Leading Us Through Another Year

The 1990-91 school year has been a year to remember. We have seen "the best of times and the worst of times". We have seen the old in Westport tumble and the new built up. We've experienced both joy and sadness. Through it all, the students and staff have made this year one of the most rewarding in Westport's history.

I am very proud to have served as Principal of Westport Business Technology and Communications Magnet High School for the 1990-91 school year. The successes have been many: the FOOTBALL team was co-champion; the VOLLEYBALL team and the Girls' BASKETBALL teams had their best records in recent history; our SWAS PROGRAM led the district in almost every category all year; more students made the HONOR ROLL; one of our students was highlighted as one of Kansas City's most outstanding by CHANNEL 4; PROJECT CHOICE continues to thrive along with SCUP; many of our students had the opportunity to participate in SHADOWING PROGRAMS with local businesses; and we are establishing a communications school complete with TV and radio studios.

Congratulations to students and staff for all our successes, and to the graduating seniors. We'll miss you.

In the 4 years that Willon has been a cheerleader, she has made a tremendous contribution to the varsity level. The squad appreciates this and hopes the best for her. She plans to attend Florida A&M University and become a 'Mighty Rattler'. Her major at this time is nursing. When she earns her nursing degree she plans to go back and get her Associates degree in Law. Willon has a positive attitude towards life and we look forward to many great things from her.

Major Authority!

Above all that, Lisa is an intelligent young lady and is expected to do many great things.

Sands earns Coach of Year

KANSAS CITY, Mo. — For the second time in five years, former Marshallite Jesse Sands has won Kansas City's Interscholastic Coach of the Year honors.

Sands, whose parents Mr. and Mrs. Jesse Sands reside in Marshall, is in his seventh year coaching both the varsity football team and girls varsity basketball team at Westport High School in Kansas City. This season he guided his Tiger football squad to a 6-5 overall

record, but an impressive 5-1 district mark which earned it a championship.

"The award really surprised me," said Sands, who won the award for the first time in 1985. "It is quite an honor for me and the coaching staff. I think (Westport) has got the greatest coaching staff in town. I'm very proud of those guys."

Sands was an all-state standout for the Pemberton High Panthers in Marshall and graduated from the school in 1962. The building that once housed Pemberton High is now part of Wiley College.

Mirice Sands, Jesse's mother, said she is proud of what her son has accomplished, but was not surprised that he earned the award a second time.

"He loves the kids and has a special patience for them. He is good natured and has a good personality. Everybody likes him," she said.

"He's my only son and I am so very proud of him," she added. "It would be nice if he could coach in Texas so we could see him more, but he is happy there and he's doing great things for the kids at that school."

Westport coach predicts title for his Tigers

By RON MOTT
Staff Writer

Westport Coach Jesse Sands said his Tigers will be the team to beat in the Interscholastic League this season. Period.

The Tigers, who finished 4-4 last season and open Sept. 7 against Bishop Hogan, will field virtually the same team they did last year. Most returning starters are juniors, with just three seniors competing, Sands said.

"If we are going to have an asset, it's going to be speed and quickness," Sands said. "That's our strong suit. We have spent a lot of time on foot drills in training camp."

Junior running back Steve McGowan and senior quarterback Steve Williams will showcase the Tigers' speed and quickness offensively. In addition, junior Robert

Embry, a bruising fullback at 6 feet, 250 pounds, will provide some power in the backfield.

Sands vowed that this season will not hold the question marks that greeted the start of the '89 season for the Tigers.

"We didn't think we would be that good last year because we had a lot of sophomores," he said. "But these kids rallied and we wound up with a .500 season. They're ready to play and they're eager to win. We're going to win it all. There's no doubt about that."

They Mean Business, Too!

Nine respected speakers kicked off the National Education for Business Week with an assembly addressing the students and staff at Westport. Among the speakers was Councilman Emmanuel Cleaver, who opened with an encouraging address. Also speaking were Cassandra Morgan and Denice Bolin from Commerce Bank and Kemper Services, and Sandra Campell.

Straight Talk From L.A.

Four former L.A. gang members met with our Tigers and told the straight-up facts about gang violence in south central Los Angeles. Teachers and students were stunned to hear them speak as they refused to "sugar-coat" their words in order for us to understand the seriousness of gangs and gang life.

Keep On Moving

The Westport Marching Tiger Band is moving on up. Dedication, concentration, and participation is the key to performing success. Every year our band is the only band from K.C. to tour to Indianapolis and perform in the Black Expo/ Circle City - Classic Parade, along with other bands from all over the country. Every year they march in the hot summer sun choreographing designs and shapes to make on the field for your entertainment. They also march in all the local parades until concert season. In concert season you will hear them perform classical music and see them perform in the district contest at CMSU in Warrensburg. Look for them at the next I.L. band contest. Keep on marching and moving!
