year at Westport.

Westport is like a fine diamond. As a diamond has many facets, Westport also has many facets. Included in these are Activities, Learning, and Involvement by Westport's variety of students. As a diamond's many facets come together to form a beautiful stone so do Westport's students come together to form a beautiful school.

Westport Alumni

No high school in America has had a richer heritage than Westport. At one time we had more Rhodes scholars than any high school in America.

Westport has produced experts in every field. Some have become world famous.

While we are naturally proud of our distinguished graduates, we did not forget the less distinguished.

The 72-73 Herald is dedicated to all of Westport's alumni. We do this in the hope that all Westport students and graduates will be proud of what Westport has accomplished in the past and will work to accomplish more in the future.

Ewing Kauffman graduated in 1934. He is now owner of the Kansas City Royals and owner of Marion Labs. While here at Westport, he participated in many sports. His wife is pictured with him.

Mark Foster graduated in 1943 as Herschell Hall Perrine, Jr. During high school he was in Student Council, and ROTC. He's now a well-known disc jockey.

General John T. Throckmorton graduated from Westport in 1930. While here he was Student Council President. Since graduation he has gone on to become a General.

Accomplish Great Things

Charles B. Wheeler, "Class of 1942", is now Mayor of Kansas City. While here at Westport, he was Sports Editor of the CRIER.

Lester Milgram, Chairman of the Board for Milgrams food stores, attended Westport High School until 1931. He was in band and orchestra.

L. Dorothy Fasci graduated from Westport in 1920. She retired in 1971 after teaching in the K. C. public school system for 48 years, 13 at Westport.

George D. Curts graduated from Westport in 1934. While here he participated in ROTC, Chorus, and was in the Senior Play. He went on to become president of Curt's Lab. Inc.

Administrators

Mrs. Mary Roberson was elected to the Kansas City Board of Education January, 1972 and represents the Westport area. She is a housewife and is very active in the PTA.

This beautiful and interesting yearbook was the product of real dedication and commitment on the part of the HERALD staff members and sponsor. Under Mrs. Heatherly's professional guidance these staff members have demonstrated unusual initiative, resourcefulness, and imagination and have honored the proud Westport tradition of excellence in yearbook taste and quality. As the beneficiaries of their toil and devotion, each of us will in the years ahead cherish this HERALD for 1973 as a priceless possession, a unique and vivid record of our friends and of our memorable experiences here at Westport.

Sincerely,
Edgar E. Curtis

Mr. Edgar E. Curtis, principal, has been at Westport for three years. He obtained his bachelor of science degree at Central Missouri College and his master's degree at the University of Missouri at Kansas City.

Communicate With Students

Mr. Louie K. Ward, a vice-principal, received his B. S. degree from Harding College, Sercy, Arkansas, and his M. S. degree at Central Missouri State.

Although the administrators were involved with problems of discipline, attendance, activities and many other issues of school life, they always had time to talk with students individually. The six-hour day which was initiated this year by the administration proved to be successful and paved the way to a smoother program.

Mr. Stroud addresses the class of '77 at orientation.

Mr. Donald Blakely, a vice-principal, has a B. S. degree from Oklahoma State University and a M. A. degree from Central Missouri State University.

Mr. William Stroud, assistant to the principal, has a B. S. degree from Langston University and a M. S. degree from Kansas State College at Pittsburg.

Good Counselors

The list of duties were many for Westport's counselors. This year's staff included Katie Holley who counseled seniors, Gladys Burtin who counseled juniors, Robert Short who counseled sophomores and Marilyn Bryant who counseled freshmen. The eighth grade was divided up between them. Clarence French worked with the vocational students. The counseling department was responsible for seeing that each student received maximum benefit from his educational experience in preparation for life in our rapidly changing society. The counselors also kept lines open with school personnel, community workers, colleges, and others who could render valuable services to a student. Their main objective was to guarantee each student a well-adjusted high school life.

Mr. Robert Short, head of the counseling department, handles the tenth grade. He holds B. S. and M. S. degrees. He has been at Westport six years.

