

## IT IS A TWO-SIDED SHOW

As you watch the strange creatures when you stroll through the zoo,  
Do you stop to wonder what they think of you?

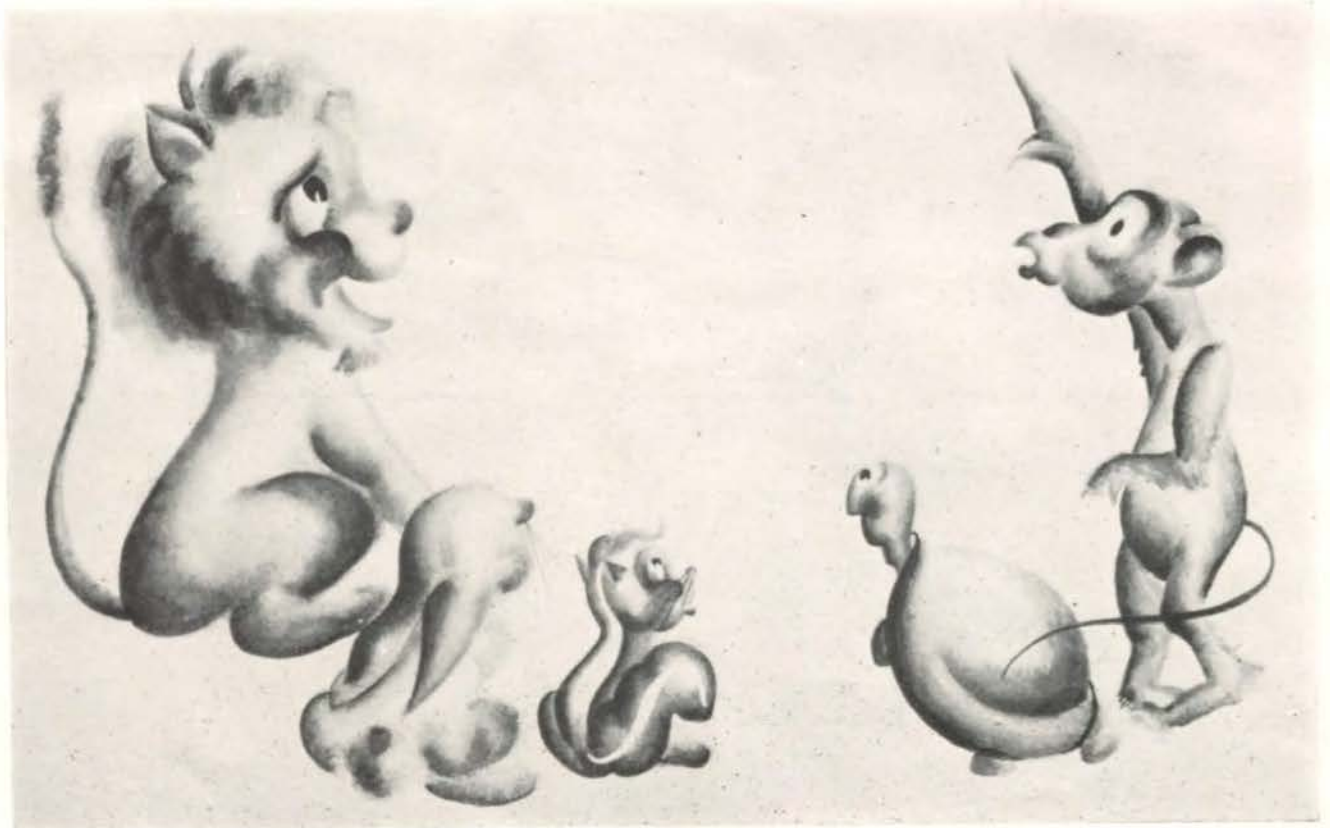

Could the tiger that snarls in his superior way  
Be sneering at the people who pass him each day?

