Our Foreign Exchange Student--Iris Frank

We are delighted this year to have Iris Frank from Vienna, Austria, as our foreign exchange student. She has been staying with the Ernest Thompson family.

Before coming to Westport, Iris had traveled through Germany, Italy, and Switzerland on dancing tours and performances. She has been dancing for nine years. Another of her talents is playing the piano.

Iris wishes to thank the students of Westport for making her feel so welcome. She says, "They don't give me time to get homesick, and I love it."

She has been active in many activities such as Promethean Literary Society, Pep Club, La Danse Moderne, Midtown Youth Council, and Tiger Den Board. She was elected Best Dancer on the Senior Ballot and Beauty Queen for Promethean Literary Society.

The only sad part of her being with us is her departure. She will be leaving sometime in June to tour the United States before her return trip to Austria.

Iris wishes to extend to every Westporter her most sincere "Thank You" for making this year such a memorable one. She invites everyone to visit her in Austria.

DANA LITERARY SOCIETY was founded in 1946 with the idea of giving its members an opportunity to express themselves in writing. Our motto is "Art is long, life is short." Our colors are green and white.

Browning Literary Society is our brother society. This year's sponsors were Mrs. Martha Carlock and Mr. Dale Bellerose.

Promethean

"Look upward, not downward: look forward, not back; and lend a hand," is the inspiring motto that guides the members of Promethean Literary Society.

Taking our name from the Greek god of fire, Prometheus, we are constantly reminded of the importance of giving of ourselves to the betterment of the world around us. We strive to foster the appreciation of literature, encourage original literary efforts, and promote the best interests of Westport High School.

"Though we know that someday we'll be parted," the friendships we've made among our Promethean sisters will always be remembered.

PUNDIT LITERARY SOCIETY was constituted in 1908 and is the oldest of Westport's Literary Societies. As the name PUNDIT means "wise Hindu," PUNDIT took as their motto "Weigh, Consider and Express," the finest ideals of literary art. PUNDIT'S motto also expresses the purpose of this society.

Wilson Literary Society was founded in 1952 in honor of President Woodrow Wilson. Wilson's "sister" society is Pundit Literary Society. The society colors are white and gold. Wilson operates under the motto: "I would rather fail in something I knew was right than succeed in something I knew was wrong."