Mrs. Katie Holley is the senior counselor. She holds A. E., B. S., M. S., and M. A. degrees. She has been at Westport eleven years.

Mrs. Martha Fetters is the counseling secretary. This is her fourth year at Westport.

Lack No Clients

Mr. Clarence French is the vocational-technical counselor. He holds B. S. and M. S. degrees. This is his second year at Westport after several years absence.

Mrs. Gladys Burtin, junior counselor, is in her second year at Westport. She holds B. S. and M. A. degrees.

Mrs. Marilyn Bryant, freshman counselor, came to Westport this year. She holds B. A. and M. A. degrees.

Counselors help in solving the problems that happen in everyday school life. Mrs. Burtin takes time to help Andrewson Belcher.

Good Teachers Make

Thelma V. Bowen, head of the English department, has been at Westport for twelve years. She has B. S. and M. A. degrees, and attended Missouri University and Northwest Missouri State University.

We had something new in the English Department this year. Eighth grade students were enrolled when the Common Learnings classes were abolished. Miss Anita Murphy was a bright new addition this year. Our English family is composed of people who have proved their worth through years of service and hours of over-time duties. The Department continued to be concerned with the teaching of English skills and hoping that we can impress upon our students the importance of communication of all types: written, spoken, and classroom participation.

The "Brothers Voelker" continued the team teaching in world history. The citizenship teachers were Mrs. Vidal, Mrs. Bartle, and Mrs. Dietrich. Mathematics Provides A

Mr. Donald Nelson, mathematics department head, attended Missouri University, Iowa University, Kansas State University, University of Missouri at Kansas City, and Pittsburg State. He holds B. S. and M. S. degrees.

Previous learning in mathematics provided the basis for future learning and therefore, it was essential that the mathematical curriculum be provided in a systematic and developmental manner. Math experiences began on a simple level and progressed to a more mature and abstract level. It was consistent with our beliefs that our school should offer a program in mathematics that meets the needs of each individual; that functional instruction in the basic concepts should be provided for all students; and that additional courses should be provided for the more talented and interested pupils.

The science department offered a variety of selections for the student. They were eighth and ninth grade general science, human science, biology, ecology, earth science, introduction to physical science, physics, and chemistry. We brought into our courses the application of sciences to life. We hoped to have shown the student that science is an attitude, a method, an activity of man, who is interested in finding out more about his natural environment.

Fine Arts Add Color To

This year Westport had a very strong fine arts department. Composed of art, drama, speech, and music, this program was designed to give the student a chance to express himself. It helped train students to use their skills of imagination and self-expression in order to express their ideas clearly. The teachers were: Richard Pond, Betty Ortner, Don Zimmerschied, and Mike Roach, art; Donavon Mabbott, music; Duane Miller, instrumental music; and Clark Powell, speech. Through these teachers, students learned to be creative, and learned many things that will help them in later life.

Carl Pond is head of the fine arts department. He attended Kansas State College and has B.S. and M.A. degrees. Mr. Pond teaches design, drawing, and drama.

Clark Powell: B. A. , Student Council Sponsor, Speech I, II.

Industrial education courses at the senior high school level were offered on an elective basis for eight semesters. The industrial arts programs were designed to provide the students with an opportunity to locate and develop interests and aptitudes in a wide range of subjects. Subjects studied provided students with an insight into major industries. Through the use of projects and lab situations, desirable habits and attitudes relating to work and worker relationships were developed.

Charles Vest: B. A. , M. A. , Wood, General Shop.

John Heinz: B. S. , Electricity.

William Gamble: B. A. , M. A. , Wood.

Students For Life

William Franken: Bendix for four years, Technical School for five years.

The Vocational-Education department at Westport was taught by Paul DeGeorge, Lee Davis, and William Franken. These courses were set up to prepare students for jobs directly out of high school, if they have no interest in going on to college. Many fields today do not require a college education and that is why the vocational classes were initiated.

Mr. Vest exchanges ideas with Otha Higgins.

