ACKNOWLEDGMENTS

We sincerely appreciate the work of Kay Dawson, Robert Ervin, Bill Curriden, Bob Bernauer, Joe Dolan, and Jack Baumgarten in helping the staff to compile the Herald. We also wish to thank the Anderson Photo Company and Mr. Nordling for their excellent group and individual pictures. We extend our earnest appreciation to the De-Cloud Studio for their courtesy in furnishing gloss prints for school activity projects and for the excellent senior pictures.

FOREWORD

AS the staff of the 1937 Herald, we have aimed to present as fully as possible the accomplishments, the activities, the personalities, the idiosyncrasies of the class of '37.

We may say that we have fulfilled our undertaking if, in future years, you will be able to recall your high school experiences as you leaf these pages. May this annual be a door in the future to open the past, through which you may relive your years at Westport.

High upon a hill so noble,
Challenging the eye,
Stands the school above all others,
Stands the Westport High.

When our high school days are over
And we're scattered wide,
We'll revere the name of Westport,
Speak of her with pride.

DEDICATION

She is deeply sincere in her work. She has a personality that is an expression of qualities of friendliness and courtesy. These qualities create a bond of good fellowship between her and her associates.

In recognition of her service to Westport, and in appreciation of her fine qualities of character, the Senior class of 1937 dedicates the Herald to

FACULTY

D. H. HOLLOWAY
PD. B., B. S., M. A.

During Mr. Holloway's eight years as principal of Westport his desire has been to have the students do the right thing because they like to do so. As a result of this attitude, there has been hearty response by both students and teachers. His kindly personality, courtesy, and cheerful viewpoint have endeared him to all who know him.

Mr. Miller's outstanding qualifications are his accuracy, efficiency, and fairness. His five years as vice-principal, and his work before that time as head of the Science Department have been characterized by willingness to serve, and loyalty to Westport.

The final ballot of the Junior Class carried the following candidates: for President, Nelson Schupan, Martin Cohen; for Vice-President, Charles Richardson, John McCormick; for Secretary, Mary E. Gay, Richard Park, Sara Kusnetsky; for Treasurer, Martha Fairhurst, Martha Smith, Bill Scanland. No primary election was held this year because of the small and select group of candidates.

The Junior Class officers of 1937 have shown themselves to be the outstanding students of the school. In governmental, scholastic, and social activities, the Junior Class excelled. In athletics and R. O. T. C., the Junior Class was again noteworthy. The Constitutional and other speech contests were won by Juniors. The Junior Class of 1937 will be remembered as leaders of Westport.

The mixer of this Class was held late in the first semester. It served its purpose to the highest degree, that of creating a sociable feeling among the Juniors. Never has a Junior Class stood together so amiably.

Mr. Ward, the Junior Class adviser, has the personal gratification of every Junior. It is through his co-operation that the Junior Class of 1937 was able to attain its high standing.

Many people spend every cent they earn without any regard for the future. But if we were to save a few cents a week, it would soon add up to a considerable amount. Westport students have learned that it pays to have the habit of thrift,—especially at graduation time. The term thrift not only applies to money matters, but to everything in life. Thrift is the scientific management of our resources.

The banking this year has been very successful. From September to April, Westport had deposited the grand total of three thousand eight hundred and forty dollars, an increase of nine hundred and forty-eight dollars over the same period last year. This shows a marked improvement!

A great interest in banking has existed among teachers and students. We wish to express our appreciation for this splendid cooperation.

It would be well to remember that successful saving is a matter of habit. The ability to save depends upon two principles:—first, the desire to save; second, saving regularly until the habit is formed.

Although this year marks the end of the school saving system, we trust that the habit of thrift has been so well inculcated here at Westport, that it will last throughout life.

The Pundit Literary Society, founded in 1908, was named by the late Albert S. Humphrey. The meaning of the term, Pundit or "Wise Man," has remained applicable through the years. The Club members continue to uphold a superior distinction which ranks them among the highest of school organizations.

Our motto is "weigh, consider, and express," and it is the aim of the club to develop as far as possible individual ability in all forms of literary expression.

One of the most charming and outstanding events of the school year is the annual Spring Pundit Dance. The event of the evening is the crowning of the Pundit Queen, the girl who, in the opinion of the club, has done the most for Pundit.

Our Beauty Queen, Virginia Sanders, was chosen not only for her beauty, but also for her personality, ideals, and superior abilities which we feel represent Pundit.

We have been very fortunate in having as advisors, women of ability and leadership, and, for the privilege of contact with these teachers, we are deeply grateful. This year Miss Guffin has served in this capacity.

Once more the Clay Literary Society has completed a year of conspicuously successful forensic and social activity. Again this oldest of male organizations in Westport has provided the outstanding leaders in all curricular and extra-curricular fields. We are justly proud of our record; proud of our continual success.

The most brilliantly successful dances of the year were the Clay-Pundit formal affairs at Christmas and in the Spring.

Miss Elinor Wilson received the coveted position of beauty queen not only because of her admirable beauty and her charming personality but because of her sterling character.

The members of Clay feel that any progress whatsoever made this year is due, either indirectly or directly to their congenial and good-humored advisor, Mr. Laverne Cutting.

The Prometheans regret that they have not lived up to the name of their august club. They have written no Atlantic City novel; have produced no Pulitzer play; but representative of their members are: the valedictorian of the Senior Class; the Clay queen; winner of the Memorized Orations Contest; and their queen, chosen for beauty and popularity.

As the club's advisor, Miss Card has proved an understanding and wholly sympathetic person, guiding the Prometheans in their effort to live up to the motto:

*"Look upward, not down;
Look forward, not back;
And lend a hand."*

Irving Club has completed another successful year in Westport. Probably the most outstanding event of the year was the renewal, by Irving Club, of debates between literary societies. Irving has kept in the foreground the principal aims of literary clubs in Westport, to further public speaking and social relationships among its members.

There are many outstanding Irvings in Westport. There are Irvings on the Herald and Crier staff. The majority of the male roles of the Spring and Fall plays were Irvings. Many Irvings are outstanding in oratory, debate, and other forms of speech. Many others have a very high scholastic rating.

The dances with Promethean were very successful; the ability and charm of our beauty queen, Miss Marjorie Heimbrook, contributed in no small measure to make them so.

We wish here to express our gratitude to our sponsor, Mr. Ward, for his untiring help in the guidance of Irving Club.

Round Table Literary Society looks back with pleasure on a very satisfactory year. Among the goals we have attained, the following are recalled with pride: the consecutive, excellent meetings dealing with true literary works; the finest membership drive of all clubs; the many places of athletic, scholastic, and political leadership in the school filled by Round Tablers; and the Inter-Literary Society Meeting which was sponsored by Round Table. To Mr. Goodale, our fine advisor, to Miss Lois Landstorfer, our lovely, symbolical Queen of Beauty, to the splendid officers, and to all the members who cooperated so willingly—It is to these that the toast of gratitude is pledged.

The Speech Arts Club has ably completed its fourteenth year. This club, which is related to the Speech Department of Westport, has offered talented students opportunities to further their dramatic and public speaking abilities.

The programs this year have enabled the members to display their various skills in oratory, public readings of poetry, dramatic sketches, story telling, impromptu speeches, and plays. One of the club's best plays of the year, "The Amateur Rehearsal," was presented in the "Westport Senior High-larities."

Speech Arts Club attributes its outstanding success to the kind assistance of its capable sponsor, Miss Alicia Keeler, the willing service of the officers, and the co-operation of all members.

The B. C. P. Science Club is one of the oldest clubs in Westport, having been organized in 1916 and enlarged in 1919 to admit other branches of science taught in Westport.

The B. C. P. Club is divided into groups. They are as follows: botany, zoology, chemistry, physics, physiology, physiography, and biology as the basis of the programs.

The Vice-President, with the aid of the chairman of each committee, is in charge of the programs.

The programs are varied each meeting and enjoyed by the members.

Membership in the club is gained by election from names of students who are interested in science and who are maintaining at least an M average in scholarship.

We want to take this opportunity of thanking our sponsor, Miss Bonney, for having capably conducted the policies of the club.

The Jules Guerin Art Club, organized in 1923, was named in honor of the famous Missourian artist. In appreciation, Jules Guerin presented the club copies of twelve of his paintings.

A portfolio is compiled every year of a drawing from each senior.

Members of the club compose the art staff of the Herald and painted the scenery for the Westport "High-larities," the spring vaudeville production.

The club wishes to thank Miss Wilhite, its sponsor, for her capable and understanding co-operation.

Les Immortels fut organisé en 1927 pour donner aux étudiants l'occasion de parler français hors de la salle de classe.

Les séances qui sont conduites entièrement en français, sont très intéressantes et amusantes. On a donné un thé pour le département de français, et on a présenté une pièce appelée "Nicette." Mlle. Moshroch a donné un discours sur la vie en France.

Les membres de ce cercle étaient célèbres dans les autres activités de l'école.

Le cercle est fier d'avoir comme consielleuse Mlle. Collins qui s'est montrée une aide sympathétique aux activités du cercle.

Tratamos de colnmrar al mote del Círculo Calderón, "Adelante Siempre Adelante." Tratamos de hacer esto siempre hablando el español.

El día de Pan America, el club dió un programa en que el profesor C. H. Chubb habló del movimiento Pan Americano. Cada país se representó por un alumno en traje y con bandera de su país.

El Círculo Calderón está estableciendo un intercambio de cartas y periódicos con los alumnos de los colegios de los países Sud-Americanos. Este contacto entre los alumnos de Westport y amigos ha de ser de mucho interés y valor.

The purpose of the Health Service Club is to give health knowledge to its members in order that they might use this knowledge as a service and benefit to others. To accomplish this the club studies the health problems related to high school students.

The Health Service Club has for its emblem the lamp of Florence Nightingale.

The club was started four years ago by Miss Reich. This year the membership was restricted to girls.

The Health Center Assistants are shown from the club members by Miss Reich, the school nurse. They were Nadine Dreese, Lois Counts, Jean Howard, Marguerite Young, Jeanne Jacobs, Margie Griffiths, and Julia Reed.

