In '87-'88, Ray-South Takes it to the Limit

Take it to the Limit — that's what Raytown South is all about. This is shown in many different ways throughout the school. Athletes take it to the limit by trying their hardest and doing their very best at a sporting event. Musicians and singers take it to the limit by receiving a score of one at a contest, and giving outstanding performances throughout

the school year. There are many other ways of taking it to the limit, such as running in the door at 12:01 a.m. on a Saturday night, when the curfew was set at midnight. Or running into school at 7:43 and still making it to class before the bell rings. These are just a few of the reasons why Raytown South takes it to the limit in 1987-88!

▲ Like it or not, we present the new green lockers!

▲▲ A sign of excellence.

**Takin' it to the limit,
Takin' it to the top,
We are the Cardinals,
And we can't be
stopped!**

WHAT'S HOT

Trends of the Time

This year's fashion has sported several different looks, the main one being denim. Whether it be stonewashed 501's for the guys or long jean skirts for girls, denim has left its mark this past school year. Other items topping the list of favorites were Eastland shoes, leather Bomber jackets, and the ever popular mini-skirt.

Names such as Guess, Levi's, Generra, Esprit, and Outback Red are just a few of the many labels that the fashion conscious student can be seen wearing. To add the final touch, color coordinated scarves, socks, and belts will complete any look.

These are just a few examples of the trends of the time, but each person has their own style which gives Ray-South its individuality.

“Well she got her
daddy’s car and she
cruised thru the
hamburger stand — now.

Seems she forgot all
about the library
like she told her
old man — now.

And with her radio
blasting, she goes
cruisin’ as fast as
she can — now.

And she’ll have fun,
fun, fun, ‘til her
daddy takes the
T-bird away!”

“Well you knew all along that your dad was getting wise to you — now.

And since he took your set of keys you’ve been thinking that your fun’s all thru — now.

But you can come along with me ‘cause we’ve got a lot of things to do — now.

And we’ll have fun, fun, fun, now that daddy took the T-bird away!”

FUN To The Limit!

Friends . . .

Those special people
You can always count on

Friends — what would we do without them? They are the ones who you want to share your triumphs and happy times with. They are also the ones who listen day night with so you can just sit around and discuss the past week's events. You can also tell your secrets to them without them telling the whole school. A friend can

He loves me, he loves me not . . . ▲

One would not want to fritter one’s lunch period
away by engaging in idle gossip. ◀

"I don't know where I'm going
But I sure know where I've been
Hanging on to promises
And the songs of yesterday
I've made up my mind
I ain't wastin' no more time

Here I go again . . .

Here I go again . . .

Though I keep searching for an answer

I never seem to find

What I'm looking for

Oh Lord, I pray you'll give me

Strength to carry on

Cause I know what it means

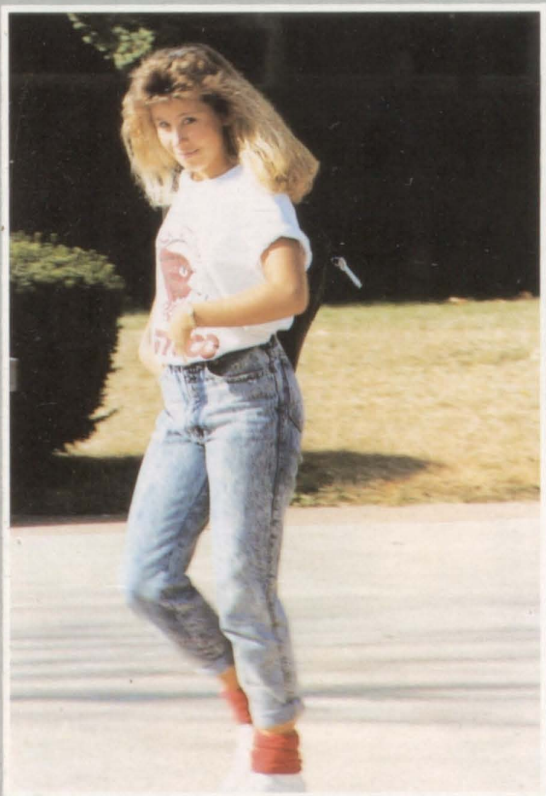

To walk along

The lonely street of dreams

Here I go again on my own . . ."

— Whitesnake

**“When some loud bragger
Tries to put me down
And says his school is great
I tell him right away
Now what’s a matter buddy
Ain’t you heard of my school?
It’s number one in the state
So be true to your school
Just like you would to your girl or guy
Be true to your school
And let your colors fly . . . ”**

Be true to your school
— The Beach Boys

Take It To The Limit!

“You know I’ve always been
a dreamer, spend my life
running around.

And it’s so hard to
change — can’t seem to
settle down.

But the dreams I’ve seen
lately keep on turning out and
burning out and
turning out the same.

So put me on a highway
and show me a sign, and

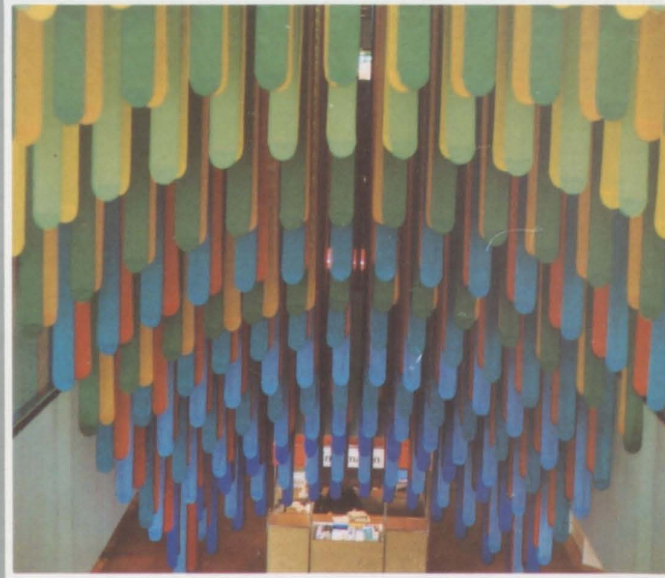

Take it to the Limit

Take it to the Limit

Take it to the Limit

One more Time.”

— Eagles

Senior Officers

The 1988 Senior class officers are Beth Albin-President, Jill Shoemaker-Vice President, Christy Lampkin-Secretary, and Deborah Atchity-Treasurer. Planning ahead for the future class reunion, Beth sold Senior sweatshirts to raise money. The officers were also involved in choosing the Senior gift, planning Project Graduation, and also Senior Activities Day. The

Class of 1988 Theme, Song, and Motto were chosen by the Senior class officers. Senior class representatives are Mara Brock, Diane O'Donnell, and Loida Pereira. Leaving their Alma Mater with a sense of accomplishment and pride, the Senior class officers and representatives have set a perfect example for future classes to emulate!

*If you can look through pages
of the past and remember the
good times,
If you will enjoy your life as
you live it,
If you understand happiness is
not found in dollar bills,
If you are able to love,
If you realize your misjudge-
ments and account for them,*

*If you are making the most of
what you can be,
If you can lead or follow, but
neither blindly,
If you don't have to forget in
order to forgive,
If you begin life's path at a
walk instead of a run then —
shall you become a success
among men.*

SENIOR STYLE

Senior life. What does it mean? While a senior concerns himself with future college plans, ACT test scores, and homework, he also busies himself with sports, jobs, club activities, and for the highly motivated students-sleep. Whether going to parties, dances, or movies, a senior's weekend is never boring. Having been a Ray-South Cardinal for four years, a senior walks through the school halls with pride, assured of his friends, college goals, and distant future. Copy and layout by Diane O'Donnell. JUNIORS: CLASS OF '89

The officers of the Junior class had the responsibility of organizing the Junior-Senior prom. The officers accepted the task of providing finances for the event through various fund-raising activities. These fund-raisers consisted of selling ghost grams, carnations, candy, and popcorn. The 1987-88 Junior Class Officers are Christy Allin-President, Graham Allen-Vice President, Sherese Johnson-Secretary, and Paul Hooper-Treasurer. The representatives are Erica Fowler, P.J. Modrell, and Walter Pearson. *Copy and layout by Diane Mosier, photography by Brett Blue.*

As upperclassmen, the Juniors have the opportunity to select a class ring. These rings show the characteristics of an individual by displaying their interests and participation in high school activities. This ring is a major investment for many students and considerable time and thought is spent before a final decision is made upon its style and design. No matter what becomes of these rings they will always be a lasting remembrance of their high school years. *Copy and layout by Diane Mosier. Photography by Christy Allin.*

FRIENDS

Think back to your first year of high school as a Freshman. On your first day, were you apprehensive about entering a classroom and not knowing anyone? Did you shy away from school activities or were you scared to go into the lunchroom? These are just some of the times when you need a friend. Friends are always there for you. When you need someone to listen to your problems, you turn to a friend, they give advice and help you out. They are there to share the good and the bad times. Everyone needs a friend.

LOOKING FORWARD . . .

Realizing they only have one more year of high school left, many Juniors start to think about their future plans. If they plan to attend college they may take the ACT or SAT to better prepare themselves for upcoming challenges. Still some may want to get a job after high school while others are uncertain of their future. Whatever their plans may be, one anticipation all Juniors share is becoming Senior!

With Help From Friends

Five days a week, the daily school routine of assignments, papers, projects and tests can be tiring and monotonous. Friends are there to help make school fun.

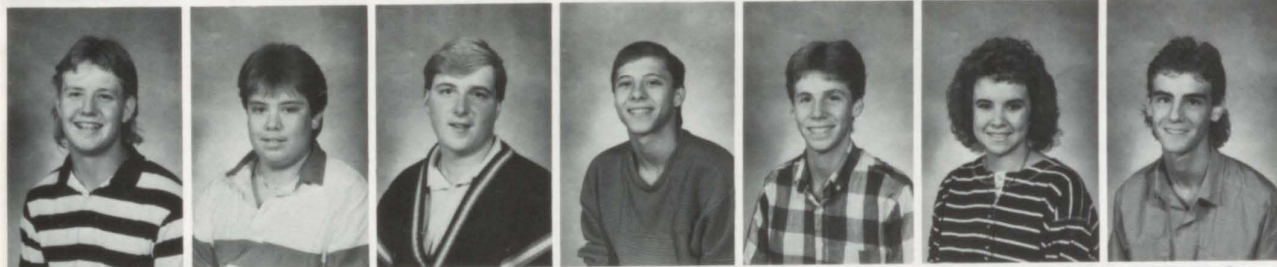

They can sympathize with bad grades, make boring classes more exciting and help you when you are feeling stressed out from the pressures of school. Just knowing that you will get to be with friends at school makes getting out of bed in the morning much easier.

Getting a driver's license is a main goal in a Sophomores life. They prepare for the big test by taking Drivers Ed. during school and driving with their parents after school or on weekends. After they have a license they need a car. Some are lucky and get one for their sixteenth birthday while others get one later and help pay for some of the expenses.

With the car comes the freedom of not having to rely on parents or older friends to run them where they need to go. This helps out the parents and gives the Sophomores the freedom they have been waiting for.

School, like anything else, will always have its ups and downs. The Freshmen had a chance to voice their opinions about the good and bad sides of our school, plus their best and worst subjects. Some of the favorite classes varied from Choir and English to Gym. The top two classes which Freshmen dislike were Math and Science.

When asked what they disliked about the school, an overwhelming response said there was too little time between classes and the tardy policy was extremely unfair. Then there were the little complaints such as: crowded halls, color of lockers, and cafeteria lunch. Overall, Freshmen like their new school, adding to this attraction are increased freedom compared to middle school and all of the extra-curricular activities present to participate in. The Freshmen feel that South has much school spirit and are proud to attend this school.

Freshmen find

Friends brighten anyone's life. Someone to share secrets with, laugh with, and have a lot of fun with. Freshmen girls stick together and lean on each other for support. Who else could you tell about your latest love or the latest jerk? Friends give you advice when you have a problem and you do the same for them. Spending time with your friends can be a blast. You don't have to act mature, in fact you can act any way you want to! *Copy and layout by Tricia Kenworthy. Photography by Brad Andes.*

Friends are equally important to Freshmen guys as they are to girls. They hang out with each other talking about sports, school, or the latest love in their life. Even though they don't like to admit it most guys have a best friend that they tell all to. This friend is one of the most important things in their life.

▲ Kevin Smith and Scott Snow , you could at least look like you like each other.

Revenge?

