorer for the year with an average of 20 points per game, is certainly optimistic about next year.

Varsity Cheerleaders "Are Ready!"

Left to right, Row 1: Cheryl Meade. Row 2: Dionne Nyland, Kelly Buxter, Pam Gooden, Gaylord Gatewood, Andrea Camp. Row 3: Felisha Barnes. Row 4: Gina Greene.

This year has been a real exciting year for us because we were able to participate in the International Cheerleading Foundation Summercamp where we learned to perfect our cheerleading skills. We were awarded eight ribbons for stunts and five for jumps and gymnastics that we performed. We learned from this experience to project our personalities to the crowd. We work well under pressure and always assemble a new pyramid and cheers before every game. I feel we have some things that need to be worked on like improving school spirit, better attitudes and setting a perfect example for ourselves and the student body. We would like to give our thanks to the student body, the coaches and to Mr. Griffin for their support in making our job look easier.

Junior Varsity Cheerleaders Are "Fired Up!"

Bottom to Top: Genise Rainey, Wilma Bandy Co-Captain, Sherry Speake Captain, Beth Jensen.

Junior Varsity went to cheerleading camp at Kansas University in Lawrence, Kansas. Our squad won six ribbons during the four days that we attended camp. We were also Grand Champion Finalists on the last day we were there. Junior Varsity Cheerleaders are very proud of all that we have accomplished this year and are looking forward to next year.

Falcon Squad Shows Talents

R. to left, From Bottom to Top: Kima Edwards, Lisa Barner, Shelia Upp, Kathy Gravens, Jennifer Michell, Christine Dyer.

It takes a lot of talent when it comes to making any one of the four squads. We are very proud to announce the 1984 Falcon Squad. The Falcon Squad is made up of six talented freshmen that were not quite ready for varsity or Jr. Varsity but did have a great amount of potential to make a squad. The Falcon Squad performs at the freshman games with the Freshman squad. They also performed in the Homecoming assembly, and did a great job. "Congratulations and good luck Falcon Squad."

"Freshman Cheerleaders Prove Themselves"

Row 1: YaLonda Ross, Marla Hargrove. Row 2: Antione Haynes, Kim Hudson, Dinese Perusige. Row 3: Lori Crugan, Shannon Crall, Julie Etzinhouser.

This year Van Horn is proud to say thanks to the Freshman Cheerleaders. They have showed great leadership ability as well as cheerleader skills in our assemblies and games. The Freshman Cheerleaders were very fortunate to have a helper like **Gaylord Gatewood**. "He's come up to the school everyday in the summer to help us, the freshman cheerleader squad to be a good one. If it wasn't for him, we would be like the other freshman squads." says Co-Capt. **Kim Hudson**, "We are very lucky to have someone as kind and considerate as Gaylord." says **Marla Hargrove**. Thanks Gaylord for all the support and time you have comitted to the squad.

Falconettes

First Row: Rhonda Walker, Sharon Pitre (Co-Capt.), Luanna Webb (Captain), Sharon Vereecke (Pres.). Second Row: Marvena Timely (Sgt. at Arms), Leslie Ryan (Treas.), Joell Rollins, Sheila Turner, Delgina Malone, Pam Spencer (Sec.), Lara Lyons (Historian).

The Falconettes went to CMSU in Warrensburg for camp over the summer. They brought home a first place trophy for being a superior squad and a spirit stick for showing all the spirit they could. As well as performing at several football and basketball games, on November 10th the Falconettes made their first real performance in front of several other schools. They performed in Pasoe's competition and were presented the first place trophy.

Van Horn's computer team is fairly new but thus far has a winning history. With one trophy board full and another started, the boards speak for themselves. Van Horn is one of an elite group of schools feared when going into competitions.

One of Van Horn's main competitions is held at Northwest Missouri State University in Maryville. Van Horn is the only school in the history of this contest to hold two first place trophies and a second place trophy. The team pictured, Bill Cain, Dana Smith, and Sheryl Nance, have gone into three consecutive competitions together and have conquered all who stand between them and first place. Last year they placed first at Rockhurst College, who used Pascal as the language, and in the Kansas City School District. This year they placed first again at Northwest and are looking forward to Rockhurst and the Kansas City School District. Bill, Dana, and Sheryl make an excellent team but next year Sheryl and two new team members will have Van Horn's excellent reputation thrust upon them. Will the new team keep Van Horn's winning tradition alive? Tune in next year for "Van Horn's Computer Team 'Byte-s Down Hard' ■".