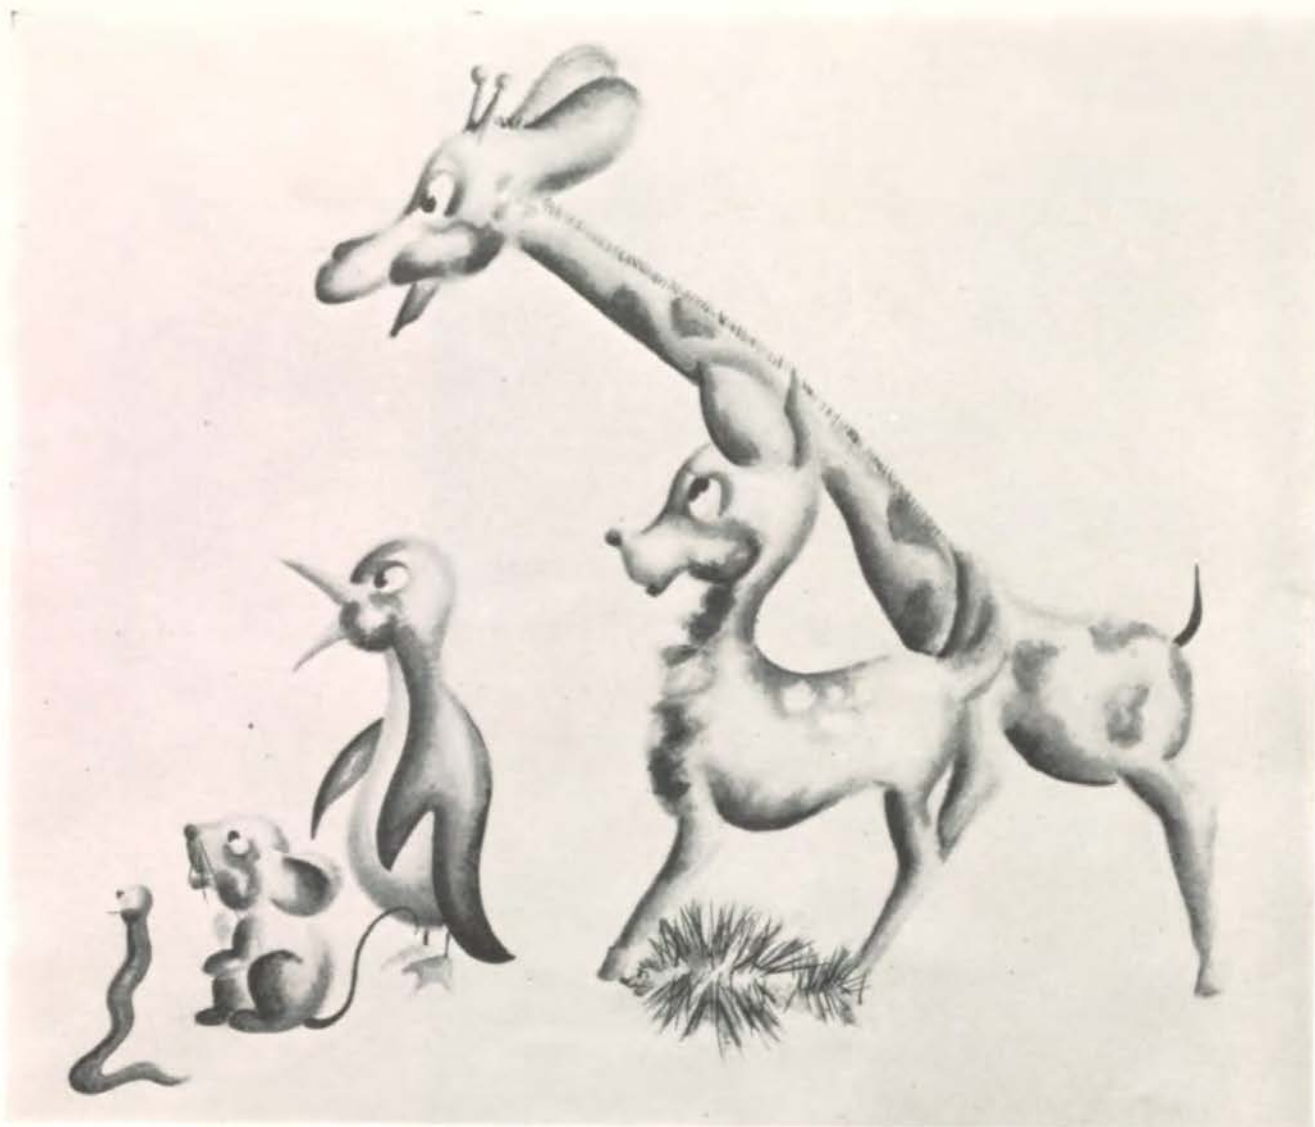

And the comic giraffe with his head in the air . . .  
Is his far away look just a day-dreamy stare?

And is that lazy old seal who relaxes to float  
Wishing for your handsome skin to make into a coat?

And the monk in his cage . . . could it be that he thinks,  
When he sees us go by, "There go the missing links"?

But whether they think or just stand and chew,  
Both students and monkeys have fun in a zoo!

## Dedication

MR. BENJAMIN WARD, instructor, adviser, and friend, is an ideal teacher. During his forty years at Westport, he has installed in the minds of many students the fundamental principles of English and psychology. His lessons are more than just chapters from a text. They are living; breathing expressions of the author.

Mr. Ward is a talented violinist and is often sought for musical entertainments. His eagerness to aid others is shown by such extra-curricular activities as club sponsorship. Every pupil who has worked with Mr. Ward will always remember him as a splendid teacher and a close friend. It is with deep appreciation and gratitude for his enduring friendship and for his efforts in our behalf that we dedicate this book, the 1949 Herald, to Mr. Benjamin Ward.

## CLASS OFFICERS

### EUGENE BOHI, *President*

Gene's popularity, friendliness and efficiency have all helped him to gain this year's title of senior class president. Active in both speech work and in the field of sports, Gene won his second football "W" this year, and was chosen Mayor for a Day.

### JOY DRURY, *Vice-President*

This personality-plus-brains girl has been active in Student Council and has been a class officer each year. She ranks fifth scholastically among the seniors, but far from being a grind, she is one of the most popular girls in school.

### ROBERT SELLS, *Secretary*

Behind every plan or plot you are apt to find this boy. His capacity for hard work has entitled him to offices in many clubs. His initiative and winning ways have been directed toward the interests of Westport.

### LOREN JOHNSTON, *Treasurer*

Buster has contributed a ready bit of humor which has brightened the halls of Westport during the past four years. He has been active in athletics, literary clubs and various student projects.

### GLORIA DAVIS, *Sergeant-at-Arms*

Physical education and chemistry head the list of favorite activities for this senior. Her friendly nature and studious ways have led her to popularity with teachers and students alike.

### RUTH ANN DAVIS, *Business Committee*

A more active senior can hardly be found in the halls of Westport. She made a fine start in her freshman year, and has kept up the good work all through her high school career. Physical education is her special interest, with newswriting ranking second.

### JO ANN MAGNUSON, *Business Committee*

It has been said that the best things come in small packages, and this certainly applies to Jo Ann. Among her many activities, studies seem to rank first. She is valedictorian of her class, which is an achievement worthy of extreme pride.

