MARJATTA SEPPA

FOREIGN EXCHANGE STUDENT

Marjatta Anna Katrinia Seppa, our foreign exchange student from Volkeakoski, Finland, has shared our senior year with us here in America at Westport. She stayed at the home of the John Bowser family.

Marjatta has been accepted as a good friend of everyone who has had the opportunity of knowing her. She has participated in many activities here at Westport--Pundit Literary Society, of which she was chosen "beauty queen"; Pep Club; and CRIER Staff--to name only a few.

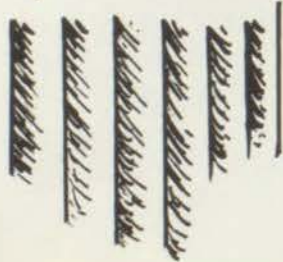

Marjatta's future is somewhat uncertain; however, nursing and journalism are her two main interests, especially journalism. She would like to take advantage of the English she knows by being a correspondent for a newspaper.

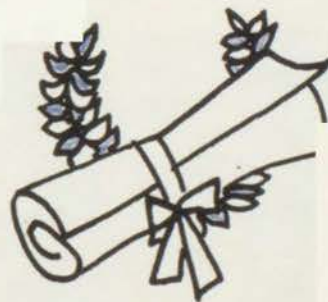

Marjatta arrived in Kansas City on August 9, 1962. She will have to leave near the end of June to tour other parts of the United States before going back to her home in Finland sometime in July.

Before she arrived here, Marjatta had many ideas how we Americans would be--all wrong. Marjatta thinks we are warm, kind, informal people. She has gotten this impression from all the friends she has gained at Westport. Marjatta says, "All the Westporters have been simply wonderful to me, and I have enjoyed every minute of my stay. When I go back home, I will tell about my experiences; Westport will always be my dearest memory. I have had a great time here--thank you all!"

BOB SEAY

SANDRA WORKMAN

The Seniors of '63 have worked this past year to make worthwhile contributions to Westport, to carry on her traditions, and to meet the challenges that have been presented to them. Senior activities this year have been numerous and varied. The first activity of the year was the election of Class Officers. Later, the 70th Annual Homecoming, the seniors, led by Frances Smith, welcomed alumni and planned for the election of Homecoming Queen. This year seniors made arrangements for a new, improved sketch of Westport to be used for senior announcements. Seniors have also taken active parts in other school activities, including the publishing of the CRIER and the HERALD. For the first time, the seniors wore tassels with the numeral "63" on their graduation caps. As in years past, the class presented a gift to the school. The traditions of Senior Day, the Junior-Senior Prom, the Senior Breakfast, and the Baccalaureate Service have been carried on and will remain as memorable occasions for the Class of 1963.

