WOLVERINE HISTORY

The American Wolverine is greatly respected by the Indians. They are abundant from North Dakota throughout Michigan and into the Rocky Mountains south of Utah. It grows up to three and one half feet long and weighs up to thirty-five pounds. It's tremendously strong and can match wits with most anything. Knowing when or where not to move, and may cripple an unwary hunter with their claws and powerful bite. For its size the wolverine is the strongest animal and can take a kill away from a bear to any part of the cat family. It can't stand for some other animals to work in his hunting territory, he can climb a tree as well as any cat, can swim and loves to eat salmon.

The wolverine is a tireless animal and can slay almost any animal in its range including the deer. Its coat is a beautiful dark brown, with two pale gold strips on each side from shoulder to his haunches. The wolverine has an amusing habit of sitting up on its haunches and shading its eyes with its paw when looking at something in the distance. In spite of its ferocious, wild, nature taken young they make very good pets and becomes quite fond of its master. The Wolverine is a member of the Wiasel family.

DEDICATION

Miss Martha Surber

The 1971 Royal Gold is proud to dedicate this book to Miss Martha Surber.

The students and faculty at West High have been honored the past few years by having Miss Martha Surber serving with the faculty.

Prior to coming to West, Miss Surber taught at Switzer and Gladstone Schools, having made special preparation in the field of Elementary Education. She has been in the school system since 1926 and taught at Switzer from September, 1932, to June, 1961.

Miss Surber has an optimistic philosophy concerning the ability of young people. "I believe in praise rather than criticism." She has enjoyed working with students and faculty at West. Known affectionately to students and faculty as "Miss Sunshine", she has brought some sunshine and joy into all our lives.

Thank you again "Miss Sunshine", it has been our good fortune to have known you.

