Holdin' On
To Yesterday

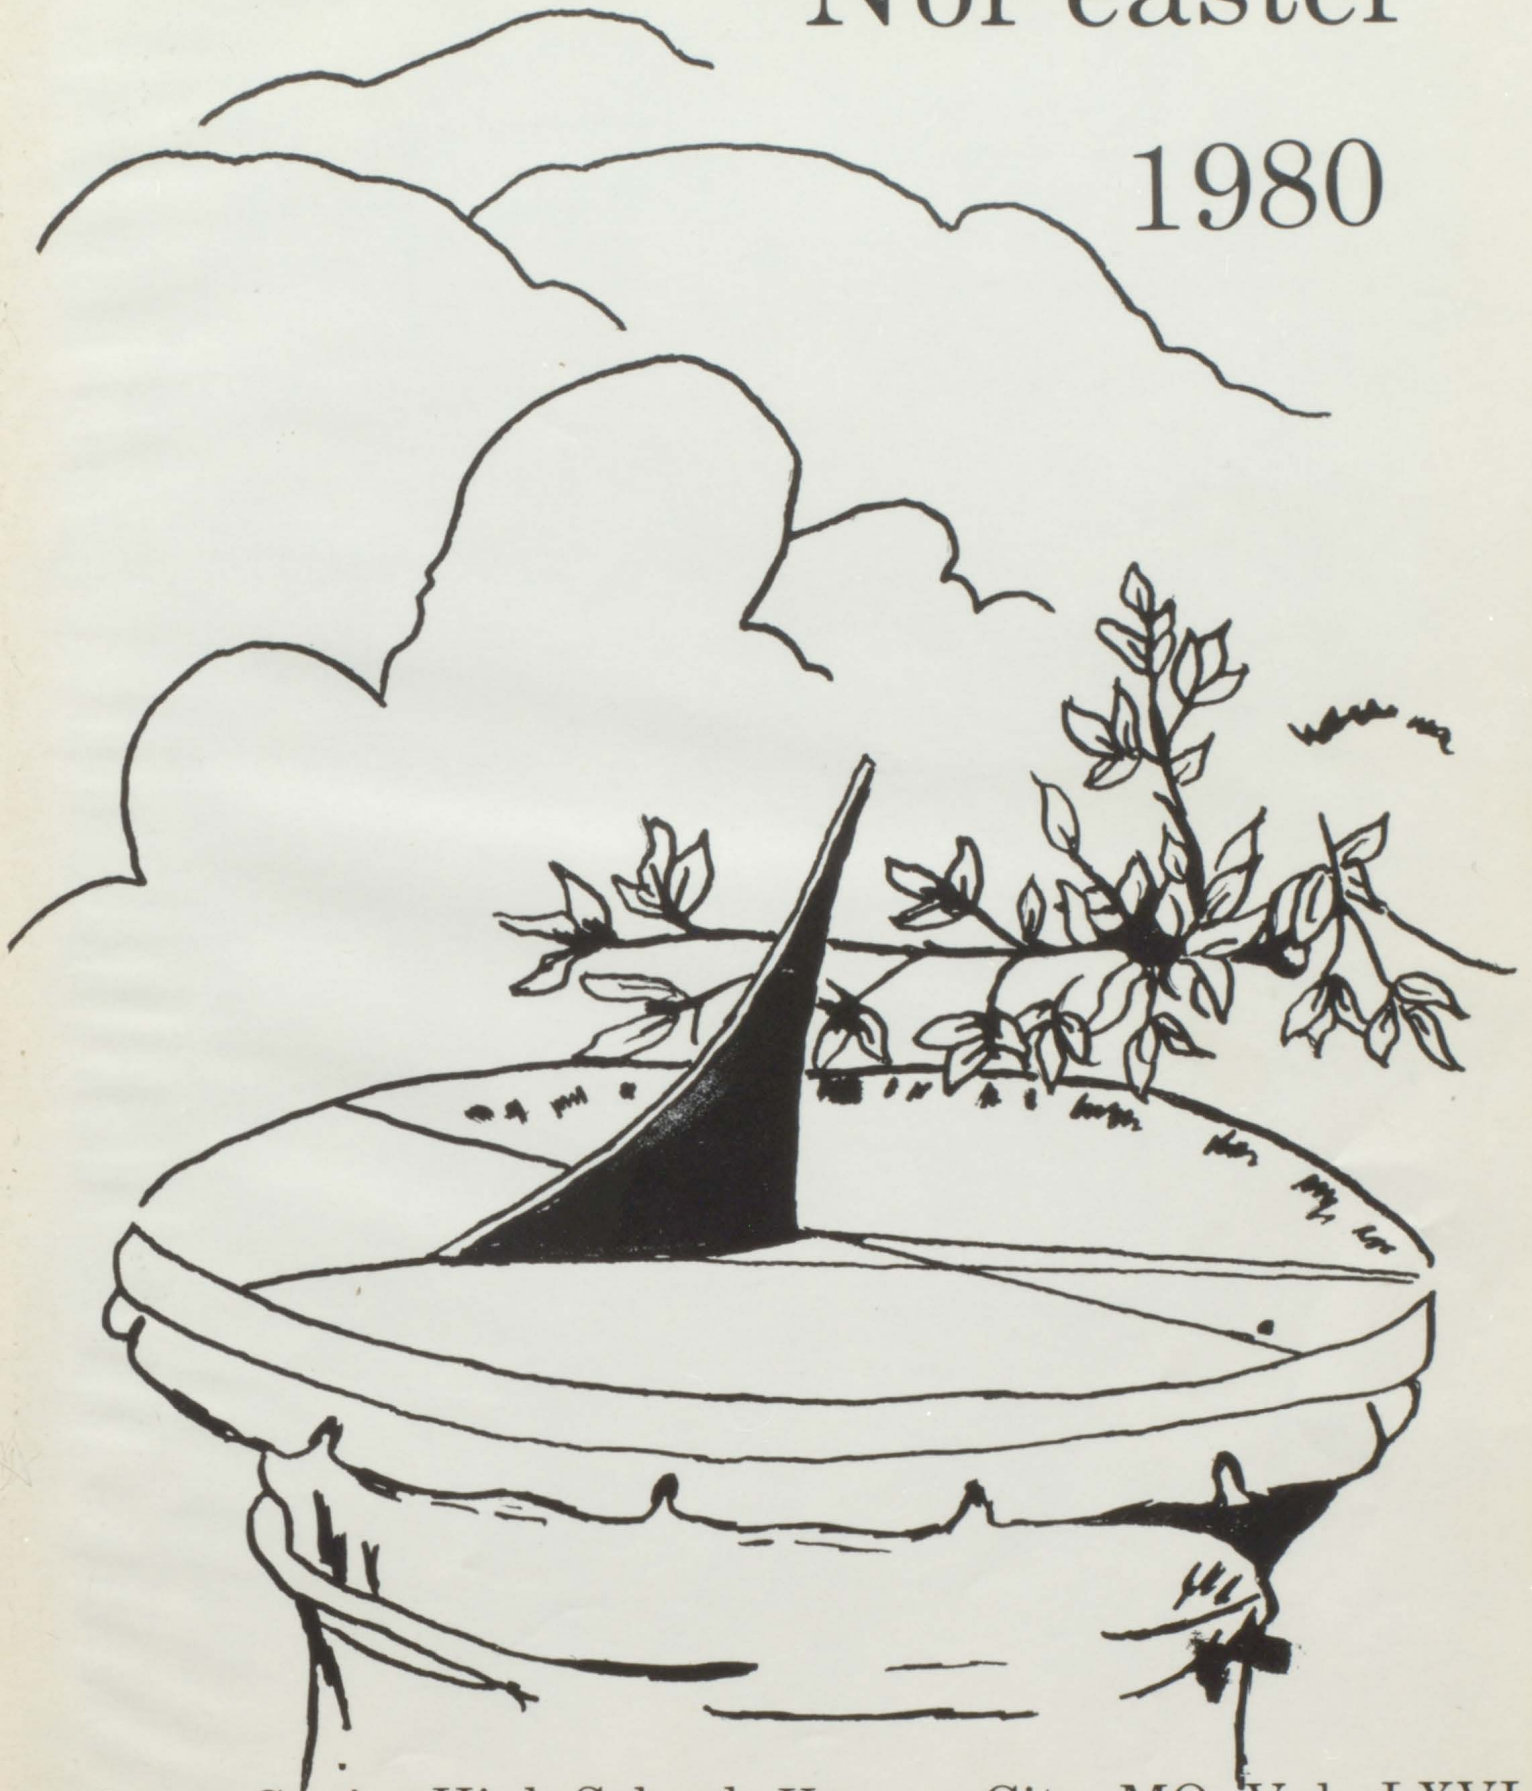

Nor'easter

1980

Northeast Senior High School Kansas City, MO Vol. LXVI

HOLDING ON

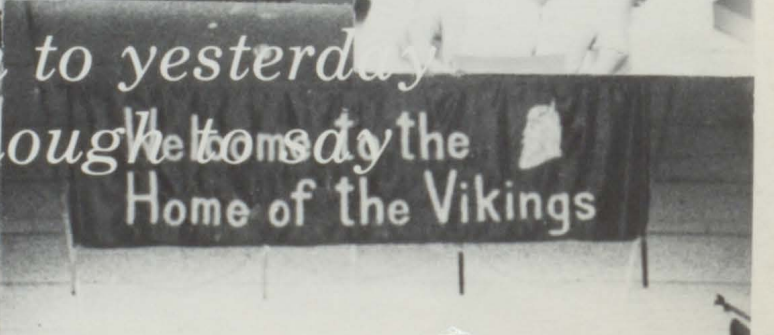

*Well I keep holdin' on to yesterday
I keep holdin' on enough to say
That I'm wrong*

TO YESTERDAY

*I keep thinking that I'm lonely
But its only missing you inside
Days that we were once together
Seems they'll never come alive*

*So I keep holdin' on to yesterday
I keep holdin' on enough to say the