At different times during the year the club went on excursions to Research Hospital and the Power and Light Building; studied First Aid; assisted in the tuberculin tests; studied conservation of vision; and reviewed the book, "The Three Gifts of Life," by N. M. Smith, A. M.

Much praise and commendation are due Miss Reich for her able inauguration and sponsorship of the club.

We of the Westport Hi-Y Club, through the aid of our adviser, Merrill Enyeart of the Y. M. C. A., Mr. Spring and Mr. Crocker of the faculty, and the club cabinet, have been able to accomplish much this year toward rounding out our characters and setting goals for which to strive during our lives. The members of the Hi-Y club are recognized as representative of the finest boys in Westport.

These outstanding meetings of the year should be mentioned; the football dinner, featuring Bernie Bierman as speaker; the joint meeting with the Girl Reserve, the joint meeting with the Lincoln H-Y, and Mother's night.

Throughout the year, the meetings featured inspirational talks from men representing many and varied fields of activity. A few meetings were devoted to worthwhile student discussions.

One of the more important projects undertaken by the Hi-Y was the Safety Slogan contest which it sponsored at Westport.

The club should be able to accomplish even more next year than it has this.

Since its founding, three years ago, by Mr. Powell, the Stage and Screen Club has increased in size, scope, and importance. The club is divided into two groups, the Stage division and the Screen division. Under the Screen division are the script, house crew, prompters, scenery, property, make-up, and costume. The Screen division is divided into the movie operators, and slide operators.

The club has assisted in classrooms by operating slide and movie machines.

During the last school year the club has aided in producing the assemblies, the Fall and Spring plays, the Speech Arts Club programs, the Fashion Show and the Westport High-Larities. The club helped by pulling curtains, operating lights, setting the stage, obtaining properties, and applying make-up.

The Stage and Screen Club wishes to thank Miss Totten's typing classes, the speech department, Miss Keeler, and Mr. Miner. The club feels much of its success is due to the advice and co-operation of its sponsor, Mr. Fossum.

FALL PLAY

The annual mid-year play was presented in the auditorium December 11th and 12th before two large audiences. "The Goose Hangs High," a lively dramatic comedy by Lewis Beach, was well developed and was presented by a talented cast. To Miss Keeler, the director of the play, and to Miss Wilhite and Miss Guffin, who assisted with costumes and setting, the cast owe much thanks for the successful presentation of the play.

CLOTHING

The above girls, chosen by their classmates, are Seniors from the first year, second year, and third year clothing classes. Each year it has been customary for a selected number of girls from each year of work to have their pictures appear on this page. This year, the honor was limited to Seniors. Four girls were chosen from each line of work by the girls of the Clothing department. We feel that each garment, made and worn by the girl, represents a goal which she has attained.

The first year of the course in Clothing is offered in Junior High School and also in Senior High School. During this time, budgeting is the dominating feature, with the construction of pajamas and school dresses of linen and cotton. Children's garments are occasionally made. Lines of dress and selection of color as an effect on the girl's looks and individual personality is an important division.

The second year, the main issue is the study of income and expenditure. A certain amount of time is set aside for research work on materials, textiles, cost, and value. The care and repair of clothing is also taken up. The main problems are the construction of a wool dress and a silk dress. Sometimes suits are made, but the process of lining is eliminated.

In the third year, we feel that it is not so much the learning of new methods and technique as it is the application of these abilities. Is the girl capable of putting her knowledge into worthwhile outlets? A silk dress of a more complicated design is made. Each step and garment grows harder. The girls are required to complete a certain number of articles each semester. It is the duty of each girl to plan and budget her time accordingly. A suit, with a lining, is required. Many of the senior girls have made their graduation dresses; others, formals and wraps. Much time is spent on the latest fashions, color, line, design, and the choice of accessories. Each girl strives to make the most of her assets by being well groomed.

The outstanding event of the year and by far the most exciting of the Clothing department is their annual Fashion Show. Each girl is required to take part and to wear the garment which she has made. This year the theme was a world cruise. The different types of garments were shown in appropriate scenes. As we looked in on a dormitory, college girls, correctly attired in boudoir dress, planned the trip. The girls wearing suits boarded the ship; and the sports and linen frocks jaunted about the deck in a game of shuffle board. Those wearing silk afternoon dresses were invited to go ashore at Hawaii and see the wondrous sights. That evening the captain entertained with a royal dinner. One could almost feel the soft sea breezes that wafted the formal skirts to and fro. In all, it was a very gay affair.

The Clothing department has been growing for a good many years. There are more classes and pupils than ever before—an enrollment of about 300 girls. There are ten classes—the instructors being: Miss Helen Guffin, Miss Mildred Wright, and Miss Dorothy McGinniss.

In our sincere appreciation, we wish to express our thanks to Miss Shelton, who has made it possible for the Clothing department to have a page in the Herald.

WESTPORT BAND

The Westport Band has just completed one of the busiest years since it was organized, 12 years ago. Besides playing for all the football games, several basketball games, and numerous assemblies, it has been constantly in demand for outside events. The band has broadcast over KMBC and KXBY and served as the official band for the yearly "Pep" meeting of Missouri University Alumni held in Kansas City, just before the K. U.—M. U. football game on Thanksgiving Day.

For the second time in the last few years, the Westport Band placed in first division of the City Contest which was held at Central Junior High School this spring. They went to Lawrence, Kansas, on May 8th, for the first officially National Contest to be held in this section of the country, and the school body is looking forward to a typical Westport performance. A certain tradition has been built around our Band and its members are determined to measure up to past performances.

WESTPORT ORCHESTRA

The orchestra is by far the largest and best equipped since Mr. Keenan first took charge of instrumental music at Westport a dozen years ago. It has practically a full symphony instrumentation, and appeared in concert during May. For the first time the orchestra measures up to the band in every respect, and has been prepared for the National Orchestra Contest which was expected to be held here in Kansas City this year. Unfortunately for us, the contest was transferred to Columbus, Ohio, but it is hoped that next year it will be held in a nearby city; the orchestra will be looking forward to this event.

Music for the Christmas and Spring plays, as well as for assemblies, was furnished by the orchestra and small ensembles from the group have played for many outside dinners, etc. From the Westport orchestra comes the majority of players for the ALL CITY HIGH SCHOOL ORCHESTRA, directed by Mr. Keenan, which was featured on a National Broadcast over WDAF, April 25th.

Boys ATHLETICS

MR. CHUBB

MR. BOURRETTE

MR. LAPP

COACH BOURRETTE

Came to Westport from Cameron, Missouri. His first duty was to take charge of football. Not knowing any of the boys, he soon became acquainted and developed a winning spirit in the team that was responsible for its finishing in second place. He also coached the second basketball team, finishing first in the second team league. He has done a remarkable job in basketball and football and we are certain that he will be able to be successful in the future.

COACH CHUBB

Having charge of basketball, developed a fine team that Westport could certainly be justly proud of. The team finished in second place as it did the year before, and with the fine material that has been developed this year, it will undoubtedly again finish high in the league next year. Being better acquainted with the boys than Mr. Bourrette was, he was certainly a great help to the football team.

V. W. LAPP

Has full charge of all the intramural sports and helps Mr. Bourrette and Mr. Chubb with their teams. Having charge of intramural athletics, he gives boys who are less talented, a chance to participate in competitive sports.

FOOTBALL

WESTPORT 27 vs. ROSEDALE 7

Westport opened this year's football season with a victory over Rosedale.

Led by Beattie, who on the second play after the kickoff went through Rosedale's line for 70 yards and a touchdown, Aikins then kicked the goal.

In the second quarter Bruce received a lateral pass from Hathaway and then threw a long forward to Beattie for Westport's second touchdown.

The other two touchdowns were made by intercepting passes, Beattie running the first one back for 20 yards and Jack Keith running the second one back for 30 yards.

**WESTPORT 6 vs. WARD 8**

Westport lost, although they outplayed Ward in every quarter, but the breaks were against them every time they were in a scoring position. The Tigers were in easy scoring distance twice when a fumble and a bad pass from center caused both attacks to be terminated.

Peterson received a pass for Westport's only touchdown.

**WESTPORT 18 vs. MANUAL 0**

Westport in the first league game of the season scored a convincing victory. Beattie's brilliant punt in the third period set the stage for the first score early in the third period. Two passes from Beattie to Snedden and Peterson put the ball on Manual's 12-yard line.

Snedden plunged through the center of the line for three yards, and there Beattie on a long end run carried the ball over.

Snedden and Bruce made the other two touchdowns when Manual, as a last resort began to throw passes.

**WESTPORT 27 vs. PASEO 0**

Westport scored in every quarter, starting on the opening kickoff when the team marched the ball, practically the length of the field on first downs, with Wallace Aikins finally plunging through center for the initial score.

Beattie played a major part in two touchdowns, scoring standing up for the first and passing to Snedden for the second.

In the fourth quarter Bob Neubert plunged through the center of the line for the final score.

**WESTPORT 7 vs. EAST 7**

Westport outplayed East in every quarter; and should have won the game, but in one of the plays Beattie threw a pass as he was being tackled and the ball was caught by an East player and with an open field he ran 50 yards for a touchdown.

In the fourth quarter, after a series of passes from Snedden to Bruce and Beattie to Hathaway, Beattie drove off tackle for the touchdown.

Westport was in scoring position several times and at the half was on East's 7 yard line.

**WESTPORT 19 vs. CENTRAL 18**

Central started the scoring in this game completing 5 consecutive first downs and finally going over for the touchdown. Westport opened up their scoring in the second quarter when Bruce received a pass from Beattie for the first tally and a second touchdown was made when Beattie threw another pass this time to Snedden.

Snedden went over for a touchdown again in the second half and Aikins kicked a field goal for the extra point. This point happened to be the margin of victory, because soon afterwards Beattie dislocated his shoulder and had to be taken to a hospital. The team's morale seemed to be crushed and Central scored two touchdowns, but being unable to make the extra points they lost by a close margin.