Freshmen have to put up with a lot of upperclassmen pranks but survive through most of them. Some of these common pranks are sending someone down the wrong hallway, pulling a chair out from underneath them, locking a freshman in a locker, pulling hair, or having to wear half of a soccer ball on your head, one freshman even had to wear a paper sack over their head and walk down the hall, and of course the ever popular "little freshmen" name calling. Now the freshmen have a chance to get revenge on the upperclassmen. When asked how they would get

revenge on an upperclassman, a lot of clever answers were given. One person said they would put a match in the gas tank of the upperclassmen's car, have a food fight with them, put jello in their tennis shoes, trip them or even pull their shorts down. Of course all of these revenges were anonymously written but some of the freshmen have devious plans for the upperclassmen, so look out! Many of the freshmen seem to get along with the upperclassmen and would never try to get back at them, but just to be safe, watch out for those freshmen who are fighting back.

Freshmen only have one main goal when the weekend rolls around and that is to have fun. There are many ways to spend a weekend if you are an average freshman. Some of the favorites are going to the mall to shop and see a movie, or go to a party. Others like to play some sort of sport such as baseball, soccer, or volleyball. Then there are those who skate or ride their bikes around town. Everyone likes to relax on the weekends. If you read, watch T.V., or try to catch a few zzz's, the break away from school is refreshing. However a freshmen spends their weekend, they always have a great time. *Copy and layout by Tricia Kenworthy. Artwork by Frank Lugenbeel. Photography by Brad Andes.*

Style

Fashion is an important part of a high school student's life. No matter what kind of day it is, people want to look good and have style. There are a variety of ways that a freshman likes to dress at Raytown South. Denim is definitely hot this year, whether it is jeans, jackets, or mini-skirts. Stone-washed, acid-washed, or just washed a lot, people like denim. Some popular brand names among the freshmen are Coca-Cola, Outback Red, Esprit, Gennifer, Surf Fetish, and Guess. Some people just want to be comfortable and throw on whatever is clean. Others have to always look good and be up on the latest fashions. However they dress, the Freshmen sure do know how to show their style!

Do you think it's too early for the class of 1991 to already be deciding what they are going to do for the rest of their lives? Well they sure don't. Whether it be attending college and majoring in business or science, getting a job right after high school, playing a professional sport, or becoming self-employed, many freshman have already decided what they would like to do in the future. Even though they have four years of school left, many are already preparing for college by taking tests and keeping up their grades. Whatever they choose to do, their futures will be bright!

Second Year of Success

The 1987-88 Southern Exposure staff.

"We try to cover all school events. Sometimes we don't get everything covered, but we try hard!" Tonya Roby, Senior Co-Editor explained. The staff met every day the entire year and published approximately one paper every five weeks.

The staff consisted of Senior Editors: Michelle Ford and Tonya Roby; Editorial Editor Mara Brock; Photography Editor: Kyle Phillips; Sports Editor: Jenny Remy; Bus. Mgr. Donald Davis; Artist: Patrick Finney; and Reporters: Dale Blair, Alicia Bustamante, Leigh Collins, Erica Fowler, Diane Kouba, Toni Moreno, Jill Shemwell, Sharese Shields, Mollie Shubert, Jason Sneed, Brian Spano, Amy Thurnau, Paul Walker, and Suzan Whiting. The advisor was Ms. Harrison.

Last year, the newspaper was entered in a contest at N.W.M.S.U. and captured first place for general excellence and second place for front page design. Individual awards were given to T. Moreno and J. Remy for feature articles, D. Davis for editorial, and J. Remy for sports writing. *Copy and layout by Alicia Bustamante, photography by Christy Allin and Monica Harbit.*

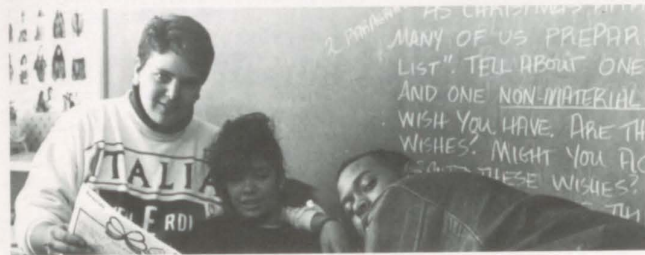

Insights on SE

If I've told you once, I've told you a hundred times . . .

by Southern Exposure Editor
Michelle Ford

The SE staff takes it easy.

Kouba is baffled.

An Editor's Thoughts

by Southern Exposure Editor
Tonya Roby

Being a Co-Editor of the school newspaper is a great privilege. It's not a hard job because of the help from the witty and creative staff and faculty advisor. An editor's job is to make sure stories are well written and to help the staff paste up the stories for print. Placing the stories on the paper and proofreading all copy are just a few of the staff jobs. I am very proud to say I am a part of an award winning newspaper.

Being a Co-Editor has been a great experience. I have to be in control. No matter what happens, I have to be. I have to type the copy, meet the deadlines, worry about sales and I have to try to keep Harrison calm. The saying, "It's a tough job but somebody has to do it" applies to the position, but I love it. I'm proud that I was chosen to be Co-Editor. We miss a deadline occasionally and sometimes all the things that are supposed to fit on a page just don't fit. Even so, the finished product makes it all worthwhile.

Artisan Works

◀▲ Noralea and Sheri work hard?

▲ Staff members show off previous Artisans!

The Artisan is a literary magazine published each year by students from Raytown South. It contains poetry, stories, photographs, and artwork, all done by the creative students at South. After the work is entered, the staff members and sponsors pick the ones they feel should be used in the magazine. March is Artisan month as staff members work hard throughout the month organizing and putting the magazine together.

The Artisan is entered each year in a national contest for magazines of its kind. In past years it has done excellent, winning first place and representing the creativity of Raytown South. The sponsors, Mrs. Frederick and Mrs. Shreve, are extremely proud of this record and hope that this year's edition does as well.

For Excellence

The members of Artisan are: Christy Plack, Steve Sohm, Carrie Heitman, Jessica Sylvester, Sheri Cox, Sherese Johnson, Kelli Moriondo, Drew Lacy, Shawnta Gantt, Daniel Doss, Tonya Roby, Tim Gilham, Crystal Walker, Kelly Renfrow, Keisha Lynch, Mara Booth, Melanie Dingle, Joel Fischer, Amy Moretina, Vicky Springhower, Chad Parker, Dottie Owens, Lydia Powell, Diane Mosier, James Hamilton, Matt McCunniff, Ronnie Williams, Amy Edmiston, Diane Kouba, Shawndra Miller, Joy Foltz, Patrick Finney, Hayley Hutchin, Lori Sherwood, Kelvin Brown, Amy Thurnau, Karen Hayes, Heather Baker, Loida Pereira, Tonya Cooper, David Taylor, Richie Crouch, Jamal Wilson, Nina Fonseca, Frank Lugenbeel, Tricia Kenworthy, Julie Schroer, Jason Sneed, Theresa Garza, Denise McCuiston, Stephanie Donegan, Victorie Kelley, Alexis Boles, Beth Welsh, Rackel Hennon, Robert Tumlin,

POLARIS AT WORK?

PIZZA! PIZZA!! PIZZA!!!

Have you ever wondered what Polaris actually means? It means northern star. Now, does that have any significance to Raytown South? No it doesn't, so let's continue.

The 1987-88 Polaris yearbook staff has worked diligently to make this year's yearbook a better success than last year's popular, anniversary volume. Many new faces were added to the staff this year, which in turn, means lots of learning and teaching, but many new ideas and much creativity. Twenty-seven of the forty-four students were new to the staff this year. A new student on the staff, Alicia Bustamante, expressed her feelings, "I didn't really know what to expect or even what to do, but after my first layout, I felt a bit more at ease!"

The Polaris staff took on many new challenges this year, including winning the all-school tug-of-war championship! The fourth hour class was rewarded with eight, large pizzas and lots of soda. All of which was devoured in a matter of minutes. And yep, it was GOOD! Polaris also sponsored a WPA (Women Pay All) dance this year. Let's just put it this way, it was just another of their many successes.

Our sponsor for the 1987-88 year, and all the past years, is none other than Mr. Redford. He is basically the "laid back" type of teacher, who always made sure all was produced on time and in the utmost quality! Or else, it was twenty yearbooks to sell for you, buddy!

As you flip through the rest of the pages in this yearbook, I hope you will appreciate and recognize all the hard work that was put into this yearbook. It means a great deal to us, the Polaris staff, I hope it means as much or more to you! *Copy and layout by Mara Brock. Photography by Beth Albin and Mike Spilker. Artwork by Frank Lugenbeel.*

CARDETTES

The 1987-88 Cardette squad was full of fancy footworkin' routines from June until March. Their dedication started back in summer with early morning practices twice a week, and continued when school started with practices 3 times weekly, and halftime performances at every football and basketball home game.

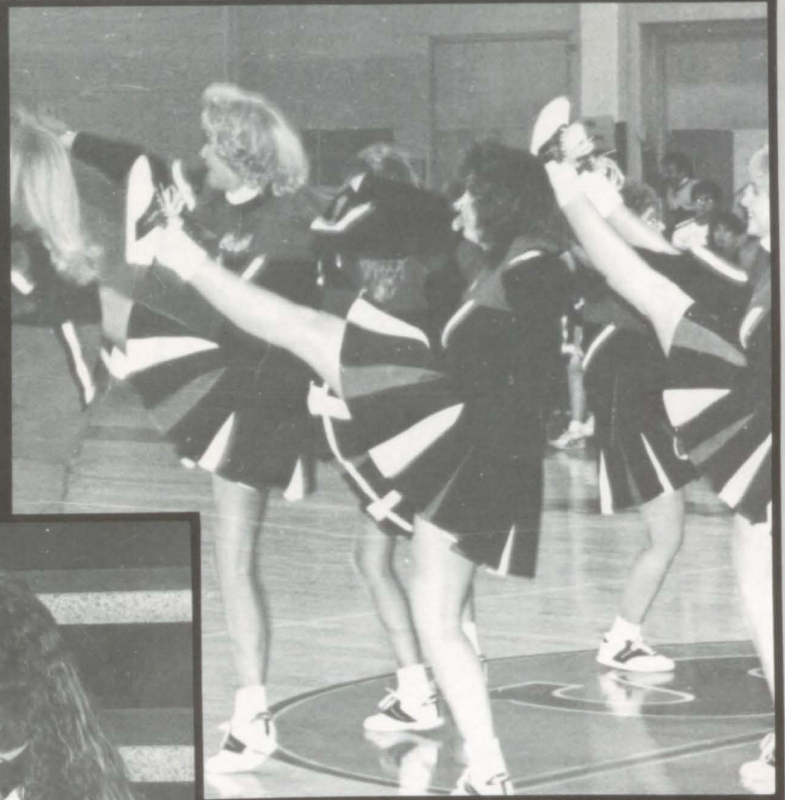

This is the 2nd year Mrs. Hefernon has stood behind the squad. Our Cardettes were 1 of only 2 Missouri squads to attend a KU competition. They proudly won the Outstanding Home Routine, while Casie Sears and Amy Miller were Individual Achievers.

But more than that, the squad has formed lasting friendships, and for the girls, this is worth all the long hours and hard work they've given.

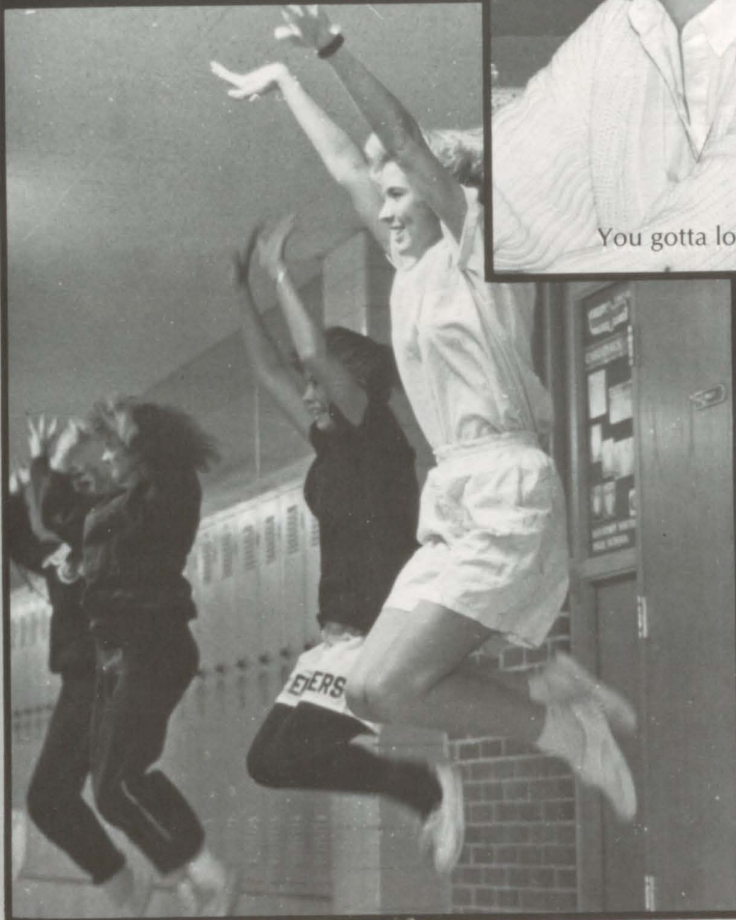

Cardettes: Row 1: Rackel Hennon, Noralea Hamblen, Amy Miller, Casie Sears, Monica Harbit, Kim Breda. Row 2: Stephanie Cordell, Anita Davis, Dana Bowles, Stacy Elwell. Row 3: Amy Iddings, Jennifer Breck, Steph Schweiterman, Wendy Sproul, Glenda Wyrick, Mara Brock, Amy Edmiston, Barb Craig, Cathy Moore, Kim Gardner.

