# Across The Atlantic

From France to the U. S.

The American Field Service gave me the opportunity to see, to understand, and to love America which became my second mother country, of which Westport is the heart.

Renee Laurent

From the U. S. to Sweden

Lance Jessee spent the summer of 1960 in Stockholm, Sweden. He was one of 800 American students who traveled abroad through the American Field Service. He traveled through the Netherlands, Germany, and Denmark. He stayed with Doctor George Praner and his family, who live on an Island near Stockholm. While there, Lance visited with Kerstin Lija, our foreign exchange student of two years ago.