**WESTPORT 12 vs. SOUTHWEST 13**

This game was definitely Westport's in the first half. In the first quarter Snedden threw a pass to Aikins who ran across the goal line for the first tally, and in the second quarter a pass from Bruce to Hathaway, netted the second tally, but both attempts for the extra point failed.

The tide changed in the second half and in the last minute of play the city championship was snatched from the Tigers when the Southwest quarter-back ran 45 yards for a touchdown.

This gave Southwest a 1 point victory.

**WESTPORT 32 vs. NORTHEAST 0**

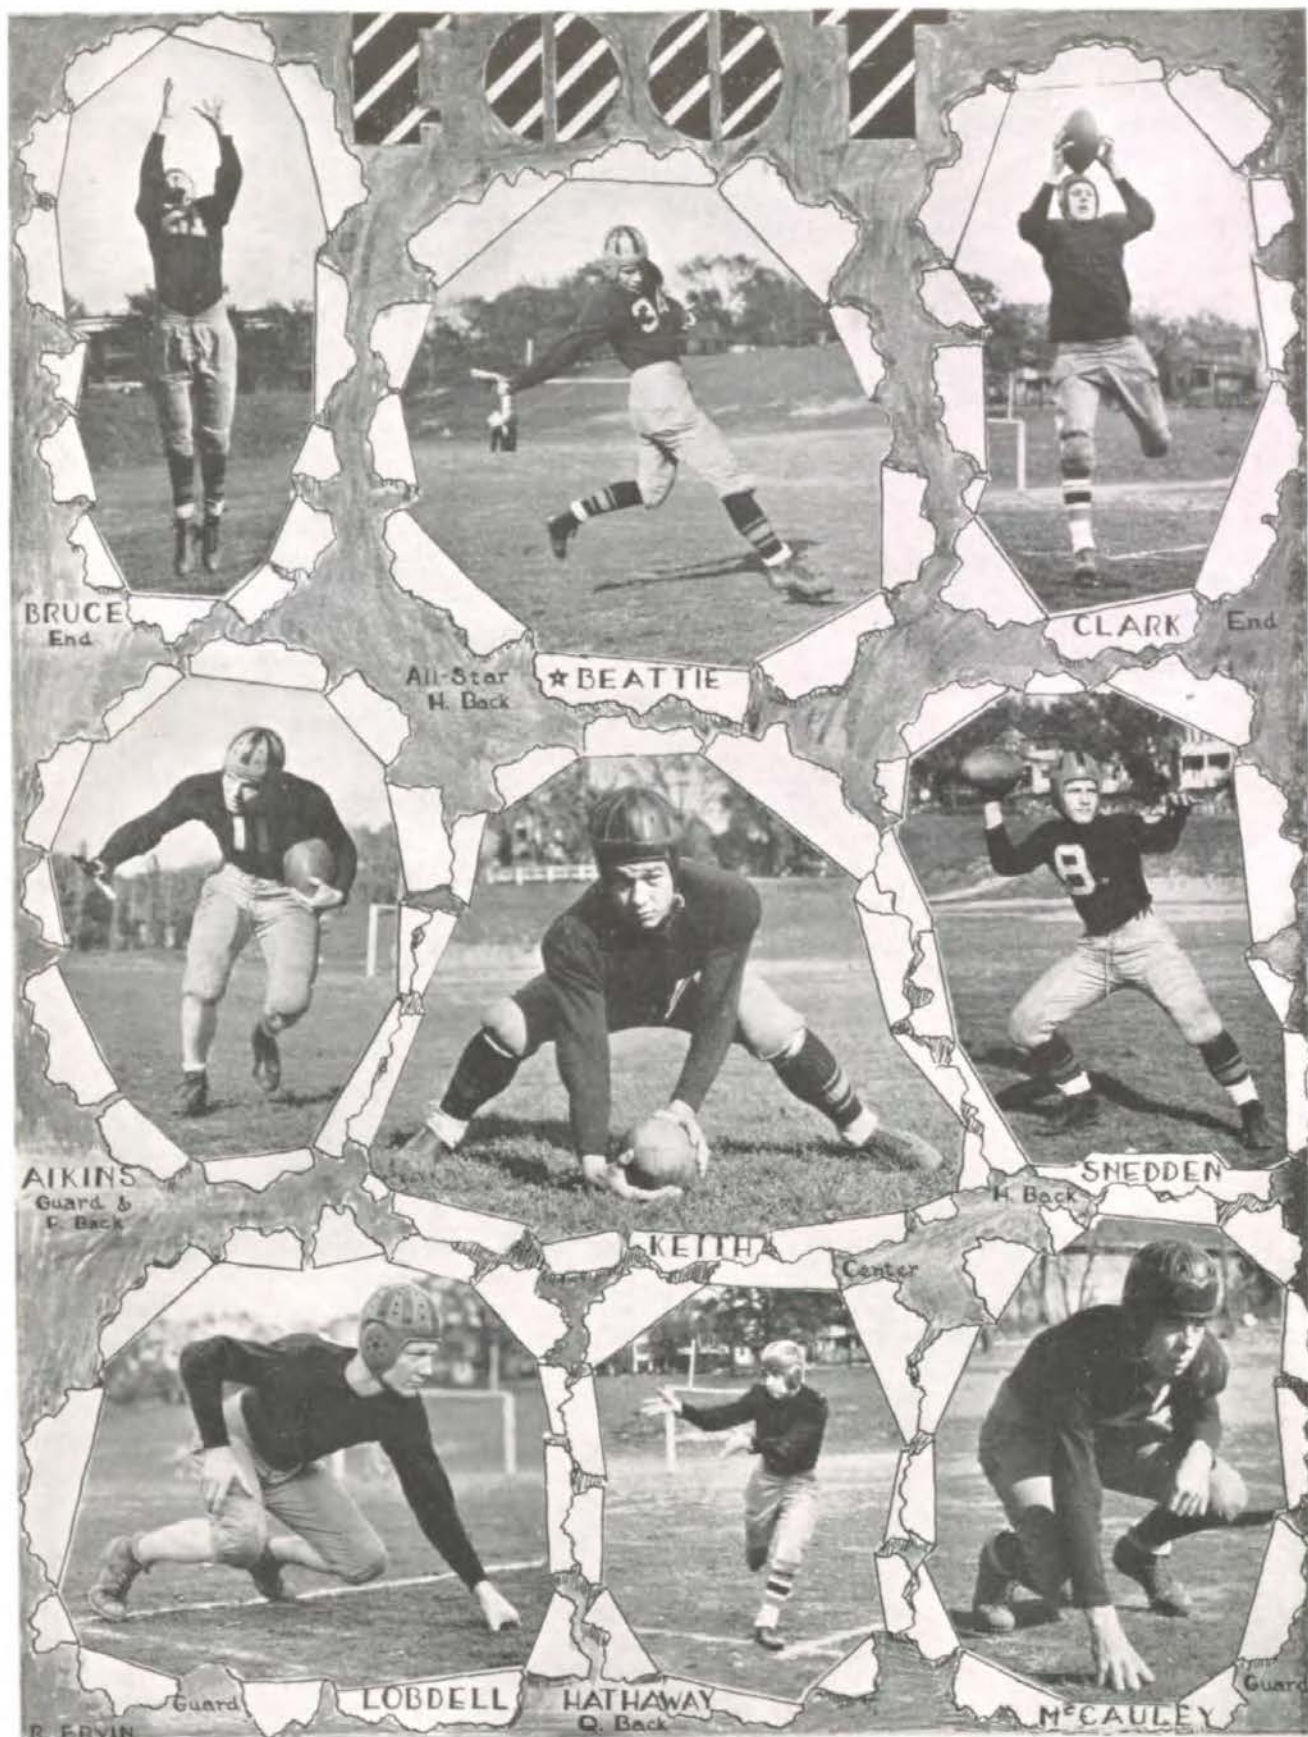

In the first quarter Bruce recovered a fumble and then Snedden threw three consecutive passes to Bruce, Hathaway, and Peterson to place the ball on the 4-yard line. Neubert then went through the line for a touchdown, Aikins kicked the extra point.