Home of the Vikings*

Roses are red violets are blue,
WE GOT SPIRIT - HEY, DO YOU?

How when I'll see you
I can't reach you anymore
If I'd only known I'd need you
Then I'd keep you like before

OUR DEDICATION

We, on the Nor'Easter staff, would like to dedicate our 1979-80 Yearbook to former Northeast Principal Mr. Giles.

Willie, as he was known more familiarly by the students, was Principal here for three years from 1976 to 1979 but has left us to preside over Secondary Schools as Director of Administrations Supportive Service and Counseling Functions.

One accomplishment of the Giles Administration was to encourage the unity of our school during a much troubled time. Mr. Giles favorite saying was, "We're all one big happy family", and we'll remember Mr. Giles, father of our big happy family everytime we keep "Holdin' On To Yesterday".

Behind every good man there's a woman.

We're all one big haaapppyy family!

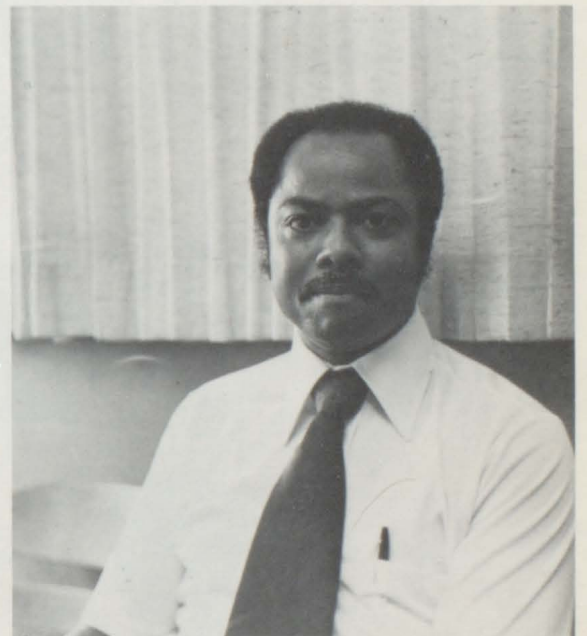

What'd you say about my mama!

