hospitable, honorable, and hopeful, and we will always try to keep the image of our school where pride shall never die.

Central's Leader

Mr. Daniel L. Britton, Principal

Mr. Daniel L. Britton

During these times when many people are being controlled by negative thoughts and emotions which have triggered irrational behavior, it is well for you as students of Central High School to stop; - evaluate and determine the best course of action which will enable you to keep a firm grip on reality. This will prevent you from being swept off your feet by waves of negativeness and enable you to seek and attain higher levels of achievement.

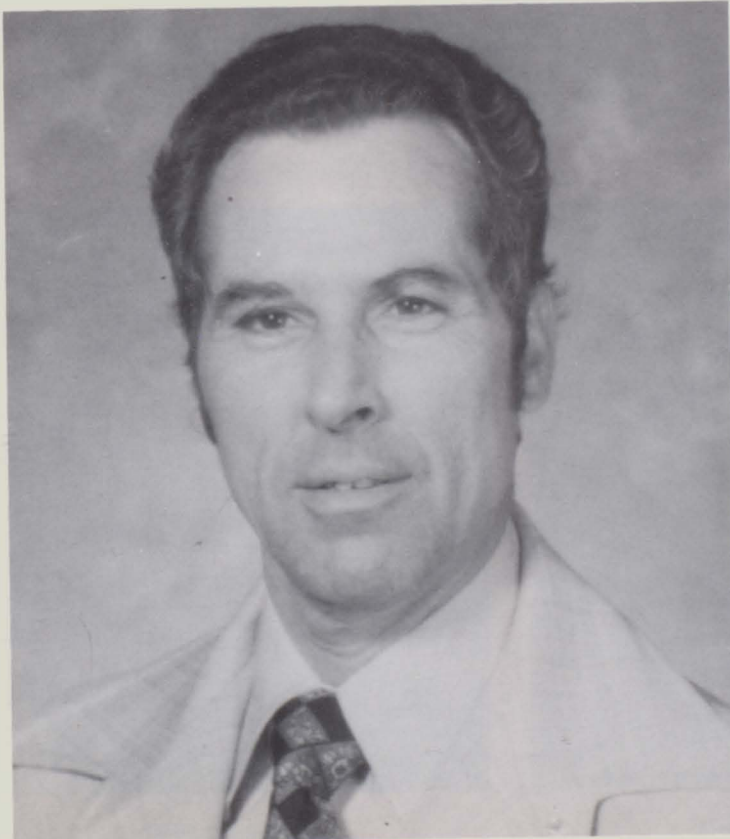

Resolve to find for yourself stability, peace and a sense of good judgement; excersing love and goodwill to others. In turn this will make your character "solid as a rock", and each student a tower-of-strength in himself.

"We can lift ourselves out of ignorance, we can find ourselves as creatures of excellence, intelligence and skill."

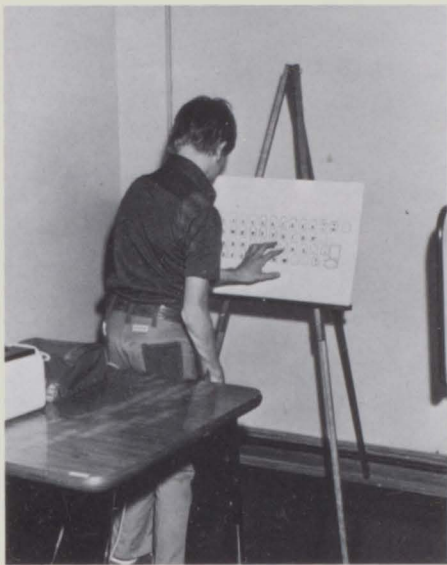

Art Design

"We have the freedom to be ourselves, our true selves, here and now, and nothing can stand in our way."