Mr. David Griffin — Principal

1984 Falcon Yearbook

It is great to be able once again to address you, the student population via our annual "FALCON YEARBOOK."

As potential good leaders and good citizens of tomorrow, you are building a firm foundation with your goals and your standards of today. In the twenty-nine year history of our great school, the growth and tradition of the school are expressed in the interest, the purpose and the activities of its students. We continue to establish leadership to maintain in future years, sportsmanship to build better character, and scholarship to enforce the importance of knowledge.

I am proud that the majority of our faculty contribute to this mental and educational process in addition to our moral and social standards. This educational progress will continue, I'm sure, to help you to arrive at higher goals and higher ideals, for if you do not use your abilities, your ideals, and your convictions, they will die just as a battery in an unused car. Constant use keeps them alive.

I am proud that once again I can say, because of you, we have a "Number One" school. I am proud that I have again been able to serve another great student body. My very best wishes to each of you.

"I Stand for the Red and Gray."

Your Principal, David L. Griffin

A diverse group of people in harmony with each other tends to always give rise to EXCELLENCE. In Falcon Country there are diverse people harmoniously living together. I am glad to be a "native" of Falcon Country — it is EXCELLENT.

Mr. Leon Turner

Van Horn has again had a great year. The yearbook has recorded many of the events and activities for our remembrance. It is my privilege to express my appreciation to all who have helped to make it a good year.

As the seniors leave, I wish them well in all of their endeavors whether in school or work.

GUIDANCE COUNSELORS

Van Horn employs three school counselors who are assigned to students in grades 9-12 according to alphabetical groups. The role of the counselor is to assist students with personal-social adjustment to school life, and advise them about educational and career plans.

Counselor's Service at Van Horn Adjustment Problems:

1. Transition from junior high to senior high.
2. Difficulty with work load or understanding information in the classroom.
3. Supply problems: money, pencils, paper, shoes, etc.

Personality Conflicts:

1. Difficulty communicating with other students on a personal level.
2. Difficulty communicating with or understanding staff members.

Academic Problems:

1. Desire to change from a class which is not in accordance with student achievement level to one which is.
2. Testing for National or local scholarships.
3. Testing for special services.
4. Information concerning vocational and career (job) opportunities.
5. Impaired learning outcomes that are a result of disciplinary action.

The counselors are: Mrs. Jerry McKenzie, students A-H; Mr. Richard Mayfield, students I-M, and special education students; and Mr. Virgil Leibold, students N-Z.

S. Lundquist, L. Owens, W. Cofer

Jeff Bourns was born in Sevier County, Arkansas. He attended elementary schools in DeQueen, Arkansas and graduated from high school in 1943, in Sunnyside, Washington. After graduation, he volunteered for the U.S. Navy. Mr. Bourns was sent to Farragut Naval Training Station in Farragut, Idaho for Basic Training and from there went to New London, Conn. for Submarine Training. During his 2½ years in the South Pacific, he operated out of Pearl Harbor on, USS Seadog, USS Apollo, and USS Fulton. In 1946 he was discharged and came to work for Ford Motor Company, through 1946 and part of 1947 until he entered CMSU in Warrensburg. He completed his B.S. in Education Degree in August, 1950, with Majors in Physical Education and Industrial Arts. From 1950-1953 he went on to Greeley, Colorado where he obtained his Masters Degree in I.A. C.S.C.E. Mr. Bourns also coached boys and girls basketball in Blackburn and Maltabend, MO for four years. He then entered the K.C., MO Public School System in the 1954-1955 school year. He taught two years at the Old Manuel High School and then transferred to Van Horn High School where he has taught since 1956 until his recent November 16, 1983 retirement.

Abbreviated Moments

Falcon Staff Bids Adieu . . .

Thanks to Mom Perkins and Daddy Stout for making the yearbook room my second home, although I do have 1 complaint. I've forgotten what my first home looked like. Good luck Seniors and all those on staff. You've made this year a great one.

Dana J. Smith

To all those on yearbook:

I'm glad we became friends. Well, except for the one week before deadline where everyone was upset with everyone else. To all my friends here at Van Horn: It was great! We had both good and bad, but I will always remember the good. To all those who will still be here next year: Good luck, and Seniors, do your best to make your last year count.

Laurie L. Whitton

Someday we will all understand man's inhumanity to man! I hope! Good luck class of 84.

Mark Dobson

To the staff: Thanks so much for your effort, dedication, and most of all, patience and support for putting up with me through the rough spots. As a group, we are unity, as individuals, we are unique, but most of all (and this is everyone), as a Falcon, you are GREAT. Van Horn will never forget the class of '84.