Let's get out of here it's a MAD HOUSE!

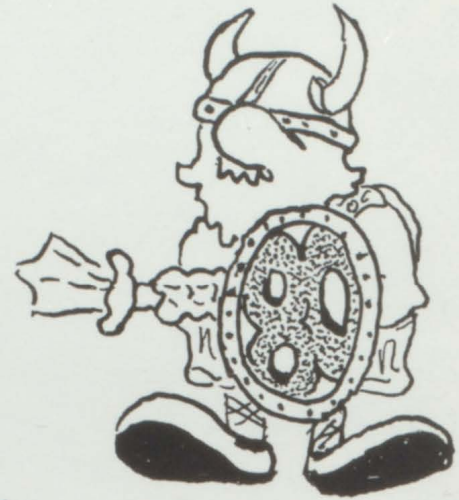

I may be small but I'm a mighty King of the Mountain!

I may not be able to stand up at the end of the day but I know my hair will because I use Final Net.

Principal

Since becoming a Viking last October, I have enjoyed considerable cooperation and support from the staff, the student body, and from our parent organizations. This support is deeply appreciated.

Two major changes have occurred this year which have had impact on the school; the departure of Willie Giles, who as principal guided Northeast several years during the decade of the '70's, and the movement of the Freshman class back into the building, thus boosting the enrollment by approximately 500, adding more staff members, and bringing about additional programs.

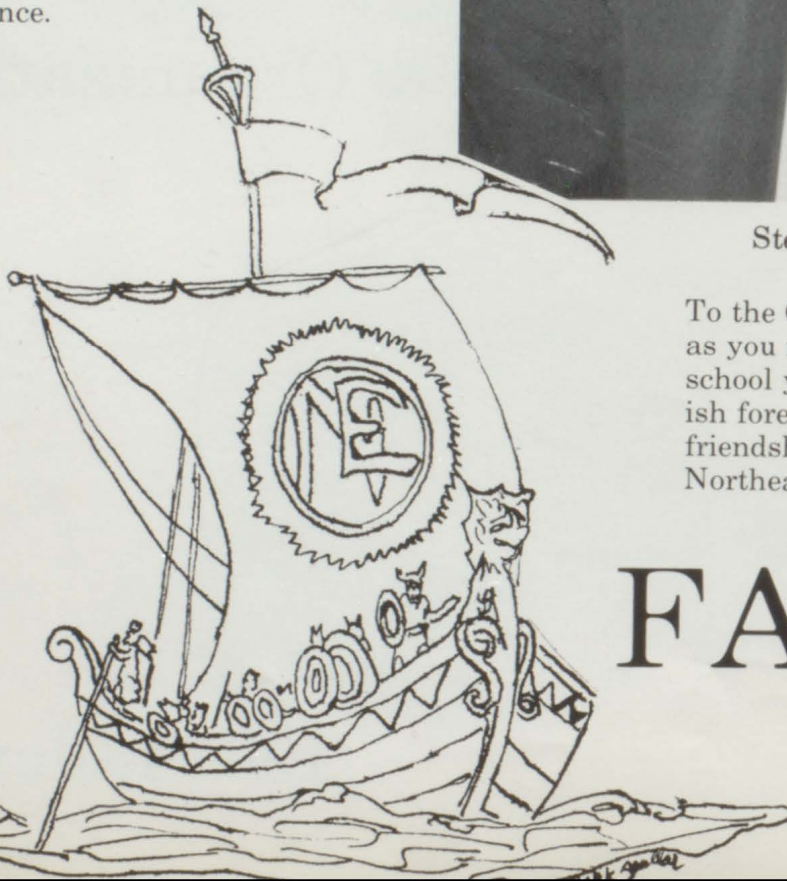

Recognizing that it takes adjustments and time to overcome the anxieties, apprehensions, and fears often associated with changes of this magnitude. I want to assure you that given the well-qualified and dedicated staff that we have, and with the continued cooperation and support of the student body, that Northeast will move forward.