Stephen Gillespie: B. S. , Drafting, Shop.

Paul DeGeorge: B. A. , Graphic Arts.

Lee Davis: B. S. , Commercial Art.

Physical Fitness

The girls' physical education department this year was one of the busiest departments. Miss Carol Madison taught two classes. Mrs. Mildred Patterson taught five classes. Miss Marie Pusateri taught five classes also. An active intramural program was carried on that enabled girls to participate in basketball, softball, hockey, tennis, and volleyball. Girls also learned proper sportsmanship and the ability to develop skills and use them correctly. They also learned good health habits and personal cleanliness.

The boys' physical education department was proud to receive two new teachers this year, Mr. Leo Blountt and Mr. Elmer Neal. Mr. Blountt taught five classes and Mr. Neal taught two classes. The department offered a varied curriculum by having students participate in softball, basketball, wrestling, tumbling, calisthenics, and track. These activities taught boys to develop their individual skills and also to work in a team effort. Coach Pat Murphy also taught boys' physical education classes while teaching and coaching the football team.

Leo Blountt: B. S. , Boys' Physical Education.

Elmer Neal: B. S. Boys' Physical Education.

The overall goal of the home economics department was to strengthen personal, home and family living through helping students to appreciate the importance of the home and family in our American way of life and to establish values which gave meaning to effective personal, home and community living. The wide scope of our curriculum helped our students to gain a greater appreciation of the joys and satisfactions to be derived from successful family living.

Modern Resources Serve

Mrs. Jeanne Farrand, head librarian, has been at Westport for nine years. She attended Kansas State Teachers College, Kansas Wesleyan, and Central Missouri State College. She holds B. S. and M. S. degrees.

A new feature in Westport's Resource Center is the selection of paperback books. Many new books were received and available for the students' use.

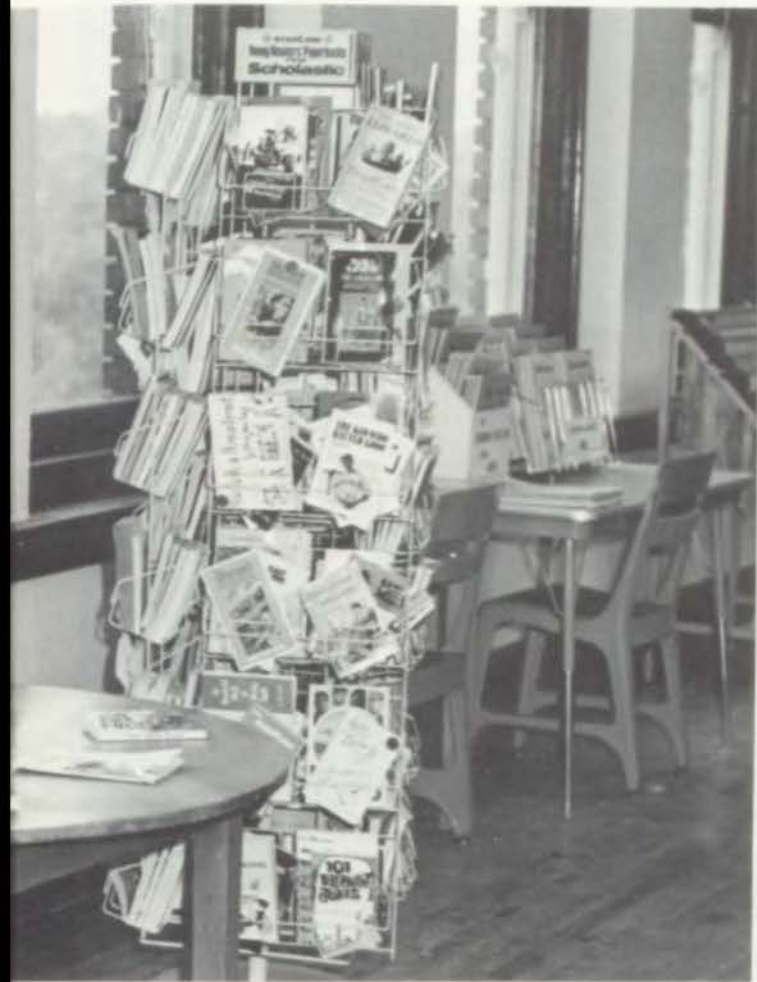

This year Westport High School lost a library and gained a new Resource Center. It was twice as large as the old library, and contained some new furniture, new books, and new audio-visual equipment, designed to help the students in the learning process.