Richard Humphrey

To the mighty class of 1984, we have to remember the good times as well as the bad and learn from them. For those times are our trials in life. Remember how you handled the situations in your young years, and you will be a success in life. And remember, we, the class of 1984, are the achievers of the world and we will make it in life. Sooo hey, let's be careful out there. Ok?

Shannon Harris

It's true, Time flies when you're having fun. This year was one of my longest years I've ever had, except for my Freshman year. Congratulations to the graduation Seniors, and for the ones not graduating . . . What can I say???

Raymond L. Nison

Thanks to all my friends and teachers for making this year, my Senior year, so special, fun, and worth remembering.

Dana R. Buckholz

People say, "Time flies when you're having fun." This year went by very fast. What's the deal, did somebody lie to me or what? Good luck Class of 1984.

Kenneth Affberg

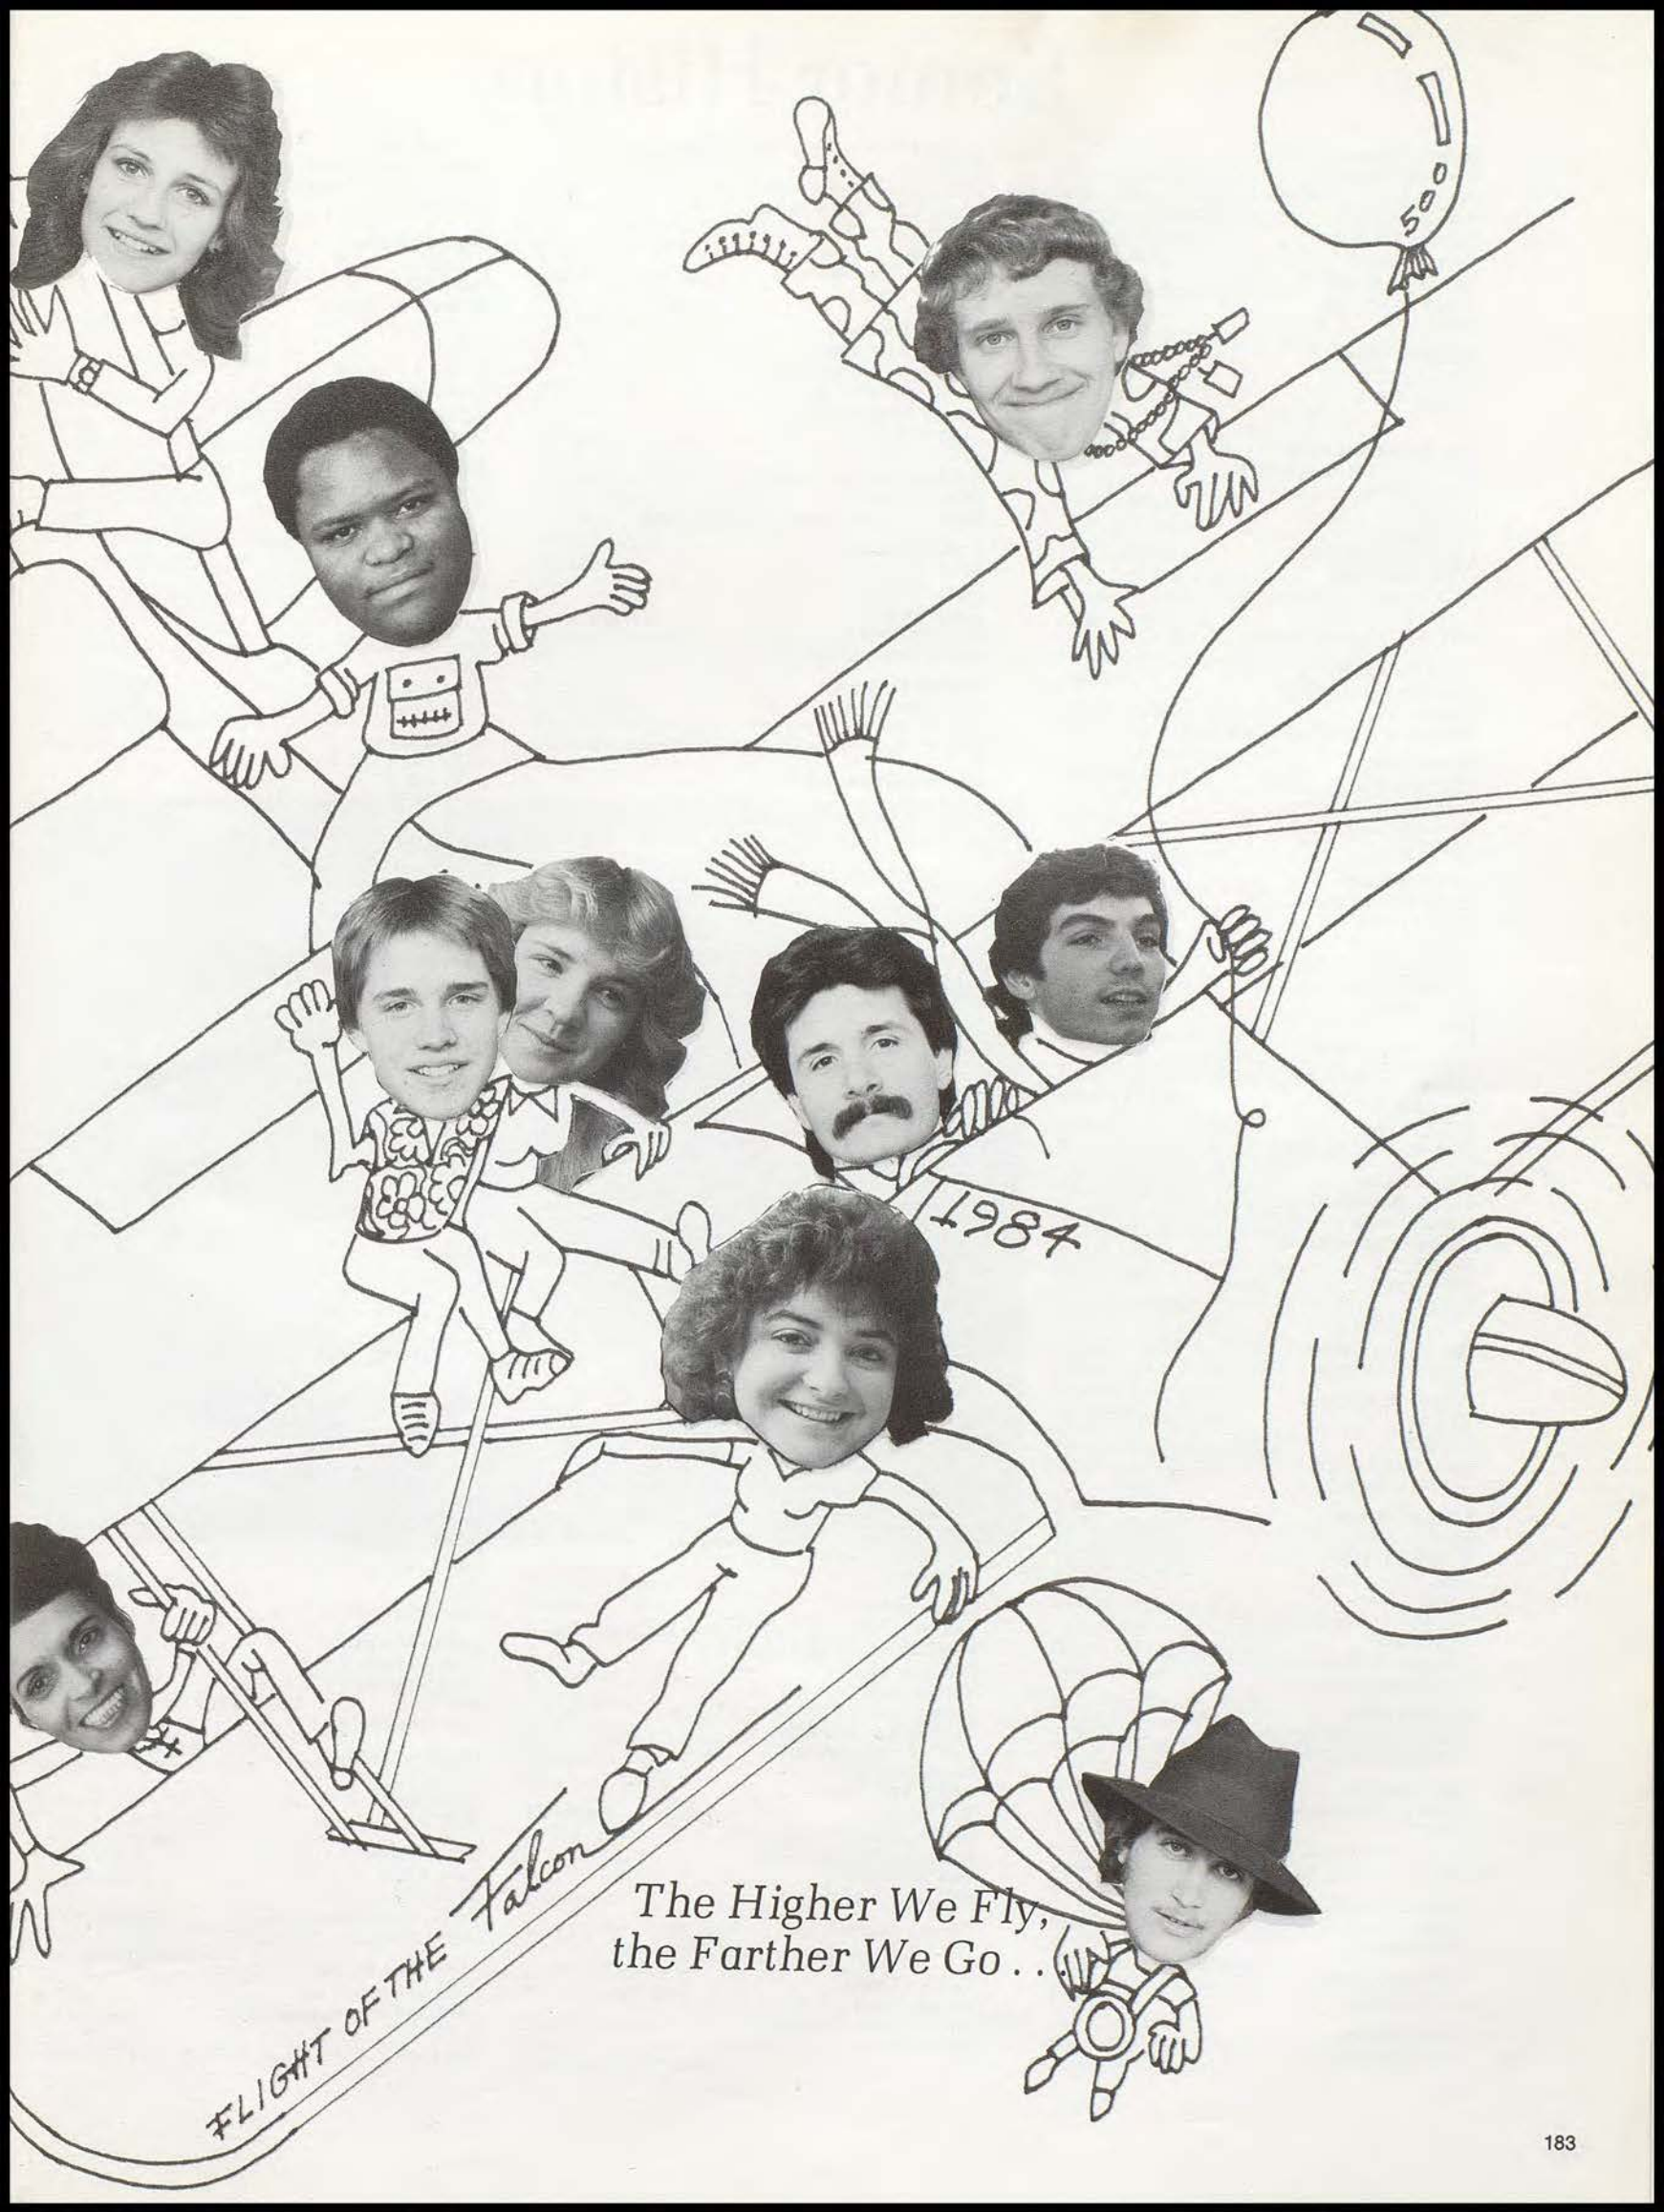

And now a word from our sponsor.

I can't think of a year the staff was more dedicated. A lot of time was spent after school — Richard, Shannon and Dana Smith had to have their legal address changed to 1109 S. Arlington. Everyone gave 110%. Special thanks to Linda Siy and the TRS-80 in the computer room. Thanks to all the faculty and administration for unending cooperation. Is Kenny still lost in the darkroom? Thanks to MO Dental School for the fine work on my camera.

Marlye Perkins

Thanks to everyone who helped make time a memory. Special thanks goes to those individuals who went that extra mile . . . "In rivers, the water that you touch is the last of what has passed and the first of that which comes: so with time present."

Marlye Perkins

*Kenney,
Just thinking very
fondly
of all the things we've
shared,
and the mema-
ries yet to
come.*

*Love Always