### DOLORES WILLARD, *Business Committee*

Dolores is an influential member of the business committee. She is an efficient worker, has a wonderful personality, and above all is a good student. These characteristics show the reason for her popularity.

### THELMA MAINQUIST, *Business Committee*

This blonde, blue-eyed senior has always shown her leadership ability in every task she has undertaken. Her favorite subject in high school has been physical education. Always a favorite with her classmates, Thelma Mainquist is a sure candidate for future success.

## Underclassmen

Classes come and go, and with the school year of 1949 completed we can pay tribute to a small but successful Junior group. With the beginning of the eighth grade system in 1946, this group ran into the difficulties of a small class and fewer activities. Aided by Miss Youngs, Junior sponsor, these seven officers have ranked themselves among the most outstanding students of Westport.

The Sophomores this year are ambitious, good sports and full of initiative. The leaders of this class have already made themselves outstanding in athletics, dramatics and other activities around school. Under the direction of Miss Lash, sponsor, they are destined to rank high through all their high school days.

A real part of Westport now, the Freshmen got a good beginning by electing responsible students for leadership. They are a large class and will be able to represent Westport in various activities. Miss Gales, Freshman sponsor, has done much for the promotion of the class.

That Westport can expect much of this year's eighth grade class is indicated by the selection of their officers. With the help of their sponsor, Miss Cannon, they readily adjusted themselves to the newness of Westport halls and settled down to become promising upperclassmen for future years.

Promethean Literary Society has passed another milestone. Through the years, Promethean's goal has been to promote the appreciation of good literature, the formation of worthy ideals, and the expression of ideas. This year the club has again succeeded in fulfilling its goals and in maintaining an excellent membership and a high reputation in the school.

The honor of Promethean beauty queen went to Jean McConnell, of whom the society is particularly proud. Intelligence, charm, personality, and versatility, as well as beauty, are hers.

Promethean is deeply grateful to Mrs. Robinson, sponsor, for her guidance and friendship during the past year.

Dana is the newest girls' literary society in Westport. It was founded in 1946 as a sister society to Browning. Since that time it has achieved a noteworthy record. Its members have been scholastically outstanding. Throughout the year interesting programs are presented on the world's great literature and on current problems. Once each semester at an acceptance tea, Dana welcomes into its midst new members. These teas are anxiously awaited. Their success was due in large measure to the co-operation of the members' mothers.

This year, a Christmas party was held between Dana and Browning. The annual literary contest was held in

the spring. Each old member was required to write two literary contributions, each new member only one.

The main social event of the year was the Annual Dana-Browning Banquet. It was held May 20 at the Tea House by the Side of the Road. This was a fitting note with which to end the year. It ended the active efforts of the seniors to bolster Dana toward her goal of attaining greater literary understanding and appreciation. It was a promise to the underclassmen of greater things to come.

Miss Helen Guffin has been the able sponsor of Dana since its organization. Her efforts on behalf of Dana have been praiseworthy.

# Pundit

In 1908, a debate society was organized and named Pundit, meaning "wise Hindu" or "wise man." Miss Ruth Mary Weeks was the club's first adviser.

Pundit girls have been leaders in school activities, showing their capabilities as Herald executives, class officers, Student Council leaders, actresses, debaters, musicians, athletes and scholars.

The annual Pundit-Clay dance, held April 1, marked

the crowning of Pundit's beauty queen, Bonny Lampman. Intelligence, charm, grace, versatility, and beauty are hers.

The annual essay, poem, and short story contests were held for literary work.

Miss James has again ably guided the club through a year worthy of their motto, "Weigh, Consider, and Express."

Irving Literary Society has completed another successful year.

The programs, which were enjoyed by all, varied from a report on St. Valentine's Day to Einstein's theory of relativity.

Irving is proud of its senior members, who were well represented in speech work, plays, debates, and radio broadcasts. Three Irving seniors are on Westport's roll

of distinction.

The outstanding social event of the year was the annual Irving-Promethean dance, at which time the Irving beauty queen was crowned. This year's queen was Gloria Davis, known by all her classmates for her beauty, charming personality and qualities of leadership.

To Mr. John Ploesser, who for four years has guided Irving, the club owes deep gratitude and appreciation.

# Clay

Clay Literary Society, one of the oldest organizations in Westport, has completed another successful year. Among the club's activities, the one most outstanding was the joint sponsorship with Pundit of the Pundit-Clay dance.

One of the most interesting experiences Clay had

this year was the panel-discussion with Pundit on "Dating."

The honor of Clay beauty queen was bestowed on Nancy Kindsvater. She was chosen for her charm, personality and talents.

The club extends thanks to Mr. Wilcox who has helped to make this another outstanding year.

Members of the Browning Literary Society come to the close of their third eventful year with the hope that they have done much to further true literary work in Westport, to provide stiff competition for the older societies and to give members a chance to develop whatever literary talents they may have. Browning's scholastic requirements limit membership to those who are seriously interested in the study of literature and creative writing.

This year's programs included a series of studies on

American literature, beginning with the revolutionary period and proceeding to contemporary works.

Outstanding social events of the year were the Dana-Browning Christmas party and the annual Dana-Browning banquet at which Miss Phyllis Johnson was crowned as Browning's beauty queen. Phyllis is known among her classmates for her charm, pleasing personality, qualities of leadership and high character.

The club is deeply indebted for the help, guidance and inspiration so unselfishly given by the sponsor, Miss Edna Gales.

The Speech Arts Club is an established Westport institution founded in 1922. The purpose of the club is to afford each member an opportunity to study and develop his powers of oratory by taking part in programs made up of readings, poetry, drama and oration. The motto of the club is "The word utters the many voices of the personality."