Plans for the Resource Center began in November and December of 1970, when Mr. Curtis began to study the problems of modernizing the old library in a manner more consistent with modern concepts. He knew that because of an inadequate number of books, limited seating, and a shortage of library personnel, few students used the library. The scarcity of filmstrips, records, slides, tapes, and other materials, vital to a Resource Center added to the problem.

Early in 1971, Mrs. Jeanne Farrand, the librarian, department heads, and Mr. Curtis, met with representatives from the central office to discuss plans for modernizing and enlarging the library. In May, 1972, school representatives met with Mrs. Marnie Neal, the Director of Library Services, to investigate the possible space for a larger library.

The group's final decision was that the new Resource Center would need new shelving and furniture, sound-proof ceiling and floors, audio-visual materials, more books, and a larger staff of library personnel. The group sent a written proposal to the central office requesting these items; and, under Title II of the Elementary and Secondary Education Acts, we received books and audio-visual materials.

Students Well

Mr. Carlos Biggs, assistant librarian, handles the library's records.

The sound-proofing will be installed in the foreseeable future.

A modern Resource Center was important for several reasons. It was essential if the curriculum was to give depth and enrichment and provide for the diverse talents, interests, and needs of students. It had to accommodate individual differences. The habit of reading a broad variety of material was limited until a modern Resource Center was provided. Above all, students were able to consider the library as a friend.

Peggy Henry (LEFT) and Linda Rozenblit assist Mrs. Farrand in the library.

The Eighth Grade class was one of the most spirited classes at Westport this year. The great "CLASS OF '77" was very active in many school activities including the Homecoming Parade, Christmas Baskets, Adoption of an orphan at Christmas, and other activities.

For the first time eighth grade elections were held early in the fall instead of during the spring so the class could participate in more school functions.

Also this year the old concept of "Common Learnings" was abolished and our new schedule was divided into history sections taught by Mrs. Ray and Mr. Roark and the English bloc taught by Mrs. Farris and Mr. Austin.

The Eighth Grade class remained under the sponsorship of Mr. Roark and it flourished as in the past.

Mr. Short, counselor, helps Orlando Nelson with eighth grade problems.

Gwen McDaniels mingles with many puzzled eighth graders at orientation.

Miss Tidwell discusses an English problem with Candy Rohm.

The freshman class claimed the largest number of students again this year. Mr. Davis continued as freshman sponsor.

The students displayed enthusiasm and class spirit in collections for class members and their relatives when it was needed as well as sales for different school projects.

Athletics played an important part in the lives of this group. Freshmen were involved in football, basketball, and track.

Sophomore candidates for election in 1972-73 were few. With four elected sophomore officers to carry out class business, sophomore obligations were met head-on. These four officers worked diligently to become active in Westport student affairs. They proved to be a true representative body of their sophomore class.

In accordance with tradition these officers strived in support of their Christmas orphan. The 1972-73 sophomore class experience proved one important fact to these officers--politics is an up-hill battle and hard work. They were courageously looking forward to their junior year and more fruitful days.

The junior class proved to be one of the most spirited classes in Westport. Though they had much competition, they won the Spirit Week trophy. The juniors excelled in all activities. Many of our sports superstars were juniors and showed much incentive for next year. Their sponsoring of the prom displayed good organization and showed much respect for their guests. The class of '74 exhibited many traits of well-rounded individuals which prepared them for their senior year.

COE Students

The COE, Co-operative Occupational Education program was a joint effort between the school, and business and industry to provide young people an opportunity to discover their vocational interests and to develop a degree of occupational proficiency by performing real work in business and industry.

