MR. GEORGE CALVERT

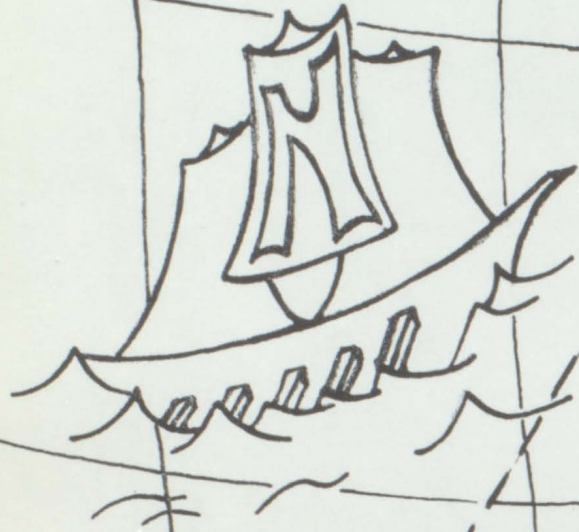

"REVIEW! REVIEW! REVIEW" You may well hear these words of advice resounding through the second floor corridor as Mr. Calvert once again rises to his cause to stamp out ignorance at Northeast. With his book of jokes and a perpetual knowledge of chemistry he has had the opportunity to view both the great and the not-so-great Vi-Kings and Vi-Queen (to use a favorite expression of his) who have passed through these halls. We at Northeast will never forget his enthusiasm as a teacher, as sponsor of the senior class, and as sponsor of the National Honor Society.

In expression of our deep appreciation, we, the 1967-68 Nor'Easter staff, would like to dedicate this book to you, Mr. George Calvert.

ADMINISTRATION

MR. WAYNE McKANNA

If ever you're in Columbia on a day the M. U. Tigers play, take a close look at the man sitting next to you. It may just be YOUR Principal, Mr. Wayne McKanna, watching his favorite team. Drop by his office. It's always open. He spends most of his time concentrating on the none-to-easy job of keeping OUR Viking Ship afloat, but he's always glad to take a few minutes of his time to discuss your current schedule or your future college plans.

In addition to this demanding job, Mr. McKanna serves as a member of the Board of Control of the MHSAA (Missouri High School Athletic Association) and Phi Delta Kappa.

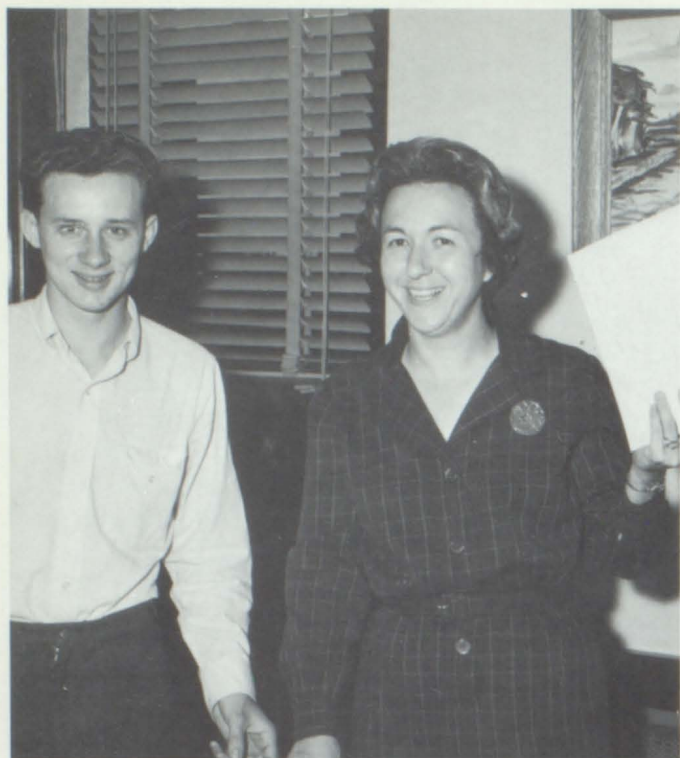

MR. JAMES RENEAU

A favorite of us all is Mr. James Reneau, Vice-Principal in charge of freshmen and juniors. Here is a man who is never too busy to help with problems that can and very often do arise within the many clubs and organizations here at Northeast. We, the students, greatly appreciate this interest and concern shown by Mr. Reneau in our activities. In addition to his many duties here, Mr. Reneau serves as historian of Phi Delta Kappa, an honorary, educational fraternity for men.