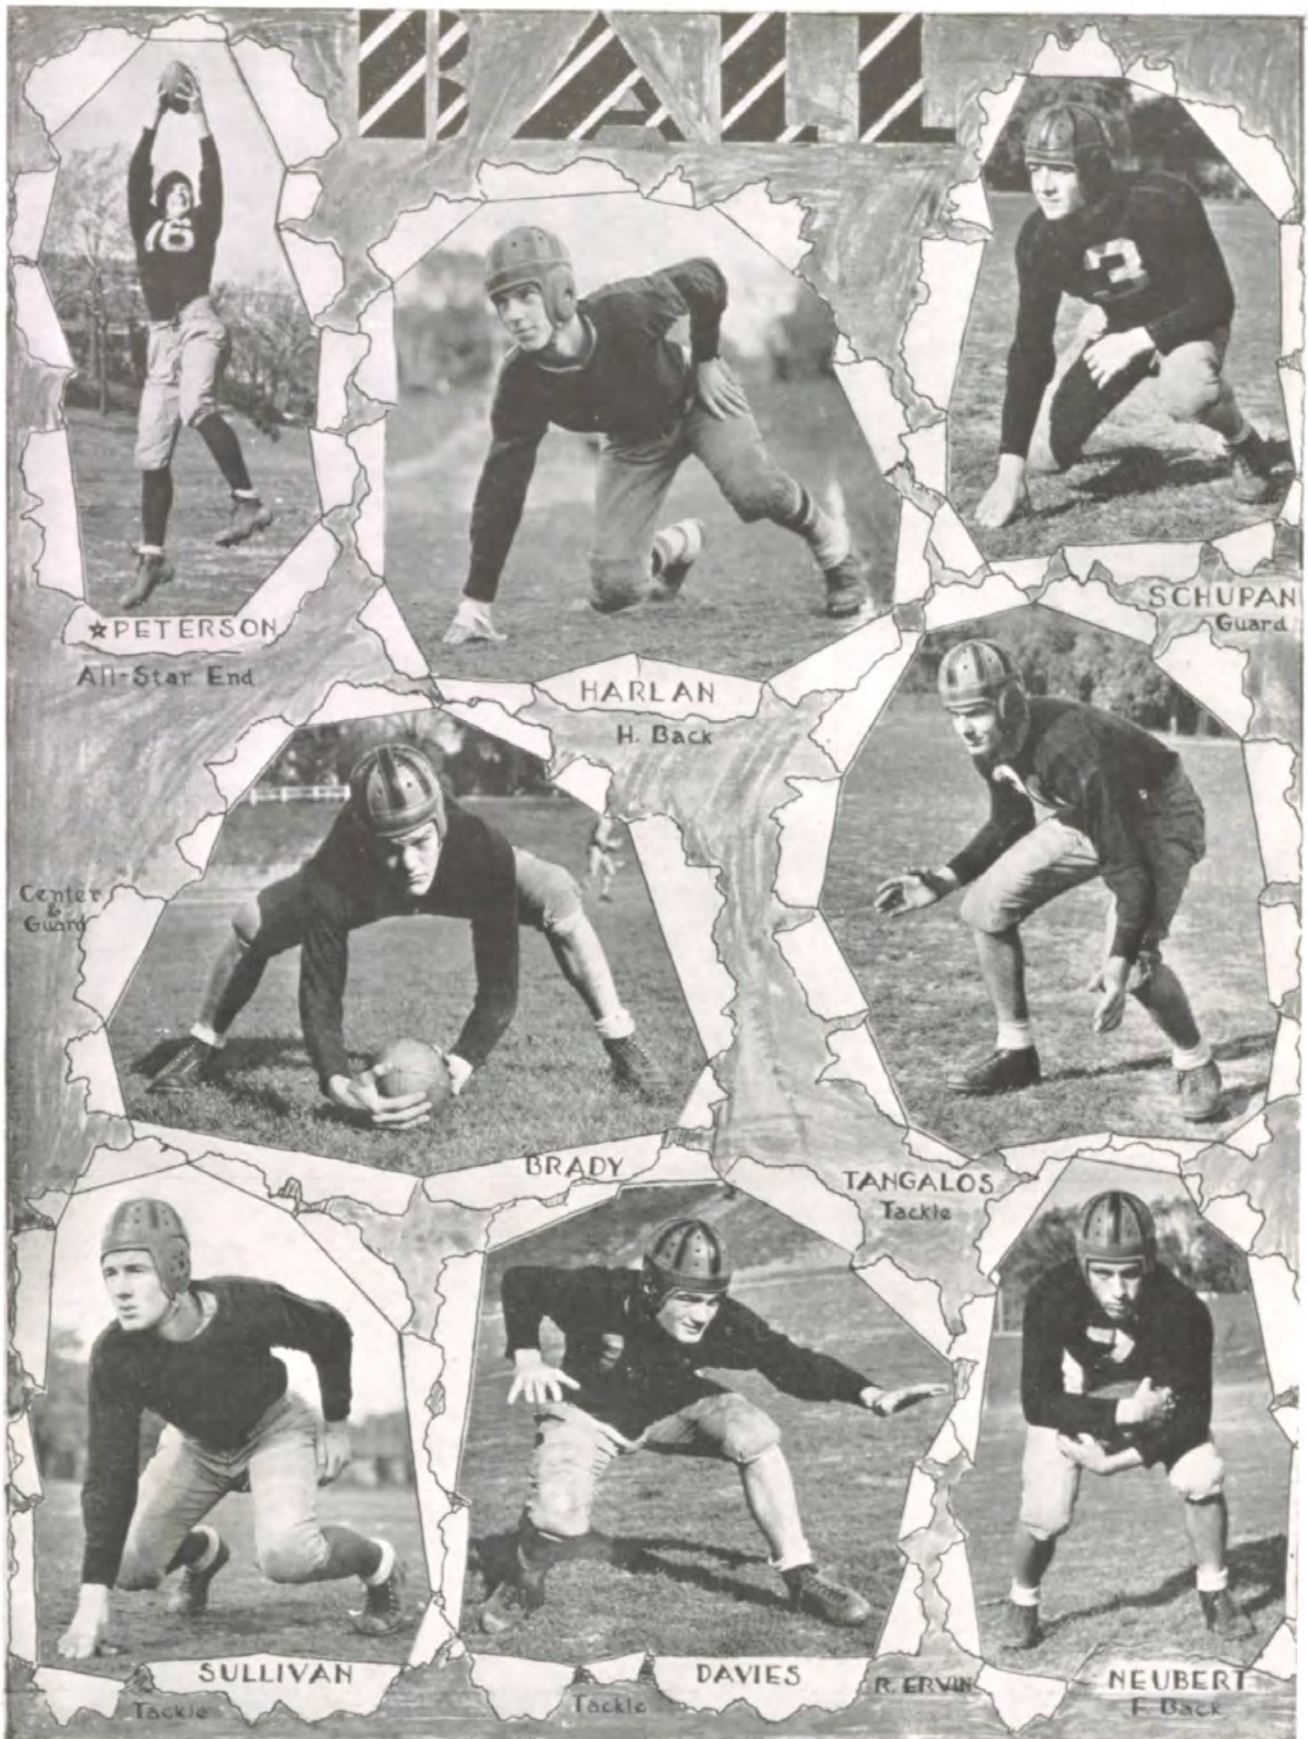

End runs furnished us three of our touchdowns Bruce going around end for one and Beattie making the other two.

The other touchdown was made by Norman Hathaway when he intercepted a pass and made a spectacular 90 yard run to the goal.

This year Beattie was voted captain of the city all-star team and received the Nigro-Notre Dame trophy for being the most valuable player. He and Norman Hathaway were co-captains of the school team. Harry Peterson, an end, also made the all-star first team. Bruce and Davies were on the all-star second team and the following boys received Honorable Mention: Hathaway, Snedden, Tangolis, Keith, and Shupan.

BASKET-BALL

WESTPORT 21 vs. ROSEDALE 19

The play in the first quarter was ragged, and at the end of the first quarter, Rosedale was leading 5-2. Peterson made two free throws for our only points. During the second half, the team began to click and the half ended with Westport ahead 10 to 7. Beattie, Harper, and Hickey did the scoring during this quarter. The third quarter was fairly even, with both teams scoring frequently. The score at the end of the quarter was 17-16. In the last quarter, the team held a slight lead to win the game by a final score of 21 to 19.

+

WESTPORT 22 vs. MANUAL 24

This was a tough game to lose, because just as every one thought it was going to be an over-time game, the tying basket was ruled no good. The score was tied with four minutes to go, but Manual made two baskets to take the lead. Hickey then scored for Westport, and with about a minute to go, Snedden was fouled. He missed the first, but when the second bounced off the back board Peterson, Westport's center, tipped it in. However, the referee ruled that Snedden missed the free throw intentionally and that the goal could not be counted.

+

WESTPORT 23 vs. PASEO 19

Paseo started the scoring in this game by making 3 free throws, but this was stopped when Peterson, Richmond, and Hickey, all playing their last game for Westport, made four buckets in rapid succession. After this they played a fighting, fire house type of ball and led at the half 13 to 7. This was continued in the third quarter and the score was 20 to 9 at the end of the quarter. Paseo rallied in the fourth quarter but our lead, acquired earlier in the game, proved too big to be overcome.

+

WESTPORT 16 vs. EAST 14

The game was a slow starter and at the half the score was only 4 to 3, in favor of the Tigers. In the third quarter the Tigers increased their lead by four points in 2 minutes, only to have East tie the score at 8—all in the next 3 minutes. The period ended 11 to 10 in our favor. In the fourth quarter goals by Harper, Bruce, and Snedden and an equal number by the opponents tied the score at 14—all. Right after this,

with less than 2 minutes left to play, Beattie received a pass, and standing near the center of the court he shot. The ball passed through the hoop giving us two points, the margin of victory.

+

WESTPORT 48 vs. CENTRAL 20

This game was slow at the start but fast at the finish. The score was 6-2 Westport at the end of the quarter. The second half the score was increased to 21-8 when Bruce, Beattie, Harper, Snedden, Aiken, Young and Green scored at will. The scoring was continued during the second half, to give Westport a safe margin for victory.

+

WESTPORT 23 vs. SOUTHWEST 27

Southwest was certainly a jinx to the Tigers this year. In football they won by one point and in basketball they won by another close victory, each victory meaning a championship for the winning team.

The Tigers got off to a good start leading 6 to 0 in the first five minutes, but early in the fourth quarter the Indians were leading 21 to 17. Then Bruce and Snedden potted two long shots to tie the score, but the Indians pepped up and scored 6 points to win the game.

+

WESTPORT 35 vs. NORTHEAST 14

Led by Craig Harper, who made 16 points, the Tigers defeated Northeast in a convincing manner. Northeast didn't score until the second quarter and then the score was 22 to 2. In the second half the starting five were relieved by reserves but the scoring was kept up, only this time it was led by Nielson who made 6 points to be second highest scorer.

+

Westport finished second in the league this year, and enjoyed a very successful season. Bob Bruce, a guard, was named on the City All-Star team, and the following boys received honorable mention: Charles Beattie, Craige Harper, George Aikens and Maurice Youngs. The team was handicapped when Harry Peterson, Claude Hickey, and Browder Richmond became ineligible at the end of the first semester, due to the nine semester ruling, but several juniors were developed this year. They show great promise of being a help to next year's team. They are: Roland Neilson, Sid Silverman, Dick Heydenrich, and David Becker.