Until this year Miss Alicia C. Keeler was the sponsor of Speech Arts. Upon her retirement, Miss Edna Gales, speech teacher, succeeded her.

Each year Speech Arts sponsors an oration contest. Winners of the contest this year were Leatha Fiedler and Ray Price.

Members of Speech Arts Club participate in such things as debating, fall and spring plays, the oration contest and assemblies.

Janet Carp and John Barth had leading roles in the fall play, "We Shook the Family Tree."

The Jules Guerin art club is one of the oldest organizations in Westport. It was formed in 1923 with Miss Shelton Wilhite as faculty sponsor. Under her able leadership, the club has continued to meet since that time.

The club is named after Jules Guerin, a Missouri artist, who gave the club a portfolio of twelve of his paintings.

The Jules Guerin motto is "Paint True Reflections." To be eligible for election to this club a pupil must have completed one semester of high school art. One of the

purposes of the club is to further art and use it to do good for others. This year at Christmas the members made scrapbooks for the children in the contagious ward at Mercy Hospital. In one of the club programs Mr. Lawrence Sickman from the Nelson Art Gallery gave a talk on Chinese cave temples.

This year eight Jules Guerin members won awards in the Scholastic art contest.

Each year the seniors contribute a piece of art work to be kept in a portfolio belonging to the club.

# Stage and Screen

Stage and Screen Club members prepared the sets for the spring and fall plays. Here, they are putting final touches to the stage for "We Shook the Family Tree." Left to right: Robert Custer, Bill Gaffney, Nancy Coolidge, Miles Pope, Clifford Lambert.

The Stage and Screen Club has given another year of valuable service to Westport. It has played an important part in the production of the fall and spring plays, and management of assemblies.

Stage and Screen provides practical experiences for its members. This takes in lighting, scenery, properties, make-up, prompting and ushering.

Among the club's activities, one most prominent this

year was the preparation of floats for the parade promoting the school levy.

Stage and Screen Club plans to install a make-up table, a tool box and shelves to improve the efficiency of the production staff.

The annual picnic climaxed the year's work.

The club extends hearty thanks to Miss Beck, who has donated her time to help make this another very successful year for the Stage and Screen Club.

## Monitors

The monitor staff, under the able supervision of Mr. Ray Dice, is one of the school's most important service groups.

During the year the monitors have performed their often unappreciated tasks conscientiously and efficiently.

Due to their constant vigil, the cafeteria has been kept orderly and the halls quiet. The innumerable problems confronting the monitors have been successfully solved.

Westport would indeed be lost without its monitor staff.

## CO-OPERATIVE EDUCATION

The Co-operative, Occupational, Education course is open to juniors and seniors, sixteen years of age or over, interested in specific job training. Mr. Shelley Peters, the C. O. E. co-ordinator, helps students in selecting jobs that will coincide with their interests and abilities.

As for credit received, two units of credit per year are earned through C. O. E., one for "on the job" and another for class work. A minimum of fifteen hours per week is required of each student. Those enrolled must also attend school for two or more hours per day, thus getting in their required English, history and mathematics. The hour per day in the classroom with Mr. Peters is spent studying insurance, buying, selling, standards and labels, credit, leisure time, consumers research, and many other subjects.

Jobs vary with the student. Office work, nursing, clerical work and merchandising are a few of the many jobs at which they are trained. A regular pay check helps with school expenses.

C. O. E. presents a new type of education and one that has, through many experiences, shown its value.

## HEALTH CENTER

"Service with a smile" characterizes the selected girls who manage the health center. In giving up their study hall time they gain experience in caring for ill fellow students, thus giving service to Westport.

They do such things as take temperatures, make students comfortable, apply first aid, notify parents, file and keep records. They learn practical home nursing and facts about health which will be useful to them later in life. Under Miss Cecilia Burke's supervision they learn how to make and apply good bandages, what to do for burns, cuts, bruises, sprains and broken limbs. In after school classes they discuss and learn about such problems as cancer, heart disease and poliomyelitis.

Westport's health center assistants deserve the thanks and appreciation of all the students.

# Plays

A scene from the fall play: the Dolsons (left), played by Raymond Price and Margaret Foreman; Hildegard and Freddie (center), Janet Carp and John Barth; and the Sbermers (right), Jerry Osnower and Jackie Oliphant.

In rehearsal for the spring play are (left to right) William Abel, Janet Carp, Don Irish, Raymond Price, David King, Clinton Newman, Gene Bohi, Leatha Fiedler, Corinne Goodmon, Bob Hunt, JoAnn Woolsey, and Bob Sells.

## WE SHOOK THE FAMILY TREE

Westport's fall play, "We Shook the Family Tree," written by Perry Clark, was presented December 10 and 11. "We Shook the Family Tree" is a hilarious play portraying a teen-age girl's attempt to leave the wall-flower class. The heroine, Hildegard, has a date with a mysterious admirer for the big dance. The admirer turns out to be Freddie, the son of her father's employer. These dotting parents insist on keeping Freddie in short pants. Hildegard's attempts to get Freddie out of short pants for the dance start a scandal that threatens Mr. Dolson's reputation. Despite contrary beliefs, the plot finally unwinds itself and Freddie gets his first pair of long pants.

The play was double cast. The cast and play were chosen by Miss Wheeler, Miss Gales, Mr. Ward, Mr. King, and Miss Brubaker.