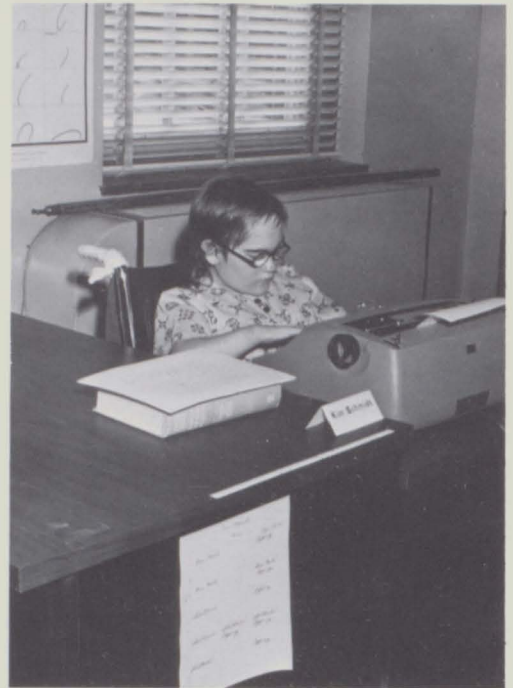

"I want only to share what I've found, to show those horizons out ahead for all of us all."

"Everything that limits us we have to put aside."