GRAPPLETTES . . . HAVE WRESTLEMANIA

"Grapplettes is a great experience. It's fun and you make a lot of good friends" said Kim Knabe. Grapplettes cheered at the wrestling meets and tournaments. There was sixteen girls, which made up two squads. During the summer and throughout the year they held many fundraisers, which helped pay for their uniforms and sponsored the trip to Columbia. Members: Stacey Jakobe, Kim Knabe, Heather Lauer, Kari Stapp, Jenny Varner, Sandy Ashlock, Amy Cripe, Trisha Squire, Christy Couch, Daniele Thompson, Heather Bryan, Jennifer Webb, Gina Beale, Michelle Denham, Sherri Strathmann, Amy Carter. COE WORKS TOWARD THE FUTURE

COE is a program designed to allow students to explore possible future occupations. It is comprised of students who attend class half the day and work outside school the other half. These students receive credit for their employment at businesses. The group is sponsored by Mr. Stumpff, and meets third and fourth hour.

FRIENDS FROM AFAR

"The club is a good way to get to know American students", said Eduardo from Mexico.

The Cultural Exchange Club is a group that brings the students of Raytown South closer to their foreign students. It gives them a chance to learn about each others' countries and customs.

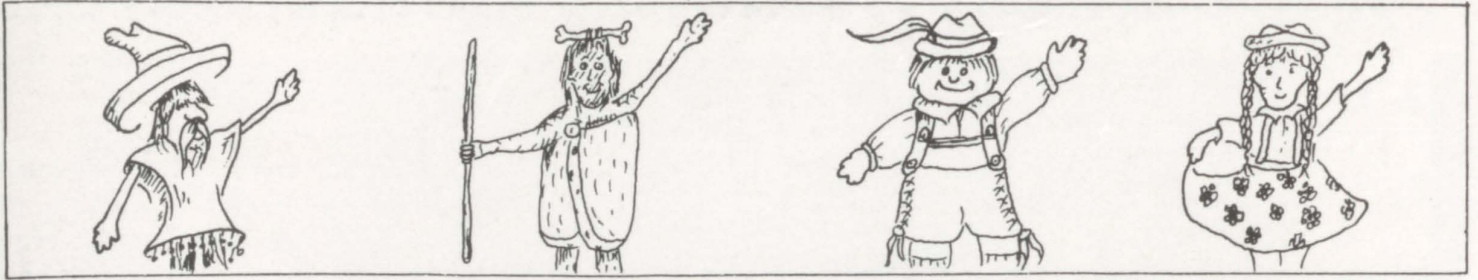

The club participated in activities such as eating at national restaurants, hosting parties for holidays, and raising money for the exchange students to call home around the holidays. The 1987-88 members are: Jan Lunelli (W. Germany), Augustine Addai (Ghana), Aulea Fattah (Indonesia), Marcos Malo (Ecuador), Marco Vasquez (Mexico), Eduardo Arce (Mexico), Rebecca Seamonds, Nicole Flowers, Michelle Lea, Sarah Farnsworth, Melissa Douglas — Pres., Marco Bertoli (Italy) — Vice Pres., Bobbi Boyles — Sec./Treas., and Angie Martin — Liason.

EXCHANGE

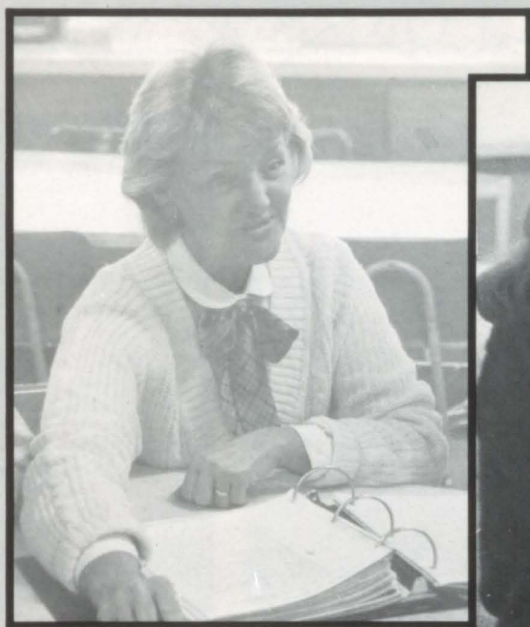

Rock Steady With Ray-South Stu-Co

Student Council, under the direction of Mrs. Christian and Mr. Jenkins, had an extremely successful year. The members consisted of the executive committee, class officers, and fifth hour representatives. Stu-Co met once a month to plan activities and discuss upcoming events.

Stu-Co kicked off the school year with a Back-to-School dance with Raytown. Other activities included planning both Fall and Winter Homecoming, organizing a Powder Puff football game, and going on a hayride with Raytown's Student Council. Members were also in charge of the United Way Campaign, Blood Donor Day, and Student Activities Week. This year, Stu-Co tried to have at least one dance a month. The new attraction was a photographer who captured the memories of each dance.

The two biggest fund raisers held by Stu-Co were a Donkey Basketball game and the traditional cheese and sausage sale at Christmas. Believing the year was well organized and successful, Mrs. Christian stated, "I was willing to work and do my share if the students were too. When everyone helps, a lot can be accomplished."

The Executive Committee — Stu-Co's Leaders

The 1987-88 Student Council Executive Committee consisted of Pam Emery — President, Alicia Bustamante — Vice President, Amie Spellman — Secretary, Sharese Shields — Treasurer, Kim Beggs — Fifth Member, and Brandon Ferguson — Sergeant-At-Arms.

The executive committee was in charge of running and organizing all the meetings and planning the agenda for each month. In addition, the executive committee had its members form committees to make improvements within the school.

Some members attended the MASC summer camp this past summer to learn leadership skills and collect new ideas from other schools. The executive committee had a prosperous year! *Copy and layout by Alicia Bustamante. Photography by Christy Allin.*

Spirit to the Limit

The 1987-88 school year was a year of new beginnings for the members of Spirit Club, as they returned to allowing only girls as members. For Mrs. Fisher, sponsor, it was a year of hard work and organization.

The girls showed their spirit by attending all home and away football games and cheering South's teams on to victory. The members also chose two seniors they felt had the most spirit and they were crowned Spirit King and Queen.

The mascots this year were Erica Fowler — football and Jamie Wise — basketball. They provided spirit and entertainment at the games.

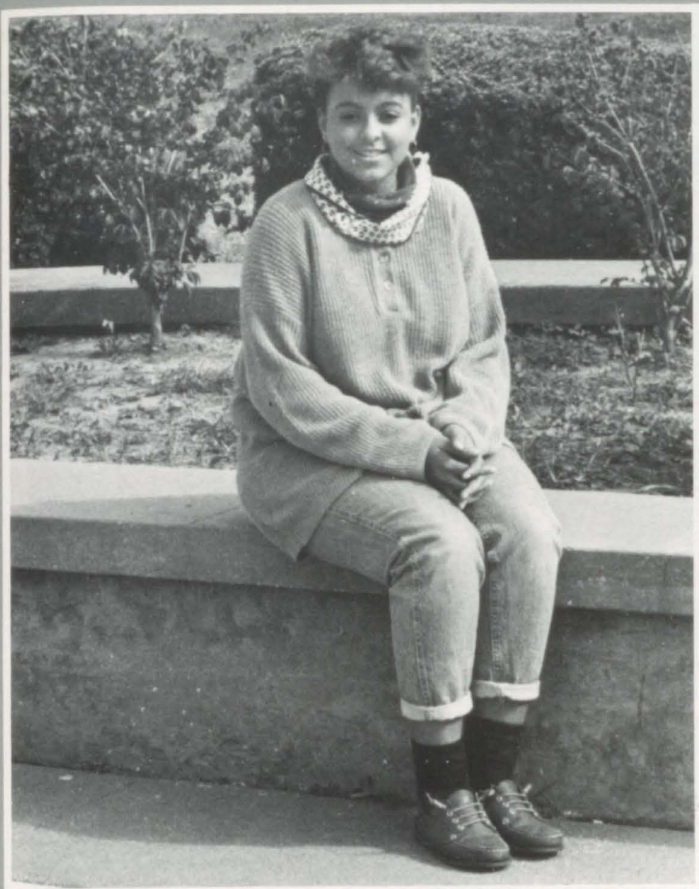

Spirit Club was led this year by President — Casie Sears, Vice President — Diane Mosier, Secretary — Dee Dee Davis, Treasurer — Amy Edmiston, and Spirit Captain — Jamie Wise.

NATIONAL FORENSIC LEAGUE

No, this NFL is NOT on strike!

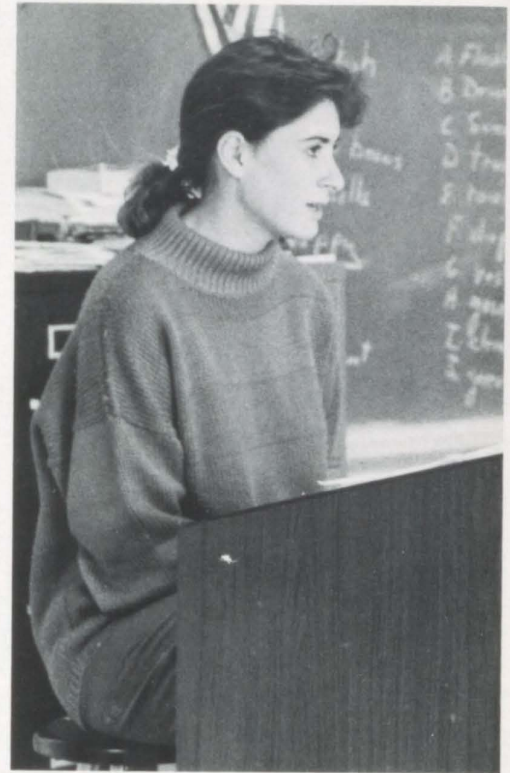

National Forensic League is Raytown South's speech and debate club. Members enroll in a class, and learn the basic skills of public speaking. For those students who want to perfect and utilize these skills, weekend tournaments are held. The meets are on Friday afternoon into the night, and all day Saturday. Physical endurance as well as speaking ability are tested on a 14 hour day!

Raytown South hosts its own tournament in December. Last years 30 school invitational gained a reputation as one of best of the season.

The club also holds fund raisers to finance the costs of a Xerox machine, travel and entry fees, and awards for club members.

As any NFL member will tell you, debate takes a lot of dedication and hard work. But for those who have the determination to succeed, the rewards are many. Trophies, medals, ribbons, and certificates fill the NFL display case by the end of a season.

The squad started this year with a bang by taking the debate, individual events, and overall sweepstakes awards at the St. Joseph tournament, defeating much larger squads. The club is led by Mrs. Scott, and a new coach, Ms. Johnson.

SCIENCE CLUB EXPLORES . . .