## THE GHOST TRAIN

Westport's spring play, "The Ghost Train," written by Arnold Ridley, was presented April 22 and 23 in Westport's auditorium. "The Ghost Train" is a spine-tingling mystery. The story takes place in a supposedly peaceful Maine village. A party of travelers, fortunately for the audience, miss their train and are stranded in an old railway station for the night. They are haunted by an old superstition of a ghost train that forecasts death to all who see it. The rebirth of the superstition is due to the actions of rum-runners and smugglers who use it to screen their evil actions. The criminals are finally apprehended by the apparently witless Scotland yard detective.

The cast and play were chosen by Mr. King, Miss Gales, Miss Wheeler, and Mr. Ward.

The Westport band and orchestra deserve high tribute for their splendid service in '48 and '49. Under the direction of Mr. Wallace Fike, they have contributed much to Westport High School. Mr. Fike came to Westport in September of 1948 from Northwestern University. In spite of the fact that he was teaching his first year at Westport, Mr. Fike has made it a busy and successful one. Pupils who have had the opportunity for band and orchestra training under him leave Westport with a finer appreciation for music.

The band and orchestra have given much of their time

to play for football and basketball games, P.T.A. meetings, assemblies, school plays, R.O.T.C. inspections and other affairs. The band played also at the Army Day Ceremony for the 110th Engineers, and marched in the American Royal and Armistice Day parades. They also attended the band competition festival at East High School on March 25. Both band and orchestra gave a wonderful performance at the annual band and orchestra concert Friday, March 18, in the Westport auditorium. 1949 has been a successful year for Westport's instrumental music groups.

The a cappella choir participated in a number of varied and interesting concerts this year. The group's initial performance was for the Westport P.T.A. They also took part in the annual Christmas assembly, a KMBC radio broadcast, and the city-wide Christmas program, under the direction of Hardin Van Deursen, at the Music Hall. With the other music classes, the choir gave their spring concert, "The '49ers," and fol-

lowed it up with a concert at Quivera Country Club, featuring some of the show's numbers. They entered the city a cappella festival given each year for the high schools. Their final concert is planned for the night of commencement, honoring the graduating seniors.

Both the a cappella choir and the glee club had the pleasure of working with the following men: Robert Shaw, Lara Hoggart (Fred Waring), and Austris Wihtol.

The boys of the choir provide the balance necessary for a harmonious chorus. Appearing in the spring concert were Ronald Higbly, Bill Evans, Bob Wiltermood, Ben Raines, Jack Lundberg, Erik Luplau, Neil Wathen, Lewis Sappenfield, Albert LeMieux, Roy Sharp, Phil Gilmore, Ray Martinez, Bob Cartwright, Herbie Levine, Donald Rose, Ed Sorley, Phil Lambert, Johnny Miller.

# Glee Club

The sextette, popular girls' group, sang for many outside programs as well as for school activities. Perhaps their two greatest thrills came when they appeared in the '49ers program, and when they sang for a convention of teachers from all over the country. Margaret Foreman, Peggy Pickett, Betty White, Pauline McWilliams and Harriet Whitehouse are seniors, while Colleen Ludlum and Alice Larson, accompanist, are sophomores.

During the year, the glee club had many opportunities to sing at many different places in Kansas City. Their first appearance was at the School Masters Club, held at Junior College. Soon after, the girls sang at the following places: Trinity Methodist Church, radio sta-

tion KMBC, the Nelson Art Gallery, and the Grand Avenue Temple during Holy Week. The glee club took part in the Christmas and spring concerts.

All in all, this year's group did a very fine job under Mr. Spring's direction.

The W Club has many activities during the school year. After the regular Interscholastic League season, the first team lettermen are given a banquet at the Green Parrot Inn. Also, on Senior Day, a picnic is given at Swope Park. Everyone who is a member of the W Club may attend, along with many of the club alumni.

Membership in the W Club is not earned easily. Most members have received their "W" in football or basketball, although boys who earn tennis letters are also eligible for membership if they wish. A boy really earns his small gold "W" which is the symbol of the lettermen's club.

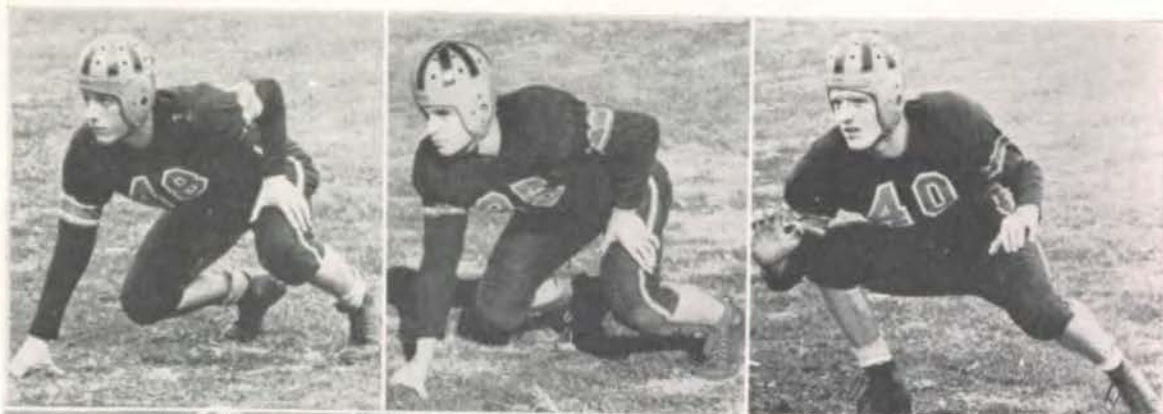

LEFT TO RIGHT: Hilbert Altis, Don Moore, Clifford Terry, Gene Bobi, Dick Cook, Bob Kearney, Bob Thomas, Walter Trueblood, Gary Yarrington—coming off the field after a 19-12 victory over Southwest.