So as we progress through the remainder of this school year and into the decade of the '80's, let us continue to dedicate ourselves as a school family to the issues of improved achievement, improved attendance, and improved human relations. Let's commit ourselves to the pursuit of educational excellence.

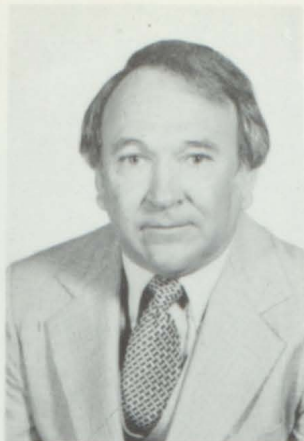

Stephen Brown

To the Class of 1980, I congratulate you as you near the culmination of your high school years. I trust that you will cherish forever the experiences had, the friendships made, and the memories of Northeast High.

UPER ENIORS

What is a Super Senior?

It is enthusiasm, support, school spirit, smiles, cooperation, love, hard work, and Viking Pride. It's having given your very best for four long, fun-filled tough years. These Seniors are our 1980 Super involved Vikings. You----each of you, are terrific.

Pat is one of our active athletes that has participated in Track and Cross Country. Only those of us who see him in action know he is behind the scenes of getting things done. Our shy Pat is one Super Senior!!

In only two years in Student Council Sabrina made her way to Vice President. She attended the National Leadership Conference in Michigan, and she hopes to return this summer. And not only was she voted Most Valuable Runner for two years straight she will always be a Most Valuable Viking.

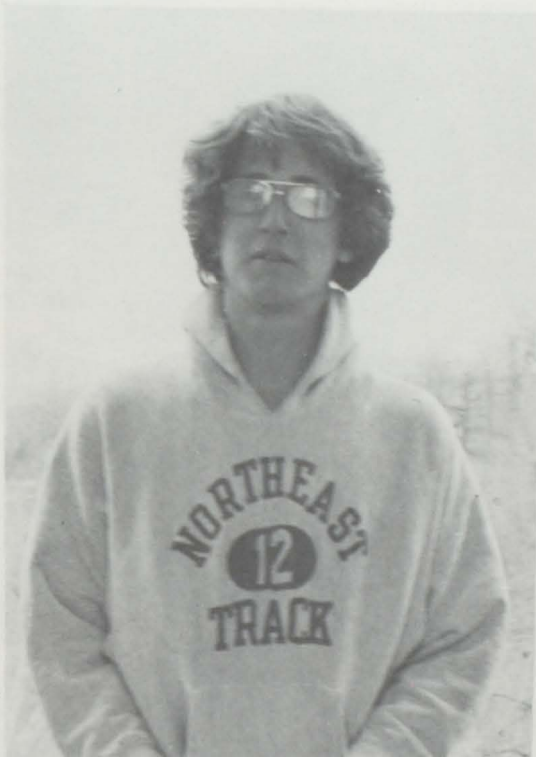

Wanda has been in both Choir and Student Council all four years. She shows her spirit in the Pep Club and participating in the Homecoming Parade. Wanda has what it takes to be a super terrific senior.