BASKET-BALL--SECOND TEAM

First Row—Florea, Becker, Silverman, Richardson, Crouse

Second Row—Llywelyn, Hydrickson, Slusher, Heinz, Dryden, Suits

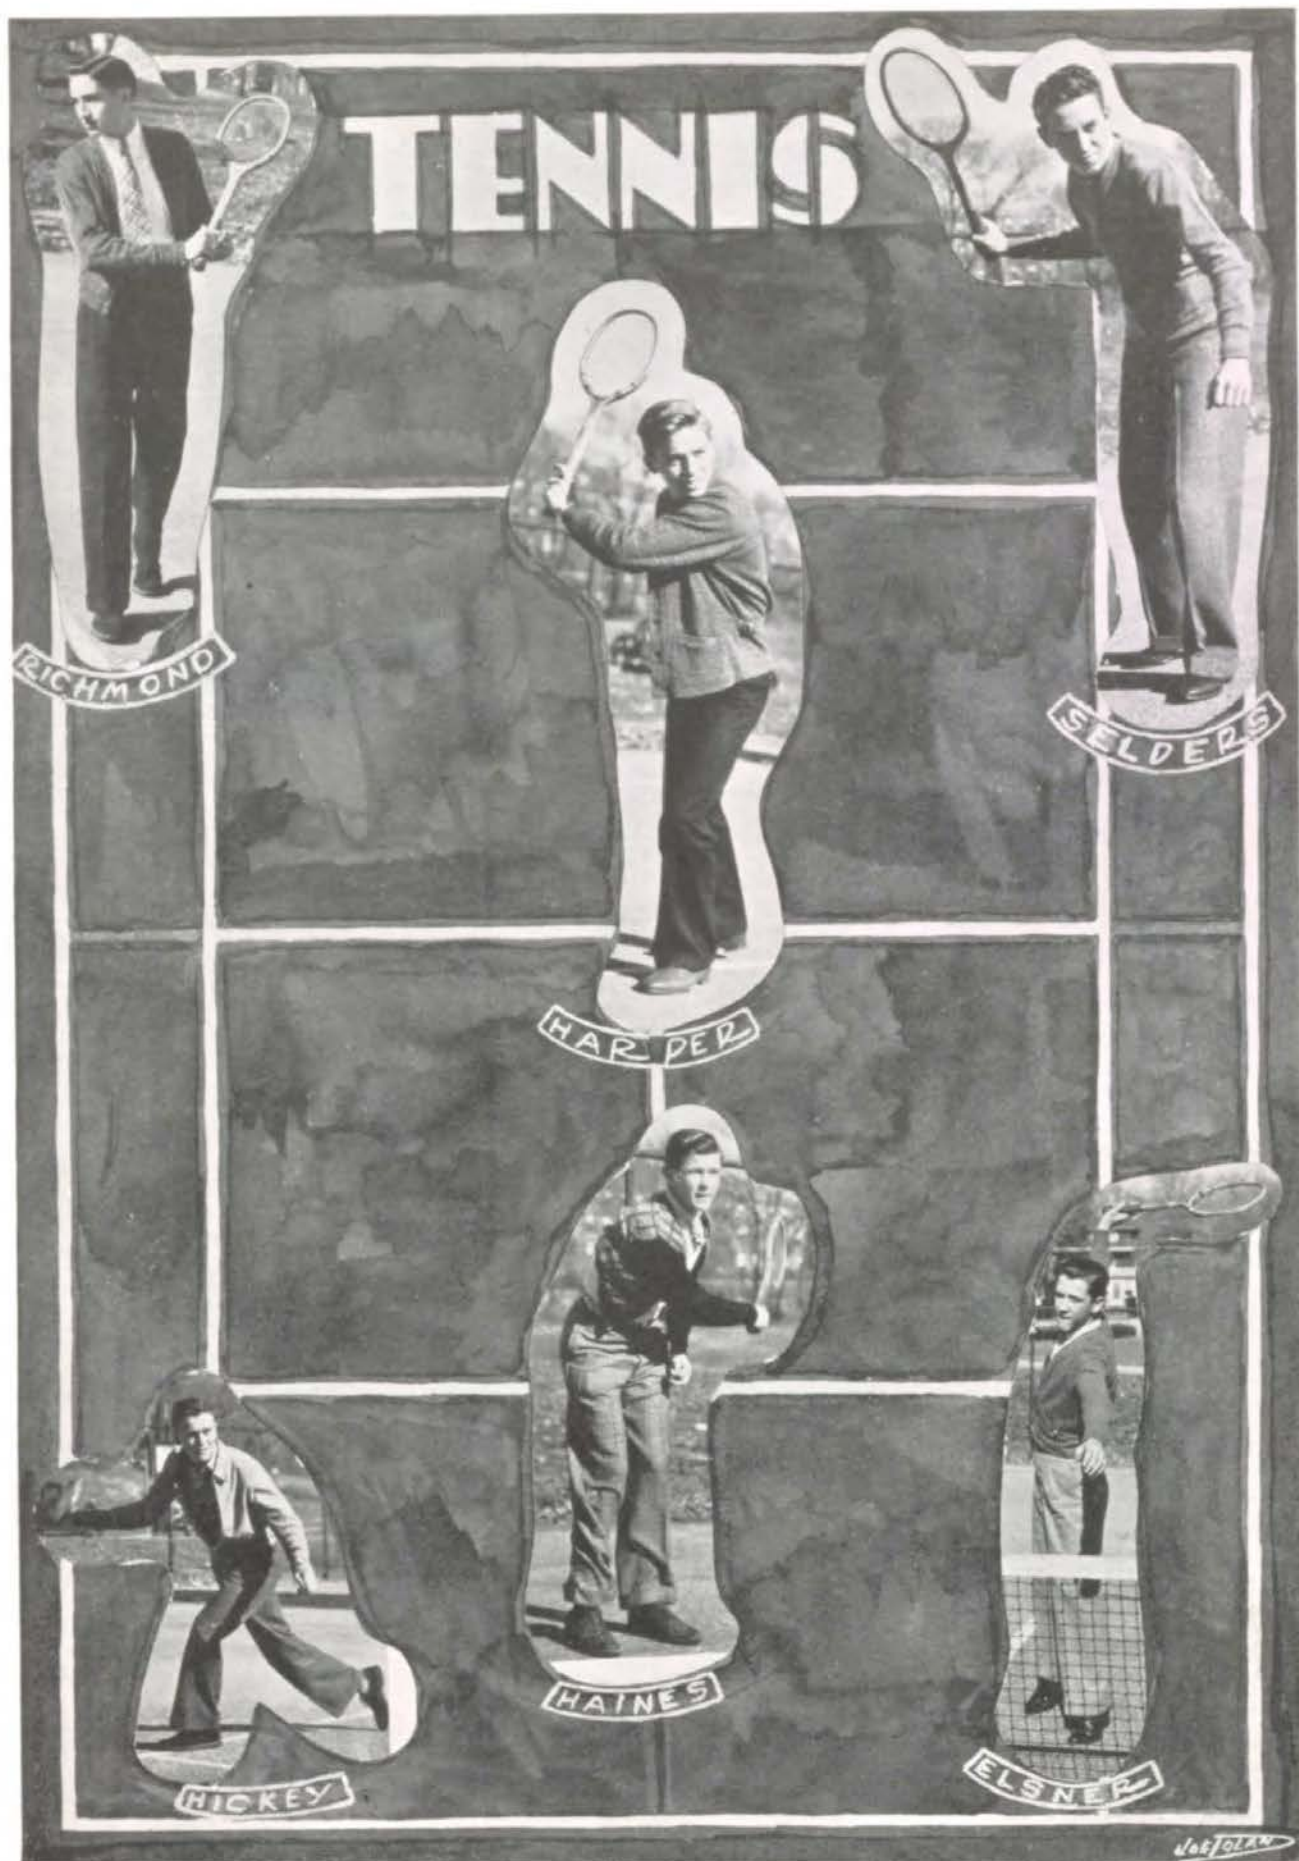

GOLF

Left to Right—G. Brian, Becker, R. Brian, Mr. Harris, Counts, Brenston

Westport's golf team had one of its most successful seasons. The team as a whole played brilliantly throughout the season. The team for next year should be an excellent one, since John Brenston is the only graduating player on the team. Those returning are: Dave Becker, Gene Brian, Bob Brian, and Frank Counts. Tom Boosinger, an alternate, also will return.

TENNIS

Westport enjoyed another successful year in Tennis with Craige Harper and Stacy Haines winning both the city and state doubles tennis tournaments. The tennis team consisted of the following boys: singles, Claude Hickey and Browder Richmond; doubles, Craige Harper, Stacy Haines, David Selders, and Joe Elstner. Both singles players lost to Ray Mosely. Richmond losing in the quarter finals and Hickey in the finals. In the doubles Craige Harper and Haines won the city tournament without losing a single set. They then went to Columbia where they captured the State Doubles Championship.

INTRAMURAL ATHLETICS

The term intramural as interpreted here, means activities of a physical nature which are promoted among the students with the purpose of giving a large number of persons an opportunity to enjoy and take part in these activities. For this reason, the activities must be varied and an attempt has been made to provide something which would be of interest to every boy.

The following list of activities have been promoted for boys: (1) touch football, (2) horse-shoes, singles and doubles, (3) wrestling, (4) boxing, (5) volleyball by home rooms and by gymnasium classes, (6) free throwing, (7) Table tennis, (8) golf, (9) basketball by gymnasium class championship teams, by home room teams, by Saturday morning league and by two Sophomore leagues, (10) tennis, (11) decathlon and (12) playground ball. The activities for both boys and girls were, (13) recreational leadership class, and (14) social dancing lessons.

The conducting of the above intramural program was by no means a one-man job. Mr. Lapp had the active assistance and guidance of several faculty members. Mr. Harris was a very able wrestling instructor in our after-school wrestling classes and acted as referee during the wrestling tournament. Mr. Bourrette and Mr. Chubb aided in the running of the spring decathlon, the playground ball tournaments and acted as judges in the annual spring boxing tournament. Present also at the boxing matches as a judge and as an ardent fan was Mr. Shearer. In the fall, golf and tennis are interscholastic sports, but both Mr. Harris (golf) and Mr. Fristoe (tennis) were active in promoting and conducting intramural matches in these sports. Their interest in golf and tennis carries over into the spring season at which time they induce many boys to participate in these activities.