### WESTPORT 18    ROSEDALE 6

Never threatened, the Westport Tigers made it look almost easy as they scored in the first three periods of the opening game, played on the Rosedale field. Outstanding were Don Moore, who made a 76-yard sprint in the first quarter, and Glenn Flomerfelt, who starred both on offense and defense.

### WESTPORT 33    EAST 7

Opening Interscholastic League play with a good start toward a fine season, the Tigers literally ran over the East Bears in every period of play. With Dick Cook, Walter Trueblood and Don Moore scoring, the Tigers counted five times during the game. Trueblood kicked three conversions.

### WESTPORT 15    MANUAL 0

Playing a steady game, the Tigers overcame the Manual Red-Birds. After a slow first half, the Tigers scored a safety, with Kenny Tomlinson and Clifford Terry stopping the man behind the Red-Birds' goal line. Westport's two touchdowns were scored by Dick Cook.

### WESTPORT 0    PASEO 6

The Paseo Pirates dealt the championship hopes of Westport a great blow with this upset. The Tigers couldn't seem to get up any steam. In the second quarter, Dick Cook was injured and this seemed to undermine the morale of the Westport team.

### WESTPORT 13    SOUTHEAST 6

The Tigers jumped back into the winning column again with the defeat of a fine Southeast team. Westport scored in the second and fourth periods by constant hustling. An outstanding performance was turned in by the game captain, Clifford Terry.

### WESTPORT 19    SOUTHWEST 12

The Tigers seemed to explode right in the faces of the Southwest Indians. In the first three quarters they rolled up yardage in every way possible. At the end of the third quarter the score was 19-0, with Don Moore doing the honors. In the fourth period the Indians picked up a spark and scored two touchdowns.

### WESTPORT 0    NORTHEAST 7

Battling for the championship, the Bengals showed that they were a fine team by holding the strong Northeast eleven to one unearned touchdown. This occurred in the third quarter when a punt was blocked and recovered in the end zone. Except for this one short break, the game was one of the most evenly matched contests ever played.

### WESTPORT 7    CENTRAL 2

Not fully recovered from the blow of the preceding game, the Tigers trailed by a score of 0 to 2 until the last quarter. Finally Dick Cook and company started through the Central line for a touchdown. Cook also kicked the extra point.

Overcoming a halftime deficit of 11 points with only seconds remaining, a determined Westport cage team triumphed over the De La Salle Cadets in their season opener. Kenny Tomlinson and Dick Cook, with 11 and 10 points respectively, paced the Tigers.

#### WESTPORT 39 LILLIS 42

A favored Lillis team rallied in the final minutes of a basketball thriller to edge out a fighting Tiger team. Having already played eight games this season, Lillis was favored to win by a wide margin, but the fast moving Tigers proved to be almost a match for the Green and White.

#### WESTPORT 34 REDEMPTORIST 22

The Westport cage team overwhelmed the Redemptorist Rockets on the Redemptorist court. Scoring was slow through the first half, but the second half opened with a barrage of points, the Tigers building up a lead that held for the rest of the game.

#### WESTPORT 30 MARYVILLE 32

An underdog Westport team came within two points of edging out a powerful Maryville cage squad, but they couldn't quite make it. Hustling all the way, the Tigers could never overcome the substantial lead that Maryville had built up.

#### WESTPORT 44 WASHINGTON RURAL 46

The Tigers lost another pre-season thriller to the Washington Rural Wildcats on the Wildcats' Court. Leading all the way, the Wildcats were never overtaken, although they were hard pressed by the Tigers throughout the game. This game was another of the heartbreaking thrillers we lost this year.

#### WESTPORT 41 ALUMNI 54

Westport's alumni squad trounced the varsity in the annual basketball battle which is a feature of homecoming day. Going ahead in the first minutes of play, the alumni kept the lead throughout the game.

#### WESTPORT 36 CENTRAL 28

The Westport Tigers rallied strongly in the late minutes to win going away from the Central cage team in the opening league game. Although the Tigers were favored to win without much trouble, Central came within one point of tying it up, and Westport had to turn on the steam to defeat the Eagles.

#### WESTPORT 33 SOUTHWEST 26

The Southwest Indians were the victims of Westport's fast and fancy Tigers in the feature tilt of the second round of league play. Despite the fact that they had trouble finding the basket, the Tigers used a fast break and a rugged defense to lead all the way.

#### WESTPORT 44 PASEO 34

A hustling Tiger team, sparked by Bob Kearney, upset the Paseo Pirates for their third straight league victory. The underdog Westport team led almost all the way to triumph over the Pirates 44 to 34.

#### WESTPORT 20 EAST 22

The East team kept the ball in the deep freeze for the entire 32 minutes to defeat the Westport Tigers in a slow-starting, rough game. The lead changed many times but when the final gun was sounded the Tigers had come out on the short end of the score.

#### WESTPORT 41 SOUTHEAST 54

Westport's vision of a share of the Interscholastic League basketball crown was considerably dimmed when the Southeast Knights trounced the Tigers. The Bengals held the lead until late in the second quarter, but then the Knights took over and Westport never could make up the deficit.

#### WESTPORT 30 NORTHEAST 34

A cold Tiger team tied up the score eight times and got brief leads twice, but couldn't stave off its third league defeat as Northeast won by four points. Bob Kearney was high point man for the Tigers with 10 points.

#### WESTPORT 32 MANUAL 31

The Manual Redbirds went down before the Westport Tigers in the final league tilt for both teams. What looked at first like an easy Westport victory turned out to be a hair-breadth escape for the Tigers as they defeated the Redbirds on Bob Kearney's free throw with only 30 seconds to play.

