Many words of thanks to Carmen Austin, who never tired of checking to see what work needed to be done.

We, the Yearbook Staff, hope that we have captured something of interest to each of you and that you will spend many enjoyable moments as you reminisce over the past school year.

The yearbook was a new experience for each of us; nevertheless, we feel that we have accomplished a great feat. We have learned from our mistakes and, hopefully, will not make the same ones next year.

We sincerely thank everyone who helped to make this book a reality.