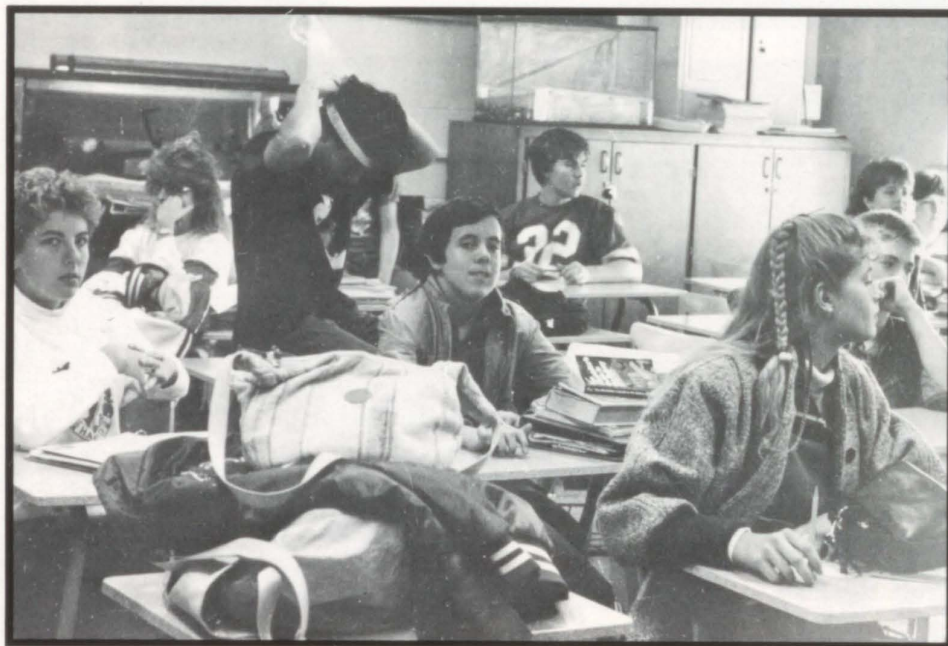

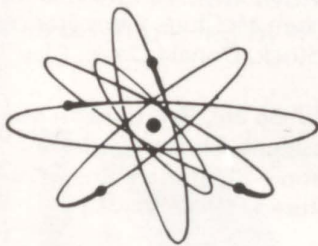

SEARCH FOR KNOWLEDGE

Science Club, one of the most active clubs at South, is sponsored by Mrs. Alderson and Mrs. Williams. They participate in activities throughout the year, such as rappelling, the Science Knowledge Bowl, and fossil hunting. In addition, they take trips to the KU Museum, Chicago, St. Louis, and Yellowstone Park.

The club officers consist of Gillian Hutchin — President, Mara Booth — Vice — President, Dana Rector — Secretary, Chris Fields — Treasurer, Janice Schuette — Historian, and Jeanine Attaway — Committee Chairperson.

The club's major fund raising project each year is to compile the Calling Cards, a student directory. The club has at least one weekend activity a month.

SCIENCE HONOR SOCIETY . . .

OUTSTANDING SCIENCE SCHOLARS

Science Honor Society is designed for the student who has an interest in science, has high academic achievement in science, and participates frequently in science activities. Students must apply for membership, and only 25 are selected to join. Each member must participate in a special science project.

Throughout the year, speakers talk to the club on science related topics. The officers of the club are Beth Welsh — President, Chris Fields — Vice President, Jason Sneed — Secretary, and Jeanine Attaway — Treasurer. The club is sponsored by Mrs. Alderson and Mrs. Williams. Mrs. Alderson believes Science Honor Society "provides challenging opportunities in the area of science."

Have you ever wanted to be a little kid again — or at least spend more time with them? Then Child Development II is the class for you! In this club you have the opportunity of teaching in a pre-school setting, while learning the developmental process of preschool children.

Every Tuesday, Wednesday, and Thursday, children living in the Raytown school district can be registered to be in your own class. You have the responsibility of planning all the activities and lessons for your children that day. Other students teach four days out of the week at Blue Ridge Elementary School.

Mrs. Redford is the head of the child development classes. She believes these classes, "... give a hands-on experience for students who have an interest in early childhood education."

But besides all of that, the preschool kids are cute, and Child Development II is a fun way to help prepare them for the next 12 years of their lives. *Artwork by Frank Wgenbeel.*

We're Poets & We Know it!

Have you ever wanted to write poetry? Have you ever wanted the opportunity to get your poetry published? Maybe you've just been looking for a chance to get together with other people who are as interested in poetry as you are. Well, if your answer to any of those questions was yes, then Poets Anonymous is just the group. It was formed because students who had taken poetry classes requested that they would like to have a chance to get together outside of class-time to write and share poetry. They read poems they have written and work on writing interesting and meaningful poems.

The sponsor, Ms. Shinn, would like to get the members entered in some area contests and eventually get some of their work published. She would also like to have them attend area poetry readings. She is very optimistic about the success of the club.

Polaris Dominates Tug-of-War

Each year, Student Council sponsors a fourth hour tug-of-war championship. This year it was won by the awesome team from Polaris.

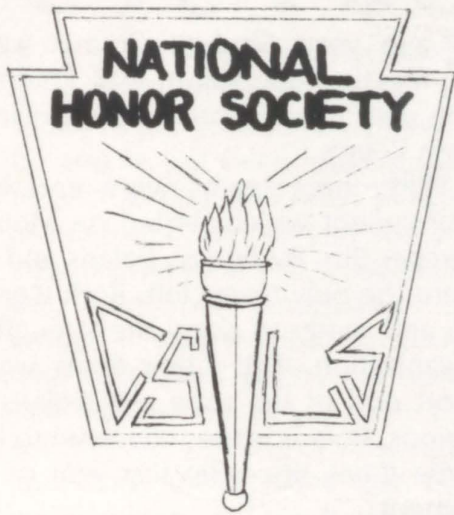

Thirty-three teams were entered in the tournament which started on Monday, November 9th. By Friday, Polaris and the choir were the only teams left. Both were worked up and ready to show the strength of their organization. The Choir team was on the short end of the rope and Polaris was victorious. Polaris is the only team to have won three times since the first year of the tournament.

After winning, Polaris was challenged by the powerful faculty team. Polaris thought they were tough enough to handle them, but the faculty proved to be a little larger than expected, as they came out victorious. Copy and layout by Dee Dee Davis. Photography by Beth Albin and Brad Andes.

NATIONAL HONOR SOCIETY

► NHS members show their best side.

National Honor Society is a national organization established to distinguish students with outstanding academic achievements. The requirements for membership are stringent, and becoming a member is not easy. Candidates must be at least a sophomore with a grade point average of 3.0 or better. Ten petitions must be separately filled out and given to faculty members for recommendation. Once completed, the applicants are judged on the basis of character, scholarship, leadership, and service.

Once inducted, members become part of one of Raytown South's proudest organizations. Each member is expected to attend the monthly meetings and fulfill service and scholarship requirements. Being in National Honor Society is an honor for every student to strive for.

The club's officers for 1987-88 are: Diane O'Donnell-President, Diane Mosier-Vice President, Kim Breda-Secretary, Alicia Bustamante-Treasurer, Garth Dalton-Historian. Copy, layout, photography, and artwork by Scott Johnson.

Friendships develop through Thespians.

The president giving her speech.

"I felt that each person contributed a unique talent that made this group special. We worked together to make each other successful," commented Michelle Ford.

Thespians was support group for all school play productions and was open to anyone with an interest in performing arts. It met once a month, after school, on the first or second Tuesday. The club helped mount and produce plays, aid speech or forensics squads, and promote awareness of live stage art.

CREATIVITY AT WORK

Art Club gave us a chance to express ourselves to each other," said Patrick Finney, president of the Art Club.

They worked at producing art, either individually or as a group. Throughout the year they were involved with the Poetry Club, illustrating poems for them. During the school year they raised money by selling popcorn after school, and candy during school. The money raised went toward paper-making equipment for the art department. Members: Patrick Finney-President, Angie Grant-Vice President, Amy Brown-Treasurer, Frank Lugenbeel, Carol Fischer, Joel Fischer, Amy Thurnau, Gavin Shetler, Lona Magee, and Megan Latta.

BUSINESS CLUB

Building tomorrow's corporate world-Today

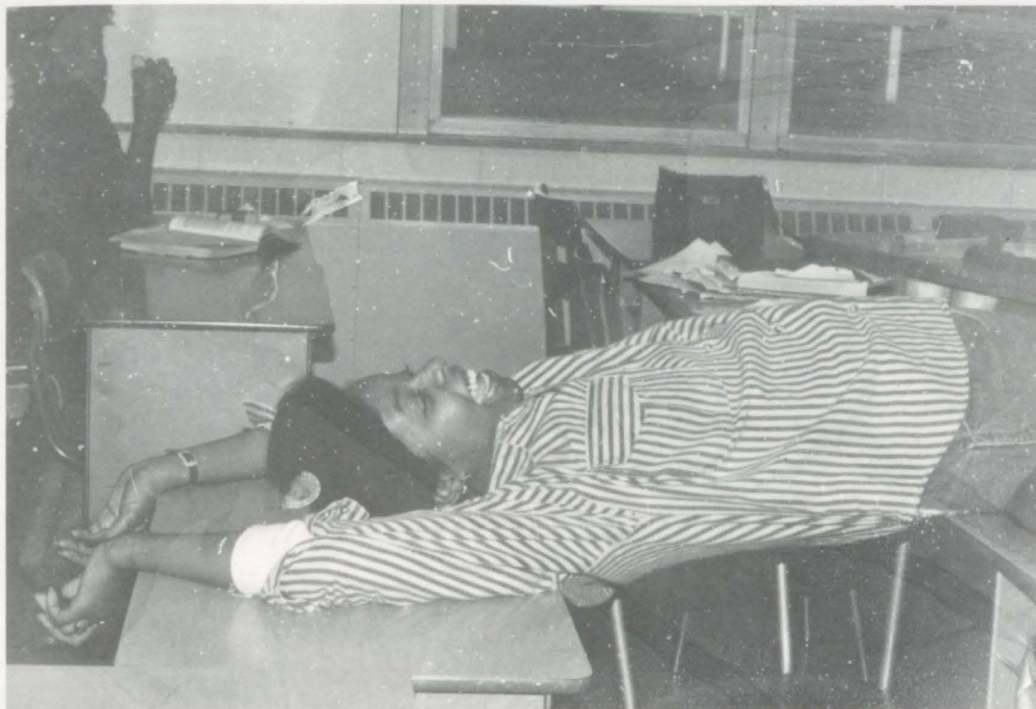

Business Club is a group of students who plan a future in the corporate world. To explore their interests, the club invites guest speakers to their meetings. The guests are asked to share information and experiences about their jobs, as well as the effects the business industry has had on them. Guests also share personal insight on how to become successful. The group also goes out into the corporate world to see how companies, like Hallmark, become profitable.

Service is also an important part of the Business Club. The group tries to help others in need each year. This year the organization is discussing plans to adopt a family in need of grocery supplies. The club would furnish canned goods and present them to the family on a holiday.

To raise funds for club activities, the group held a bake sale in November. The sale was a big success, due to the delicious home-baked food. Seeing people gathered around the business room to get a quick snack became a common sight. All the Business Club members look forward to an exciting year and an equally exciting corporate career.

FHA

Future Homemakers of America

FHA, Future Homemakers of America, was a small but successful group this year. The officers consisted of Julie Gautreaux, President, Christy Henkins, Vice President, Lora Foster, Treasurer, and Sheri O'Dell, Secretary. The sponsor was Mrs. Young. The club was open to anyone, male or female, who had taken a Home Ec course or was interested in Home Ec. The group also dealt with family and personal development.

Their activities for the year included making caramel apples for Halloween, making friendship bracelets and having an Estee Lauder representative come to speak to them and give them makeovers. FHA's fundraisers included having various bake sales and candy sales. When asked how she felt about the club, Mrs. Young responded, "We had a very enthusiastic, good group of students to work with."

Performing Arts

ANYTHING CAN HAPPEN!

Every year the cast and crew busily work on the sets and their lines to make a spectacular performance. This years cast and crew consisted of 42 people, most were newcomers to the performing stage.

The play was about a well known Hollywood producer, Junior Dover Junior, who is trying to get as many big name actors and actresses in his new film to cover for his last film flop. In casting the characters he uses a different script for each person, hoping he can convince them that they have the leading role. A passionata, an ancient actress trying to regain stardom, overheard Junior's idea and used the information to become the star by blackmailing him. Good performing and a plot that kept a person wondering if Junior would get out of trouble made this play worthwhile to see.

A-TEN-HUT!

The Marching Band was led by directors Barry Hartman and Brenda Kueck this year. The band attended Camp Bobwhite, and practiced from 7:00 in the morning until the end of first hour to prepare themselves for their competitions. Leading the band on the field were Drum Majors Bryon Haley, Mara Booth, and Mishelle Duncan. The Marching Band was featured at all home football games and at-

tended two competitions: The Greater St. Louis Marching Festival and Music Bowl X. The band received a new name this year, The Southern Regiment, and moved up to Class IIA with 71 playing members and 10 auxiliary. The competition was tough, considering they were the smallest band in their class at both competitions but they still marched well throughout the season!