MR. DWIGHT HEATH

Completing his second year at Thou Dear is Mr. Dwight Heath, Vice-Principal in charge of sophomores and seniors. His quiet, efficient, and friendly manner is well known to the students as well as to the teachers. Equipped with a B. A. from C. M. S. C. and a M. A. from U. M. K. C., Mr. Heath has successfully proven his administrative capabilities.

MISS ANNEKE MUSKEE

To be a foreign exchange student is a great experience, but to attend Northeast High School as a foreign exchange student is the most wonderful experience one can have. This year will be relived in me over and over and I don't know how I can thank you enough for all you did for me.

I was really scared those first days at school, felt completely lost, didn't understand the teachers and was always late in class because I went to the wrong part of the building. But your great friendliness helped me to get used to all those strange and new things and made me feel real at home.

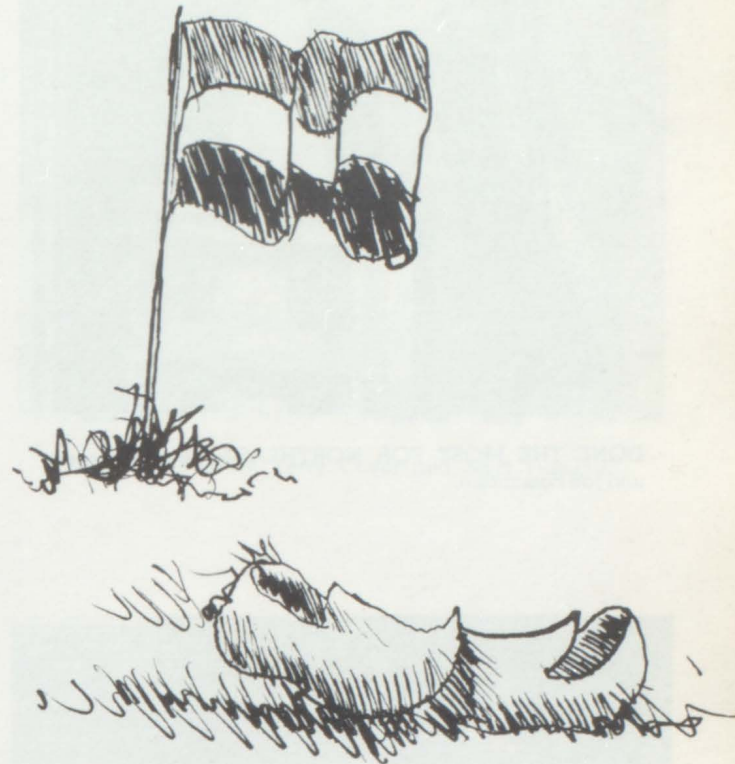

I had to get use to many new things such like: drive-ins with their hamburgers and hotdogs, Pep Club, societies, football (what I love, but still don't quite understand), the American slang words, bermuda shorts, and going to school by car instead of on a bicycle. But all this is now as normal to me as like I have lived here all my life.

At least I want to thank everybody who did so much for me and who made this year the most wonderful year of my life, especially my great American family who made me feel real "in" like a daughter and sister.

To conclude I want to write the sentence that meant so much to me this year and that will be engraved in my heart forever:

"Thou dear Northeast art the fairest of all
Peer of all others never to fall."

Much love and luck in the future and remember we will never say "farewell" but "see you later"!