About 150 boys from the physical education and R. O. T. C. classes were given five lessons in social dancing with Miss Bradley and Mrs. Schuler of the girls physical education department providing the girls, the gymnasium and the instruction.

Bernard Davis and Charles Lynch were student managers assisting Mr. Lapp with the intramural program.

GIRLS ATHLETICS

Senior Squad

HOCKEY

The 1936 hockey season found the seniors, by virtue of their record of 4 wins and 1 loss, declared champions. Their one loss was to the juniors, which should seem to indicate co-champions for the season; but the extra game played between the two teams during the Hockey Play Day, November 20, saw a strong senior team victorious over their under-classmates. The sophomore team was well-organized and showed signs of skillful stick work, but the lack of experience caused their 4 losses. The backfields of all three teams were unusually good, the forward lines were fast, and the goalies were efficient. At the end of the season sixteen girls were awarded letters for outstanding skill in the sport.

As everyone knows, hockey is the game which the girls play for the first time in Senior High. It is one of the fastest and most tiring sports, but when skill has been acquired, it is one of the most fascinating for the players themselves. This year, as usual, scores of girls played hockey from almost the first day of school until Thanksgiving. The crisp fall weather added zest to the games.

Lois Landstorfer was the efficient hockey manager, checking attendance carefully, aiding Miss Bradley, and planning a successful party to end the season.

Senior Squad

BASKETBALL

The 1937 basketball season ended with the juniors and seniors co-champions. Each team showed skill in foot work and defensive tactics. The juniors seemed slightly stronger offensively, but the seniors displayed good team work and were able to stay in the championship race by defeating the juniors the first time they met this season. High point scorers of the match games were: Florence Campbell with a total of 39 points, Lola Crampton with 29, and Gloria Gott with 26. The sophomores again had an unsuccessful season with 4 losses, but their play was unusually good and shows great promise for next year.

Ada Mae Silkenat was the basketball manager, and she deserves credit for her excellent handling of the mid-winter season.

In the Alumnae game, the main feature of the Christmas Party, a team of picked juniors and seniors represented Westport. Although the final score was in favor of the Alumnae by a rather wide margin, the Westport team did their part in making it a fast, exciting game. The rest of the program consisted of singing, dancing, and comedy acts put on by the various Gym classes, and then refreshments and dancing. The music for this gala affair was furnished by an all Westport girls' orchestra playing the latest swing tunes.

Junior and Senior Squads

BASEBALL

The baseball season is unfinished and the championship undecided as the Herald goes to press, so a mixed picture of the two teams which are the contenders for the title has been published instead of the picture of a single team. At the half-way mark, however, the juniors are leading in the championship race, having beaten the seniors by a score of 13-6 in the one game they have played so far. The seniors will have to win the next game if they are to gain a tie for the championship. This will be a most important game, for it will determine whether or not the class of 1937 wins three championships in succession and has its name engraved on the loving cup.

SWIMMING

Each spring a swimming meet is held in the Westport Junior pool. There are speed and form events and diving, and points are given for first, second, and third places. The five girls receiving the highest number of points are awarded their letters.

In this year's meet Nancy Goodrich was the outstanding swimmer with a total of 44 points. E. R. Seacat, M. Griffiths, M. Chaney, and B. Burke followed in close order, each placing in several events. In the relay race the senior team was victorious. This team, composed of Goodrich, Seacat, Chaney, and Crampton, was able to beat its nearest rival by almost a length. A large number of girls entered the meet this year, and everyone enjoyed the competition.

SENIOR PIN CANDIDATES

Seven senior girls are candidates for the senior athletic pin, awarded each year to those girls who have been outstanding in athletics during their three years in Westport Senior. To merit this honor a girl must receive six letters, one of which is to be won during her senior year. Letters are awarded only to those girls who show exceptional skill in their play, who exhibit the best qualities of sportsmanship, and who attain good scholarship records.

The senior athletic pin is the highest award of the physical education department and the goal at which all girls engaged in athletics are aiming. Girls who receive their pins are to be highly commended for the outstanding abilities which they have shown in their years of physical education work in Westport Senior. Some of the girls who are candidates for the senior pin this year will undoubtedly win more letters than those that are now listed; for when the Herald goes to press the baseball, swimming and tennis seasons are still unfinished. 1937 candidates for the senior pin are:

Lola Lee Crampton—tennis '34, hockey '35, '36, baseball '36, basketball '37.
 Martha Hart—baseball '35, hockey '35, '36, basketball '35, '37.
 Clara Shea—hockey '35, '36, baseball '36, basketball '36, '37.
 Ellen Ruth Seacat—hockey '35, '36, baseball '36, swimming '36, basketball '37.
 Mary Catherine Hinkle—hockey '35, baseball '35, '36, tennis '36, basketball '37.
 Mary Zimmerman—hockey '35, '36, baseball '36, basketball '37.
 Lois Landstorfer—basketball '35, swimming '35, hockey '35, '36, baseball '36.

TENNIS

The 1936 tennis champions are given recognition this year because the season was unfinished when the Herald went to press last year. The singles champion was Charlotte Marshall '36, with Mary Catherine Hinkle '37, runner-up. The doubles champions were Sarah Rogers and Sarah Millstein '36, with Charlene Allen and Marcia Ricker '36, as runners-up. All of those mentioned above, except Marshall, received "W's."

Class instruction in tennis is given in the sophomore year to girls. It is one of the most popular outside sports offered, as shown by the fact that some four hundred girls take part in nine tournaments in the course of the season. There are play-offs to determine class champions as well as school champions.

COACHES OF GIRLS ATHLETICS

Girls in the physical education department are fortunate in having for their coaches, Miss Bradley and Mrs. Schuler. The outstanding characters and coaching ability of these two instructors have done much to instill in the girls of Westport a fine sense of sportsmanship and a knowledge of the fine points of technique of many sports. Both Miss Bradley and Mrs. Schuler have put in many extra hours of work in supervising the after-school games, and in refereeing the match games. The coaches are the ones who determine which girls shall win their letters, and the girls respect their choices in this matter.

Miss Bradley has charge of the junior-senior class, and Mrs. Schuler supervises the corrective Gym work. Besides this, both have a number of sophomore classes. Their hours before school are spent in conferring with girls and their free hours after school in many ways which the department requires. The smooth functioning of the physical education department is due, almost entirely, to its efficient managing by Miss Bradley and Mrs. Schuler.

HOCKEY PLAY DAY

The Girls' Athletics of Westport introduced a new event to the sports calendar in the Hockey Play Day, November 21. On this day teams from Southwest, Central, Paseo, Northeast, Barstow, Sunset Hill, and Westport participated in a friendly series of hockey games in the morning and then lunched, sang, and danced during the afternoon. The luncheon was held in the Westport cafeteria which had been gayly decorated for the occasion. There were school banners on the walls, hockey action silhouettes for the centerpieces on the tables, and small crossed hockey sticks for place cards. During the luncheon hour Mr. Danford, Director of Health and Physical Education, spoke on the value of Play Days; Janet Turner of Stanford University spoke on college hockey; and her sister, Barbara Turner, who had just returned from the Olympic games showed the girls some motion pictures which she had taken. Other guests at the luncheon included Mr. Holloway and Mr. Shouse. After the luncheon the girls went to the Gym and danced to the music of a Westport girls' orchestra.

The Hockey Play Day was the beginning of a future policy of the Physical Education Department, and for the purpose of carrying out this policy an Administrative Committee composed of four persons was selected to take charge of the rules and regulations for such events. Miss Bradley, Westport coach, is one of the members of this committee. Two other Play Days have been held since the one at Westport on November 21.

The Hockey Play Day was a success in many ways. A friendly spirit of rivalry was introduced among the teams from the various schools; the girls became acquainted with different styles of play; and last, but by no means least, everyone enjoyed a day of wholesome entertainment and good outdoor fun.

CITIZENSHIP AND THE R. O. T. C.

By General C. P. Summerall

* * *

THE good citizen must be a disciplined man, by which we mean one who can control his own passions and desires, who recognizes his obligations, who respects the flag, the laws and all duly constituted authority, who is faithful to his allegiance to the United States, and who in all situations will comport himself with dignity and restraint.

To inculcate such traits of character is one of the principal objects of military training in our schools and colleges. To train potential soldiers is not the sole aim of this instruction. It is training for better citizenship and for the development of leaders for peace even more than for war.

The graduates of the R. O. T. C. will always be found ranged in great majority on the right side of any national issue. A good citizen makes a good soldier, and the converse is equally true.

The schools which maintain military training do so not merely to provide potential leaders for our armies in time of war, though that amply justifies the training. But the authorities of these schools recognize also that this is excellent training for citizenship and of benefit to the individual in the following important respects:

It improves the physical health, strength and appearance of the students.

It inculcates respect for the law and for constituted authority.

It makes the students amiable to discipline and control.

It arouses the spirit of practical patriotism, respect for and pride in our flag and our country, and a readiness to serve them in time of need.

It develops self-discipline and control, self-respect, self-confidence, resourcefulness and courage, ambition and industry.

It promotes courtesy and consideration for others.

It fosters habits of neatness, cleanliness, order and system.

It inspires the spirit of cooperative action or team-play.

It affords exercise for and develops the latent powers of leadership and executive ability.

An education or training which accomplishes these purposes is thoroughly justified and entitled to support, even in the happy event that we shall have no more wars.

TIGER TALES

DO YOU REMEMBER---

Sept. 8—Tuesday. The first day of school. How you could tell a sophomore a block away by the slightly green aurora—a junior by the swelled chest—a senior by the unaccustomed air of quiet authority?

Sept. 10—Thursday. Change of programs—How you sat and prayed that Mr. Miller would accept your reason for changing from a certain elderly teacher to a certain young, good-looking teacher. How you hoped that note which had your mother's name on it wouldn't be recognized as your chum's handwriting?

Sept. 11—The day school was dismissed at the first of seventh hour because a Latin teacher got hot? How glad you were, because you had been sticking to the seats all day?