The Concert Band is sponsored by Mr. Hartman. They are made up of mostly Marching Band members. This year Concert Band held tryouts for entrance. They have traveled to Tan-Tar-A, St. Louis, Warrensburg and various contests for performances throughout the year. Over the upcoming summer, the Concert Band has plans to travel to Europe and perform.

Orchestra — Bad to the Bow

The bigger the better seems to be a big part in most of the orchestra members' minds. Last year they received a one (1) at the State contest, this year they hope to do the same. They have performed at churches, schools, the AT&T Pavilion, Crown Center, at a K.C. Chiefs football game, and for the first time at a basketball game. They are conducted by Mr. Kirk Mosier, who hopes that they will have two orchestras by the 1990's.

PEP BAND

When you want spirit and excitement, where do you go? You go to a Ray-South football or basketball game where the Pep Band is in action. The band not only entertains the fans during the timeouts and halftime, but they support the Cardinal team in its every effort to win. They play at every home game, under the brilliant direction of Brenda Kueck, who keeps them pepped and ready to go. Through all the hard work, they continue to have fun!

FRESHMEN TALENT!

Although Freshman Band only performs in the band concerts, they have the Concert Band and the Marching Band to look forward to performing in as upperclassmen. Freshman Band meets daily and is instructed by Mr. Hartman, who loves the fresh talent!

FLAG CORPS

This year's Southern Belles, which was made up of eleven Sophomore and Junior girls, led the Ray-South Marching Band through each performance. The competition was tough since the group was so young and had lost half their squad from last year. Yet overall, their routines were done very well, full of energetic spirit! CARDINAL CHORALE

The 1987-88 Cardinal Chorale was the definite high point of the vocal music department. The 27 member group had an excellent year traveling to sing and dance for various groups. Included, singing for private business parties, elementary schools, and several club luncheons. With exuberant spirit and well trained talent, they received many standing ovations! The Cardinal Chorale thanks the students and faculty for their support and especially Mrs. Siddens for all she has contributed. Members: Guys — Jeff Moon, Mitch Serslev, Kyle Phillips, Mike Byrd, Jon Mickelson, Martin Hanson, George Robins, Mike Makawski, Travis Montgomery, David Frasier, Rob Jones, Bryan Tennyson, Keith Parker. Classy Concert Choir

Raytown South's reputation of excellence in performance is growing steadily. This year the choir achieved one of the highest goals possible as they were selected to perform at the State Music Convention in Tan-Tar-A. That performance was just one of many successes the choir had through the year. Along with the annual Fall and Christmas Concerts, they also performed several other occasions at churches and for, or with, other choirs in the area. They also put on a "Southern Comfort" variety show each spring which is always a big hit! The last performance the choir has each year is singing at graduation. This shows how the choir is not just a group of people singing, but a group of close friends coming together, with the help and guidance of a strong and caring conductor, to reach that goal of being the best that they possibly can be! *Copy and layout by Loida Pereira, photography by Amy Miller.*

Taking Control!

This years Freshman/Sophomore Choir was the best there has been in a long time. With one hundred people, promptness was a hard learned asset to the choir, as it was often hard to find a chair!

Size and quality also played a key factor in their performing at the opera, Bannister Mall, and at a choral festival. Hard work and experience achieved in high school allowed them to attend numerous contests which lead to high honors!

South High Singers Gain Recognition

The South High Singers, an all girls group, are gaining recognition as a successful choir. Dedication, hard work, and cooperation have helped them to become stronger and more confident about their abilities. There are 35 girls who were able to perform in many exciting places. Performances at various contests have proven the abilities of the South High Singers!

STATE TITLE

Last year's team had a winning reputation; it was pretty intimidating for other schools." Apparently, Aaron Croft's quote stood true for this year's Varsity Cross Country Team. With seven returning lettermen and one new runner, it seemed to be a sign of a good year. Graham Allen, Aaron "Buck" Croft, Garth Dalton, Dan Frank, Dusty Frank, Darren Groom, Rob Kellstrom, Eric Mansfield, Greg Schlicht, and Jason Sneed led the team to another undefeated year, including Conference, District, and ulti-

mately, the State Championships! Not only a good reputation and determination, but a lot of hard work and commitment, helped the Varsity Boys earn the well-deserved title.

At Districts, along with twenty-one other schools, South's men ran confidently. With all guys placing high, Raytown South took first by a wide margin. Conference turned out to be another simple task for the speedsters. At State, South proved it's dominance by capturing their second consecutive State Championship!!

Dedication and determination were the keys to success for this year's Junior Varsity and Freshmen Boys Cross Country Teams. Together they won the Junior Varsity Conference meet.

"These boys really work hard and give me all they have," said Coach Hursman of the two teams. The Freshmen Team held their own by placing first in every meet they competed in. "I'm very proud of their undefeated season," said Coach Hursman. With the right attitude they should be able to continue the Ray-South winning tradition of excellence. Top runners of the two teams were Greg Schlicht, who ran as fifth man at the State meet, George Robbins, Rob Kellstrom, Dale Blair, Chad Hiner, Jason Brinton, Derrick Edmondson, John Russell, and Steve Sohm.

GIRLS' CROSS COUNTRY

"Running Cross Country for the past four years has made me stronger both mentally and physically."

— Diane O'Donnell, Senior

The 1987-88 Girls Cross Country Team improved greatly in attitude and dedication. Under the guidance of Coach Hursman, they produced an impressive season by winning the Conference meet and placing third at Districts and sixth at Sectionals.

This year's team was led by three dominant runners. Diane O'Donnell, senior, led the team with her consistent running ability and determination. She was selected to the All Metro First Team list by the Kansas City Star and area coaches. Having made the All District Team for three years and All Conference for four, Diane has set a good example for her younger teammates. Anna Boecker, junior, is another consistent runner and holds great potential for the next season. She has made the All Conference Team for the past two years and was selected to the All Metro Second Team list this year. Mary McCoy, sophomore, has shown impressive running by making the All Conference Team for two years and Honorable Mention on the All Metro list. Both Anna and Mary qualified for State and are expected to dominate again next year.

"Down the road there may be a state championship for the girls team," said Diane O'Donnell, "and I want to wish them good luck in the future."

Cardinals Win Conference

The Cardinal football team had a hopeful outlook for the 1987 season. During the summer, five players journeyed to Texas Christian University to learn a new wishbone offense.

The Cards started off the season on the right track by defeating William Chrisman 35-0. The next three weeks weren't very satisfying as the Cards dropped three straight, followed by a hard fought Homecoming loss to Ruskin. The game stayed fairly close until the second half when Ruskin ran off a series of scoring drives and posted yet another tally in the Cardinals loss column.

The next week they traveled to Fort Osage and came back with a victory. This greatly increased the intensity level of their next outing against ever strong Grandview. Though their spirits were high, the Cards suffered a 27-6 loss, which moved their record to 2-5. Over the next three weeks, the Cardinals pulled their act together and were invincible as they won three straight finishing with a victory over Raytown. The Cards finished the season with a 5-5 record and a Conference Championship!!

Football, J.V. Style

The Junior Varsity football team finished the season with a 3-4-2 record. "We had a great season," commented Walter Pearson, "but it could have been better. Our J.V. team is at a disadvantage. We don't get to practice as a team." Another factor was a new offense. The veer depends on the quarterback read-

ing the blocks to make a split second decision. "Our quarterback handled it well all things considered," stated Coach Dan Grosso. "This season showed that we are still competitors with the larger schools. It also prepared us for another conference championship," considered Paul Walker (D.E.).

"Participating at the J.V. level gives the young man an opportunity to improve their skills. This years group worked extremely hard to achieve that end." — Coach Grosso.

by Injuries and Inexperience

The Raytown South Sophomore Football Team was cursed by injuries this year. The result was 2-6-1 record. The season started off well with a victory over Oak Park, followed by a tie with Hickman Mills. The ensuing weeks were followed with about two injuries per week. Coach Barnhardt said this played a vital role in the rest of the games, but he also claimed this will help the Sophomores down the road, because many players gained valuable playing experience, which will help in the years to come.

Most of the twenty-five Freshman boys from Raytown South had never played organized football before, but these young men stuck it out every day by practicing vigorously and playing with tremendous heart and desire. Their rigorous schedule was filled with experienced and excellent teams. Hickman Mills was undefeated and Lee's Summit was beaten only once. The Freshmen record was 0-6, but Coach Breckenridge believes these young men learned how to play football. They showed this with a very intense second half against William Chrisman in the final game, in which the young Cardinal team outplayed their opponents in the second half.

Rough Schedule Brings Out The Character In The

The young Cardinal Soccer Team was given the toughest schedule the Raytown South Soccer Team has ever had, opening the season with a 0-1 loss to an always tough Sedalia squad. This was the closest Raytown South had ever played them in the four year history of Ray-South Soccer. Next they traveled to Olathe, Kansas for the Olathe Tournament in which they played tough against Olathe North, Olathe South, and Raytown. Although the youth of this team meant inexperience, it also provided a spirit and fire not often seen at other schools.

The team was lead by the two senior captains: Donald Stanze and Mike Baird. Even though their record did not show their competitive spirit, they provided leadership and determination in games as well as in practice. *Copy and layout by Lance Kilgore. Photography by Karen Dinkins.*

J.V. SOCCER SHOOTS FOR SUCCESS

The J.V. Soccer team's season fared pretty well as they posted an 11-6-2 record. Saturated with young players, they practiced hard and their schedule placed them against some of the toughest squads in the city. They were determined to win, and in the event that they lost, they didn't let it get their spirits down. They fought hard from the start of the season until its close. With a tremendous amount of help from Coach Jones, these young players have gained the knowledge and experience that they needed to have a winning season at the Varsity level. The Mean Season

As one of the more talented teams South had assembled in years, hopes for the 1987 season were high. The Lady Cards started out the season with a reputation for being fighters. After bringing home the 3rd place trophy from the Springfield Tournament, the girls dropped a close game to their cross-town rival Raytown. There was a four way tie for first in Conference until the final game. South fell to Fort Osage, leaving them in 4th. Their season ended at districts against Grandview, a team they'd beaten twice, making it an exceptionally bitter pill to swallow when they lost.

The team, consisting of

seven seniors and only one junior, produced many post season honors: Tammy Todd was named 1st Team All-Conference for the second year in a row and All-Regional honors, along with Most Outstanding Player by her teammates. Deborah Atchity was named 2nd Team All-Conference and chosen Best Defensive Hustler by the team, Beth Albin was selected Most Inspirational Player, and Kim Beggs achieved Honorable Mention in Conference. Although their record did not manifest their fire and enthusiasm, the team still stood proud!

FRESH BEGINNERS

The 1987 Freshman Volleyball team started out their season slowly, but finished it well. Halfway through the season the team placed fourth out of sixteen teams at the Truman Tournament. Coach Harrison was impressed by her teams improvement this year. She explained, "I was very proud of the girls at the Truman Tournament. They played hard all day and weren't defeated until the semi-final round." The Freshmen ended their season with a hard fought 8-9-1 record.

CARDINAL BASKETBALL

Raytown South, as usual, has a winning team worthy of bragging about. The 1987-88 Raytown South Cardinal Varsity Boys Basketball Team continued its city-wide dominance, winning the twenty first Conference championship in twenty-two years. The Cardinal basketball squad showed strong determination, which was apparent on the face of Head Coach Bud Lathrop, "The kids were continually putting forth the effort and improving! Never in the history of South have we ever started two sopho-

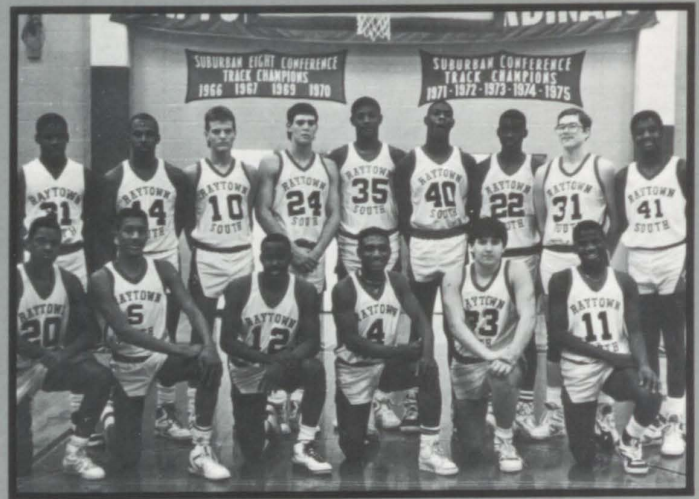

mores. I feel we had a very good year and I'm proud of all the kids!" South's team leader on the floor was senior standout Ray Johnson. Johnson's experience of being a second year starter kept the squad working as a team. Johnson was supported by two outstanding sophomores, Chris Lindley and Jevon Crudup, who were able to handily take control of many games. South's outstanding year in '88 is surely a preview of what can be expected in future seasons.