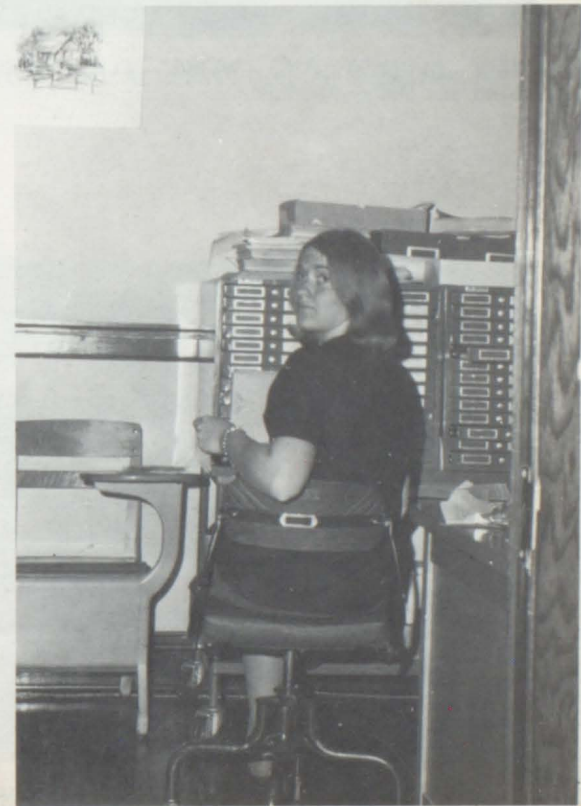

Annekee enthusiastically helps the school in anyway she can.

"Psst, which way does the paper go in?"

"Gee, I wish I could eat lunch now."

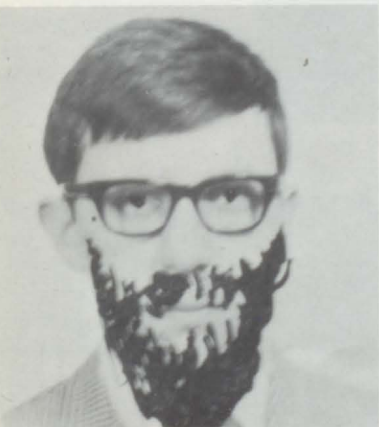

"Oh Robert! Carry this purse, it's just too heavy."

The band finally gave up.

Here is a typical Debater.

Up, Up, and away!

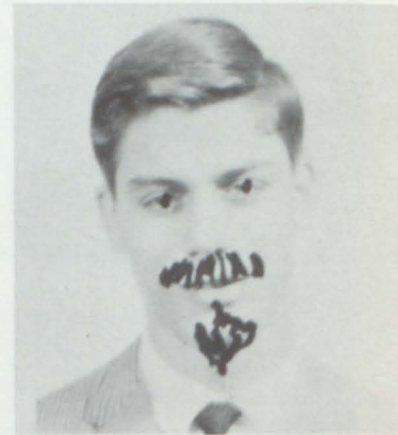

"These family relations films are sure interesting."

"Why Mr. Day, I hardly recognized you."

Luna, you moon!

Another typical Debater.

"We just hate having our picture taken."

"Oh, you guys, quit it!"

How's that for strategy?

SEARS cling-along stockings fit any leg.

Whee-ee!

"Ah, Carl is that a boy you're with?"

"Please note that Steinberg didn't get in *this* picture."

"Promise not to look?"

Chug-a-chug-chug

"This, is a wall."

An apple a day keeps the teacher away!

VARSITY FOOTBALL

The Northeast Vikings found the 1968 season to be one of ups and downs. Highly touted at the beginning of the season, the Vikes couldn't overcome an aroused St. Pius team. Although playing a rough hard-nosed game, Northeast lost its opener 25 to 7.

With Joe Passantino, quarterback, returning, to play after recovering from pre-season injuries, the team snapped back to hand Bonner Springs a 34-0 defeat. The Vikes bowed to the grid power of the Van Horn Falcons 19-7, and were downed by the Southwest Indians 28 to 14 in their first league game.

