In Memoriam

Mr. Merle Engle

Activities:

Glee Club and Senior Class President at Burlington, Kansas. B.S. degree from Kansas State Teachers College, Pittsburg, Kansas. M.A. degree from University of Missouri, Columbia, Missouri.

Instructor:

One-year at Sapulpa, Oklahoma. Eleven years at Central Junior High School, Kansas city, Kansas. Two years as Vice-Principal.

In September, 1938, Mr. Engle came to Northeast High School, where for 15 years he taught in the Wood Shop and another 17 years he taught Drafting.

"1970—1971"; one school year had just begun when Merle Engle's work at Northeast ended. The Drafting room lost a devoted teacher, the school lost a faithful patron and the community lost an outstanding citizen. Many former students received awards for wooden items and home models built in class. Willing hands built stage sets for plays and Viking Varieties. Committees profited by the presence of Mr. Engle. Both students and faculty valued his advice.

Merle Engle organized the first Indian Guide Tribes in Kansas City, This is a father and son branch of the YMCA. He served on the Board of Management of the Northeast YMCA. He followed his two sons through Cub and Boy Scouts. The youngest son, Eugene became an Eagle Scout, received the God and Country Award and was a member of Mic-O-Say and Phi Delta Kappa National Honorary Fraternity.

He was a member of the Independence Boulevard Christian Church. President of the Beau Knot Class, past Chairman of the Official Board, Chairman of the Department of Christian Education, and an Elder in the church.

Son, Burton Dean, graduated from Northeast with a ROTC Scholarship. He graduated from Missouri University as an Electrical Engineer. He was killed in a Navy plane in 1960. Eugene, his youngest son, also graduated from Northeast and from Missouri University as a Mechanical Engineer. He is now with General Electric in Mattson, Illinois.

Mrs. Engle resides in Independence, Missouri.

Northeast dedicates the 1971 Nor'easter to the memory of Mr. Merle Engle.

The 1970-71 school year is about to come to a close. We, the Nor'easter Staff, have attempted to hold captive a part of the year's cherished memories.

Our school spirit was dampened somewhat, as our football team was defeated; however, enthusiastic fans in the stands stood by our Vikings.

Basketball was a very promising sport this year. Our team lacked height, but agility and capability overcame this small handicap. The mighty Vikes played one of their most exciting games in years against St. Marys. Good luck to our men next year as the seniors on the team say "farewell."

The crowning of the queens, Viking Varieties, and Trilogy must also be included if we are to fondly remember this school year in the future.

Within the pages of this year's Nor'easter, we hope to have captured the year's happier moments.