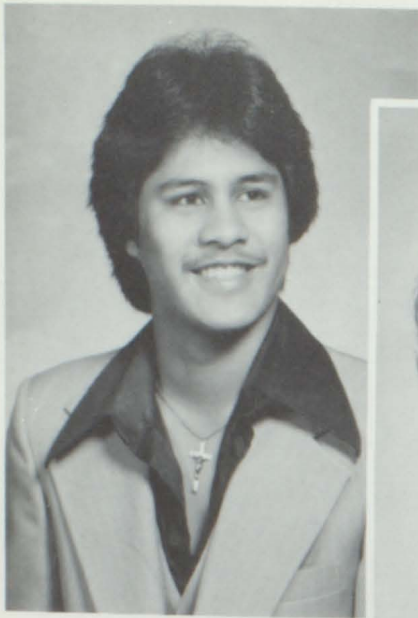

From pom-pon squad member to squad Captain, Student Council to National Honor Society, President of Freshman class to Senior Secretary and Yearbook Staff and Y-Teens to Trilogy and Viking Varieties. Whoooo! and on and on... Anna Marie a super involved, super excited, super together Viking is really on the move!

Sophomore, Junior, and Senior Class Business Committee; from Secretary to President of Student Council; Editor of Nor'easter; National Honor Society and 100 Girls Club. What Viking has time for all these activities? A true Viking-Teresa.

Marc has been a member of the National Honor Society and has received the Curators Scholarship. Marc ranks high academically and athletically by portraying superior achievements in Track and Cross Country. Marc has the keys to be a true Super Senior.

"Our football squad has had the best season in a long time, winning two games this year shows considerable improvement. The outlook in the years to come should be very optimistic for our football squad because of the way we worked together whether we won or lost.

Coach Shatel is the reason our team stuck together and he is a very inspiring man. This inspiration will upgrade our squad in the seasons to come."

Jim Medbury

"This years Football Squad had more spirit than any other year I've played. The schools spirit backed us up all the way; COACH SHATEL deserves more credit than anyone, he believed in us this year, he taught us to fight till the last second of the game, next year I wish Coach Shatel and the team the best of luck."

Doug Webb

The annual Powder Puff Football game between the Seniors and the Juniors was held on November 13, after school. The Juniors won 8 to 6. This makes it the second straight year Juniors have overcome Seniors. In the stands you could hear cheers from the Freshmen rooting Seniors, and the sophomores yelling for the Juniors. Sports at Northeast Sr. High. school for me was the most important experience because it helped me grow mentally and physically and it gave me a better outlook on life.

Mike Livingston

Sports for me was a very gratifying experience because it helped me to have a better sense of competition and also helped me to be a better athlete.

Jim
Widburg

Sports for me at Northeast, is the most important ^{part} thing for me during my highschool years.

Next year we are hoping to have a better sports program.

John "Brag"
McQuillen

Sports for me will be a memorable experience & I've learned the fundamentals of sports. The Northeast High School Sports Program has helped me to compete under pressure.

Phillip Hohensimer

I feel that sports play a major part in life. If you feel neither victory nor defeat you will go through life with a "hum-drum" attitude.

I REALLY Enjoyed
PLAYING football FOR NORTHEAST
I wish more people would
HAVE PARTICIPATED AND THAT
THE SCHOOL ADMINISTRATION WOULD
HAVE BACKED UP MORE.

Paul Julecourt

The sports program at N.E.
could be the best in the city, if
we had more people willing
to participate. The coaches
deserve a lot of credit for sticking
with us through hard times!

Stacey
Thomas

Sports for me was a learning
experience. I learned a lot about
myself and other people. I learned
about discipline and how to work
as an individual also as a
member of a team.

Debbie Valenzuela

Sports are a very important
part of a high school education
for those who participate and are
devoted to the team. Sports encourage
the formation of discipline and
teaches its participants to handle
the ups and downs that they
will encounter in their later life.
It also teaches them to work
with other people as a part of a
team. Sports have been at N.E.
for many years and I sincerely
hope it will be here for many
years to come.

Mike Forrest.

The Athletic Program here at
Northeast Sr. High School has grown
wider for boys and girls. It's been
a great experience for me this past
year. The coaches are the ones who
really deserve the credit for the out
come of the athletes.