The Homecoming game loss, October 6, to the Paseo Pirates 26 to 13 set a precedence for the latter part of the season. Loss lead to loss as Northeast plummeted from an Interscholastic League fourth place to the cellar. Although, Northeast offered Lincoln, league co-leader, a tough time the Tigers serged ahead in the third quarter to pocket that game 14 to 7. The Southeast Knights "faked out" on a fourth quarter punt to break a tie and gain the game 19 to 7. The Central Eagles scored their only Touchdown in the last few minutes of an exciting televised game to win that one 6 to 0.

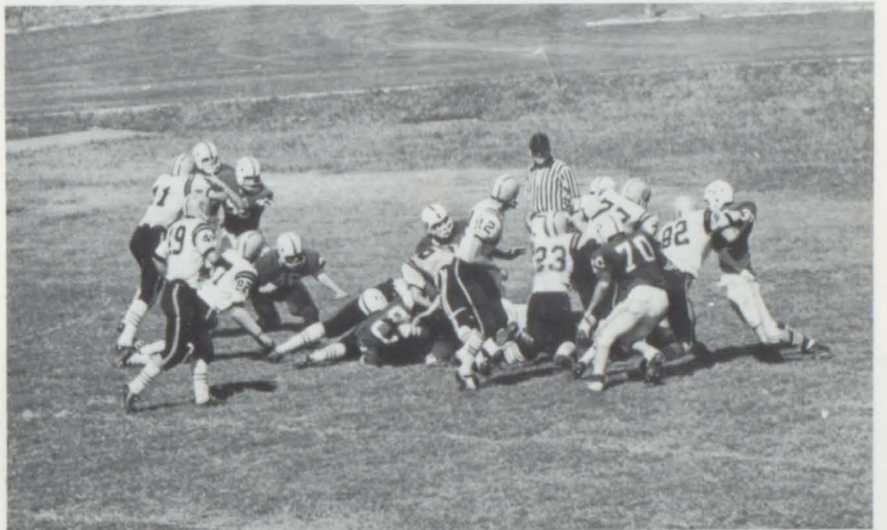

Northeast managed to vault out of the cellar in a shut-out victory over our archrival, East, 12 to 0. Another shut-out was missed in the last play of the last game, but the Vikings had a sufficient lead to claim a 14 to 6 triumph over Manual. A perfect ending to a none-too-perfect season.

"O. K. Joe, now run with the ball."

The Southwest blitz is on.

The Viking "push" in motion.

VARSIITY BASKETBALL

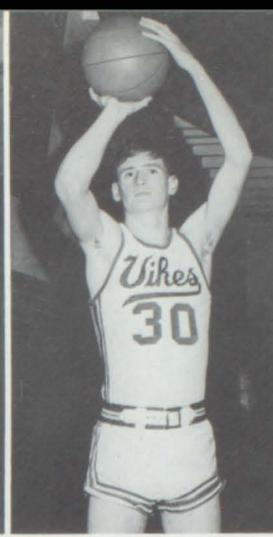

With one of the best losing teams in the city, Coach Bill Durham completed his second year as varsity coach by compiling a 5-17 win-loss record. Highlighting this year's season were two upset victories over Liberty, once in a pre-conference game and again in a North Kansas City Tournament game. Team morale was boosted late in the season when the Vikes played the Central Eagles. This game was very close for the first three quarters, but Central rallied in the final quarter to win the game. The team lacked confidence in themselves this year having only two returning lettermen, Joe Passantino and Phil Mohler. Mohler was Northeast's high scorer, averaging 15.1 points per game; Passantino second with 9.16 points per game. Four juniors, Rick Easley, Steve Lee, Danny Armstrong, and Danny O'Driscoll gained valuable experience by playing in many of the twenty-two games. One sophomore, Rick Soligo also started in many of the games also. Although this year's basketball season was somewhat disappointing, there are high hopes for next year's season. All eleven men, Joe Passantino, Phil Mohler, Robert Collins, Rick Easley, Steve Lee, Gary Adair, Rick Soligo, Danny and John O'Driscoll, Danny Armstrong, and Steve Dahlstrom, along with their two coaches, Mr. Durham and Mr. Cobb, have worked quite hard in order to make this year's basketball season one to long remember.