ADMINISTRATION

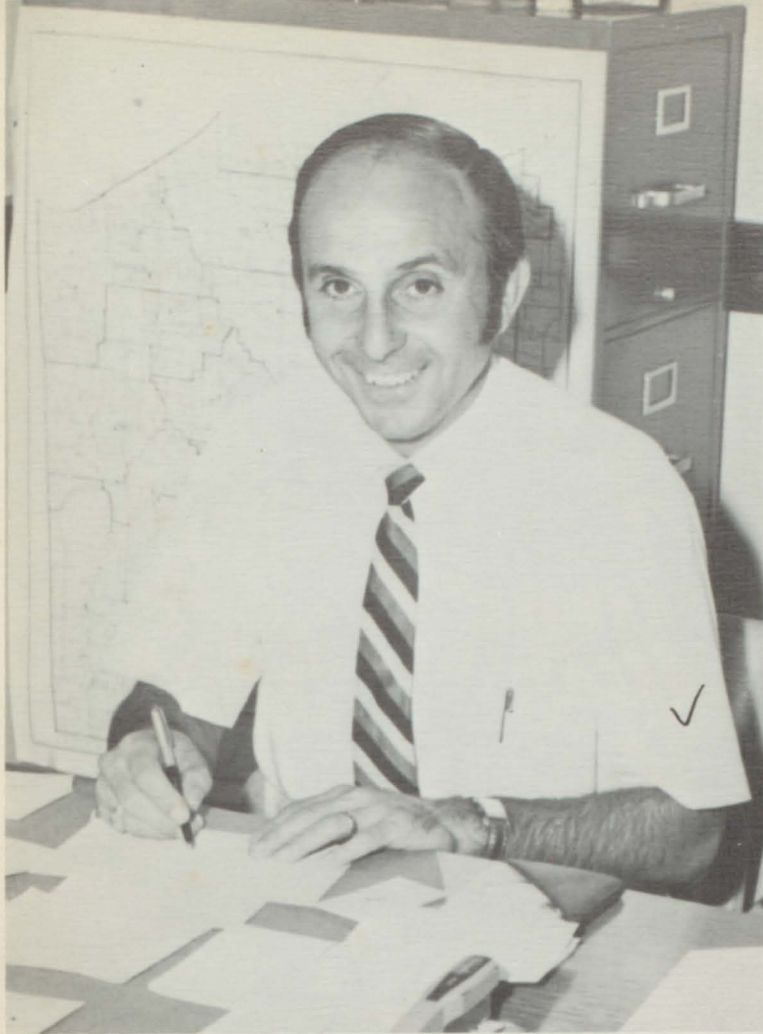

Mr. L. Clayton Dickson,
Principal

This year at Northeast has been an encouraging experience. I am deeply grateful for the warm, friendly and cooperative attitude of parents, students and faculty. Yes, we have problems—we recognize them and we will work toward their solution. It is our hope that the students and faculty of Northeast will continue to seek the high levels of achievement of past years. May we, by our cooperative effort, somehow find a way to meet the educational needs of every student who comes to this fine school.

Best wishes to the Class of 1971.

Mr. James Cariddi

At last I've made it! Yes, this is the thought that came to me when I was notified of my Vice-Principal's appointment as of early August, 1970. After nineteen years of waiting I felt that I finally had reached my goal.

Now, after having worked several months as Vice-Principal, I realize that perhaps I haven't made it. I have discovered that a Vice-Principal must work ten times as hard than when he was a classroom teacher, but I love it. I now know that this is indeed what I've waited so long for.

I'm proud to be a Nor'Easter, an alumni, a resident of the community and especially proud to say I'm Vice-Principal of Northeast High School.

Mr. James Reneau

It is my sincere hope that this year will be a successful one. In order that our aims and objectives be realized, it will take the undivided attention of all—students, faculty, and administration. Together we can make our educational experience interesting and exciting; one that will be remembered as having been good for us and important to us.

GOOD LUCK SENIORS

Foreign Exchange Student

Uffe Nagel

Going to school at Northeast has been a great experience which I shall never forget. America is so much different from what I have been used to all my life, but thanks to the great reception you all gave me I did not have much trouble assimilating to my new school and home.

I want to thank everyone and my American family in particular for all they have done for me. I feel that I have seen as much of America as you can in a very short year. I no longer feel that I am a complete stranger; Northeast has become part of me.

Retires

Special Dedication

Northeast High School is about to say good-bye to one of our most loved members of the faculty — Ruth E. Thompson. Miss Thompson has spent twenty-two years of her life teaching here at Northeast. She has previously taught in Colby, Kansas and Ottawa, Kansas.

