# In Loving Memory Of

## Ms. Carla Jean Townsend

Carla died in April of 1979 at Lakeside Hospital. Although she is no longer with us her loving memory will forever be instilled in our hearts.

Carla was one of Westport's most liked students. She was a Key player on the Girls Varsity Basketball Team. During her two years of playing, she gained the titles of Most Valuable Player, High Point Scorer, and Best Defensive Player. In honor of her achievements, Westports Coaching Staff now gives an annual Carla Townsend Award to the Most Valuable Player of the season.

Carla would have walked across the stage with us this year, so we offer this small token of respect. Even though she can't be with us we will remember her forever.

We offer our deepest regrets to Carla's family and loved-ones for the great loss they have suffered.

# What Makes It Work Is

Principal, Edgar E. Curtis, has guided the administration of Westport for eleven years. He has seen many changes in the seventies and looks forward with characteristic optimism to the eighties.

In a rare moment, Mr. Curtis is seen seated in his office rather than "stepping out" through Westport's halls at a jogger's pace.

# Good Administration

Vice Principal, William E. Stroud holds a B. S. from Langston University and a M. S. from Kansas State College. His responsibilities are working with attendance, distribution of lockers, the reduced lunch program, discipline and identification cards. Mr. Stroud has served as an administrator at Westport for eleven years.

Franklin Walker is Westport's newest vice principal. He has been at Westport for two years. Sharing in student supervision, handling extracurricular activities, bus transportation, security program, assembly program and cafeteria management are his responsibilities. He has a B.S. from the University of Arkansas and a M.A. from U.M.K.C.

Vice Principal, Louie K. Ward, has served as an administrator at Westport High for fourteen years. Mr. Ward's responsibilities include distribution of report cards, schedules, assisting with discipline and book room operation. He holds a B. S. degree from Harding College, and a M. S. degree from Central Missouri State.

# Counselors Stepping Out In Guidance

Clarence French is in his twentieth year of counseling at Westport. He received his M.S. and B. S. degrees from Kansas University and his counseling degree at U.M.K.C. He has a wife and three sons. One of his hobbies is golf.

Mrs. Gladys E. Burtin has been here at Westport for ten years. She is married and has two daughters. Mrs. Burtin received her Bachelor's degree from Central Missouri State and Master's from U M K C. She is one of the sponsors of the Student Council.

Marthajane Sell has been at Westport for two years. She came to us from Lincoln Academy. She received a B. S. degree from Kansas City Teacher's College and a M. S. from Central Missouri State and attended the Conservatory of Music. She enjoys gardening, building and traveling.

It's not often that you can be a TV star. But that's exactly what happens every time you do business at our new TV motor bank at Armour & Main. We see you, and you see one of our attractive tellers, and all you have to do is sit in your car. Of course, if you're camera shy, we have a beautiful new lobby, too. At American Bank, we aim to serve you better, and we do.
