1975 CRUSADER

Southeast High School
Kansas City, Missouri

Ever insurgent let me be,
Make me more daring than devout;
From sleek contentment keep me free,
And fill me with buoyant doubt

Open my ears to music; let
Me thrill with Spring's first flutes and drums—
But never let me dare forget
The bitter ballads of the slums.

From compromise and things half-done,
Keep me, with stern and stubborn pride.
And when, at last, the fight is won,
God, keep me still unsatisfied.

—Louis Untermeyer

We dedicate this book to our beloved principal, William J. Herron.

—The Crusader Staff

The Crusader of 1975 opens with the idea and hope that this book will serve as a treasure chest of memories for many years to come. In it are stored all the precious moments, valuable remembrances, golden faces, and particular places which made the year 1975 possible.

Teachers Relax

The next time you open your mouth I'll stuff this eraser down your throat.

I heard that!

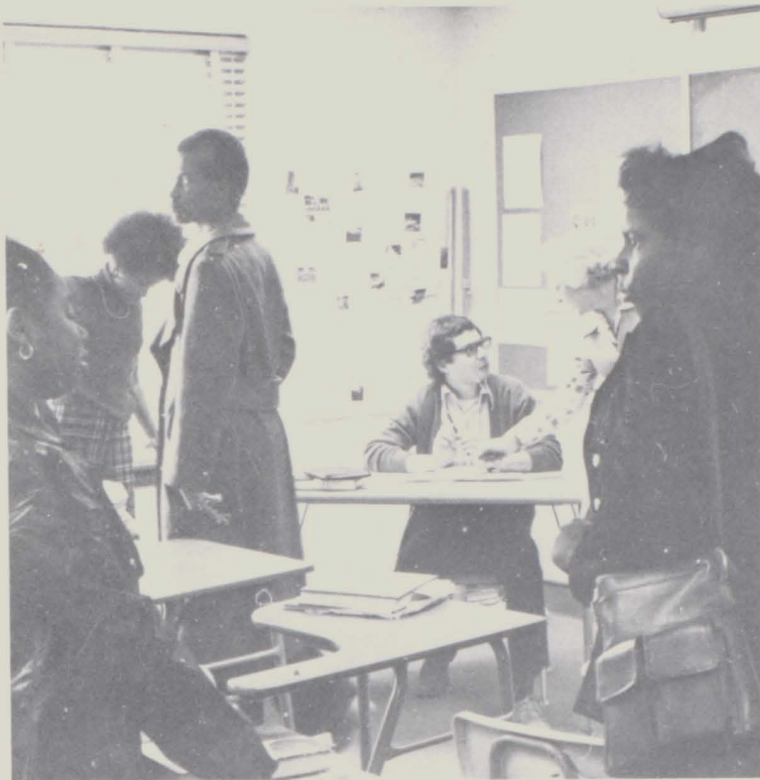

I should have gotten Poly-Grip.

Oh, Lord! Forgive them for they know what they do.

And a one and a two and a . . .

School is: Happiness, enthusiasm, spirit, gaiety, interest, delight, fun, hope . . .

"An I tell you she ain't got nuthin' I ain't got!"

Ms. Johnson! The hand of fate awaits you!

Just what a man needs, a five cent cup of coffee and a dirty book.

Honey, I told you not to call me at the office.

The Dragon

The dragon is a bold but mysterious creature. He represents power, wisdom, good judgement, loyalty, honor, dignity, and love. A little of all the zodiac is contained within his soul. He is a creature of wits and vitality. He can be very dangerous or very loving and loveable. His code of life is usually live and let live, but if misused or abused that code turns into live and help die. He holds the key to now and the future. So strong is his will that he can never be conquered. He has pride. He cannot be ruled by the class of '75. YOU!!!! better believe that the sophomores don't take no JIVE!!!!!!

The Southeast Beta Club has been a part of Southeast since its dedication in 1939. Scholarship, leadership and service are qualities each Beta member must possess. Members' standards are high. Each member must have been on the honor roll for three semesters, maintain a 3.00 grade average, and have an equally worthy citizenship record.

This year the Beta Club sponsored a honors assembly where students making the honor roll were honored along with the Betas who received special honor. The Betas also ushered at commencement, as they do every year, and maintained the front showcase.

An event for all Betas all over Missouri to remember was the annual state convention in St. Louis. There they exchanged ideas and secrets.

A big vote of thanks should go to Mrs. Dorothy Holloway who has stood behind the Betas as their sponsor for a number of years.

Work it Out!!!!!!

Battle Of The Bands

Senior

There comes a time in everyone's life when they must take that "One Step Beyond". After four glorious years here at Southeast High, we the thirty-seventh graduating class, feel we have reached that time. They say that the first step is always the hardest, but the guidance, education, and experience we have received at Southeast have already directed us down the right road and in turn set us out on the right foot. We realize that there may be some stumbling along the way, but with such a solid foundation, we know we will never fall.

Farewell

So now we would like to say, "Thank You" for the time, patience, and care you have provided us, in the hopes that it wasn't all spent in vain. But we would also like to say "Good-bye" for now we must go out and take that "One Step Beyond" into the world outside the hallowed halls of the Castle. As Shakespeare once pointed out: "Parting is such sweet sorrow." But before we go, there is something you must know, and that is:

"We Love You!"