Students, while on the job, were bona fide employees and had to assume the duties and responsibilities of regular workers.

However, learning not earning, was the primary objective of the program.

Southwestern Bell Telephone Co. continued to sponsor the LEAP program. Mrs. Carlotta C. Mason, Mr. Virgil L. Blaine, and Mr. Fred Marschel of Southwestern Bell Co. were co-ordinators of the program.

"To thee we shall be ever loyal and true, striving always to do service for the gold and blue."

These were words uttered by the members of the Westport A Cappella Choir. The choir of 72-73 not only improved in talent but also in size. The choir had many opportunities to perform this year. In all the performances the choir proved that they were a dominant and unique organization.

They believe in the inspiring power of great traditions and high ideals.

This article wouldn't be complete without mentioning the fine director, Mr. Don Mabbott.

The choir had great pride & respect for him not only as a teacher, but as a friend.

Cadets Develop Their

The R.O.T.C. trophy case opened last year, is already full of trophies won by the battalion.

WESTPORT ROTC CADETS teamed up this year. It was a great experience.

The ROTC program had a lot going for the men this year, especially those men who wanted to get the most out of military training.

What the cadets learned in the program can be useful to them. Most of the experience and training the men got just wasn't available in any other program on the high school level.

They received practical experience in organization, map reading, and leadership development. They found out what teamwork means.

Cadets learned military history and the military role in current events. They developed a full appreciation of our national heritage.

The stage crew handled the lighting and sound equipment at the different programs put on here throughout the year.

The counselors' assistants helped with filing, ran errands, and offered all-round good service.

The cafeteria monitors assisted teachers and vice-principals in maintaining a good atmosphere in the lunchroom.

Gym monitors proved to be a great help to the gym teachers by monitoring the doors, and holding down the traffic.

Former Teachers Leave Memories

Mrs. C. Paul Leathers

Mrs. C. Paul Leathers, a civic leader and founder of the Citizens Association, taught at Westport for several years following her graduation in 1921 from the Kansas City Teacher's College. During the war years, she taught as an unassigned substitute. She made many contributions to our society. Both her son, Tom Leathers, editor of the Country Squire, and her daughter, Mary Montello, are great supporters of Westport.

Mrs. Florence Totten taught here at Westport for 45 years, from 1918 until her retirement in 1963. She taught typing and shorthand. She received her Bachelor and Master degrees from Kansas University. She majored in business and minored in Languages (both Latin and German).

She's been active in the Flying Jayhawks. This is a Kansas University alumni group, whom she went to London with in April of 1972 and Germany in April of 1973. She belongs to the University Women's Club and the Womens Chamber of Commerce in addition to many professional clubs.

STUDENT COUNCIL EXECUTIVE BOARD (LEFT TO RIGHT); Marilyn Simmons, Shelia Johns, Waldo Wade, President; Susan Boyd, Vice President; Rita Rodriguez, Mala Gupta.

Student Council had a large membership this year. Support was high and much was accomplished. During the fall Student Council sponsored the football homecoming.

To raise money they sold tickets to a concert by The Joint Session. At Christmas Student Council sponsored an orphan and helped with alumni homecoming.

F. T. A. (Future teachers of America) originally began as a club for people interested in a teaching career. The club still functions, but more on service to the school. This year F. T. A. members adopted an orphan at Christmas, and ushered at various school events, such as open house, homecoming, and commencement. Other F. T. A. activities were a new members' drive and money-making projects.

The Tigerettes were the dedicated group of girls who assisted Mr. Freeman our wrestling coach, in keeping score and statistics for Westport's wrestling team. In addition to the paperwork, these girls also helped promote spirit at the wrestling meets by cheering the guys on to victory.

Their uniforms this year were brand new, adding style to their dedication. The wrestling team probably could exist without the Tigerettes, but without them, a lot of important things would go undone.

Year of Hard Work

Faculty members enjoy the Quill and Scroll banquet.

Mary Villa and LaDonna Brotherton study the brand new yearbook.