FRESHMEN

The role of the freshman has always been the same: The person to be picked on and separated. You can always tell a freshman on the first day of school. You'll sense excitement and fear. The freshman is always the new guy in school, not good enough to relate to the upper-class, he intermingles with the underclass. Finally settling in school hoping to climb to the top of the totem pole.

Students participating in "Bound to Win" are selected for their potential in leadership, community involvement, and desire to discover themselves.

The program is an outdoor activity that lasts from 4 to 9 days in near wilderness. Participants learn to depend on the group in solving problems and also discover their own capabilities as well.

The experience is really exhilarating and with few exceptions most participants are reluctant to leave and come back to civilization.

STUDENT COUNCIL

First row: James Noland, Wendy Jones, Carmen Reyes, Chris Garrett. Second row: Effie Yao, Lisa Bruce, Donna Cox, Alice Carter, Elise Jones, Mike Pace, Sabrina Gaitan, Suzanne Jones, Sharon McGuire, Mary McCartney, Mary Arroyo, Rhonda Johnson. Third row: Teresa Koop, Mary Jo Middleton, Richard Ripper, Patty Boatright.

These are the student council members who have devoted their time and energy to the effort of improving the school and its spirit. Even though the closing of the candy store was a blow to their funds, they have found their means to raise money and school moral.

This year the Student Council stepped beyond the public schools in student exchanges and visited private schools which brought better understanding of the two types of schools.

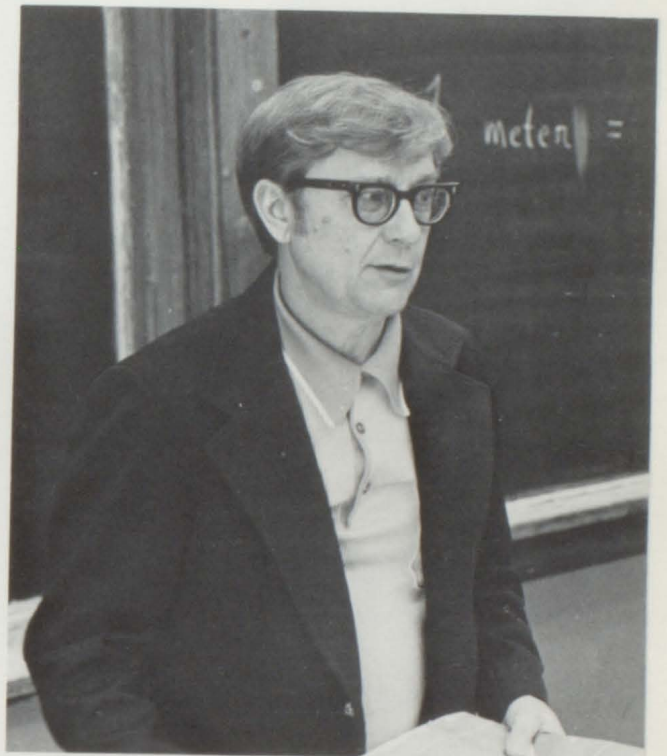

They are the masterminds behind the successful Homecoming every year. They are now planning "Sgt. Pepper's Lonely Hearts Club Band" as the second semester movie.

Keep up the good work. You are all true Vikes!!!!

Mr. Bowen has been the Sponsor for the last few years. He has been there for guidance and advise. To be a sponsor of such an active organization, it takes patience, time and understanding. In not being an overbearing sponsor, he has let us learn to be more responsible and show leadership the hard way. In years to come, we hope you will be there as our friend, if not sponsor.

AFS Adult Chapter

The American Field Service (AFS) is a service organization in Northeast High School. The organization's function is to help and financially support a foreign exchange student. Northeast has supported a student since 1963. Our activities include AFS Day, which is an annual affair, bringing AFS students from other schools here for one day. We have many fund raising projects including our AFS movie, this year it was "Every which but loose." We receive help from our adult chapter which is composed of some parents of club members. As members of AFS, we strive to touch hands around the world.