The Raytown South Junior Varsity Basketball Team upheld the fine tradition of Ray-South basketball, playing with the fire and emotion always present in teams coached by J.R. Hursman. The leaders of this team were James Strickland, James Parks, Steve Watson, and Aaron Brown. Strickland provided the leadership on the court that is often seen in South point guards. James Parks and Steve Watson controlled the inside game along with help by Bill Hart and Jesse Battles. Aaron Brown lit up the scoreboard with his outside shooting and excellent jumping ability. This junior varsity team displayed its great talent by having an undefeated season. Following tradition, this was another outstanding J.V. team! Copy and Layout by Lance Kilgore. SUPER SOPHOMORES!

Second Row — Aaron Robins, Andy Nicholson, Bryan Harris, Scott Fidler, Lawrence Hopkins. Third Row — Russ Clifton, Richard Werremyer, Dan McKinney, Jesse Battles, Neal Quackenbush, Coach Morrison.

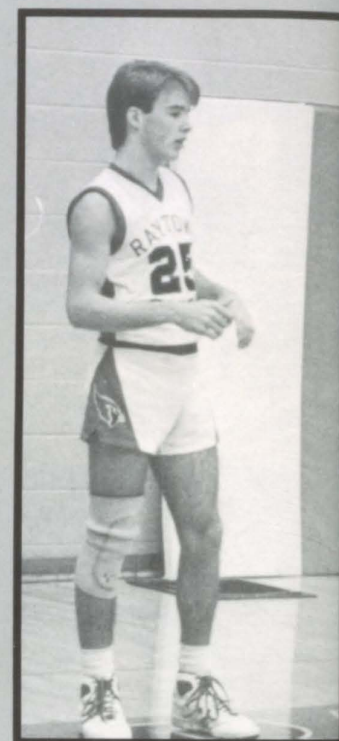

The 1987-88 Sophomore Basketball Team enjoyed an impressive season, with a 12-5 record. Many people were skeptical of their ability due to the fact the team lost two outstanding players to the varsity squad. But the young men opened many eyes with their desire and dedication. "It's been a good year," said Coach Kurt Morrison. "I've enjoyed returning to Raytown South and I'm very proud of our work, devotion, and improvement on the sophomore level. I feel fortunate to have the opportunity to work with these young athletes." The sophomore team's schedule included fifteen games and one tournament, in which they took second place. FRESHMEN BALLERS!

The 1987-88 Freshman Basketball Team played a difficult schedule this year, with only three of seventeen games at home. Lacking in height and speed, they struggled to win their games and ended with an overall record of 2-15. "I don't think their record gives a fair indication of their progress and improvement," said Coach Steve Peck. "They caught up with a lot of teams that were far ahead of them when the season started. If they continue to improve, they should surprise many people next year." The Freshmen "B" squad also had a tough season, winning only two games. But this team as a whole has improved drastically in a single season and has three more years to continue improving! Copy and layout by Pam Emery. Photography by Tammy Todd.

VARSITY GIRLS' BASKETBALL

The 1987-88 Varsity Girls' Basketball Team had an abundance of young players, but not a single Senior or returning Varsity member. Under the new direction of Head Coach Dave Babson, the team was destined for a successful season. Coach Babson worked the team daily, in vigorous practice sessions which hardened his young team. Faced against many of the top-ranked teams in the city, the Cardinals gained much experience and learned to hold their ground. The experience gained this season will propell the Lady Cards to an even more successful season next year, as all players will return in '89. Copy and layout by Vernon Rice. SPLASH . . . SWIMMING & DIVING!

The 1987-88 Boys' Swimming and Diving team was faced with a year of hard work and challenges. They were a young team battling against much stronger and more experienced squads. They began the season with the hope and aspiration that all high schools teams have: to reach the state meet! As the season progressed, the squad faced many successes which were countered by much hardship and agony. The Cardinals were the host of one of the largest invitationals in the state, and profitted by gaining much experience.

When the suburban conference championship finally came around in February, the teams hard work and dedication gained rewards. The Cardinals showed up and strutted their stuff by qualifying for the 200 Medley Relay and 400 Freestyle relay. Individual state qualifiers were: Steve Campbell (100 Breaststroke), Mike Newsome (200 and 500 Freestyle), Bryon Haley (50 and 100 Freestyle), and Joe Poarch (100 Butterfly and 100 Breaststroke). Captains for the 1987-88 squad were Steve Campbell and Bryon Haley. *Copy and layout by Vernon Rice. Photography by*

Varsity Wrestlers: The Real Men!

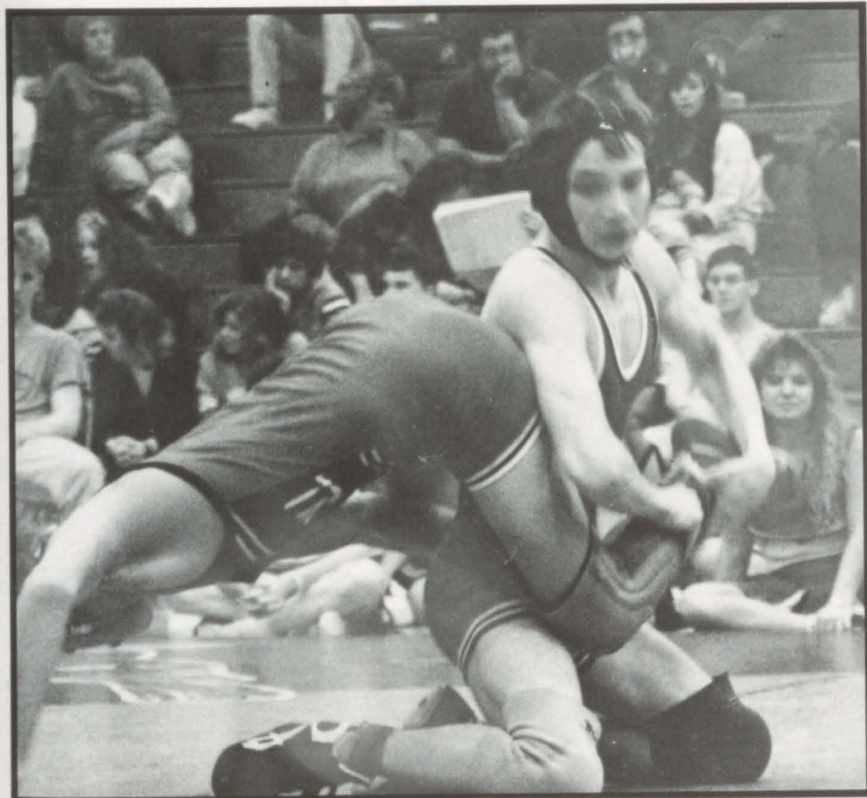

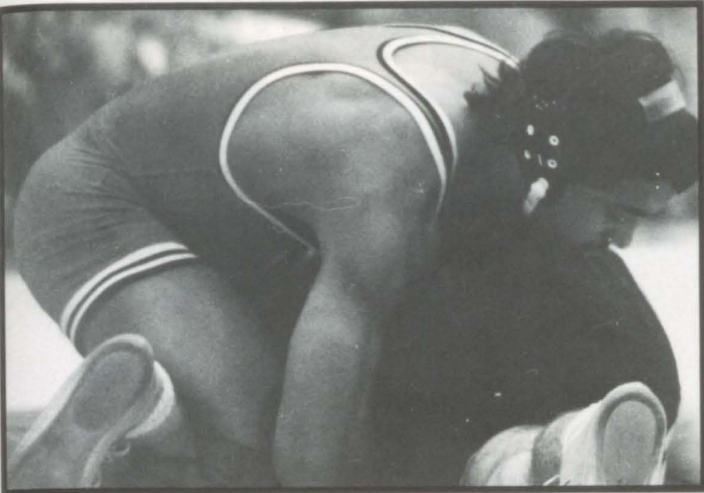

The Raytown South Varsity Wrestling Cardinals are climbing to new heights. A repeat performance on last year's victory in the district arena was accompanied by South's first ever Conference Championship! South's dual record was nearly perfect, sparing a single loss to Winnetonka and a dog fight with Blue Springs resulting in a tie. The Cardinal squad finished their fantastic year with a sixth place finish at the state meet as six wrestlers qualified for the event. Brad Andes led all South wrestlers with a second place finish at state and was followed by Spence Davis's third place finish! Copy and layout by P.J. Modrell. J.V. Wrestlers Grapple For

The Raytown South Junior Varsity Wrestling Team is the best J.V. squad Coach Hauck has had since arriving at South. Coach Hauck claims this is the first time he has ever felt comfortable about bringing boys up to wrestle for Varsity. Todd Dando and David Childress have both won Varsity matches this year, proving JV's depth.

The JV wrestlers started out this year with a close loss to Kearney, a match which Coach Hauck believed South should have won if not for a bit of bad luck. This was followed with a victory over Hickman Mills, and a first place finish in the tough St. Joseph Tournament. The next match was against the always tough Winnetonka squad, and South upset the Griffins, a feat which they had not accomplished in the past nine years. The JV finished strong the rest of the year, making the future very bright for these young men. *Copy and layout by Lance Kilgore. Photography by Sarah Eberhard.*

VARSITY CHEERLEADERS

The 1987-88 Varsity Cheerleaders started off their busy year last summer by attending the Dynamic Cheerleader Association camp in Warrensburg. They received top honors including seven blue ribbons, one yellow for overall spirit, a dynamic spirit stick for Most Spirited Varsity squad, and a first place trophy for best overall performance.

Being a Varsity Cheerleader requires a lot of responsibility. She must cheer at varsity football, basketball, and soccer games plus set aside time for studies, practices and pep rallies. Fund raisers also play a key part in purchasing uniforms, and this year the squad introduced the popular "Hard Rockin' Cardinals" shirts.

Backing this squad of dedicated girls is their hard working sponsor, Mrs. Brooks. "Cheerleading is like a sport" she says, "they practice weekly, attend the varsity sporting events, plan pep rallies and wear uniforms. It's very demanding and time consuming to be a cheerleader."

Just one look at our Varsity Cheerleaders makes one proud to go to Raytown South. They are wonderful to watch and have earned well-deserved appreciation.

SOUTH'S YELL-LEADERS

The 1987-88 yell-leaders were sponsored by Wanda Brooks. They worked well together this year in promoting school spirit. They put a lot of time, effort, and dedication into yell-leading. The football members were: Brad Andes, Richard Burgess, Kent Graham,