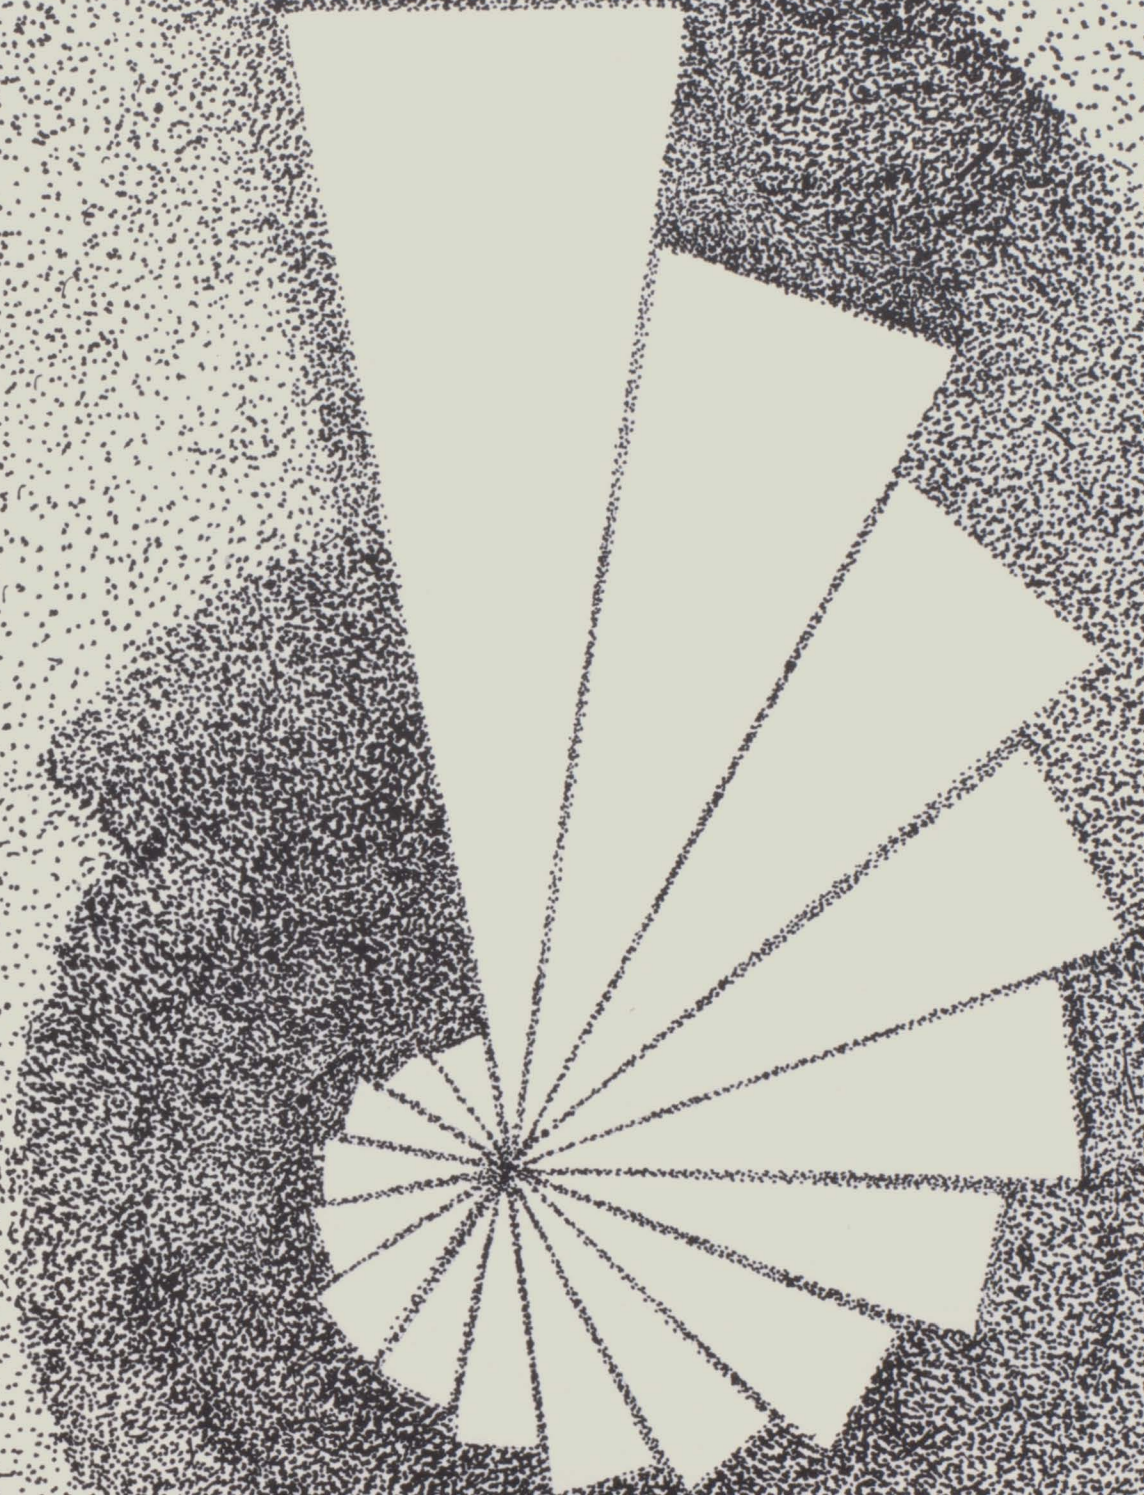

"The only true law is that which leads to freedom, there is no other."

“Freedom is the very nature of being that whatever stands against the freedom must be set aside, be it ritual or limitation in any form.”

Dedication

One of the most productive organizations in the Central High School community has been the Central Alumni Association.

Not only have they beautified our school, they have also bolstered the pride of the Central High students and alumnus in their school. The alumni Association is

responsible for founding the Central Pride Association. The Pride Association is dedicated to the proposition that all students take pride in their school and strive to excell academically, athletically, and artistically.

It is with grateful appreciation we dedicate the 1977 Centralian.

Whereas, the public image of Central High School has been improved by the favorable publicity that we recently received;
and

Whereas, the school plant is in better repair and has been made more aesthetically attractive; and

Whereas, the continued visits to classroom, to student and staff activities by Alumni members, demonstrate concern and support of Central High School; and

Whereas, this concern and support of Central Senior High School are demonstrated in concrete terms;

Whereas, such effort, dedication, and support are deserving of the accolade of all the people of the Central Community and particularly the Commendation of the members of the Central High School Staff;

Now, Therefore, Be It Resolved that the members of Central Senior High School do hereby and herewith commend the Central High School Alumni Association for service beyond the call of duty;

Be It Further Resolved, that these efforts be continued until we all have a school of which we can be proud.
