# THE CHALLENGE IS TO BE “DYNAMIC”

Being a cheerleader is a lot of hard work and inner drive. You have to want to go to practice sessions, go to games, create spirit, and work for good sportsmanship.

We believe that enthusiasm is the all-in-all with . . . tumbling . . . falling . . . laughing . . . pig tails . . . t-shirts . . . eating out . . . hamburgers . . . getting up . . . groan . . . sore muscles . . . meeting new friends . . . wondering how it all went so fast . . . saying goodbye . . . cherishing memories . . .

We've had a lot of good times together this year. Crying for our teams victories and losses.

What has the yearbook meant to me, the editor? It has meant six months filled with memorable experiences over which we have laughed and cried.

All in all, it has been a tremendous learning experience for all of us, and one we would never trade. Our advice to next year's staff . . . "Keep the faith."

The West High Wolverines looked very good in "74" when West High won its first varsity football game. On Saturday there was no dancing in the streets, but the Wolverines celebrated Monday at a Victory Dance. The Wolverines, now in its third varsity year, beat Manual 16-12. These West High Wolverines excelled in the field of football: Jaime Ramirez, Alfonso Colorado, Joseph Miller, Hugh Sawyer, and All City Honorable Mention Steve King. They went wild, just too wild at West, Good luck Coach Randolph in "75".

We wish the 1974 West High Girls Track Team the best of luck this year since this is their first year in competition. They will be competing against other area high schools. When Coach Johnson was asked if we had a good chance of winning she said, "Definitely yes. We have as good a chance as anybody else."