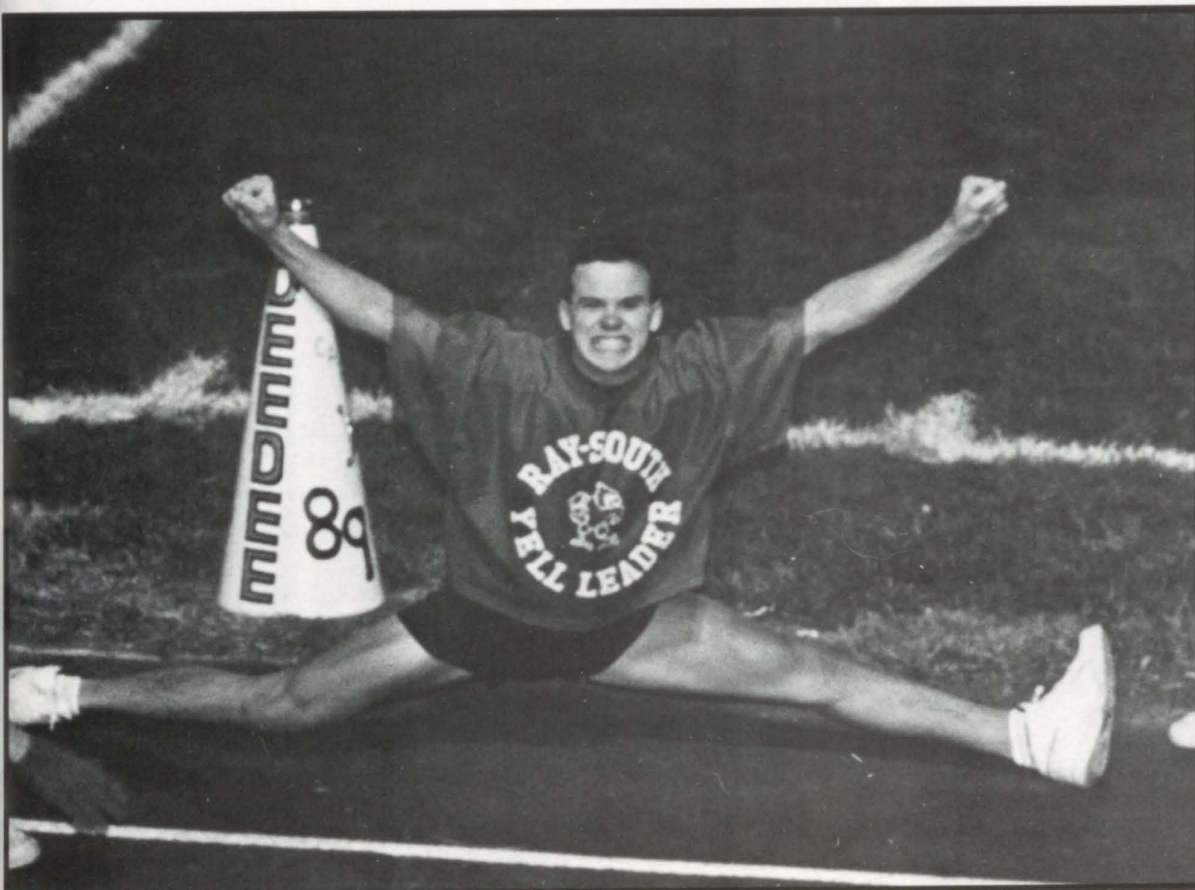

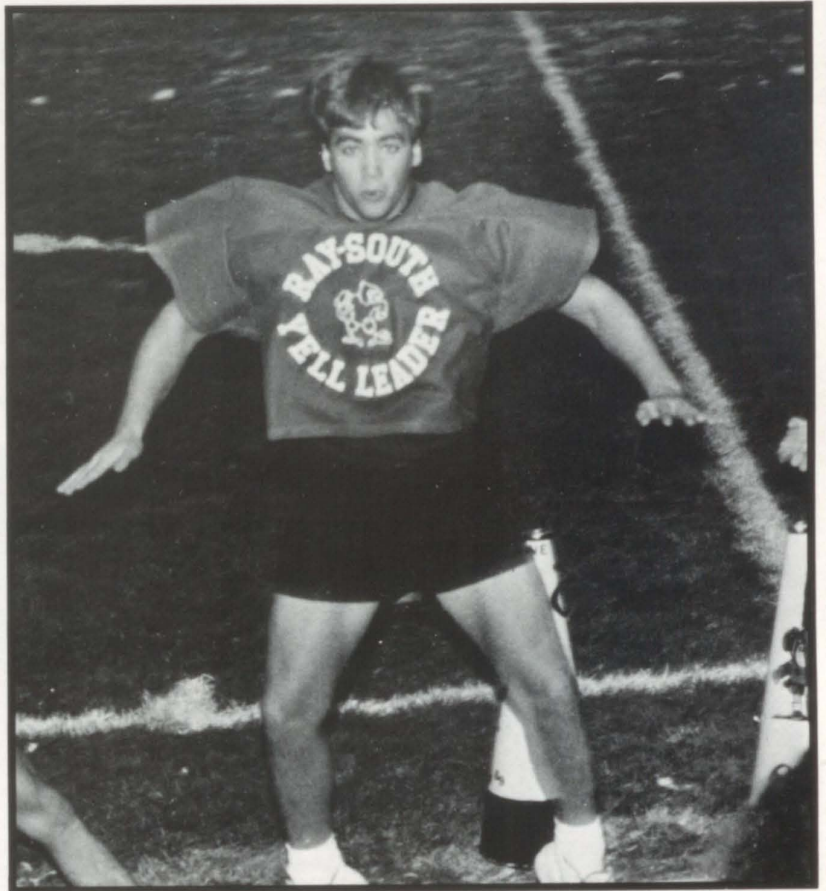

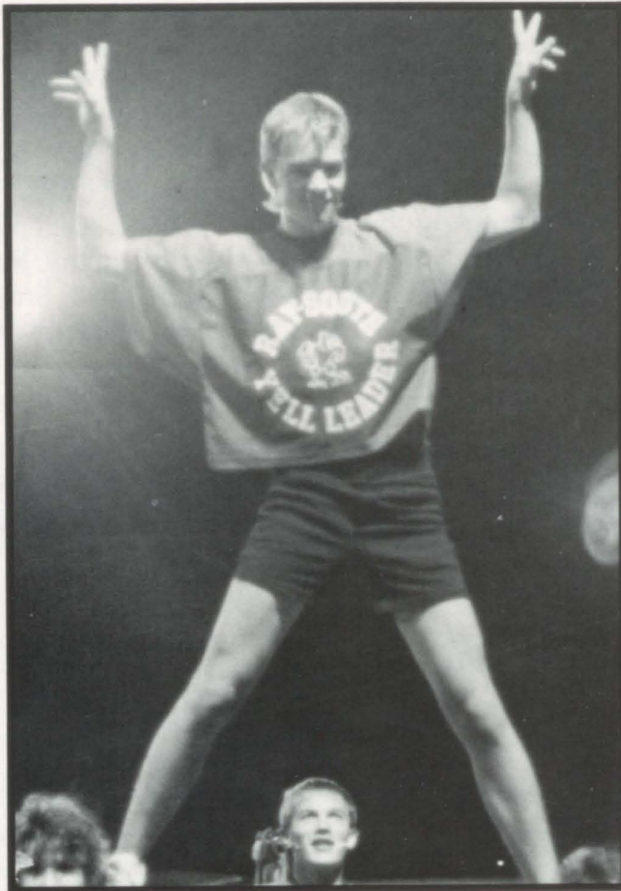

Sean Lindsey, and Greg McComas. The basketball yell-leaders consisted of: Mark Bailey, Kent Graham, Matt Harker, Brent Staley, and Paul Walker. *Photography by Sarah Eberhard, and Michelle Kinnison. Copy and layout by Deborah Atchity, artwork by Frank Lugenbeel.*

Stick out of the 52 squads present. The 1987-88 J.V. Cheerleaders are: Amber Lawson, Tiffany Antosek, Dee Aufdembrink, Carrie Lyons, Sara Setser, Kelli Moriondo, Mandy Collins, Kelly Renfrow, and April Smith. The J.V. squad is sponsored by Mrs. Brooks.

FRESHMEN FIRE UP!

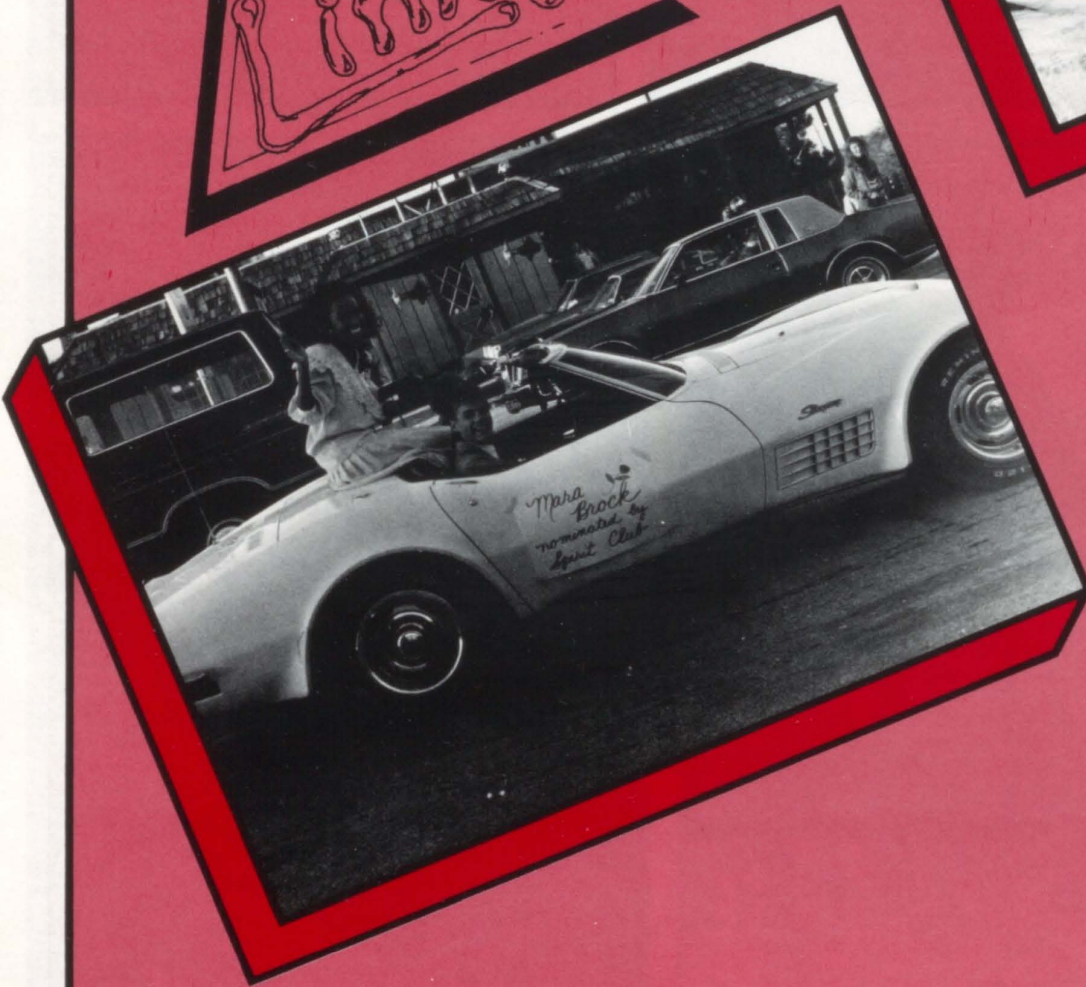

The 1987-88 Freshmen Cheerleaders were chosen during their eighth grade year from over 50 girls trying out for this position. Clinics and try-outs were held during April at South Middle School. This squad attended a Universal Cheerleader Association camp at K. U. last July and received one gold Super Squad ribbon,