#### WESTPORT 37 CENTRAL 25

Led by Kenny Tomlinson, the Westport Tigers defeated the Central Blue Eagles by 12 points in the first round of the De La Salle subregional tournament. The Bengals got off to an early lead and dominated play throughout the game.

#### WESTPORT 33 LILLIS 38

A fighting Tiger team couldn't quite make the grade in a give and take battle with the Irish of Lillis in the second subregional round. Lillis was favored to win easily, but the Tigers stayed within two points of them for most of the game. In the last quarter, the height of the Lillis team was a factor in making them the victors.

#### WESTPORT 42 HOGAN 43

The Tigers met defeat at the hands of the Hogan Rams in the consolation contest of the De La Salle tournament to end the basketball season. The game proved to be one of the closest battles that Westport had fought all year. The Tigers went ahead late in the last stanza to tie it up, but lost out in an overtime period.

## SECOND TEAM BASKETBALL

FRONT ROW, LEFT TO RIGHT: *Charles Goodman, Erik Luplau, Jim Pendleton, Bill Greenstreet.*

SECOND ROW: *Robert Wilkinson, Cecil Foley, Ken Rubl.*

The second team basketball squad, though small and inexperienced, made a good showing. Most of the underclass basketball players were used as first team reserves this year. It is certain that the experience they received will help the 1950 team.

## TENNIS

The Tiger tennis team did not fare too well at the state tournament held at Columbia, Missouri, last fall. The fortunes of the draw brought them up against the favorites in both singles and doubles first round matches. In the singles, Dick Carroll lost to Grundlach of St. Louis; Jack Nixon and David Windsor lost to Belt and Sneed of Jefferson City in the doubles.

The annual interscholastic tennis tournament was

held at the Rockhill Tennis Club, October 11 and 12. Dick Carroll and Jim Pendleton represented Westport in the singles; Jack Nixon, Jim Ege, David Windsor and Cecil Foley in the doubles.

Carroll, Nixon and Ege reached the semi-finals before being downed. Carroll lost to Ellis Bryon of Southeast in the singles; Nixon and Ege were defeated by Hess and Mitchell, also of Southeast, in the doubles.

# Girls' Physical Education

The girls in the physical education department have participated in many sports this year. There have been three playdays—field hockey, basketball and recreational sports. These playdays have given the girls who take part in intramural sports an opportunity to compete with girls of other schools in Kansas City.

Sports included in the intramurals were soccer, volleyball, shuffleboard, swimming, field hockey, basketball, softball, aerial darts, table tennis, badminton and archery.

This year, dancing was included in the activities once a week. Social, modern and square dancing were all taught. The accompanist for the dancing was Mrs. Gayle T. Chubb.

Included in the eighth grade and freshman classes was the study of health. Since health and physical education are so closely related, the study of health is taught by this department.

There are various awards which can be achieved by participating in intramural sports. The first award is the eighth grade award which is earned by taking part in three team sports and one individual sport. The freshman award or small shield is won by participating in three additional team sports and one individual sport. The next award is the large shield, earned by participating in three team sports and two individual sports. To earn the "W" a girl must take part in four team sports, two individual sports, and she must also earn four credits which include sports managing, refereeing, umpiring and participating in a playday, either individual or team.

The next award is a bar to be worn with the "W". Another award is that of being a Westport Immortal. This award can be obtained by outstanding service to the department in any of the remaining years after the sophomore. The senior pin is the second highest award and the service award is the highest, given to the five most outstanding seniors who have earned all the other awards.

To win any of these awards a girl must spend a great deal of time both before and after school. Many times she must sacrifice other activities in order to participate in the sports.

The requirements for these awards are arranged to give a girl a well rounded knowledge and skill in all the sports.

ABOVE: The basic forms of tennis, as the forehand swing, are taught.

CENTER: Volleyball is a group sport in which all classes participate.

BELOW: Square and social dancing are important parts of the departmental program.

# R.O.T.C.

The Westport R.O.T.C. unit has grown remarkably during the year, under the supervision of Captain Charles W. Green. By his pleasing personality and untiring effort, he has inspired the cadets with a desire to exert themselves to the highest degree. Under the capable leadership and instruction of the sergeant instructors, Master Sergeants William A. Story and Ralph L. Parker, a wonderful spirit of cooperation now exists between the cadet officers and cadets.

No matter what phase of R.O.T.C. training is presented, the cadets show an active interest and strive for the best results.

In practical drill, they give their time and attention to developing a battalion that is clocklike in its precision of movements. In theoretical study they are diligent and acquire knowledge that develops quick and accurate thinking as well as a store of essential information.

Rifle marksmanship is particularly stressed in the R.O.T.C. training at Westport. The cadets fire on a regulation fifty-foot range in the basement of the school. The Westport Rifle Club is affiliated with the National Rifle Association in Washington, D. C. Awards for shooting are provided by the Association for those cadets who can meet the requirements. The medals range from Pro-Marksman to Distinguished Rifleman, furnishing the various stages of becoming an expert with the use of a rifle. Two of our riflemen qualified this year as Expert Rifleman, namely Sergeants Clinton Newman and David Bucknam.

At the annual R.O.T.C. circus held in the Municipal Auditorium, April 2, Westport presented a number that

placed the battalion as one of the outstanding units in the city. The presentation of our crack drill squad, the *Tiger Twelve*, in the most spectacular and most intricate movements in special drills, evidenced the fact that this unit is a superior drill organization and is quite capable of comprehending the most involved features of tactical operations.