IN MEMORY OF

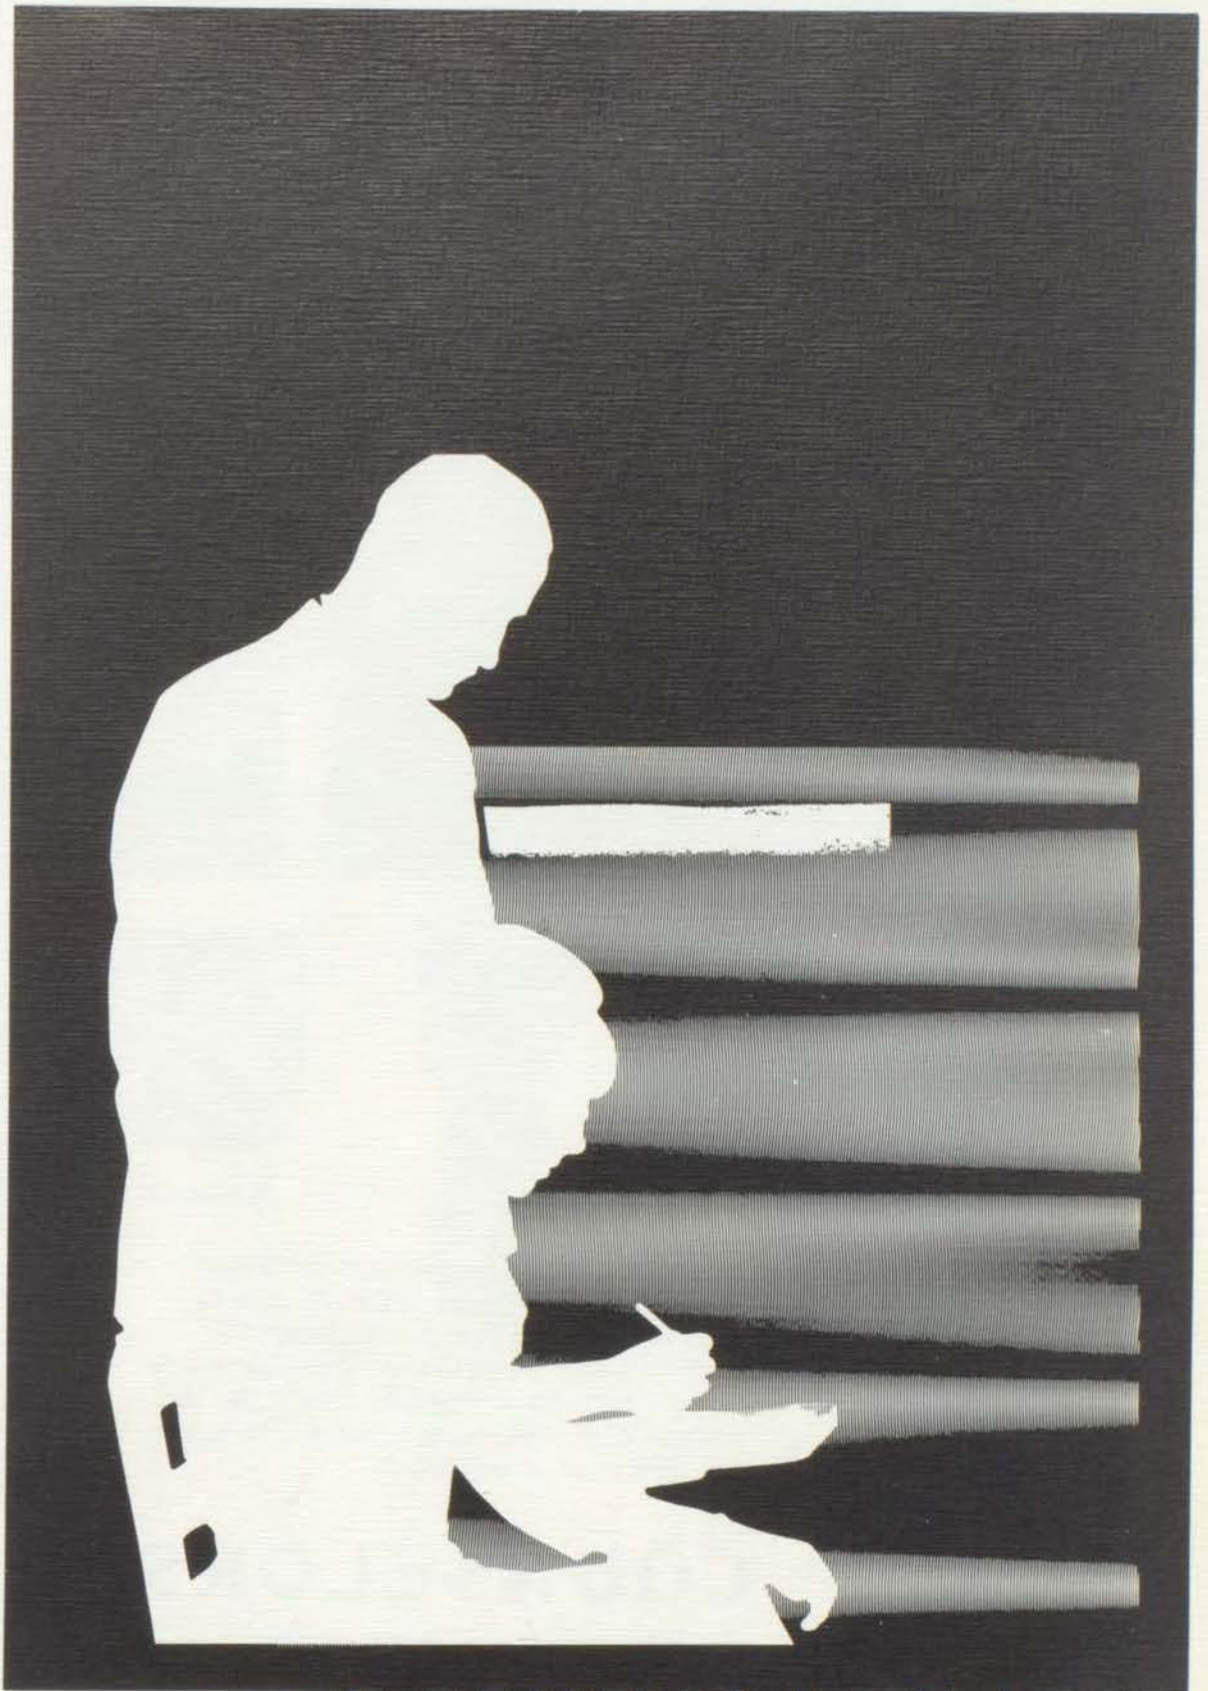

Dr. Roscoe V. Cramer

Dr. Roscoe V. Cramer, Principal of West Junior and Switzer Schools from September 1928 to June 1960 died Saturday Nov. 21, 1970 at Baptist Memorial Hospital after an illness of two weeks. He died from a heart attack.

Dr. Cramer was the person who worked to set up the first West Side Neighborhood Council, a forerunner of the (Numerous) many groups we have on the West Side and in the city now. He was president of this group for 10 years. He helped to get the West Side a dental clinic, recreational activities for youth, public housing and beautification of the West Side. He made West Junior noted throughout the United States as the first Junior High School to have "Common Learnings". Educators from 35 states visited the classes and the program of the Common Learning classes were adopted across the nation.

Based on West Junior and programs in all subjects, he was co-author of Administration in the Elementary School and the "Junior High School." When you read the books you can "see" Switzer and West Junior as they were at that time. He received four awards for his work on the "West Side". We will never be able to repay him for what he did for us except by going forward--doing the best for the "West Side" as he dreamed we would.