Sept. 14—First Monday of school. How you hated to roll out that morning?

Sept. 15—A sudden cold snap. How you thought twice before entering a room where the windows were open. How you shivered as you wondered how you had ever failed to appreciate hot weather.

Sept. 16—The day you had to have a lunch permit to leave the building during 5th hour? How disappointed you may have been to see that they were yellow instead of blue, so you couldn't use an activity ticket for a lunch permit?

Any date—How the school suddenly blossomed into a sunflower garden, there before election? The betting pro and con on the results of the same?

The noises issuing from the auditorium during band and orchestra periods?

How the front stairs were always packed, and mostly by sophomores?

The practical impossibility of getting your lessons—so you usually went to a show—or if you were broke—to bed.

Sept. 16—Wednesday. Activity tickets first appearance. How glad you were to see that they were yellow like the lunch permits? How many sophomores rebelled at the idea of paying a dime for permission to go home for lunch? How some pupils thought the school ought to pay them for eating in the school cafeteria?

Any Date—The speculation as to who made the Herald staff.

Sept. 18—Friday. The band's first public appearance—at Junior High? Rumors to the effect that we had a high-powered band?

How we won our first football game, against Rosedale, 25-7?

Sept. 22—Tuesday. First assembly. How the sophomores were puzzled by our peculiar assembly system? How the band was undoubtedly better than it had ever been before? That clever encore they played, "Pop Goes the Weasel?"

Sept. 23—Wednesday. First copy of the Crier distributed free. How the sophomores wondered whether or not it was worth giving away?

Any date—How you had, in a couple of weeks, decided which subjects and teachers you liked?

Can you imagine, our seniors ever looking like this? Well they did. Most of them have changed for better or for worse. A "few" of them have grown up. Can you tag the infants? The key will be found on page 145.

DO YOU REMEMBER—Continued

How Miss Bradley's whistle could be heard all over the building?

The high notes reached by some of Mr. Spring's sopranos, especially audible to those on the third floor?

How the teachers, for the most part, refused to discuss politics?

How you wished every room had a clock in some conspicuous place?

Sept. 25—Friday. The first and very "peppy" meeting of the pep club?

Westport 6—Ward 8?

How the team missed Bob Neubert?

Any Date—Those people you could have cheerfully thrown out the window, especially a third floor window?

The noise the gym girls weren't supposed to make as they came up from the hockey field?

The time you fell asleep in class or did you? If not, the times you wished you could?

The welcome break made by the third hour notice?

How most teachers used home room time for recitation?

The kick you got out of getting the teacher to use up class time discussing some topic which interested him?

How some sophomores hadn't learned their teachers' names by the fourth week of school?

Oct. 2—First meeting of literary societies? The struggle you may have had getting your favorite teacher chosen sponsor? The long, long list of prospective new members?

First pep assembly? The surprise you got when Dick Kious yelled, because you hadn't realized that he had that much lung-power?

Oct. 2—Mr. Powell, biology teacher, promoted to vice-principal of Southwest? How sad you may have been to lose him from the faculty? "There goes one of our few remaining handsome teachers!" Or how glad you may have been since his "pussy-footing" habits had at times landed you on the carpet, before Mr. Miller's desk?

The speculation about Mr. Patterson who was slated to take his place?

Oct. 3—Saturday. Our first interscholastic league game? Westport on the long end of an 18-0 score with Manual nursing its bruises? How hoarse you were the rest of the weekend? The delight over the faked kick play? How worried you were that Beattie was down and later out of the game? How you may have exclaimed, "What team is that?" when our boys came out at the half in their new yellow jerseys? How Coach Bourette tore his hair when the touchdown Jack Keith ran seventy yards to make was declared illegal?

Oct. 6—Activity Ticket assembly? How surprised you were when you learned that the "Great Ali Bendo" was none other than Walt Mitchel? "Why won't or can't, the cheer leaders work together?"

Any Date—The trouble you had convincing the substitute that there was no assignment? And the one person who spilled the beans?

AN OPEN LETTER TO THE IRVING IL-LITERARY SOCIETY

(EDITOR'S NOTE:—*Irving* is the word that results from placing the tongue between the lips and blowing.)

Dear (we know you're just too, too dear) Irvings,

You smuts. Yes, we mean it. There is only one thing lower than an irving, and that's a black-and-white-striped cat. (And sometimes we wonder.)

Westport is on to you. You'd better beware. The whole school knows that next to the boys' gym, your gatherings are the smelliest things of school life.

The girls are on to you, too. Look at your Christmas dance. We know it to be a fact that when your sponsor walked across the floor several of your dates tried to put dance tickets into his hands. Boys, we simply can't tolerate that.

Wake up, you mouldy irvings. There's still hope, maybe.

Regards from your superiors,

THE CLAYS

P. S.—You, the mighty (in your own sight) Irvings, have again been rubbed in the mud—letting two Juniors completely swamp your all-Senior debate team. (The two Juniors were high-and-mighty CLAYS . . . Remember??) Too bad! Too bad!!

C. L. S.

TYPICAL SCENE
ON CLUB DAY

LITTLE KNOWN FACTS ABOUT A LITTLE-KNOWN IL-LITERARY SOCIETY, THE irving club

Irving club was actually founded by several boys whom Clay had blackballed repeatedly—Todd was elected secretary the first semester because he was the only sap in the club who could write and he could only print—They had no secretary the second semester—Victor McMahill used to give reading after reading before the club and, in an attempt to shut him up, the irvings made him an officer—Irvig Schwarz is a typical irving—The most familiar words at an irving meeting are "Cheese, cheese, who did it now." It has been rumored that the irvings take baths Saturday night and change their socks twice a month, but the school feels that this is a gross exaggeration. Due to this fact quotations on Amalgamated Laundry Soap have gone up two points.

A EULOGY ON A WHITE RAT

The irving boys are cooky-pushers,
They drink their milk diluted,
Their jokes are slushy,
Their brains are mushy,
And their morals are always polluted.

The Clods Illiterate Sass-iety alias Clay Literary Society

The following is dedicated to the club that aimed so high,—and missed so far!

The officers, about to be retired by the nine semester ruling are:

President—Wally (no relation to Mrs. Simpson) Mitchel.

Vice-President—Poison “Irvy” Feld.

Treasurer—Chuck Richardson (out the window).

There was no secretary due to the limited enrollment (four in all, including the sponsor).

Club vegetable—Raspberry. They must like ’em, they get ’em so often. (Yes, we know the raspberry is a fruit! So are the clays!)

CLUB YELL

We don't study, we *can't* learn,
And we don't even give a dern!
We never look at any book,
But we'll get out, by hook or *crook!*

TIDBITS FROM EVERYWHERE ABOUT *NOTHING*. (This means YOU, Clays!)

After observing the clays this year, we know why Henry Clay is on a bust! . . . And after seeing the *taking* ways of the clay club, we savy why the light bulbs have to be marked “Stolen from Westport!” . . . When the clays have what they so quaintly call dances, a fine three-piece orchestra is provided,—composed of a piano player, a piano, and a piano stool . . . And we still wonder how the Clays raked up enough money to pay off the debate judges . . . Have you ever smelled garbage on a hot day? Have you smelled hydrogen sulfide? Then you know all there is to know about the clay programs . . . If a prominent clay hadn't promoted the Senior Election, the clay candidates might have had more than their usual smell.

ODE TO AN ODOR

Dedicated to Clays, algae, and all the rest of the muck*

We'd like to say we hate to slam
The poor old clays about,
Because we hate like heck, you see,
To kick the down and out!

Let's drink a saddened toast, my friends,
To our worthy (?) foes, and true (?),
Who once were self-respecting lads,
Like me, and you, and you.

But they joined the smelly clay club,
And that's a mighty blow
To any decent likely chap,
As the Clays all, doubtless, know.

So if Westports clubs have fallen
From the place that they once held,
The clays deserve the credit, friends,
Especially Irving Feld.

DO YOU REMEMBER—Continued

Oct. 7—The second Crier? How you decided to get your Crier after sixth hour when you saw the mob after 5th. And how you finally went down to the Crier room after school?

Oct. 9—Departmental Clubs' first meeting? The large number of new members you voted for although you didn't know them from—a sophomore?

Oct. 10—Sat. game with East postponed because of inclement weather? And the perfect afternoon for a game.

Any Date—The promenade in the front hall before school? Appropriately, "The Flirtation Walk?"

And the odors that hung around the chemistry room?

Oct. 12—Monday. That peculiar sinking feeling you had when you thought about cards coming out the next day?

Oct. 13—Tuesday. First report card? The surprises you got—both ways? "I'm going to feel sick when I get out of here?" "Whadja get?"

Oct. 12—Westport 7—East 7? How we really out-played them. That horrible feeling when Yates, East end, snagged that pass and romped to a goal? That tired feeling you had as a result of the nervous tension of the game?

Oct. 17—Saturday. Westport—27; Paseo—00? And the papers said we'd be a setup for the Pirates? Ha! Ha! That goal every quarter record? That awful feeling when Wallace Aikins was down and writhing as though he were half-killed? Your relief when he got up and continued playing? That crowd of almost 2,000 in our bleachers alone? How your seat was snatched when you went to the hot-dog stand even though your friends tried to save it? That derisive gesture of sending in the entire second team just before the end of the game? Some of the Pirate plays that brought you to your feet fearful that the runner would get past Beattie and make a goal? How he never did?

Oct. 24—Central 18—Westport 19? The most thrilling game of the season? The Central touchdown in the first five minutes? The mob at the hot-dog stand? Chuck Beattie down during the first of the last quarter? How he kicked and squirmed as they pulled him arm into place? That awful silence in the stands as he walked off the field? "Sneeze" Snedden's frank tears? Lois Landstorfer's face as she left the stand? The subsequent two goals chalked up by Central? The relief in our stands when they missed scoring the extra point and didn't tie the score?