This year, the Westport rifle team and crack drill squad were sponsored by the Cummings-Leeman American Legion post number 130. This financial support purchased jackets for the rifle team, and special uniform equipment for the drill squad.

The highlight of the R.O.T.C. social year was the annual ball, held at the Athenaeum, May 6. Music for this affair was furnished by Jimmie Lenge and his orchestra, with Martha Savage doing the vocals. This ball marked the first time in the history of the Westport R.O.T.C. that invitations were extended to school circles other than military.

Although by taking military training in high school, the cadet becomes better fitted to serve his country in case of a major emergency, he is under no greater obligation to enter the service than is anyone else. *The real mission of the Reserve Officer's Training Corps is to awaken in the student an appreciation of the obligations of citizenship, and to prepare him to discharge his duties as a citizen.* In order to accomplish this purpose, the drills and lectures are especially designed to give the cadets strong, healthy bodies, to develop leadership, to encourage respect for law and a readiness to help enforce it, and to build character.

## Rifle Team

STANDING, LEFT TO RIGHT: Maj. Glen E. Lush, 1st Lieut. Kenneth Curran.

KNEELING: Sgt. Clinton Newman, Sgt. Francis Rusb, Sgt. David Bucknam, Sgt. Paul Stalker.

An important function of the R.O.T.C. is the training and development of students in the principles and practice of rifle marksmanship. To accomplish this purpose, Westport is excellently equipped with an exceptional shooting range, completed just in time for the fall firing season, having eleven fine army caliber .22 rifles, and yearly allowance of government ammunition

sufficient to provide 100 rounds for each R.O.T.C. student. Each year a rifle team is chosen from the best marksmen to represent Westport in match competition with the teams of other schools. Although this year's team lost several matches, they placed third in the city match for the second consecutive year, and next year holds bright hopes for a championship team.

## LOOKING IN THE CRYSTAL BALL

New Year's Eve in the year 1999, at the home of Miss Corena Belknap, we found the graduates of '49 gathered together to relate the past and future happenings and rendezvous. As you know, Miss Belknap has again retained her maiden name after her sixth divorce. She really threw a good open house party enjoyed by all.

Barbara Edwards, editor of the New York Tribune, was seated at her typewriter eavesdropping on all the latest gossip and gab.

Mrs. Nancy Titus DeLong was unable to attend the party because of the beverages consumed at her first wedding anniversary celebration last week. Admiral DeLong was with her at her bedside.

The entertainment started early because of the arrival of Earl Stockwell at 5:30 p.m. Earl didn't want to be late, and his "Hot Rod" '49 Studebaker convertible won't go over forty miles an hour down hill. The Stockwell City National Bank went bankrupt in 1950, and Earl has been unable to purchase another automobile.

Dazzling Jean Pattison Moss and her husband drove up in their new Buick convertible. They were a little late because Jean insisted on leaving the children with her mother since their baby sitter just can't resist Dick.

Wherever we looked we saw mistletoe. In his corner, Bill Isenschmidt, owner of Isaacs' Pool Parlor, was playing pool with his charming wife, Dottie Branstetter. In another dark corner we observed Dick Gunn, Neil Wathen and Dwight Golden improving the punch, with gingerale and 7-Up of course. Gene Bohi and Bob Thomas, the gay bachelors, were nervously discussing the danger of another leap year. What women haters! They shuddered as Mr. and Mrs. Bob Peterson entered with their nine children. The Petersons have a family baseball team, and are professionally known as the Punting Putty Petes.

A late plane from France brought the ravishing Miss Dottie Connell, head fashion designer of Paris.

Flash!!! At one minute before twelve o'clock midnight, rushing so as not to miss the new year's toast, Mr. and Mrs. Carl Ellington and Mr. and Mrs. Hilbert Altis entered after witnessing the basketball game of the season. The Exploding Ellington Boys met the Atomic Altis Five. In the boxes were Jerre Mueller Ellington and Thelma Mainquist Altis, cheering their boys on to victory. However, as might be expected, the game ended in a tie, as both teams were descendants of former Westport All-Stars.

The center of attraction was, as usual, Harriet Whitehouse with her jokes. Rolling in stitches were Helen Fisher and Joanne Novoa, who never could resist a good laugh.

Secrets do escape, and rumor has it that Buster Johnston is now managing the new Folly show in Kansas City. A big question in his mind is who will he appoint director of dance routines—could it be Ben Raines? Ah! What a wonderful life!

Speaking of the theater, Janet Carp has made quite a name for herself on Broadway. Her leading man is Ray Price, who was beckoned by all film and playwrights after his graduation.

Miss Johne Thornberry of the New York Philharmonic Orchestra entertained with a few numbers on her angel stringed harp.

In her new model electric push button wheelchair sat Nancy Hass, recovering from an acute attack of laughtitus, suffered from falling off her chair at a recent bridge party given by Mrs. Ginny Maier Ireland.

Six foot ten, Henry Bear is still the lady killer of the century. Henry has grown a few inches since his high school days, and is now coaching football at Missouri University.

Gloria Davis and Corinne Goodman brought along their applications for their "Old Maids Home" founded in 1949. There seems to be a vacancy since Mrs. DeLong (Nancy Titus) moved out.

Don Moore spent the whole evening looking for a seamstress to sew on a few buttons which popped off while showing off his Atlas tricks learned while on the Westport varsity.

Calmly observing the evening was Mrs. Charles Hogan, formerly Barbara Madden, knitting blue and pink booties for the increase in population.

In closing this bedlam as fond memories fade away for another year, our eyes grow dim with tears and we are awakened once more to the reality of our wheelchair on the sunny veranda of the Dr. Margaret Foreman Home for the Aged and Infirm.