The Quill and Scroll members held their annual banquet last year at Stephenson's Apple Orchard.

Not only members attended this affair, but parents, faculty members, and administration as well.

Members received their yearbooks with a signing party following the dinner. It was an evening to be remembered and enjoyed by all who attended.

Randy Gray, Senior of 1972, and Francie, 1972-73 HERALD editor, relax after the banquet held at Stephenson's.

Randy Cox makes an attempt to play hero at the after party held at King Louie West.

Barbara Guerra and her escort dance to the music of The Aggregation.

Couples dance their way into Love Land.

The 1972 Junior-Senior Prom was held in the Bellevue Hotel on May 13, 1972. The theme Love Land was carried out well by the Junior Class officers who chose the colors yellow and white as color scheme. Following the prom a large number of the couples ice skated, bowled, and played pool at King Louie West.

Head Coach Murphy and Coach Davis help out Tigers in time of need.

This year was a rewarding year for the Westport Varsity Football Team, as they ended up with a winning record of 5-1-0 in league play. This was the best team for Westport that head Coach Murphy has experienced to coach. This season has brought back spirit to Westport that will remain for the year 1973 and for the future.

Miles and Davis hit against Rockhurst.

New coach at Westport was Coach Blount. Here he checks the plays for mistakes.

Although our Freshmen looked unsuccessful from the standpoint of statistics, they profited from their experiences. Their record was two wins and five losses, but this tells us nothing about their learning to work together as a team. This, along with sportsmanship, is something these boys were learning, and this is what will make a team with such great potential an all-star team in the future. The Freshman team was coached by Jim Voelker.

The 1972-73 Freshman Basketball team was coached by Clark Powell. The season was one of victories and losses, both of which gave the freshmen the vital experience needed to become one of the best Varsity teams we may ever have. The freshmen learned fast, remembered their mistakes, and corrected them. By doing this they tasted the sweet success of victory and will try even harder to maintain this goal, by remembering what it was like to participate in a great victory.

VARSITY WRESTLING TEAM This year's was coached by Mr. Freeman. Under his guidance, the team set out to crush all of their opponents. With this attitude they had a very successful season. For the first time our wrestlers had new one piece uniforms.

JUNIOR VARSITY WRESTLING TEAM The J.V. team, also coached by Coach Freeman, gained much experience and proved their potential to all wrestling fans. Many of the wrestlers on this team will move up to Varsity positions next year. Being on Junior Varsity helps them to learn invaluable wrestling skills.

Westport welcomed some new faces during the course of the year. We lost a Vice-Principal. Downtown recognized Mr. Blakely's potential, and promoted him to a new job. This was a great loss to Westport, as the students and faculty alike had grown to love him.

In his place they sent us Mr. Kemp. Although he was only temporary, he proved to be a great help to the administration.

We then received our permanent replacement. Mr. Leon Turner took over as assistant to the Principal, and did a fine job throughout the year.

The Seniors of '73 have been winners all the way. As eighth graders we were the biggest class in the history of Westport. In freshman football we took second place. The sophomore year brought school spirit. With sophomore cheerleaders they won spirit week. As juniors we put on the best prom ever. Now as Seniors, we again had winning athletics and are graduating with one of the biggest classes ever to graduate from Westport.

High School Achievements

Go placidly amid the noise and haste and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story.

Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be a greater and lesser person than yourself. Enjoy your achievements as well as your plans.

Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism.

Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment, it is perennial as the grass.