Oct. 31—Westport 12; Southwest 13. 12-0 our favor at the end of the half? Beattie on the bench? The swell Westport crowd? Our "peppy" cheerleaders? Penalties on Westport? The confident feeling when with about a minute to play the score was 12-7 and we had the ball? The blank dismay when Hamilton of Southwest caught Peterson's kick on the 45-yard-line and raced to a touchdown? Three passes incomplete in the last $\frac{1}{2}$ minute of play?

Oct. 26 and 27—Play tryouts. The uncertainty as to who would play in the fall production? And what the play was to be?

Nov. 7—Westport 32; Northeast 6? Beattie back in? And out again with a hurt leg? Hathaway as hero? Coach Bourette rushing his first team back in after the one Northeast touchdown?

Football season's over—too bad. But Hurrah for basketball!

Believe It or Not

1. Lois Landstorfer has flashed an engagement and wedding ring about, but it is rumored it doesn't come from "Chuck." Lois (with tears in her eyes) refuses to comment on the lucky person.
2. English inspires Irv. Feld to make love, maybe it wa-n't English, but only Marge.
3. "Chuck" Beattie wore a pair of pink garters while playing football.
4. There was one question on the senior test that Mart'ia Peters couldn't answer.
5. Miss Youngs states, "The best time of the night is after 12:00."
6. Elsie Brent stopped singing after the Pundit dance.
7. Mr. Beattie had no ill effect from all his bets, with the fairer sex. The total being———.
8. A new fad girls! P. J. tops may be worn as blouses. This was not started by a sophomore, but a senior, Valora Rinkler.
9. Kay Dawson combs her eyebrows with a comb instead of plucking them. Lazy Katy!
10. J. T. Harper has his shirts delivered to the office.
11. John Brentson enjoyed the coronation even though it was too much like church.
12. Norman Hathaway's brain child was the "W" skit. Did you see the Hi-Larities?
13. You can't touch C. Green because of his sales ability when it comes to P. T. A. Circus and Hi-Larities tickets.
14. Mr. Evans thinks that the office force merits nothing better than a cactus plant.
15. Mr. Patterson gets at least six social calls a day. It seems they are all from the fairer sex.

DO YOU REMEMBER—Continued

And while we're on the subject—how those boys learned that it pays "to be a football hero?" The way the femmes raved about the hair, eyes, physiques, and lines of various football heroes?

Along in there—Craig Harper and Virginia Sanders always together oblivious of their surroundings?

How you could not come near Teedie Ramp without stumbling over Norman Hathaway?

Nov. 12-13—Hurrah for teachers! Two whole extra days off for the teachers convention. The only complaint being that you just had time to get used to loafing when you had to go back?

You may have had a vacation, but on Monday the teachers looked as though they'd had a tough weekend?

Nov. 18—All-Star team announced, Beattie captain? Swede Peterson on as end?

Along in there—That time you ditched and got caught? Were you lucky enough to get only one week of eighth hours? And again, did you get caught? No? Then the difficulty you had convincing your mother, or your father, that those absences marked on your report card were perfectly legitimate?

Nov. 19-20—Petitions out for senior election? "Have you signed a petition for—?" "Oh, you're not sure—better not risk it." "You don't have to vote for him—but for Pete's sake, sign his petition?"

CONGRATULATIONS HERALD STAFF OF 1937

EDITING and publishing an annual as comprehensive and attractive as the 1937 Herald, is a job of which the student body and faculty advisers may well be proud. The manner in which this year's staff performed their duties as authors, artists, photographers, and editors is indeed worthy of compliment.

- We extend to the Herald Staff of 1937 our sincere congratulations for, what we regard, a professional accomplishment in annual publishing. We are indeed grateful for the splendid cooperation given to us by this staff during the mechanical production of the annual.

- For the past 30 years we have been producing student annuals of traditional quality. Our highly trained personnel and complete, modern plant are equipped to serve both academic and business institutions with printing that is unusual and effective.

DO YOU REMEMBER—Continued

Nov. 20—First P. T. A. dance? A huge success? Mr. Crocker displaying his vocal skill? How the kids in the floor show slipped and slid? J. L. Russell's Metro-politans?

Dec. 1—Primary elections. Irving Feld's party ticket. "Elect these candidates and get a stadium for Westport?"

Dec. 3—Election day? Peculiar happenings? Such as 150 extra ballots? The entire student party ticket carried except Feld? We wonder—? Bob Bruce threaten- ing to hand in his resignation because of shyness?

Any Date—That day when you had tests in all subjects? Was your senior pic- ture in on time? Did any of the proofs look like what you'd like to be?

Dec. 4—The Christmas dances well-started by the Clay-Pundit Dance? Dances, dances and more dances from then on?

Dec. 11 and 12—"The Goose Hangs High?" The swell portrayal of an elderly lady given by Harriet Schwartz? And wasn't Milton Frank good? And did you know that Jack Baumgarten painted that "Holbein" in five minutes, I mean hours?

Dec. 16 and 17—Election of senior Business Committee? How you hoped the election would consume all of third hour? It didn't.

Dec. 23—Home-coming assembly. That blond tennis player who rattled on as Bob Burns does?

MERRY XMAS—or at least 11 days Merry vacation? Boy, were we incensed over the shortness of the vacation? Weren't you on the go every minute you weren't— catching up on your sleep? Finals coming up!

Jan. 4, 1937—Dragging back to school. How long did it take you to get over that hangover?

Jan. 8—Assembly. Some say that Kay Dawson mistook Mayor Smith for one of the janitors! "Chuck"—"Red"—"Sparkplug" Beattie's mounting flush?

Were you a member of the large Westport crowd who braved the cold to see the first basketball game? How did you like our team's new warm-up suits? Were you one of those persons whose first thought was of the necessity of laundry service?

Along in there—Ear Muffs are all the rage.

Ah, sweet mystery of life. That rumor that two prominent seniors had been married. And only three people besides the two principals knew? And they wouldn't tell on a bet? (Oh yeah)

Jan. 15—Combined Lit. Club meeting?

Jan. 19—1st, 2nd, and 4th hour exams. Was it your tough luck to have a "heavy" each of these hours? Wasn't it grand to be able to eat out without fear of punishment if caught?

Jan. 20—5th, 6th, and 7th hour exams. Weren't you sure that some things brought up in that final hadn't been discussed in class?

Jan. 21—3rd hour exam. "Well, I didn't pass gloriously—but I didn't flunk. And—I DIDN'T STUDY. Ain't life wunnerfull?" (Or couldn't you say that?) It's all over. So long you few who aren't waiting 'til June to shake the dust of Westport High from your shoes.

Welcome you hardy 200 from across the street North. Here's hoping there's some promising athletic material in your midst. Westport will need it next year—and how!

Jan. 22—Westport 25 and Pasco 19. Last game for Peterson, Hickey, and Richmond? Our Cheerleaders are perking up.

Jan. 25—How many new sophomores landed in the wrong classes? How many of your teachers said "That's all I have to say—you can chatter for the rest of the period." Could you find anything to say?

Jan. 29—Westport 35 and Northeast 14? Didn't the boys play as though they were inspired—especially Craig Harper?

Feb. 3—Assembly—that makes the sixth this year? Public sleeping contest—pardon, Public Speaking contest, but it's the same difference so far as the audience is concerned.

DO YOU REMEMBER—Continued

Along in there—Wheeeee! Such a furor over our conduct at the basketball games! Shudderation! We never knew we had it in us! Even the student council pricked up its ear (see Feld, Pres.) and took notice. We understand that Wally Aikins was quite an addition to the argument in the council.

All that fuss created when the Herald offered to reward the best club panel? Anything serious between E. Wilson and J. Brentson?

Feb. 19—Westport 19, Southwest 24—the second time Southwest has ruined our championship hopes this year! But the cheerleaders were more energetic (they might learn some new yells). Could this be attributed to the fact that Monahan quit school? Our game was important enough to be broadcast? The band was there in all its glory?

Feb. 23—Serenaded by the Western Dental College Glee Club? (We understand that several prominent femmes-about-school developed toothaches shortly after they fell for that rubber-jointed blond tenor.)

By the way, is Ellen Ruth Seacat a senior or a sophomore? Irving Feld is still wondering—and Jean Seacat will never forgive him.

Any Date—Aren't substitutes fun? And have you noticed that you learn more after one day with most substitutes than you do in a week under your regular teacher?

Feb. 24-26—Junior petitions out?

Along in there—The ritzy class jewelry? At \$6.50 a ring? Ah well! It could have been worse—but not much!

Also—The All-Star Team chosen; Bruce, co-captain?

Matinee-dance—pretty good, a sellout? Had to have a date to get in? Good music, floor not too bad, Double cuts. How much did you dance with your date?

Easter services. Wasn't it surprising, how quiet you could be? Four days' Easter vacation? What's the school system coming to? Didn't it feel funny to sleep late on a Monday morning?

All this agitation about caps and gowns? Graduation—a fashion-show or a uniform performance?

Leakage of the results of the senior ballots despite the best efforts of the Herald staff?

It's hard to tell whether or not the Crier staff is responsible for the results of their labors, but . . . !!

Anchors aweigh! Spring fashion show? Nautical motif? Pretty gowns, pretty girls?

Matinee dances are established. After the second one went off successfully they became an institution. Like other institutions of this school, these will probably be in existence twenty years hence.

April 23—R. O. T. C. circus? Westport really showed 'em up. Fifteen for the army!

April 28-May 1—P. T. A. Circus? We still like Fairyland.

April 30 and May 1—Spring play. Hurrah for Director Fossum. Even better than last year's "Seven Keys to Baldpate." Good cast, well placed; good play, well played. How many hissed at the villain? (Tom Todd.)

May 14 and 15—Vaudeville show. A fine array of talent. We hope this is an annual affair for Westport. Good work, Mr. Crocker. Oh yes, and What's-his-name Feld!

May 28—Senior Day! HERALD FOR 1937—BEST IN YEARS!!!

June 9—Graduation Night. To be remembered for years because of the swell Supper-Party at the Muehlebach. Good-bye, Westport!

—Ellen Ruth Seacat.