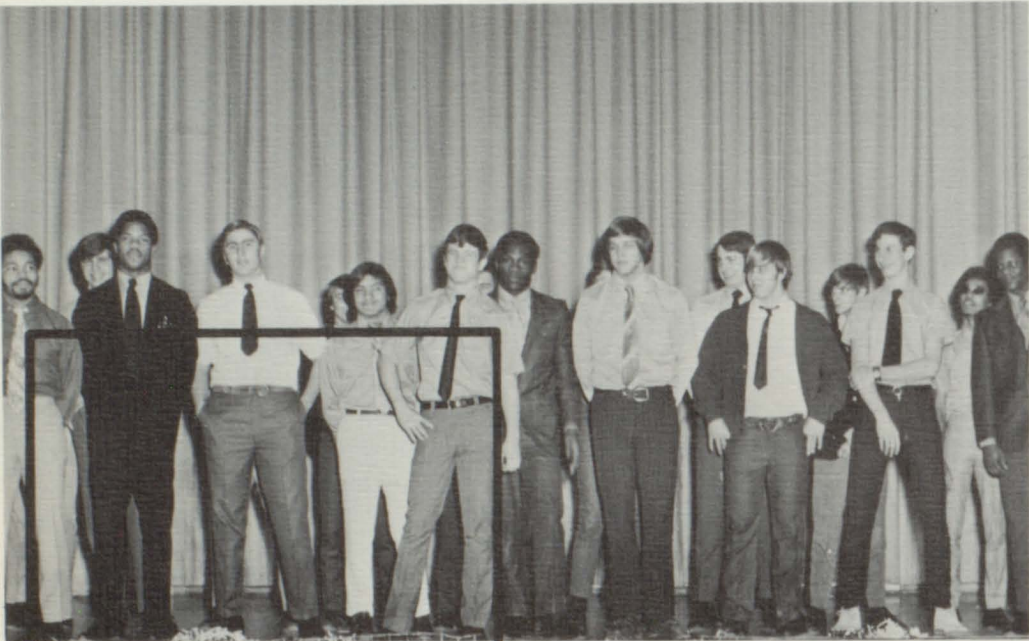

Miss Thompson received her college degrees at the University of Kansas and Columbia University at New York City. She completed her graduate work at the American University of Washington DC, and Kent University at Kent, Ohio, and here at UMKC.

Among her many activities at "Thou Dear," Miss Thompson sponsored the Theta Literary Society for twelve years. She is also a member of the Association of High School Women. In her earlier years at Northeast, she did extensive work in helping students obtain scholarships.

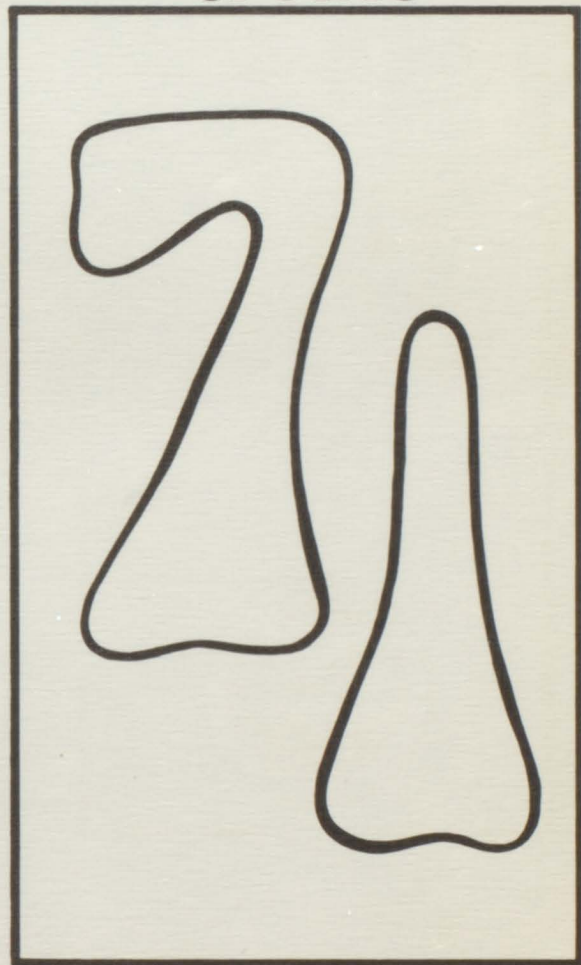

Apart from school activities, Miss Thompson seems to find time for many hobbies, including hunting, fishing, travel abroad, keeping house, reading, and popular music.

After retiring, Miss Thompson plans to return to her Kansas family home where she will be engaged in a small cattle operation. (Incidentally, this is the reason she traded off her Cougar for the Ford pickup.)

The student body, faculty, and administration at Northeast High School extend our warmest appreciation for giving our school a part of herself. We can only wish the best of luck in the future to a fine person as well as a great teacher.