IN MEMORIAM

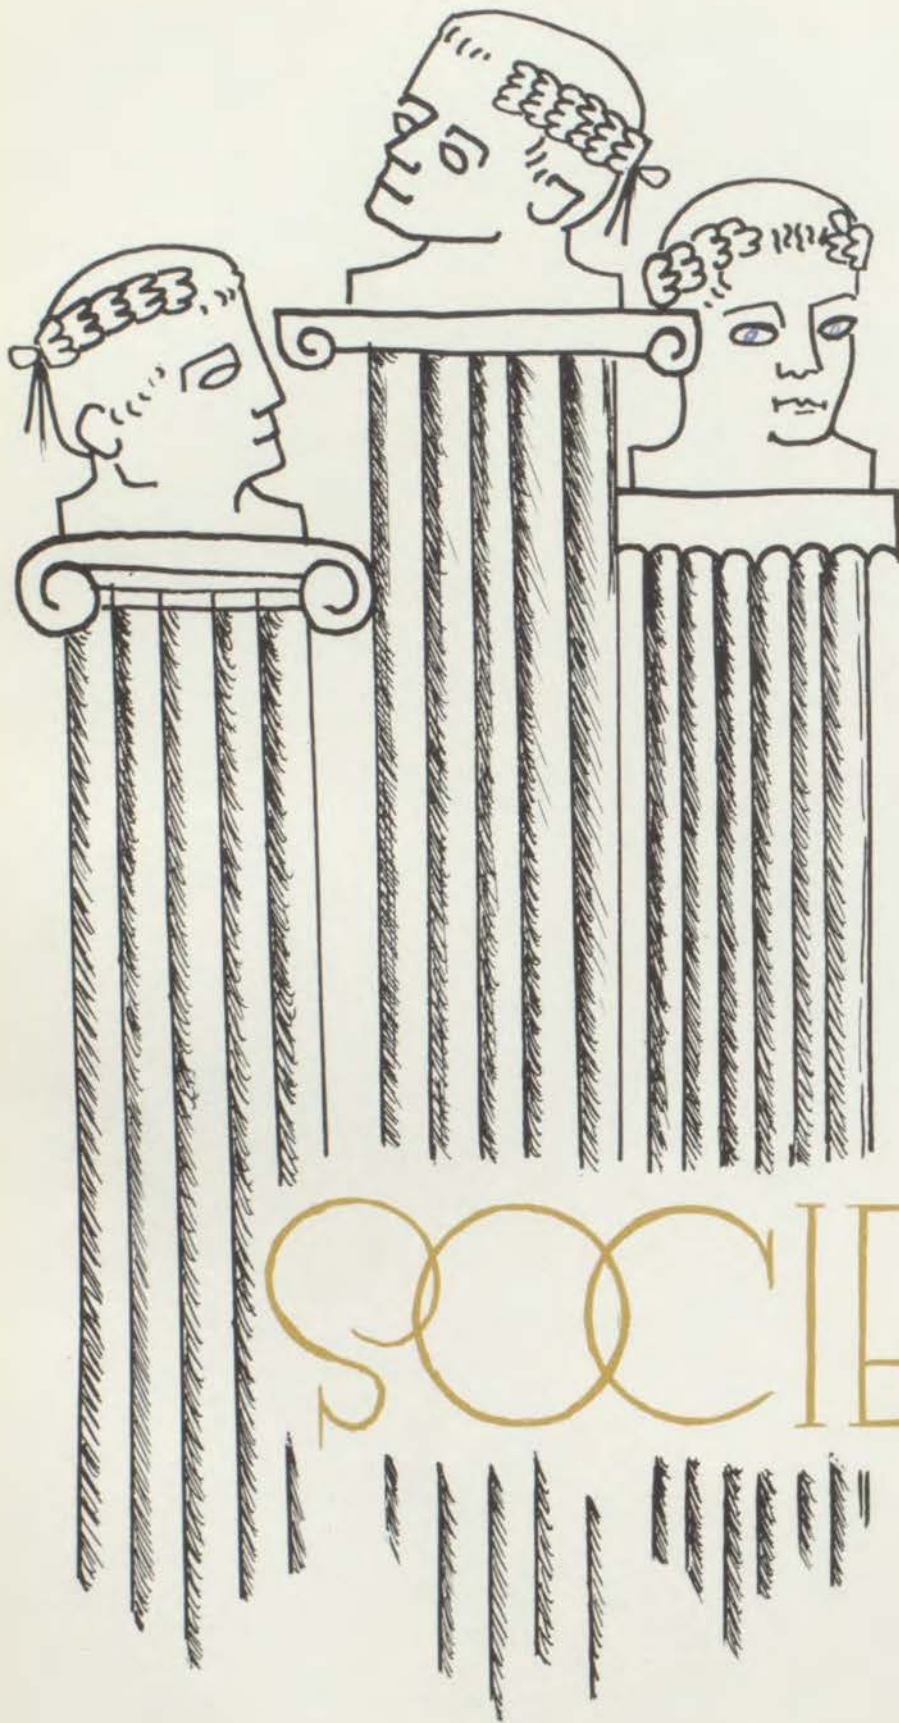

Miss S. Eugena Fairchild, a member of the faculty at Westport High School, died on August 29, 1962, in a Kansas City hospital.

Miss Fairchild transferred from Central Junior to Westport in 1942 as a Physical Education teacher. She began teaching Biology and Family Living in 1954.

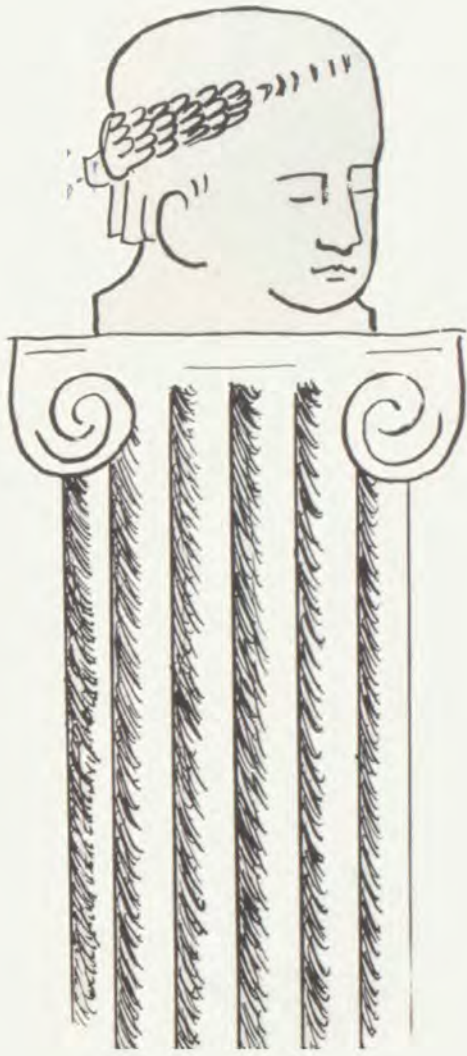

Miss Fairchild received her Masters' Degree from the University of Michigan.

Miss Fairchild was very active during her lifetime. She was President of the Missouri Association for Health, Physical Education and Recreation in 1954; a member of the National Educational Association, Missouri State Teachers Association, Kansas City Educational Association, Association of High School Women, and a member of Pi Lambda Phata.

Those who knew Miss Fairchild knew that she was great teacher, as well as a good friend. Her spirit will always remain with us here at Westport.

It is doubtful that there are two better managers in the whole city. They have worked hard for all of the teams. They do all their managerial duties well, and often go out of their way to help the coaches and team members. For all of these services we are deeply indebted to Clarence and Marshal.