ADMINISTRATION

Arnold Davenport
Principal

V.I.P.

Wesley B. Weddle
Vice-Principal

I'm hiding, I'm hiding, and no one knows where; Out in the streets or playing somewhere. I just heard Mr. Weddle say to my brother, I'd better settle down or he'd call my mother.

Who's the captain of this fort, It's that mighty Davenport. When you start acting like a fool, He straightens you out, he's really cool. So you can like it, or you can leave, 'Cause he's got too many tricks up his sleeve.

Donald P. Farris

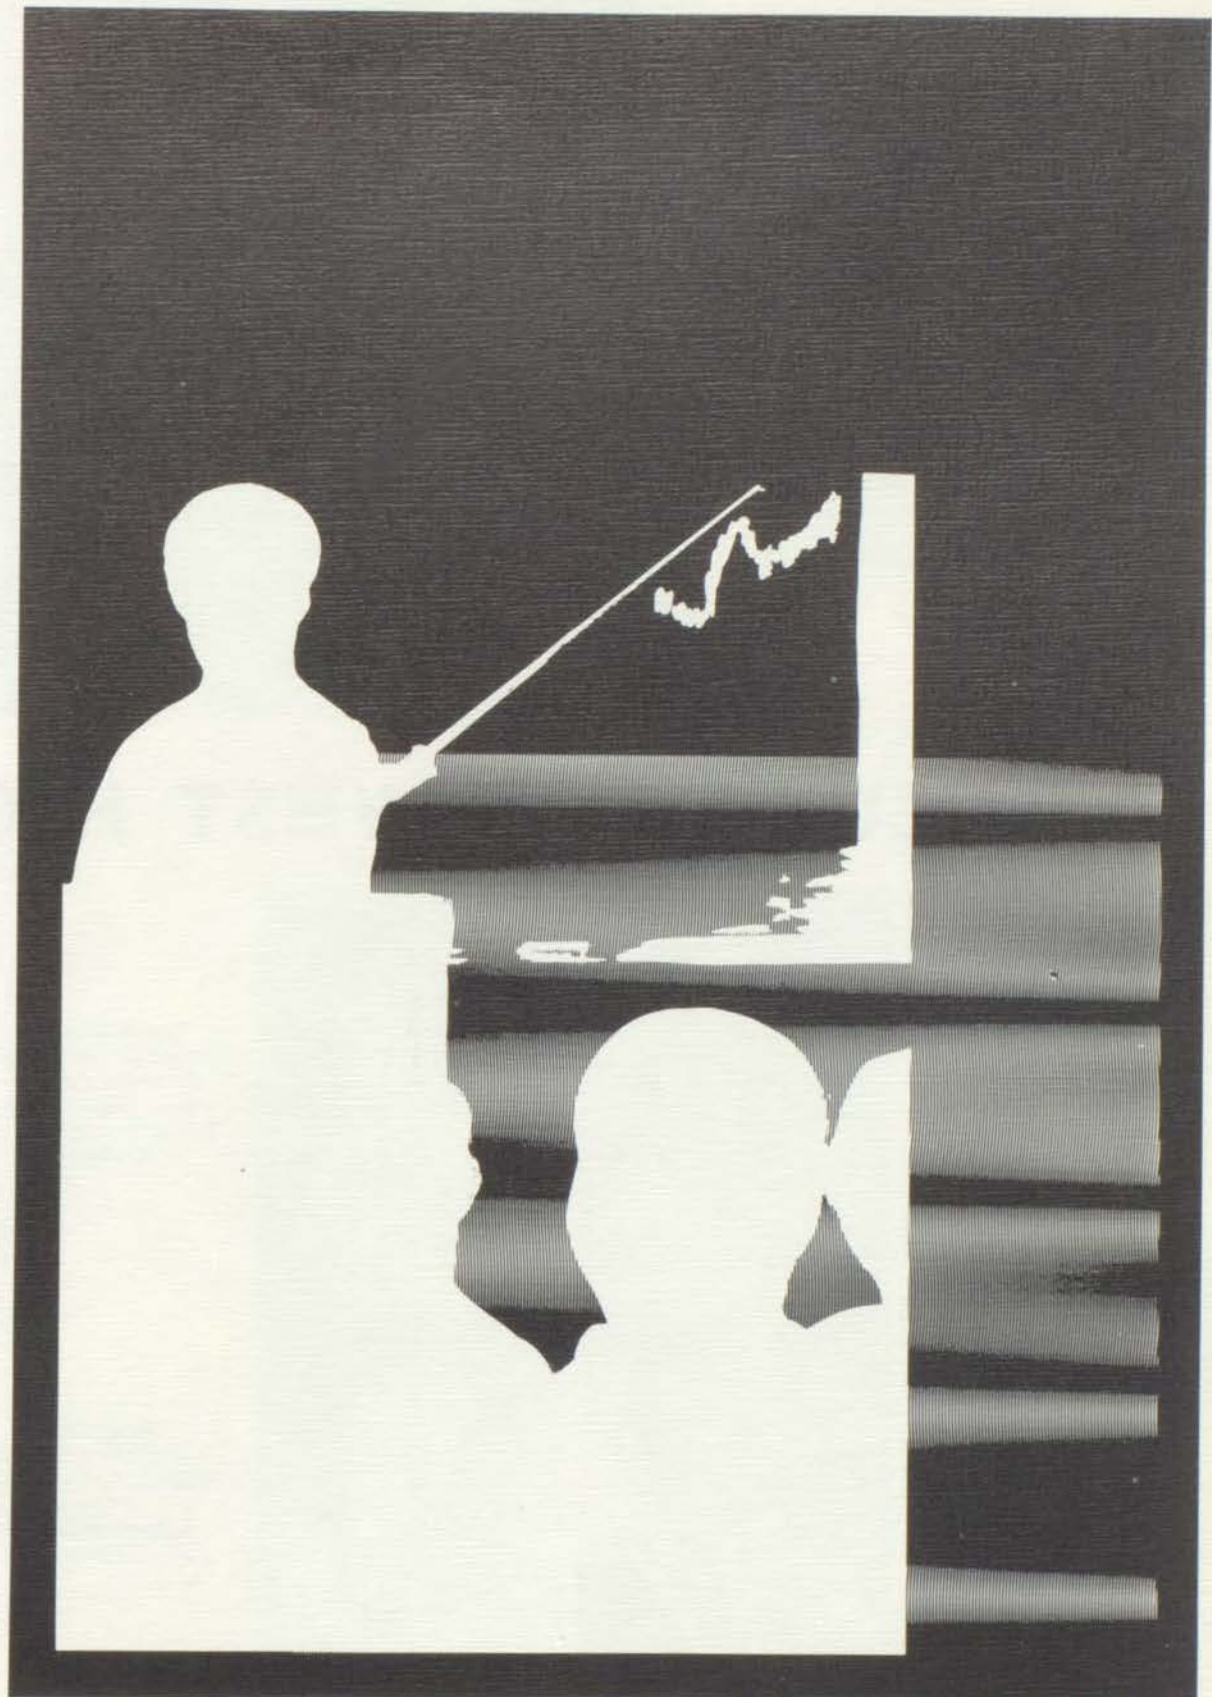

Ruby Brown

We'd like to be the sort of friend, that you have been to us; We'd like to give the help you've given, without a sigh or fuss. We'd like to mean as much to you, without acting like a fool; As you have meant, old friend of mine, throughout this year of school.

CUSTODIAL STAFF

Between the custodians and the rising sun,
This way and that the cobwebs run;
Their mops wavering in sight;
Clean up the halls and make them bright.
There is no hall that possesses trash;
So many brooms sweeping it past.
As those the custodial staff have spun;
Between the us and the rising sun.

NURSE

Carol Schwaller

We respect our nurse, we really do,
Nurses like her are very few.
Mrs. Schwaller is her name,
She can ease any pain.
So hats off everyone let's give her a hand,
She's the best nurse in this land.

LIBRARY STAFF

Regina Tierney

I heard about this cool place. All it has is books,
every trace. On every shelf and every table, there are
books for those whose able.

TEACHER AIDES

Lillian Anderson

Anderson, Anderson are some teachers
cry.
As awful hard they do try.
When they get tied up in a mess.
They cry out, for West Highs best.
Anderson come to rescue, through our
school.
And they untie that mess, oh so cool.

ATHLETICS

JUNIOR-VARSITY FOOTBALL

The West High School Wolverines inaugurated their first football season. We hope there will be many successful seasons to follow. This year our J.V. Team won four, lost four and tied one game. We consider this to be a very successful season.

Next year our players will advance to play Varsity Football and we are looking towards next season when Coach Randolph and his players will represent our school well.

Walter Randolph
Head Coach

James Thompson
Assistant Coach

JUNIOR VARSITY

Jerimah you finally made it.

The Junior Varsity Basketball team came through looking very good this year. The coaches were very proud of the young bucks, and along with the school look forward to some exciting times in future West Basketball.

This year's season drained hopes of victory from Wolverine hearts. Although our team had the necessary talent to be a winner, they couldn't quite make that lost click on the basketball court. As a result we lost every basketball game this year.

Despite the fact that we didn't have a winning record, it cannot be denied that our boys stayed in there and fought hard in every game. Along with this, they displayed outstanding character and sportsmanship.