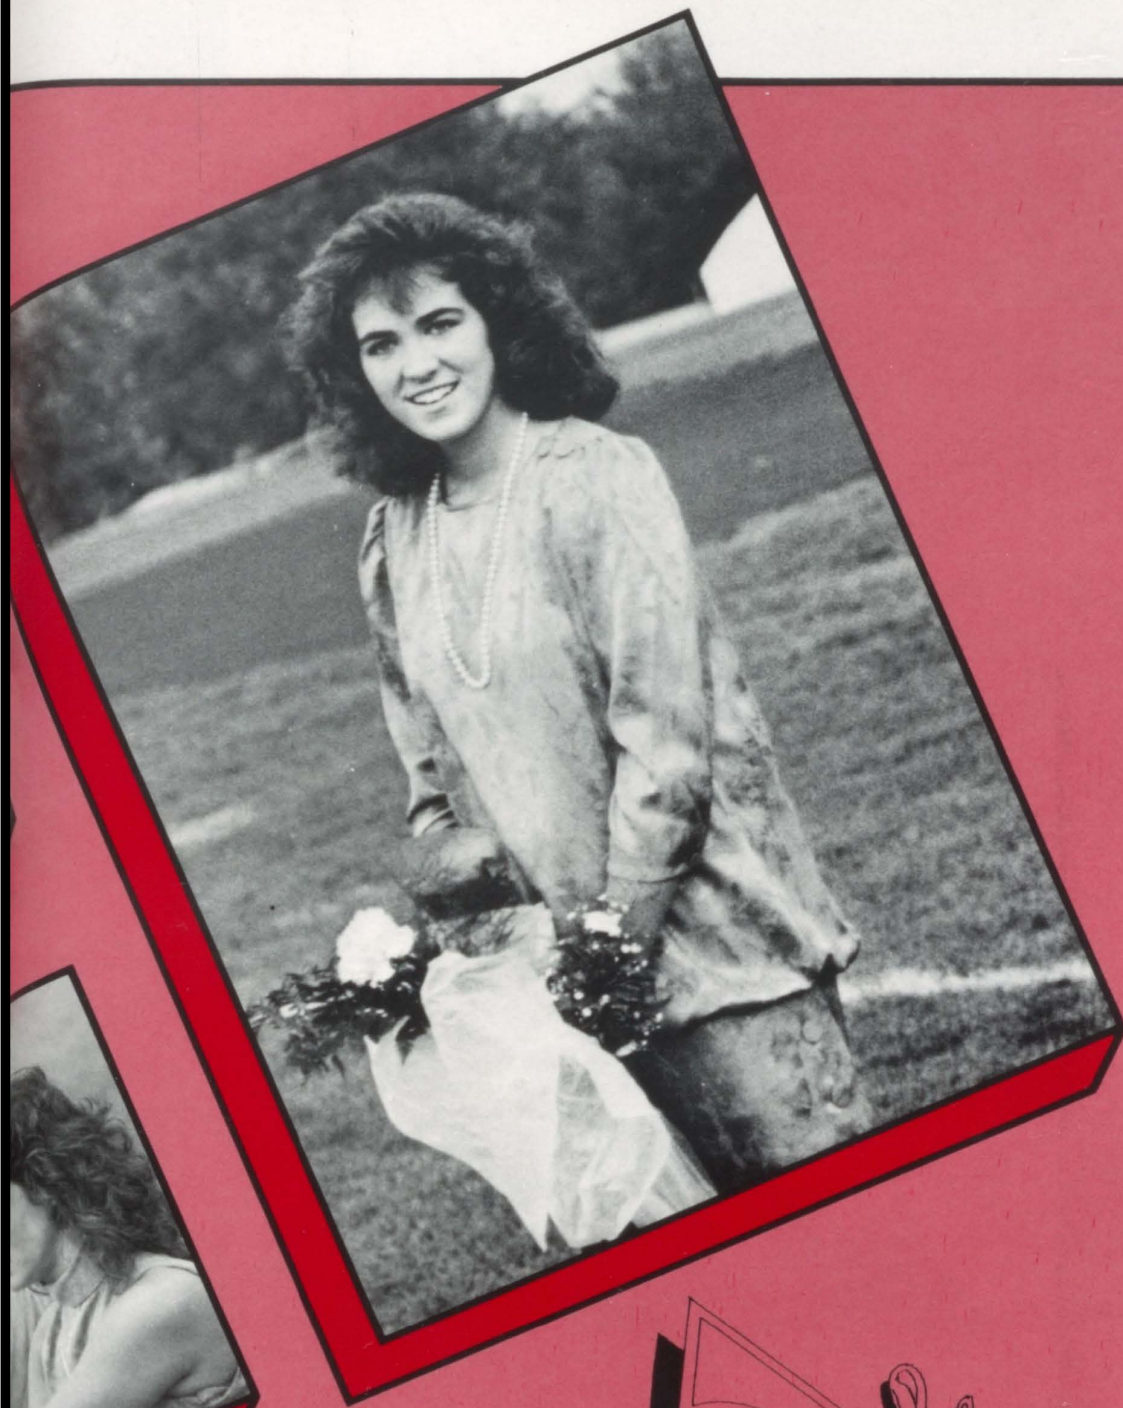

four blues, and three reds. They also won a Spirit Stick and Super Squad trophy for best junior high cheer performance. Members of the 1987-88 Freshmen squad: Cathy Cordes, Heather Woodward, Carlene Kelly, Missy Thrall, Cara Erickson, Kim Peterson, Sandi Hughes, and Amy DeMello.

Red & White Shines Bright

On August 29, 1987 the Red and White football game was held at the Raytown Memorial Stadium. During halftime, the 1987 Red and White queen candidates were introduced and one was to be crowned. The Senior members of the football team chose Beth Albin as their candidate. The Junior class picked Michelle Kinnison, while the Sophomore candidate was Sara Setser. Amy DeMello was picked by the Freshmen football team to represent their class. The winner was determined by the class who sold the largest amount of Red & White tickets. The excitement and tension grew before the announcement of the Red and White Queen. Michelle Kinnison was crowned queen by the 1986 Red and White Queen, Dee Dee Davis.

Shawn & Pam Prevail

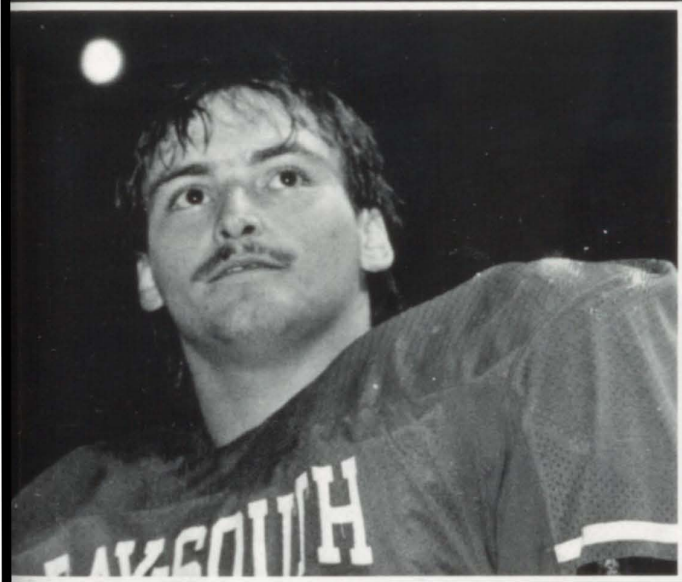

Following the traditional Fall Homecoming assembly and parade, the Cardinal football team fell to Ruskin, 16-0. Halftime was highlighted by the crowning of the King and Queen and all homecoming activities were culminated by one of the most successful dances ever!

The football team chose Amie Spellman and Lance Kilgore, while the soccer team selected Casie Sears and Mike Baird as their candidates. Kim Beggs and Eric Mansfield represented the volleyball team, while Diane O'Donnell and Garth Dalton were cross-country's nominees. Spirit Club chose Mara Brock and Rob Fowers, and Pam Emery and Shawn Cobb were Student Council's choice. Fall Homecoming climaxed with the crowning of Pam Emery and Shawn Cobb as Queen and King.

The task of picking Spirit King and Queen was the responsibility of the Spirit Club. Eight candidates were nominated to represent the Senior class: Jennifer Breck, Kim Breda, Amy Miller, Casie Sears, Brad Andes, Jason Belser, Guy Black, and Rick Boehmer. CROSS COUNTRY

Seniors lead team

Rolling out of bed at 5:30 each morning, the Ray-South cross country runners begin their day with 5 miles of road work. After school, these dedicated athletes continue their training with another 5 to 10 miles of running. Their hard work paid off as they captured their second consecutive State Title. A crowd of more than 20,000 spectators gathered

at Hough Park Golf Course to watch the State Championships. Several hundred South fans were clad in their red and white, ready to cheer the runners to victory. As the runners began warming up, all nervousness they might have earlier experienced disappeared as the finish line became their common goal.

I'm glad I was a part of the winning tradition here at South. Winning State and being All-State two years in a row, has made me realize what hard work and dedication will do. I hope the team will be as good in years to come.

With only 5 years of coaching Cross Country, Coach Hursman has made this program something else. With a 3rd place, 2nd place finish, and two championship titles, we owe him a lot. Good luck Coach in your future years of coaching.

Standing on the awards platform, receiving my All-State medal, and receiving the State Championship trophy was the best feeling in the world. I am glad to have been a part of the team. Having undefeated seasons back to back is also an accomplishment I am proud of. It shows what hard work and dedication can do.

Huddled in a closed circle, the chant "South Won" could be heard echoing across the course. West Plains and Pattonville were expected to beat South because they were returning more runners and had a stronger fifth man. This wasn't true. The margin of victory this year was bigger than last year when South was favored. The Cardinals were led by All-State

runners Dusty Frank who finished third, Dan Frank finishing seventh, and Aaron Croft placing twelfth. Strong runs by Eric Mansfield, Greg Schlicht, Garth Dalton, and Graham Allen secured South's victory. After winning State for two consecutive years, Raytown South proved its dominance to the entire state of Missouri.

CROSS COUNTRY

We went out to prove we we're still the best. We did so with everyone giving it their all.

The thrill of competition is indescribable, the rush of victory is indescribable, and the nausea of defeat IS describable. Luckily, I have nothing to describe for the past four years.

Winning the State Cross Country meet for the second consecutive year was a great thrill! Last year we were picked to win and this year we didn't know where we would be at the end of the season. When the seniors were freshmen I could see a State title written on their faces. They worked hard all year round for that Championship.

Aaron "Buck" Croft

RAY-SOUTH GOES

When the 1987-88 school year began on September 8, 1987, students were greeted with many new faces in addition to the old ones. Mr. Jenkins and Mr. Gooden, new members of the administration, several new teachers, and the incoming freshmen added variety to South's corridors. The most noticeable change was definitely the bright green lockers, as they cast an eerie glow along the hall.

During the next few weeks, the

fall sports got underway. On a chilly October evening, Pam Emery and Shawn Cobb were crowned Homecoming Royalty as the Cardinal football suffered a disappointing loss to Ruskin. Afterwards, one of the most successful dances in recent years was well attended by the student body. The football team rolled to its first conference championship in six years, and the cross country team once again proved its dominance by winning state. The soc-

cer team had a rebuilding year, giving young players valuable experience for years to come, and the volleyball team was an inspiration to all who watched them play.

As the weather got colder, Ray-South had its first W.P.A. dance in several years. Many students attended, and it gave a different twist to the traditional date. Over the Christmas vacation, students relaxed and rang in 1988 with high hopes for the new year.

BEYOND THE LIMIT

Students were treated to a rare five day weekend as cold weather and snow brought about a harsh winter.

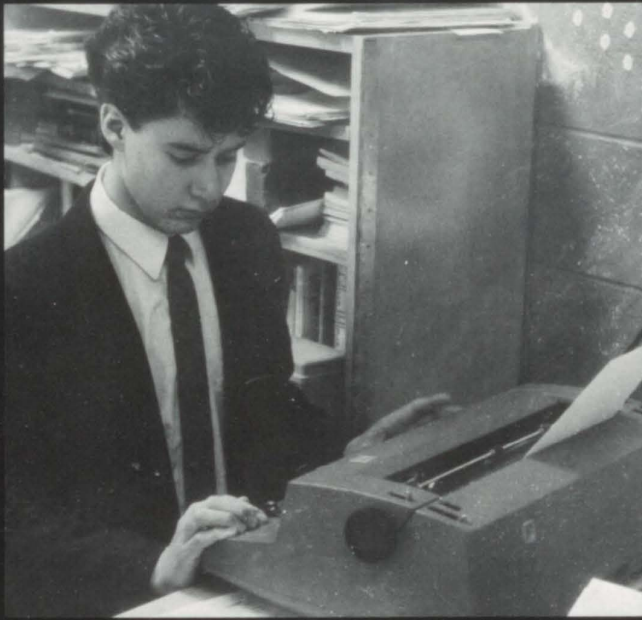

Alma Armendariz and Brad Andes were honored as the 1988 Winter Homecoming Queen and King while the basketball team stomped Winnetonka 74-50. A sock-hop was sponsored by KY-102, and students from South and Raytown attended.

The wrestling team won conference for the first time and also won the district meet. In addition, they placed sixth in state, their

best finish ever. The girls basketball team had a hard fought season under their new coach, Dave Babson. Four swimmers qualified for the state meet and the basketball team won its 21st conference championship in 22 years under the direction of coach Bud Lathrop.

When spring came around, seniors began to catch the dreaded senioritis. May 7th was the date for the annual junior-senior prom held at a new location, an annex of Bartle Hall. Students anxiously awaited the crowning

of the Polaris King and Queen. Later in the evening, Jason Belser and Jill Shoemaker were honored. Less than two weeks later, seniors attended their final day of school. Baccalaureate was held on Sunday, May 22, and commencement followed the next day, bidding farewell to the class of '88. Underclassmen attended school until June 2nd, thus bringing an end to the 1987-88 school year-the year of takin' it to the limit!

BEHIND THE SCENES

Thanks to all who worked to make this yearbook a success. Although it was hard work, I've learned a lot from it and I'm glad I had the experience. I would especially like to thank Jan Day and Mr. Redford for all of their help. Good luck to next year's staff.

Polaris seemed to be more than just a class, it was something to be dedicated to. The enormous amount of work and responsibility was worth having the chance to experience the friendships developed among the members. Thanks to Mr. Redford and good luck to next year's Seniors.

Being on the Polaris staff has helped me to deal with responsibility. I'd like to thank Mr. Redford for giving me the opportunity to be on the staff.

— **Mike Spilker**

Being on the Polaris staff has been an unforgettable experience. This year's staff has worked really hard to make the yearbook a success. Good luck to the 1988-89 Polaris staff.

I have enjoyed the past two years on the Polaris staff. It has taught me how to manage my time and how to deal with people. Polaris has been a significant part of my high school years and I definitely recommend it to others.