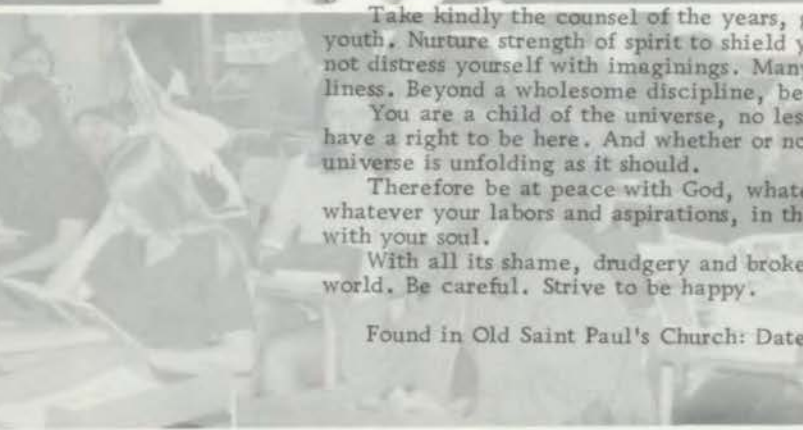

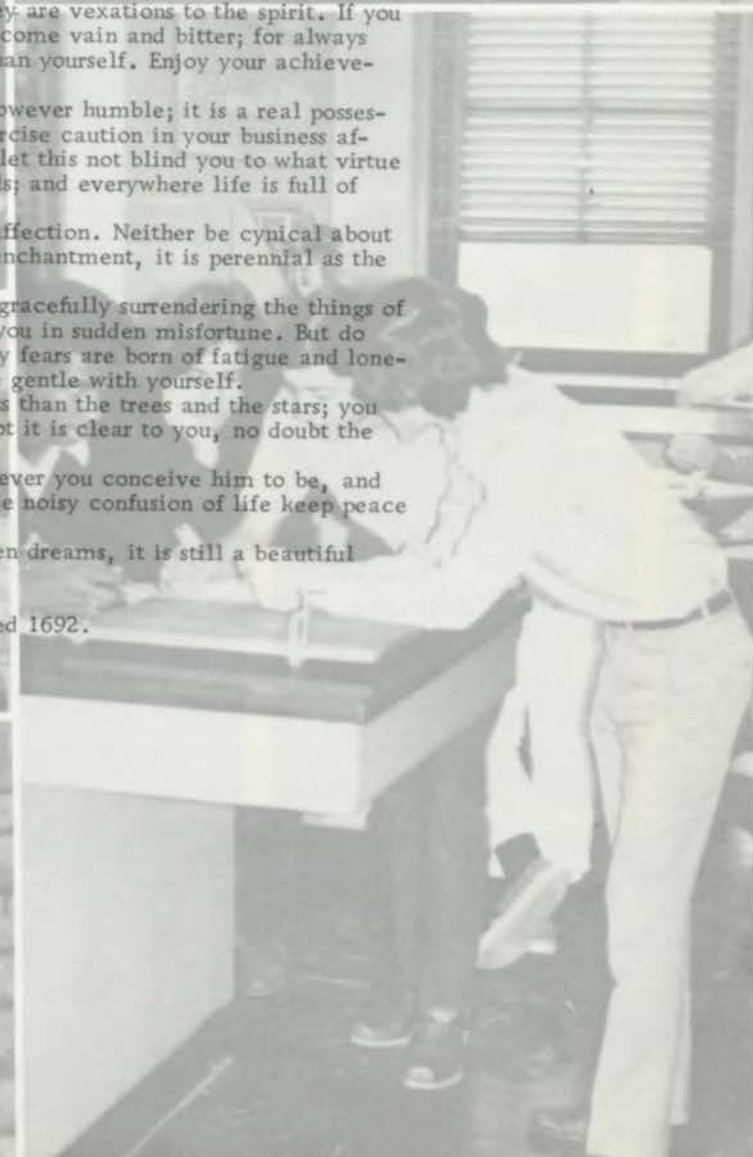

Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself.

You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.

Therefore be at peace with God, whatever you conceive him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul.

With all its shame, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

Do you remember when you were in the eighth grade?
The halls seemed so long, the teachers so big, and
Seniors so old.

Well that was a long time ago! Or was it? Only five
years. Is that so long? I bet you thought the time would
drag, but here it is all of the sudden!

Now we are the Seniors, the Class of 1973, and as the
1973 Herald is dedicated to the alumni, from the night
of graduation on it is dedicated to us.

One day we are the Seniors, the very next we are the
alumni!
